Chest Fund Over The Halfway Mark

CHAIRMAN HARRIS HOPES TO COMPLETE CAMPAIGN BY THE END OF NEXT WEEK

The Community Chest fund has reached the halfway mark this week with $4,032.27 already turned into headquarters at the Chamber of Commerce office, according to Ronald Harris, chairman of the drive. The goal set for the drive is $7025.

Solicitations are proceeding on schedule, says Mr. Harris, and reports from several of the residential areas have been completed. However, contacts with a number of Tecumseh's factories and business places have not been completed, and when these reports along with those from several important districts are turned in it is expected they will swell the total considerably.

Mr. Harris again urges solicitors to turn in their reports regularly and often in order that an up-to-the-minute check can be kept on the progress of the drive.

The spirit of giving, illustrated last week in the story of the anonymous donor, was repeated again on Tuesday morning of this week when a gentleman stepped into the Chamber of Commerce office, and, giving his address as a rural route out of Tecumseh, handed Mr. Harris a $20 bill to be added to the Chest fund total.

It is hoped solicitors will be able to complete their call-backs and turn in a complete report before the end of next week in order that the Community Chest campaign may be completed by that time.

Mr. Harris and his solicitors wish to point out that in some cases, even after calling back three or four times, they have been unable to contact a few citizens. In the event you are one of these who have been missed, you may bring or mail your donation either to the Chamber of Commerce office or to Mrs. Harry Duncan at the United Savings Bank.

Floyd A. Totten, 74, Buried In Brookside

Floyd Albertus Totten, aged 74 years, died Friday afternoon at his home, 311 Pearl street. He had been in failing health since last April.

Mr. Totten had lived most of his lifetime in Tecumseh. He was the son of the late Charles and Hester Ann Hunter Totten. He was a member of the Seventh Day Adventist church in Adrian.

Mr. Totten is survived by his widow, Lenore H.; a son, LeClare, and a sister, Mrs. Mable Bennett of Detroit.

Funeral services were held Monday afternoon at 2 o'clock at the Green Funeral Home, with Elder George Elstrom of Adrian, officiating. Mr. and Mrs. Rex Wolf of Hillsdale sang two solos, "What Will It Matter," and "Beyond the Sunset."

The bearers were Vern Hinsdale, Cleur Snyder and Lloyd Hawkins of Clayton, Joe Fogerty and Douglas Zunnstun of Adrian, and Kenneth Ross of Tecumseh.

Burial was in Brookside cemetery. Friends and relatives attended from Toledo, Chicago, Detroit, Adrian, Tipton, Belding, Hillsdale, Clayton and Tecumseh.

TAVERN LICENSE IS SUSPENDED 15 DAYS

The license of the Rocket Tavern, Tecumseh, operated by Vincent Muzillo and Albert Fablano, was suspended for 15 days, and a fine of $150 was imposed by the Michigan Liquor Control Commission, it was announced at the Commission's offices. If the fine is not paid, it was said that the license would be suspended for 30 days.

Complaint against the tavern was made by Tecumseh police, involving an alleged violation on July 1. Police charged that the tavern served and sold to minors.

According to police, the hearing on the charge was held on August 15 and the suspension date becomes effective on November 20.

First Freight Enters New Terminal

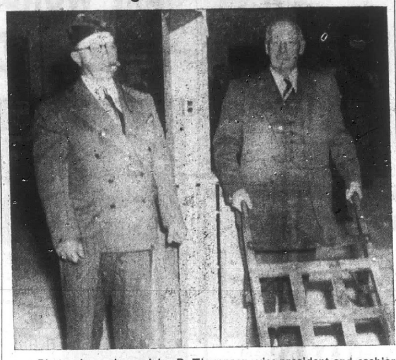

Photo above shows John R. Thompson, vice-president and cashier of the United Savings Bank of Tecumseh, after he had wheeled the first freight into the Rumpf Truck Line terminal on South Maumee street. The terminal was officially opened, Saturday. At Mr. Thompson's left is W. J. Rumpf, owner of the line. The new terminal warehouse cost about $65,000. The line handles nearly 300 tons of freight daily.

Richard Wigham, 79, Dies; Is Buried In Brookside

Richard Wigham, aged 79 years old, died Monday afternoon at 4:35, at the home of his niece, Mrs. Hal B Lewis on U.S. 112, R.F.D., Brooklyn. He has been in poor health for several years. Mr. Wigham was preceded in death by his wife, Anna, in February, 1944. Born in Temple Town, Westoe, England, and came to Canada in 1910 and moved to this country in 1930.

He is survived by his niece, Mrs. Hal B. Lewis, of Brooklyn, also by Mr. and Mrs. John Boldon, Guy Grieves, Mr. and Mrs. Fred Platton, Mrs. Richard Roe and Mr. and Mrs. Jack Gooding, all of Tecumseh, and Mr. and Mrs. Jack McLaughlin of Hamilton, Ontario.

Funeral services were held Wednesday morning at 10:30 at the Collins Funeral Home, with Rev. Allan Ramsay, officiating. The bearers were Jack Boldon, John Boldon, Hal Lewis and Guy Grieves. Burial was in Brookside cemetery.

Electric Calendar Is Produced Here

LOCAL INVENTOR HAS ANOTHER "FIRST;" SALES DEMAND IS HEAVY

There is something new under the sun—it's the Adamson Electric Calendar.

The innovation in the calendar field is the brain child of Geo. H. Adamson of Tecumseh, owner of Time Laboratory and who, during World War II, engineered some of the finest watches used by the Armed Forces. He still is building navigational time instruments for the government, and he has a patent pending on the new calendar now making its appearance in the retail field.

The new date, day and month calendar resembles an electric clock. It is fully automatic, is ideal for home or office, and it corrects itself for 28, 30 and 31 day months. The dial is easily read, and always is accurate.

The calendar is housed in a genuine mahogany or walnut case, is five inches in height, six and a

Truck Terminal Is Opened Here

NEW $65,000 WAREHOUSE MARKS 21-YEAR ADVANCE IN LOCALLY OWNED LINE

From a one-man freight handler's job to a truck line that today handles between 250 and 300 tons of freight daily, employs 28 people and operates some 55 pieces of equipment is the 21-year history of the Rumpf Truck Line of Tecumseh, which last Saturday officially opened its new $65,000 terminal warehouse on South Maumee street. About 1,500 of the company's customers and friends visited the terminal during the day, and, in the evening, another 350 persons attended a reception which included dancing and refreshments.

The new terminal, built on a 5-acre site, is about 50 by 100 feet, constructed of steel and concrete, a portion of the building being two stories in height. There is ample office space, a large warehouse, and loading docks with electrical equipment.

At the ceremony Saturday evening, R. W. Herrick, president of Tecumseh Products Co., was expected to bring from a truck to the warehouse on the loading dock the first piece of Products' freight to be handled by the line. However, because of illness, Mr. Herrick was unable to be present and John R. Thompson, vice-president and cashier of the United Savings Bank, substituted for him.

The truck line is owned by W. J. Rumpf. It was originally purchased, 21 years ago, from Marvin Cummins and operated by the C. H. Rumpf estate. W. J. Rumpf acquired ownership in 1944.

The line is operated between Toledo and Tecumseh, Ann Arbor and Ypsilanti, Deerfield, Manchester, Bridgewater, Saline and other nearby points.

In the near future, Mr. Rumpf intends to add a complete garage service department at the terminal to repair and maintain his equipment.

PAPER DRIVE, SATURDAY

YES, THERE ARE WAYS TO REDUCE MEALTIME EXPENSES

School Kids Enjoy Roast Turkey Dinner, Only 25c

Roast turkey with dressing, mashed potatoes and gravy, hot buttered rolls, salad, juice, milk or coffee and cherry upside down cake for dessert—what do you think of that for a lunch, and for only 25 cents?

That's the price that was paid by more than 300 Tecumseh public school students, Tuesday, when they were served their lunch in the cafeteria of the new high school. Servings were plentiful.

How can the school serve lunches for 25 cents? Well, they are subsidized by the government, seven cents on each lunch, and part of the food comes from government surplus commodities. In addition, the school gets two cents a bottle subsidy on milk served to elementary students.

This week the school received eight turkeys, 180 pounds of butter, 152 pounds of cheese, 1,700 pounds of potatoes, and several cases of cherries, tomatoes and peaches from the surplus commodities storehouse. Additional supplies will be coming from time to time. Other items needed to balance the menu are purchased locally.

Because of the gifts and the subsidies, the children enjoy an excellent lunch daily — and for only a quarter.

Normally, the school cafeteria serves about 235 daily. Tuesday, however, because it was turkey, and near Thanksgiving, the rush was on and about 100 extra customers showed up at mealtime. There was ample food for everyone—the cooks had been forewarned.

Local Soldier Korean Victim

PFC. HOWARD ATKINSON WOUNDED IN FACE, KNEE, LEGS; GETS PURPLE HEART

Pfc. Howard Atkinson, son of Mr. and Mrs. Dillard Atkinson, 415 East Kilbuck street, was wounded in action, somewhere in Korea, according to a letter, postmarked in Korea October 20, and just received here.

Pfc. Atkinson joined the Army in March of 1948, first going to Japan. He is a member of Co. B, 8th Cavalry Regiment, Infantry.

His letter to his parents here follows in part:

Sorry I haven't written sooner but I move around so much that I don't have time. Well, the fighting is over for me. I ran into something that I couldn't handle, and got myself a Purple Heart. I didn't get hit bad. I'll be O.K. soon. Did you get a card from the war department, saying that I was hit? Most of the boys' parents got them, even if they only got a scratch. If you get one, don't let it worry you for I am O. K., and getting along fine.

I guess you would like to know where I got hit. I'll tell you. I got hit in the right knee and the chin, a place near the right eye, and in both legs. I can't walk now. I'll get to go back to Japan. I'll probably rest up in Japan before I come home. I don't guess I'll make it home for Christmas, but I'll be home the first of the year, anyway, if everything goes all right.

Answer soon. Have you sent me any candy and cookies, yet. I would like to have some. I can't get anything like that over here.

Town Hall Will Open On Dec. 5

EDMUND BENTZEN OF PLYMOUTH TO DISCUSS COMMUNISM IN U. S.

Tecumseh Town Hall will hold its first meeting on Tuesday, December 5 at 8 p.m. in the Central school auditorium. Edmund C. Bentzen of Plymouth, Michigan will the the speaker. His topic will be, "Communistic Infiltration in the United States." The topic has particular reference to communistic activities in industry and educational institutions.

Mr. Bentzen was born and educated in Copenhagen, Denmark. He was graduated from the Copenhagen University of Technology with a mechanical engineering degree. He came to this country in 1927 and has served in factory and city management since that time. Since 1944 he has served as chairman for a committee investigating communistic activities both here and abroad, within industry, and educational institutions. The committee was set up within the framework of the Society for the Advancement of Management. Much of the information gathered by the committee has been forwarded to the government and to organizations designed to fight communism.

His talk covers such statements as: What defense can we set up against communism?; What is the ultimate goal of communism in regard to the U. S.?; How to recognize a communist, who is not a party member, etc? Mr. Bentzen has been highly recommended by Rotary, Kiwanis, Optimist, Manufacturer's Associations, ladies societies and educational institutions, as a fine speaker with a timely and most important subject for people in all walks of life.

Bentzen is a member of the Detroit Engineering Society and the Society for the Advancement of Management. He is employed by the Ford Motor Company as an industrial engineer. His topic is considered so important by the officials of the company, that he is encouraged to accept speaking engagements, at the expense of the company.

At Friends Church

Beginning next Sunday a series of special evangelistic meetings will be held in the Tecumseh Friends Church with Miss Eva Clausen as the evangelist, and Miss Celeste Richardson as the soloist. These christian workers are well known to many in Tecumseh as they have held similar meetings here in the past, and, in addition, have conducted children's meetings, and daily vacation Bible schools.

The meetings will continue to Sunday, December 3rd, with services on the Sunday evenings at 7:30, and at 7:45 on the week-day evenings. There will be no service on the evening of Thanksgiving Day, or on any of the Saturday evenings.

There will be special music by Miss Richardson at the Sunday morning services at 10 o'clock, and something of interest to the boys and girls by Miss Clausen, during the Sunday school hour at 11:15 a.m.

Shows Interesting Film Of Life In Korea

Some interesting motion pictures of Korea, taken during the Army's occupation of that country in 1946, following the surrender of Japan, were shown to members of the Rotary Club, Tuesday evening, following dinner at Legion Memorial Home by Col. Arthur Lopshire of Detroit.

It was the duty of the Army at that time to occupy Korea, to establish order in the country and set up a civil government. In his position, Col. Lopshire had an opportunity to take many interesting pictures, and to make worthwhile observations.

Home from Korea since 1947, Col. Lopshire is a teacher in the Detroit public schools. He is a graduate of Wayne University and of the University of Detroit. As a sideline, he is a farmer.

To Hold Union Thanks Service

WILL BEGIN AT 10 A.M., AT FRIENDS CHURCH; LASTS ONLY ONE HOUR

The annual Union Thanksgiving Day Service will be held this year in the Tecumseh Friends Church beginning at 10 a.m., and closing at 11 a.m., on Thursday, November 23.

Dr. Norman MacNaughton will give the invocation and the benediction; Rev. B. O. Bashore will read the scripture lesson; Rev. Donald C. Wilson will offer the pastoral prayer, and Rev. Edward Escolme, pastor of the church, will preside. There will be special music by Miss Celeste Richardson, and by the church choir. The Rev. Allan L. Ramsay, rector of St. Peter's Episcopal Church will speak on the subject, "Land of Hope and Glory."

The Thanksgiving Day offering will go for the support of those various community religious activities that are sponsored by the Tecumseh Ministerial Association. The ministerial association extends a hearty invitation to all living in Tecumseh and vicinity to attend this service.

JOHN C. FORGACS BURIED AT TIPTON

Funeral services for John C. Forgacs, who died Monday, November 6, at 5 p.m., in the Bixby Hospital, where he had been a patient for eight days, were held Thursday morning at 10 o'clock at the St. Elizabeth Catholic church, with Rev. Father Michael G. Collins officiating. Burial was in the Tipton cemetery with the Hall-Slater Post, V.F.W., in charge of the service. The bearers were Robert Martin, William Service, Frederick Radant, Gordon McKee, Carroll Conklin and Michael Scorkay. Friends and relatives were registered from Toledo, Detroit, Somerset, Blissfield, Britton, Tipton, Ridgeway, Manchester, Carleton, Palmyra, Adrian, Wellsville, Macon and Tecumseh.

VFW Critical Of Service Law

POINTS OUT INEQUALITIES AND SAYS REGULATION NEEDS CHANGE

Kansas City, Mo.—Inequities in present regulations regarding the call to active duty of reservists and guardsmen and of men drafted for the Armed Forces were scored today by Commander-in-Chief Charles C. Ralls, Veterans of Foreign Wars of the United States.

Ralls said that the present system of calling National Guardsmen and Reservists, without regard to family ties, former disabilities or other causes for which draftees are deferred, is not compatible to the V.F.W.

He called for early revision of these regulations so that a more balanced and justifiable program could be arranged in building up Armed Forces personnel.

"Men who have served their country," Ralls declared, "have never hesitated to answer that call again; but we do feel that there should be an equalization between those who have never worn a uniform and those men who have previously jeopardized their safety in the nation's interest.

"One glaring inequity seems to be that inactive Reservists with service disabilities ranging up to 30 per cent or more are being recalled and placed on limited active duty. Certainly, some of the deferred draftees could also serve on limited duty where some physical qualities may be lacking.

"The V.F.W. is also on record as favoring the advance of the

CLOSE 1950 FOOTBALL SEASON WITH EASY WIN OVER MONROE COUNTY TEAM

Playing their final game of the season, the Tecumseh high school Indians rolled up 32 points to the opposition's six as they defeated Ida at Recreation Center, Friday evening in a non-league game.

The Indians tallied their first marker in the opening period when Jim Breitenwischer took a pitch-out from Whelan on Tecumseh's 40 and galloped 60 yards to score. The try-for-point failed.

Two more touchdowns were added in the second stanza, the first by Whelan who went over from the five following a 55-yard march, and the second by Beasley who went over from the two after the Indians had recovered Ida's fumble at that point. VanWinkle failed on the first try-for-point but went over for the second to make the score 19-0.

Ida's lone marker came in the third period when George Neiman cut outside tackle and romped 55 yards to score. The kick for the extra point was blocked.

The Indians took the kickoff on their own 30 and started a touchdown march that ended with Campbell taking a 10-yard pass from VanWinkle and scampering 38 yards for the marker. Again the try-for-point failed. The final touchdown came when VanWinkle crashed over from the two-yard line to culminate a 60-yard drive. Dave also scored the extra point.

Clinton's loss to Addison Friday night gives the Indians undisputed possession of second place in the final L.C.A.A. standings, losing only to Morenci and Clinton, both by close scores.

An Election By The People

Balloting in the November 7 election was most gratifying. It was the first time in a long time in an off-year contest that the people turned out in force, nation-wide, to exercise their most sacred democratic right. As a result, there will be many strange faces in Congress at Washington, and, here at home, regardless of the outcome for the governorship, Michigan's official family, its House and its Senate, will be under G.O.P. leadership and control.

Last week's vote, it would seem, is an indication that the electors, generally, are not satisfied with the way Michigan's governmental affairs have been handled during Gov. Williams' term of office. It is understandable why the voters were in such a frame of mind when they went to the polls.

Senator Taft's victory in the state of Ohio was the highlight of the election, nationally. Senator Taft met and conquered what probably was the most serious opposition ever faced by a national lawmaker. He won with a terrific majority because the people of the state of Ohio believed in him, and believed that he had made an honest fight.

Gov. Dewey in New York, likewise, was victorious in a contest that was bitter and filled with mud-slinging. It is apparent that the New York voters knew, too, that the Governor's opponents were determined to end the services of a man who had been tried and found to be true.

Election returns of the kind that were turned in last week are most heartening. The fact that the vote was large proved conclusively that the American people are again becoming interested in their government. And, the fact that some of the national administration's wheel horses were turned out to pasture leads one to believe that thinking and interested voters are not satisfied with the way the business of government has been operated.

Mr. Truman, in his speech on Saturday evening before the election, was most confident. On television we thought he was impudently confident. He was so certain of an administration victory, which he definitely did not get, that he decided to take a week-end boat cruise.

If the Truman administration's popularity continues to wane as much in the next two years as it has in the last two, perhaps the voters in the coming presidential election could arrange for the pasture of another top-flight Missouri politician.

Let's Spend The Money Wisely

Lenawee county property owners, in last week's election, approved a $400,000 bond issue and tax levy for the building of a new jail. It will replace a structure that is out-of-date, impractical and unsafe. The present jail has been condemned by the state, and it is far too small.

We are glad that the voters approved the issue, and now we hope that the Board of Supervisors will spend the money wisely. Especially do we hope that they exercise sound judgment in the selection of a site.

The jail, of course, should and must be located in Adrian, and, if possible, near the court house. We doubt, however, that the present jail site is the best site for the new building, under existing conditions.

In our opinion there are two reasons why the jail should not be located where it is today. First, it would be awkward to build a new jail on the site and, at the same time, operate the present jail, as has been planned. Not only would it be awkward, in our judgment it would also be costly. Second, we would favor the selection of another site, perhaps where the welfare offices now are located, and turn the present jail grounds into a parking lot.

We note that some of the supervisors do not think favorably of such a plan. We note, too, that some of them feel that if Adrian desires more parking space for cars, that is Adrian's problem. With such reasoning we again disagree.

If no one except the residents of Adrian used Adrian's streets and present parking facilities we feel certain that the city would have sufficient parking space for its cars. But such is not the case. Adrian is the county seat and, as a result, attracts folk from all over the county. They come in cars. Some of them are supervisors. They have to park their cars, and their cars take up space. That is, in a large measure, why Adrian's streets and parking lots are crowded.

We admit that we would like to have the county own, operate and maintain a parking lot in Tecumseh, but we are not silly enough to seriously think that it should, even though parking conditions here, too, are a problem. However, if Tecumseh were the county seat, we'd be out demanding that the county do just that, because hundreds of cars, everybody knows, are attracted to the county seat from all over Lenawee every week, on county business.

The money that the supervisors will spend for the jail property and building belongs to ALL of the people of Lenawee county. If folk from Morenci, Hudson, Blissfield or Tecumseh or anywhere else are forced to go to Adrian to the court house, these folk are entitled to a place to park their cars while they are there. They were attracted to Adrian by the county, and it is the county's problem to provide parking space.

If locating the new jail on another site, just as close to the court house, will solve two problems instead of one, then we think it is foolish to do otherwise. Certainly, it's a lot more sensible than destroying the court house lawn and turning it into a parking lot.

We're not trying to help Adrian solve its parking problem. Rather, we're thinking, unselfishly, in terms of county residents. We believe that the supervisors should think that way, too.

Christian Scientists To Hold Thanks Service

As is customary in all Christian Science Churches, a special Thanksgiving service will be held on Thanksgiving Eve by the Christian Science Society in Tecumseh.

Following the usual order of service there will be a brief period in which members of the congregation may express their gratitude for healings and other help which they have received during the past year.

The Golden Text for Psalms (107:21, 22) is appropriate for the occasion and reads: "Oh that men would praise the Lord for his goodness, and for his wonderful works to the children of men! And let them sacrifice the sacrifices of thanksgiving, and declare his works with rejoicing."

The Bible citations include Malachi (3:10); "Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith the Lord of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it."

Among the citations from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, (Preface vii.) will be the following "To those leaning on the sustaining infinite, to-day is big with blessings."

CENTENNIAL P.T.A.

The Happy Circle, P.T.A., of the Centennial school will meet Friday, November 17, at 8 p.m. at the school. Mr. and Mrs. Leonard Lewis will be in charge of the program, and Mr. and Mrs. Lawrence Cote in charge of the refreshments.The refreshment committee is asking each one to bring either an apple or a pumpkin pie.

Phone Service

(Continued from page 1)

month of October, Green said, the daily local calls into the office totaled 7,651, and toll calls numbered 550. The number of subscriber stations also has increased to 1,490 as of November 1, he said.

At the present time, the manager said, the telephone company is engineering the entire rural area around Tecumseh in order to established service for all applicants within the exchange area. Engineering relief for the western portion of the urban area has been completed and new cable construction will start as soon as possible. In August of this year, a new 600-pair underground cable was put into use to relieve and provide facilities for applicants and subscribers in the northeastern part of Tecumseh.

In line with the remodeling and equipment programs, additional toll circuits will be added as needs require, Green said. Work already has been started on four new Tecumseh-Britton toll circuits, scheduled for completion by December 1.

It is understood that as soon as the Britton toll circuits are finished and the switchboard change-over has been made locally, subscribers on the Britton Telephone Company's lines, serving Ridgeway and Britton, will start to use dial phones. Their long distance calls will clear through the Tecumseh exchange, as will other calls requiring the services of an operator.

D. D. Walper, treasurer of the Britton company, said today that his company was "ready to go" with dial phones as quickly as the Michigan Associated company could handle the business. He said this his company had spent around $70,000 modernizing the Britton-Ridgeway exchange, that the new dial switchboard was already installed in a new building, and that the rebuilding of lines is nearly completed.

"When the change-over is made," Mr. Walper said, "Britton and Ridgeway will have the most modern phone service anywhere around, especially for small communities. The service will be completely automatic, and the equipment is the last word in design."

Under the new set up, subscribers in Britton and Ridgeway will dial their own calls, and will signal the operator in Tecumseh for long distance calls or for other reasons. No operator will be necessary in either Britton or Ridgeway. There are between 325 and 350 subscribers on the Britton exchange.

In Britton, Walper said, the company's offices will remain in the present location, and subscribers will pay their bills there.

The Britton exchange is a stock company. Lee Keeling is the president, William Cuefer, vice president, Percy Cadmus is secretary, and D. D. Walper is treasurer. J. J. Walper also is a member of the board.

Another Vesper Service At St. Peter's, November 19

Carl C. Christensen, nationally known tenor, will again be guest soloist at a Vesper Service of Music in St. Peter's church, Tecumseh, at 5 p.m. on Sunday, November 19. Returning by popular request, Mr. Christensen, will present a program varied in nature of some of the well known religious music.

Accompanied at the organ by Dr. James Spencer, director of music at Adrian College, and organist of St. Peter's church, the vesper service will be another outstanding presentation for the public of better church music. The adult and junior choirs of St. Peter's will present two numbers.

Mr. Christensen, tenor in the famous Choir of Christ Church, Cranbrook, has also sung in opera, on stage and in radio. A true artist with an excellent voice he will present an inspiring program for all who attend.

Big Attendance

(Continued from page 1)

the elementary school teachers, had charge of the discussion period. A very interesting audience reviewed school problems, offering at various times throughout the evening much welcome and constructive criticism.

An excellent art exhibit, made up of samples of art work, prepared by students in grades one through six and a high school group made up largely of juniors and seniors, was presented by Miss Burgess, art teacher, and drew much favorable comment. This is Miss Burgess' second year here and the improvement in the work of the students over last year was very apparent.

Principal Smith was highly pleased with the turnout of parents who visited the school all through the week as well as those who attended the open house. "We hope these people and many others will come back again at any time," said Mr. Smith. "When problems arise that they don't understand, we want them to come to the school and talk them over. They are always welcome."

To conclude the evening refreshments were served by Mrs. Paul Hadsell and her committee.

Grace Lutheran Church To Observe Anniversary

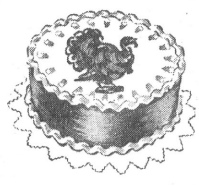
The tenth anniversary of Grace Lutheran church dedication will be celebrated December 3. Plans are now being made for special services on that date. The dedication of the church took place December 1, 1940.

Pre-confirmation instruction will take place as usual next Saturday morning from 9:30 until 11:30. Saturday school in the afternoon from 1:30 until 3:30.

Thanksgiving Day services will be on Thursday, November 23, at 10 a.m.

GOOD CHEER CLASS

The Good Cheer Class of the Baptist church met last Friday evening with Mr. and Mrs. Floyd Bryan, with eighteen in attendance. The president, Mrs. Jessie Brown, resigned, and Mrs. Leon VanValkenburg, vice president, will fill the vacancy for the present. The class voted to buy the candy for the Christmas treat for the Sunday school. A social time was enjoyed. Refreshments were served by the hostess. The December 8 meeting will be held with Mr. and Mrs. Roscoe Hewlett.



We Are Observing
Our First Anniversary

This week marks our first anniversary in business in Tecumseh. We desire to say thank you to our many, many friends and customers who have made this occasion possible, and we pledge continued high quality products in the future.

OUR SPECIAL for this week is Honey Nouget Cakes. Try 'em, they're delicious.

VFW Critical

(Continued from page 1)

draft age to 35 years and tightening up on deferments which might give the Selective Service Boards a greater opportunity to work out a justifiable program," he said.

"While I understand that the House Armed Services Committee, of which Rep. Carl Vinson is chairman, has under consideration corrective legislation to present to Congress upon its return to Washington on November 27, the V.F.W. feels that something should be done for those who have already been inducted under this unequal setup.

"It seems to us to be eminently unfair to call Reservists and Guardsmen regardless of age or disability, dependencies and jobs which they now hold, and then to exempt from the draft men over 25 years or with a dependent. Most of these Reservists have already seen active military service in World War II.

"This manner of selection," Ralls continued, "for Armed Forces duty seems to place the burden pretty much on the veterans, many of whom have already served a number of years on active duty—and in combat.

"The Veterans of Foreign Wars sincerely hopes that Chairman Vinson and his committee will wipe out these inequities and see to it that the disparity now prevailing between the two groups will be ended," Ralls concluded.

Soft Ball Champions Are Guests Of V.F.W.

The soft ball league champions were entertained at dinner by the Hall-Slater Post, V.F.W., last Wednesday evening preceding their regular meeting. During the meeting, six new members were initiated. They were: Roy Doake, Jack Hanna, Richard Eisenminger, Elmer G. House, David Balo and Kenneth Hinkerman. The Auxiliary and the post will have a joint meeting in December and Roy Beasley was appointed as chairman for the arrangements. Donations were voted for the Community Chest and Town Hall.

Last Thursday evening, the V.F.W. Auxiliary had as their guest, Mrs. Ruth Logue of Lansing, district president, for her annual visit. Mrs. Harlan Boyes presided at the business meeting, and plans were made for the annual Christmas party with Mrs. Carson House, Mrs. Robert Starkey and Mrs. John Braden as the committee for arrangements.

Mrs. Harold Warren was named chairman for the joint meeting and potluck dinner with the post in December. The Auxiliary voted to pay fees and buy a uniform for a Brownie Scout, who otherwise could not become a Scout. The committees made their reports.

Refreshments were served at the close of the meeting by Mrs. Ben Hammack, Mrs. D. C. Heesen and Mrs. Grace Coffey. Additional out of town guests at the meeting were Mrs. Grace Toenges of Lansing, and Mrs. Franklin Shea of Richmond, Calif.

The November 23 meeting of the Auxiliary has been cancelled because of Thanksgiving. The next regular meeting will be December 14.

GUEST PREACHER AT ST. PETER'S, SUNDAY

The lay-minister of St. John's Church, Clinton, Jack E. Warner, will be in charge of the morning prayer service in St. Peter's Episcopal church on November 19. The Rev. Allan Ramsay, rector of St. Peter's, will celebrate the holy communion and preach in Trinity church, Hudson, at 10 a.m. and in Grace church, Jonesville at 11:45 a.m. These two churches are under the direction of Mr. Warner as well as the Clinton church.

RELIABLE CIRCLE

The Reliable Circle of the Methodist church met Tuesday afternoon at 2 o'clock at the home of Mrs. Robert J. McCoy, with ten members present. During the business meeting, plans were made for the Christmas party in December to be held with Mrs. Edna Codling, with Mrs. George Green, sr., Mrs. Edward Leighton and Mrs. B. L. Warren the committee in charge. The Reliable Circle will have a bake sale with the rummage sale in the Methodist church basement, November 18, beginning at 10 a.m. Refreshments were served by the hostess at the close of the business meeting.

PAST CHIEFS CLUB

The Past Chiefs Club will meet Friday evening November 17, at 8 o'clock at the home of Mrs. Margaret Swift on East Pottawatamie street with Mrs. Silas Kring assisting.

CANOE IS STOLEN

Oliver J. Blum, Ypsilanti, who owns a cabin on the Globe Pond, reported to police over the weekend that a canoe had been stolen from his cabin sometime between November 2 and 11. The cabin was locked and had been broken into. Officers are investigating.

LOCALS AND PERSONALS

Mrs. Mervyn Boltz spent the week-end in Mt. Pleasant with her sister, Mrs. Verna Artley, who is a patient in the Mt. Pleasant hospital.

The Daughters of St. Peter will meet with Mrs. A. C. Hamaker, Tuesday evening, November 21, at 8 o'clock. The charter members will be in charge of the meeting.

Sunday guests of Mr. and Mrs. B. L. Warren were Mr. and Mrs. C. E. Snellbaker and Mrs. Bess Kimple of Toledo, and Mr. and Mrs. Harold Warren and son, Hal. In the afternoon they visited Harlan Boyes of Tipton who is recovering satisfactorily from injuries in an accident several weeks ago. He expects to have the cast removed from his leg in another two weeks.

Cpl. Willis E. McKenzie of Tecumseh, has just completed a forty hour Leader's Course in Troop Information and Education. Cpl. McKenzie, a former student of Tecumseh high school, is an information and education representative in his organization, the 28th infantry regiment at Fort Bragg, N. C.

Mr. and Mrs. Henry Campbell and Mr. and Mrs. Paul McClure called on Mrs. Ada Smothers in Adrian, Sunday evening.

Sunday dinner guests of Mr. and Mrs. Henry Campbell included their daughter and family, Mr. and Mrs. Walter Miller of Britton.

John Niedermier and Charles Cubberly left last Saturday for deer hunting at Wakefield, in the Upper Peninsula.

MUSIC CLUB TO MEET

The Tecumseh Music Club will meet Tuesday evening, November 21, at 8:15 at the home of Mrs. Ralph Comfort. Those desiring transportation contact Mrs. Murray Day.

Middlemen will exist until those on both ends of the line have sense enough to eliminate them.

Plans Are Complete For Hospital Dance

The Tecumseh Hospital Auxiliary held its regular meeting in the Fellowship Center of the Presbyterian church, Tuesday evening at eight o'clock with some fifty members present. Devotions were led by Mrs. F. C. Dickinson. Mrs. Dale Bowen, president, conducted the business meeting. Mrs. Ed Boss gave her report on the Hospital Auxiliary Scholarship and it was accepted. Plans were completed for the Auxiliary dance, December 2, to be held at the Tecumseh Country Club. The tickets and invitations have been placed with the members and the tickets are $4 per couple. Mrs. Joe Rohweder and Mrs. Ronald Harris are co-chairmen for the ticket committee, and Mrs. Frank Purcell and Mrs. R. H. Moore are co-chairman for the decorations. Mrs. Charles Butler in charge of the music.

Four new members were taken into the auxiliary, Mrs. Hoyt Whelan, Mrs. James Barton, Mrs. Charles Stephenson and Mrs. Virgil Tucker. Mrs. Paul Breitenwischer and her committee served refreshments.

If its news call The Herald.

P.T.A. MOTHERS MEET

The P.T.A. room mothers of the elementary grades met in the library basement, Tuesday afternoon, with some 30 present. It was decided to have all good, clean, usable clothing brought to the north end office on the third floor of the Central building, Friday and Monday afternoon. All room mothers will visit the parents in their respective rooms in a membership drive.

All room mothers or a representative of their room are to meet in the library of the Central building beginning Monday following the Thanksgiving holiday. The sixth grade will meet Monday, the fifth grade, Tuesday, and the fourth grade Wednesday, to make the Christmas costumes. Mrs. John Cameron will be in charge each day.

SCOUT TROOP MEETS

Girl Scout Troop No. 5, held their regular meeting Tuesday at 4 p.m., at the Central building. Mrs. Robert Fuller, leader of the troop, was assisted by Mrs. Frank Fairbanks, who is assisting the girls with their embroidered table cloth and scout symbols for the scout cabin. The Girl Scouts have received their 1951 Scout calendars for sale.

W. C. T. U. MEETS

The W.C.T.U. held their regular meeting at the home of Mrs. Perry Hayden, Tuesday afternoon at 2 o'clock with eleven members present. Mrs. Jessie Brown was in charge of the business meeting and Mrs. Mary McLain led the devotions and was program leader. Mrs. Howard Everhart announced the County Institute of W.C.T.U., to be held November 28 at Ogden, at the Evangelical United Brethern church. The Sunshine offering was taken and it was voted to send boxes of cards to Percy Jones Hospital in Battle Creek. The Christmas box will be packed and sent to Percy Jones Hospital, also all those that wish to contribute, may bring the donations to Mrs. H. H. Loveland before December 8. The list of the needed gifts will be published later. Refreshments were served by the hostess. The December meeting will be announced later, with Mrs. Anna Morse the leader.

1859 1950 **Customers' Corner**

It's 91 years since we opened our first store.

We're proud of the fact that down through the years our customers have shown, by their patronage, their approval of our low-cost, low-profit policy.

But we are prouder of our conviction that right now A&P is serving you better than ever before.

Our stores are better; the quality and variety of our food is greater; and we have the finest, best trained group of employees in our history.

But we are not content to rest on our oars.

We will appreciate any suggestions you may have for making your A&P a better place to shop. Please write:

Public Warned Of Poison Gas

FORTY MICHIGAN FOLK MAY LOSE LIVES DUE TO MONOXIDE GAS

Forty Michigan people will lose their lives to carbon monoxide poisoning in the next few months unless Michigan people give more thought to the danger of the odorless, colorless, tasteless gas.

In parked automobiles, in tourist cabins and in their own homes, carbon monoxide snuffs out the lives of unsuspecting victims each fall and winter, John Soet, Director of the Division of Industrial Health, Michigan Department of Health, warned today.

Don't take a chance on "parking" in an automobile with the engine running, Mr. Soet warned. Every year, thoughtless young couples lose their lives this way.

Always drive with the window open. Have expert garage mechanics check to see that your automobile exhaust system is tight. Close your fresh air intake in closely packed traffic, so it doesn't draw in the exhaust fumes from the car ahead of you. Never try to heat up your car by running the engine in a closed garage. If you begin to feel sleepy, dizzy or a little nauseated or your head begins to ache while you are driving, stop the car and get out of it.

Get that smoky, smelly furnace fixed now. Where there is smoke, there is usually carbon monoxide. Don't shovel coal on your hot furnace fire and then shut it up tight for the night. Make sure that the vent pipe on the hot water heater in your bathroom or basement is intact and open.

Be sure that the tourist cabin you occupy has a vented heater and that the vent or smokepipe is open. Raise the window before you go to bed.

Don't use a gas or kerosene oven to take the chill off your house these cold mornings, nor the burners on the top of the stove to heat a cold kitchen.

Remember that that snug drowsy feeling you get when you sit in front of the gas or coal fireplace or over the register may be due to carbon monoxide gas.

Carbon monoxide is formed wherever fuel is burned. Greater quantities of the gas are formed when the fuel is burned in a cold room or when the flame hits a cold surface. Proper ventilation of all heating units to get rid of the poison gas is of the utmost importance.

While two parts of carbon monoxide per 10,000 parts of air can make you dangerously sleepy and eight parts per 10,000 of air during a two-hour period can kill you, even smaller amounts can poison you — make you groggy or nauseated and make your head ache and your heart pound. The amount it takes to make you just a little sick, can kill your baby or your aged mother.

Open all the doors of a house, cabin or car though to have carbon monoxide contaminated air. If you suspect carbon monoxide poisoning get the victim into the open air, apply artificial respiration and call a doctor at once.

Mr. Adamson has been working on the calendar for more than a year and it now is in production in his shop on North Evans street.

"The demand for the calendar is heavy," Adamson said today, "and at this introductory stage our production naturally is limited. However, we hope to produce several hundred of them for the Christmas trade this year, and to steadily increase the output."

The calendar went on display and sale this week in Tecumseh at Gaston & Son, jewelers.

Saturday Paper Drive Will Aid Camp Fund

Presbyterian young people, members of the senior Westminster Fellowship, have determined to spark the Tecumseh church's drive toward providing a camp for Presbyterians in Michigan.

Located near Greenville, Michigan, the new Synod camp, now known as "Woodbeck," will be ready for the camping program next summer. The campsite comprises 350 acres and has frontage on four lakes. It will provide a place for summer camps and conferences that previously have been held in scattered camp grounds, rented by the week. Camp directors meeting in Alma two weeks ago took the first steps toward providing a camping program that will embrace all ages, small children and adults as well as young people. There will be family camp periods, camps for men and for women.

It has become clear to Christain leaders that the Christian camp experience affords unique opportunities to people of all ages to find spiritual stimulation, physical relaxation, and an over-all increased Christian devotion.

The cost of the new camp will be $85,000 to the Presbyterians in the Synod of Michigan The share requested from the local church is $480. At their meeting last Sunday, Moderator Nancy Treby proposed the campaign, and it was voted to have a paper drive Saturday, November 18, to raise money for this purpose.

Miss Donna M. Ball Weds Byron Pilbeam

The Congregational Christian church at Britton was the scene of a lovely church wedding last Saturday evening, November 22, at 8 o'clock, when Miss Donna Maxine Ball, daughter of Mr. and Mrs. Stephen Ball of Britton, became the bride of Byron Richard Pilbeam, son of Ross Pilbeam of Dundee, and the late Mrs. Pilbeam. The double ring ceremony was performed by the Rev. Harry Rogers. The church was decorated with large baskets of white chrysanthemums with lighted candelabra. The pews were marked with white bows.

Miss Rosemary Gilmore played nuptial music during the ceremony. She accompanied Gene Mackey who sang, "Always," "I Love You Truly," and "Because."

The bride, given in marriage by her father, chose a gown of white slipper satin. The bodice featured a nylon net yoke with the collar of Chantilly lace and long sleeves ended in calla points over her hands. Her two-tiered fingertip illusion veil was caught to a scalloped headpiece of rhinestones edged with seed pearls. Her only jewelry was a strand of pearls, a gift of the bridegroom. She carried white carnations and stephanotis.

Miss Marjory Bruce, cousin of the bride, as maid of honor wore a floor length gown of aqua taffeta styled identical to the bride's. The bridesmaids were Mrs. Hazen Montry, of Deerfield, and Miss Florence Ambrose of Milan. They wore green and deep-rose taffeta, respectively. Each wore mitts and headpieces to match with bouquets of contrasting colors. Each attendant wore a necklace, gifts of the bride. The bridal gown and the attendants' gowns were made by the bride's mother. Janet K. Ball, sister of the bride, acted as flower girl and wore a floor length gown of blue taffeta and carried a basket of rose petals. Mary Jo Kish, niece of the groom, gowned in peach taffeta, carried the rings on a heart-shaped pillow of white satin and lace.

Edward Pilbeam of Maybee, assisted his brother as best man. The ushers were Gene Kish, brother-in-law of the groom, and Arden Koster of Dundee.

Mrs. Ball, the bride's mother, chose a navy blue crepe dress with matching accessories and wore a corsage of pink and white carnations. Mrs. James Boyd, and Mrs. Clarence Bruce, grandmothers of the bride, each wore a carnation corsage.

Immediately following the ceremony a reception was held in the church parlors for 200 guests. A small table was centered with a four-tiered wedding cake, topped with a miniature bride and groom. The bride's table was decorated with a centerpiece of carnations with lighted tapers on either end. The Baraca Philathea class was in charge of serving. Mrs. George Bruce of Petersburg, cut the cake and Mrs. Richard Bruce and Mrs. Marvin Ball of Toledo, poured. Miss Gene Kimerer was in charge of the guest book.

For their wedding trip Mr. and Mrs. Pilbeam left for Mio where they will spend a week. For traveling the bride wore a beige suit with brown accessories and the carnation corsage from her bridal bouquet. They will reside on Kimpton Road.

The bride is a graluate of the class of 1950 of Britton high school and is employed by the Britton Telephone Company as an operator. Mr. Pilbeam graduated from Dundee high school in 1945 and spent 18 months in the service. He is now engaged in farming.

Going to church regularly may not be your habit but it would be a good habit for you to have.

While we admire frankness in general, there is such a thing as too much of all good things.

State Police To Deliver Emergency Messages

The Michigan State Police and the State Conservation Department will again provide emergency message service to deer hunters.

Hunters are invited to register their names and camp locations at the nearest State Police post or conservation department headquarters. Before leaving home they should advise their families of the station at which they are going to register.

Messages will not be delivered if a hunter is at a location, such as a hotel, with regular communications facilities available. Messages also must be of an emergency type. Deliveries will be made by State Police or conservation department officers.

Bicycles have been in use for about a hundred years.

200,000 freshmen can't be wrong!

We believe that something has happened in 1950 that you should take to heart.

Ever since this year's Buicks were introduced, their big bulge in sales has come from people who traded other makes of cars for this bounteous beauty.

The total is more than 200,000.

That's 200,000 "freshmen" added to the roll call of Buick owners—200,000 people who must have sized up the current version of the cars they owned, and decided that Buick offered more thrill, more comfort, more satisfaction for the money.

Beyond that, of course, there were other hundreds of thousands who already owned a Buick and bought a new one this year. But we're speaking here of *new owners* only.

We can name many reasons for this landslide — including Fireball power — an incomparable ride — and Dynaflow Drive.*

We can remind you that the Buick SPECIAL, SUPER and ROADMASTER just about blanket the range of a car-owner's aspirations—matching prices with many sizes in the lower brackets—matching distinction with the finest in the fine-car field.

We might add that Buick prices are doubly attractive—since their list prices include many features customarily on the "extra" list.

But why try to spell out all the reasons Buick wins in a showdown? The proof of the pudding is in this great car itself. Better come in—look it over—and find out what an unbeatable buy it is.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

With A "Bargain" Watch

America is being infested with flashy watch "Bargains" from "One Shot" foreign makers. Unfortunately, the lure of these seemingly amazing bargains is hooking thousands of innocent victims. Here is what is happening:

With rare exceptions, as these watches stop running, owners find that they cannot be repaired. There are no replacement parts short of shipping the watch across the seas. There is no manufacturer to back up a guarantee. In short, the buyer is strictly left holding the bag!

Safeguard your original investment with the knowledge that a "Know Name" watch will give you decades of loyal service. We offer only watches backed by reputable manufacturers who share our responsibility to protect your purchase.

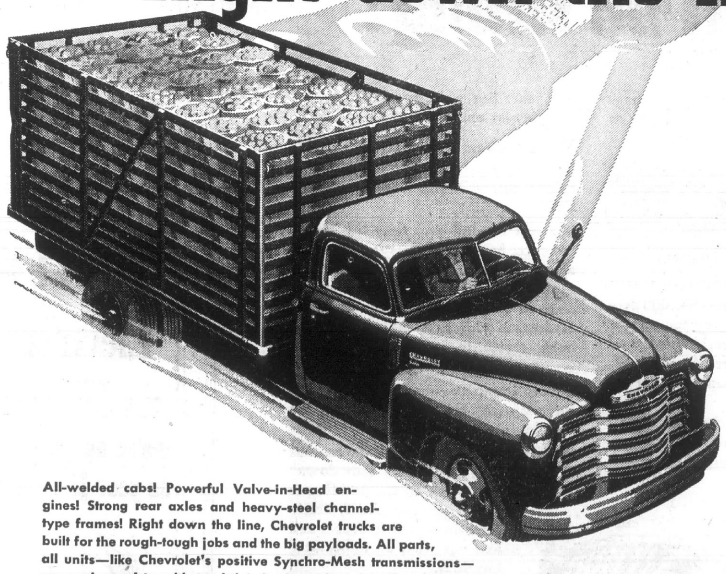
RUGGED
Right down the line!



All-welded cabs! Powerful Valve-in-Head engines! Strong rear axles and heavy-steel channel-type frames! Right down the line, Chevrolet trucks are built for the rough-tough jobs and the big payloads. All parts, all units—like Chevrolet's positive Synchro-Mesh transmissions—are engineered to withstand the shocks and strains of *real work.* Engineered to serve you *better*—and *longer!* That's why there are more Chevrolet trucks on the road than any other make . . . why you should come in and see these great trucks today!

Rugged engines

Chevrolet's valve-in-head engine design has been proved and improved for 38 years. It's world famous for rugged reliability, for its ability to take hard use year after year.

Rugged frames

Chevrolet's channel-type frames are built for the load' . . . built with reserves of strength in their wide flanges, deep section and heavy metal . . . Advance-Designed to withstand the road shocks and distortions of hauling big payloads.

Rugged cabs

Chevrolet cabs with Advance-Design construction are all-steel, all-welded for greater safety and longer service. Rigid, solidly built cabs are flexi-mounted on rubber for greater durability. Doors open easily, even in off-the-road use.

Auxiliary To Remember Local Boys In Service

The American Legion Auxiliary met in the Legion rooms, Monday evening. Following the membership dinner the business meeting was conducted. Mrs. Charles Osburn reported a paid-up membership of 106, and a quota of 157.

All local members in service will be remembered with a Christmas greeting which will contain a $1 bill. The ways and means committee announced that there will be a bake sale November 25. Mrs. Ned Rosacrans has taken over the management of the auxiliary kitchen. Six members will go to the Battle Creek hospital November 24, to work in the gift shop. Mrs. Ray Sluyter announced that the annual magazine subscription drive will start the first of the year. The Legion benefit parties have started and are being held each Wednesday evening. A white elephant sale was held after the close of the meeting with Mrs. Sluyter as auctioneer.

GUILD HOLDS AUCTION

The Florence Weld Guild met Monday evening with Mrs. Fred Dickinson for the annual auction which proved a great success. Twenty-five members attended and Mrs. Harold Wilson was the auctioneer. Some $30 were realized from the auction. Mrs. Jennie Satterlee led the devotions. After the business meeting refreshments were served by the hostess, assisted by Mrs. Nina Heath. The December meeting will be held at the home of Mrs. Harold Wilson with Mrs. Thomas Hamilton assisting.

From where I sit ... by Joe Marsh

We Ask That "Fares" Play Fair

Judge Cunningham was telling about a taxi ride he took over to the County Seat last week. The cab was all littered with cigarette butts, plus candy and gum wrappers. This annoyed the Judge and he spoke to the driver about it.

To his surprise the cabman answered right back. "Don't blame me," he said "Fast as I clear this taxi out, the fares just mess it up again. I like a clean cab as well as anybody, but a man has to have some co-operation!"

Judge figures the fellow was in the right, and maybe we ought to do a little campaigning with the public. I agree with him—that's why I'm writing this article.

From where I sit, it's important for us to remember the fellow who's going to get in the cab after we leave it. Because he pays the same as we do, he's got the same right to a clean, comfortable ride—just as he has the same right to enjoy the beverage of his choice (be it coffee, beer, lemonade, or what have you).

Local D.A.R. Members Invited To Art Exhibit

The Abi Evans Chapter, D.A.R., met at the home of Mrs. Roy Whiting, last Friday, November 10, at 2:30 with twenty-three members present. Mrs. Louis Schneider, regent, presided at the business meeting. Officers and committee chairmen gave their reports. Mrs. Frank Bates, chairman of the rummage and bake sale, held October 13 and 14, reported $129.55 taken in at the sale. The chapter voted to give $5 to Town Hall and $15 to Community Fund and $4 to the Brownie Scout troop led by Mrs. George Wittrup, sponsored by the chapter. Mrs. O'Rourke of Hidden Lake Gardens, was voted into membership.

The Lucy Wolcott Barnum chapter in Adrian, extended an invitation to the Tecumseh chapter for a tea and art exhibit to be held in the Adrian Chapter House on Broad street, November 18 and 19.

Mrs. Athol Brainard, program leader, introduced Mrs. Neil Pearson, who gave a talk on D. A. R. projects and especially emphasized the conservation project. Mrs. Clare Beland, who attended the State Conservation School at Higgins Lake in September, gave an interesting talk on conservation.

Mrs. Orville W. Laidlaw will be hostess for the December 8 meeting with Mrs. George Wittrup program leader. At this time members are to bring money for the D.A.R. school. The Brownie Scouts will present a part of the program.

Refreshments were served from a lace-covered table decorated with fall flowers with Mrs. Clarence Fisher pouring. The assisting hostesses were Mrs. Edward Beal, Mrs. Beland, Mrs. Edwin T. Armstrong, Mrs. James Artman and Mrs. Clarence Fisher.

Are You A Diabetic? It's Easy To Find Out

You may have diabetes and not know it, the Michigan Department of Health warned today.

There are an estimated 37,500 Michigan people, young and old, suffering from diabetes who do not know that they are ill.

In an effort to find these unknown diabetics and get them under a doctor's care so that they may live healthier, longer lives, Diabetes Detection Week will be observed in Michigan November 12 to 18.

All Michigan people who have a case of diabetes among their blood relatives and those who have any symptoms of diabetes are urged to have an examination for diabetes during the week. Symptoms of diabetes include loss of weight, excessive thirst, and excessive urination. They also include fatigue and excessive hunger.

The first step in the examination for diabetes is an analysis of urine. If the urinalysis indicates high sugar content, the physician will probably arrange for a blood examination.

Diabetes and its complications can be serious, but diabetes can be controlled by a balance of diet, exercise and possibly insulin, individually prescribed.

Diabetes occurs in people of all ages. The earlier a case is found and treatment begun, the less difficulty the patient will have.

HOLLOWAY

Harper—Tredway

The home of Mr. and Mrs. Jay S. Tredway of near Metamora was the scene of a lovely fall wedding Saturday afternoon at 4 o'clock when their daughter, Lorraine Louise, became the bride of Lyle Charles Harper, son of Mr. and Mrs. Elmer Harper of Holloway. The double ring ceremony was performed by the Rev. William W. Reiley of Metamora before an improvised altar decorated with white chrysanthemums, ferns, and candelabra holding burning white tapers. Only the immediate families witnessed the ceremony.

The bride, given in marriage by her father was attractive in her gown of white satin featuring a high round neckline, the net yoke being outlined with a ruffle of Chantilly lace. The fitted bodice buttoned down the back with tiny self-covered buttons and the long sleeves ended in points over her hands. The full skirt was fashioned with three lace ruffles on each side and ended in a long train. Her fingertip length veil of net edged with matching lace was attached to a cornet decorated with seed pearls. She carried a bouquet of white roses tied with white satin streamers.

Miss Dorothy Tredway was her sister's maid of honor. She wore a floor length gown of light blue satin. Tiny self-covered buttons extended from a Peter Pan collar down the front of the fitted bodice. Cap sleeves and an overskirt of net were features of her gown. With it she wore matching mitts and a head-dress of pink carnations. Her bouquet was also of pink carnations.

Ronald Harper served as best man for his brother.

A program of nuptial music was played by Mrs. William W. Reiley before the ceremony. She also played the wedding march from Lohengrin on the entrance of the bridal party and sang, "The Lord's Prayer" during the service.

Mrs. Tredway, the bride's mother, greeted guests in a dress of green crepe with brown accessories. Mrs. Harper chose for her son's wedding a copper colored taffeta dress with black accessories. Both mothers wore corsages of red roses.

After the ceremony a buffet supper was served to the 40 guests. Centering the linen-covered refreshment table was the traditional tiered wedding cake topped by a bride and groom in miniature with lighted white tapers on either side.

A reception for 200 guests was held in the evening in the new Union Hall in Tecumseh. The wedding cake was cut by Mrs. Wendell Barnes, an aunt of the bride. Mrs. John Ricker and Mrs. Paul Seigneur, sisters of the bride and Mrs. Dean Schneirla, sister of the groom, served the guests who were from Detroit, Tecumseh, Clinton, Adrian, Dundee, Blissfield, South Bend, Ind., Toledo, Whitehouse and Urbana, Ohio.

For their week's wedding trip Mr. and Mrs. Harper are traveling through the southern states. After their return they will reside in their newly furnished apartment on Church Street in Clinton. For going away the bride changed into a brown gabardine suit with brown and green accessories. Her corsage was of yellow roses.

The bride is a graduate of Metamora high school, class of 1949, and before her marriage was employed as stenographer by the Aluminum Company of America in Toledo. Mr. Harper is a graduate of Tecumseh high school, class of 1945, and is employed at the Tecumseh Products.

The Ladies Aid of the Holloway Presbyterian church will meet Thursday afternoon at 1 p.m. with Mrs. Raymond Frost. Mrs. Elwyn Green will act as leader and Miss Ella Rainey will conduct devotions. Mrs. Frost will be assisted in serving by Mrs. Bert Klappich, Mrs. Roger Richards and Mrs. John Gritzmaker.

The senior choir of the Holloway Presbyterian church will meet Thursday evening with Mrs. Roger Richards. Practice for Christmas music.

The South Holloway Extension Club will hold a bake sale Friday morning at Gilson's Hardware in Blissfield starting at 9 a.m.

Mr. and Mrs. Will Kopke entertained at a birthday dinner in their home on Sunday honoring Mrs. Laura Stradling and Mrs. Virgil Lowery, jr. Places were set for Mr. and Mrs. Edw. DeGroot and Mr. and Mrs. Robert DeGroot and the honored guests.

Harvey Lewis of Holloway and Walter Frairer of Britton have left for Harrison for the hunting season.

Mr. and Mrs. Ed Mitchell and daughter Molly were Sunday guests of Mrs. Ethel Haynes of Detroit.

Mr. and Mrs. George Henry, jr., and Mr. and Mrs. George Henry, sr., were Sunday dinner guests of Mr. and Mrs. George Gehring of Toledo.

Rex Hicks, Bud Stump, Dale Sherry and Bruce Comfort of Bethel College, Mishawaka, Ind., spent the week-end with Mrs. Bertine Comfort.

Jane Gritzmaker of Ypsilanti State Normal and Jerry Shaw of Hudson were week-end guests of Mr. and Mrs. Carl Gritzmaker. Saturday evening, Mr. and Mrs. Ray Kohler of Monroe were guests in the Gritzmaker home.

Traffic Deaths Are On Decline

BUT ACCIDENT RATE IS ON THE UPGRADE, STATE POLICE REPORT

Traffic accidents in Michigan during September cost the lives of 161 persons, eight less than were killed during the same month last year. Despite this reduction, total injuries and accidents continued the upward trend which has prevailed since May.

According to the State Police monthly statistical report there were 4,333 persons injured as compared with 3,824 in the same month a year ago, an increase of 509 or 13 per cent. Reported accidents totalled 13,390 as compared to 12,002, an increase of 1,388 or 12 per cent.

Collisions between motor vehicles and with fixed objects, ran-off-roadway accidents and pedestrian mishaps were major factors in the rise in injuries and accidents, The decreases occurred in both rural and urban areas.

During the first nine months of 1950 there were 1,114 persons killed, 32,276 injured and 110,395 accidents. Compared with the same period last year deaths were up 102 or ten per cent, injuries increased 2,708 or nine per cent and accidents increased 8,024 or eight per cent.

Deaths increased three per cent in rural areas and 17 per cent in urban areas.

Estimated travel in Michigan during August, the latest month available, was 2.2 billion miles, 11 per cent higher than the 2 billion miles during August last year. Total mileage for the first eight months of this year climbed to 14.6 billion miles, nine per cent over the 13.4 billion miles last year. The death rate per 100 million miles of travel was up three per cent during this period, or 6.45 as compared to 6.28.

TEACHERS MEET

The Tecumseh Teachers Club met at the Tecumseh Grange Monday evening for a 6:30 dinner. After the business meeting, Darwin C. Smith, principal of the elementary school, showed interesting movies of his trip through the western states, this summer.

CHILD STUDY CLUB

The Child Study Club met Monday evening at the home of Mrs. Hugh Andrews, with Mrs. Garth Hall, Mrs. Hubert VanCamp and Mrs. Duncan Oliphant as assisting hostesses. Some 18 members were present. Mrs. Herbert Dillon was in charge of the program and introduced Mrs. Dale Bowen who gave a book review on "The Beatitudes." The children's favors were suckers, dressed like pilgrims, and were made by Mrs. Robert Manchester. Mrs. Lee Matheny, Mrs. W. F. McCann and Mrs. Donald Nixon. After the program refreshments were served by the hostesses.

MISCELLANEOUS SHOWER

Mrs. Byron Goodman entertained twelve guests in her home on Brown street, last Friday evening, at a miscellaneous shower for her sister-in-law, Miss Mary Goodman of Toledo, whose marriage to Dr. Robert Bowers will take place Saturday morning at the St. Elizabeth Catholic church. Various games were played and prizes won were presented to the guest of honor. Refreshments were served from a lace covered table, centered with a decorated cake. Guests attending from out of town were from Hillsdale, Pittsford, and Cambrio.

NO LUNCHEON NOV. 22

About twenty women attended the Tecumseh Country Club luncheon last week Wednesday afternoon. The tables were decorated with fall flowers and fruits, with a horn of plenty arrangement being used as a center piece. Honors at bridge were awarded to Mrs. O W. Laidlaw and Mrs. W. D. Claxton of Britton received honors at canasta. The hostesses were Mrs. Leland Hubbard of Onsted and Mrs. Harold Wilson. The luncheon for Nov. 22 has been cancelled because of Thanksgiving.

THANKSGIVING DINNER

Communism Is Town Hall Topic

EDMUND C. BENTZEN OF PLYMOUTH, WILL OPEN FORUM SERIES ON DECEMBER 5

Edmund C. Bentzen of Plymouth, a graduate of Copenhagen University of Technology and a native of Denmark, will be the speaker at the first meeting of Town Hall in Tecumseh, on Tuesday evening, December 5, at 8 o'clock. His topic will be "Communistic Infiltration in the United States," with special emphasis on the part that it plays in industry and education.

Town Hall in Tecumseh is a cooperative venture and is participated in and underwritten for by the many clubs and organizations of the village. For that reason its meetings are open to the public without charge, and everyone is invited to attend and to participate in the question and answer series that follows the address.

Mr. Bentzen is a graduate mechanical engineer. He came to America in 1927, serving in both factory and city management jobs. Since 1944 he has been the chairman of a committee investigating communistic activities both here and abroad, within industry and educational institutions. The committee was set up within the framework of the Society for the Advancement of Management. Information gathered by the committee has been forwarded to the government and to organizations designed to combat communism.

His talk covers such statements as: What defense can we set up against communism?; What is the ultimate goal of communism in regard to the U. S.?; How to recognize a communist, who is not a party member, etc? Mr. Bentzen has been highly recommended by Rotary, Kiwanis, Optimist, Manufacturer's Associations, ladies societies and educational institutions, as a fine speaker with a timely and most important subject for people in all walks of life.

Bentzen is a member of the Detroit Engineering Society and the Society for the Advancement of Management. He is employed by the Ford Motor Company as an industrial engineer. His topic is considered so important by the officials of the company, that he is encouraged to accept speaking engagements, at the expense of the company.

6-Year-Old Critically Ill With Infantile Paralysis

Donna Rose Strand, 6-year-old daughter of Mr. and Mrs. Henry Strand, is Lenawee county's fifty-first case of polio. Donna Rose is in a critical condition in University Hospital at Ann Arbor, according to reports received, Monday. She has undergone two operations on her throat, one Saturday and one on Sunday. She is the granddaughter of Mr. and Mrs. Raymond Pask.

DONATIONS NEEDED FOR CHRISTMAS BOX

Anyone wishing to contribute to the Christmas box, to be sent to Percy Jones Hospital by the W.C.T.U. may leave their donations with Mrs. H. H. Lowe and not later than December 8. The following is a list of items needed: Games, puzzles, stationery, colored pencils, pen and pencil sets, toilet articles, bill folds, crepe paper, scuffies, scarfs, sox, hankies, pillow cases 20x30 inches, magazines, small scrap books, hard candies, gum, raisins and nuts. The hospital has advised that only new articles can be accepted.

SCHOOL HOLIDAY TO BEGIN ON WEDNESDAY

Children in the Tecumseh public schools will begin their Thanksgiving holiday tomorrow afternoon, the vacation continuing until Monday morning, Earl H. Place, superintendent, said today.

The Thanksgiving season was observed with a number of plays and programs in the elementary grades of the school during the first of this week. However, except for an assembly program, high school students found the pre-holiday days to be "work as usual."

BASHORE PRESIDENT OF MINISTERAL GROUP

The Rev. B. O. Bashore of the Tecumseh Baptist church was elected president of the Tecumseh Ministerial Association at a meeting held at the Friends church, last Wednesday. He succeeds the Rev. Edward Escolme who served as president the past year. The Rev. Donald C. Wilson was named secretary-treasurer of the organization.

TUESDAY PUBLICATION BECAUSE OF HOLIDAY

Because Thanksgiving Day falls on Thursday, The Herald's regular publication date, The Herald this week is issued on Tuesday, assuring complete delivery to subscribers before the holiday.

Regular Thursday publication will be resumed next Thursday, November 30.

Thanks Service Thursday At 10

REV. ALLAN RAMSAY WILL DELIVER SERMON AT THE FRIENDS CHURCH

The Rev. Allan Ramsay, rector of St. Peter's Episcopal church, will deliver the sermon at the annual Thanksgiving Day Union Service, to be held Thursday morning at 10 o'clock in the Tecumseh Friends church. The service, it was said, will end promptly at 11 o'clock.

The invocation and benediction will be by Dr. Norman MacNaughton, pastor of the Methodist church. The Rev. B. O. Bashore, Baptist pastor, will read the scripture lesson, and the Rev. Donald Wilson, Presbyterian minister, will offer the pastoral prayer. The Rev. Edward Escolme, pastor of the Friends church, will preside.

Special music for the service iwll be provided by Miss Celeste Richardson, and by the Friends church choir.

The Rev. Mr. Ramsay's subject will be: "Land of Hope and Glory."

The offering taken at the service will go for the support of those community religious activities sponsored by the Tecumseh Ministerial Association.

The public is invited to attend the service.

Lawrence Derby Dies In Florida

FUNERAL SERVICES WILL BE HELD HERE ON FRIDAY FOR WEL-KNOWN RESIDENT

Lawrence E. Derby, 69, of 215 N. Pearl street, Tecumseh, died suddenly early last Saturday morning at his home in Winter Haven, Fla., where he had gone in mid-October to spend the winter.

Mr. Derby was born in Franklin township on August 19, 1881, a son of the late Frank and Mary Budgen Derby. He had lived all his life in Franklin township and in Tecumseh. He spent many years on the farm, later devoting his interests to celery raising, associated with C. H. Williamson. He also operated the Derby Ice Company, retiring from that business a few years ago.

He is survived by the widow, Edna, who was in Florida with him as was his daughter, Letha; also by a son, George of Clinton, two grandchildren, a brother, Buford of Adrian, and two sisters, Mrs. Geraldine Lewis of Adrian, now in Florida, and Mrs. Vena Mohr of Jackson.

Mr. Derby's body will arrive here Wednesday morning and funeral services will be held on Friday afternoon at 1 o'clock from the Collins Funeral Home, the Rev. B. O. Bashore officiating. Burial will be in the Tipton cemetery.

A service was held at 11 o'clock on Monday at the Ott-Laughlin Funeral Home in Winter Haven before the body was shipped to Tecumseh. George Derby went to Florida on Saturday and is accompanying his father's body here.

TWO CARS DAMAGED IN SUNDAY MISHAP

Automobiles belonging to William Hatcher of Blissfield and Samuel Abling of Houghton Lake, were damaged, Sunday, in a collision on South Evans street, according to a police report. The estimated loss to the cars was $500. Ronald Love of Tecumseh, a passenger in the Abling car, suffered minor injuries.

SCHOOL BOARD MEETS

The board of education held its regular monthly meeting on Friday. Only routine business was considered. Current bills were audited and ordered paid, and the report of the superintendent was read and placed on file.

Coon Hunting Is Fun, Too

November may be the deer hunting season for some folk, but for Clayton Freshcorn, who lives on Pearl street in Tecumseh, coon hunting is good sport, too. He and his son-in-law, Earl Yoder of Britton, enjoy it greatly and, in addition, there's considerable value in the carcasses and pelts. In the photo above, Mr. Freshcorn may be seen with nine of the animals on the front of his car. He arranged them accommodatingly for the photographer. He gets most of his game within a four mile radius of Tecumseh.

Michigan Deer Free Of Disease

U. M. PROFESSOR SAYS THAT, BY AND LARGE, THEY'RE GOOD TO EAT

Michigan deer hunters will be glad to know that the venison they are lucky enough to take home will be generally disease free.

For the most part deer are very healthy animals, according to Dr. Earl C. Cotes, associate professor of forest zoology in the University of Michigan School of Natural Resources. Professor O'Roke has made an extensive study of diseases of wild animals.

Deer are subject to many of the diseases to which cattle and sheep are, such as anthrax, malignant edema, and foot and mouth disease. "As far as we know, none of these diseases are present in deer in Michigan at this time and there is absolutely no foot and mouth disease present in the United States now," Professor O'Roke says.

There are some diseases, however, that deer hunters should be acquainted with, he reports. Lungworms are extremely common in deer, but since the larval forms are microscopic in size the hunter will not see them. Heavy infections of lungworms, under certain conditions, can predispose the animals to pneumonia.

Liver flukes are also common, Professor O'Roke states, but usually escape discovery. A hunter can detect their presence in deer liver by touching the organ and feeling what seem to be liquid filled pockets. A liver which is hard and stringy may indicate recovery after damage by flukes. The professor suggests that hunters carefully examine any livers they plan to eat.

Hunters may occasionally notice large black warts on the legs of deer. If these become so large as to interfere with the animal's running they may be broken open and become infected. Warts will not affect the quality of the meat.

"Nearly all wild animals are parasitised in some way or other at one time or another," the professor states, "but go ahead and eat the venison as you have always done and don't worry about parasites."

BOAT AND CANOE ARE RECOVERED BY POLICE

A boat and a canoe, reported stolen last week, were recovered by police. Harold Duncan, S. Pearl street, reported that a boat that he had on the Globe Pond had been stolen. Oliver Blum of Ypsilanti, who owns a boathouse on the pond, reported that it had been entered and a canoe stolen. Police apprehended two boys, one aged 11, the other 12 years old, who admitted the thefts. The boats were found about a mile from where they were taken. The boys were turned over to the probate court.

INJURED IN ACCIDENT

W. J. Rumpf of Tecumseh, suffered minor injuries, last Thursday evening, when the car he was driving on E. Chicago boulevard, collided with a parked car owned by Willie Marie Stark of Onsted, R. F. D. The Stark car was damaged in the amount of $150. Mr. Rumpf told officers that he was blinded by the lights of an on-coming car, and that he did not see the parked car in time to avoid the mishap.

CLOTHING STOLEN

Marvin Rye of So. Ottawa street, reported to police that a woman's dress and a man's topcoat were stolen from his apartment on Saturday. Officers are investigating.

Charles F. Atwell, 85, Buried At Holloway

Funeral services for Charles F. Atwell, aged 85 years, who died at 5 p.m. last Friday in the Wenzel Nursing Home in Morenci, were held Monday afternoon at 2:30 o'clock in the Collins Funeral Home, the Rev. Edward Escolme officiating. Mr. Atwell was born July 2, 1865, in New York state and had lived most of his life in Holloway.

He was a member of the Holloway Presbyterian church and for many years was the sexton of the Holloway Raisin Cemetery.

He is survived by three cousins, Mrs. Helen Rambo of Palmyra, Homer Humphrey of Chicago, and Leland Humphrey of Kingsport. The bearers were S. E. Doty, J. L. Calhoun, Robert Mitchell, and M. T. Fairbanks. Burial was in the Holloway Raisin cemetery. Friends and relatives attended from Palmyra, Tecumseh and Holloway.

Santa Will Visit Tecumseh, Dec. 16

Santa Claus will be coming to Tecumseh on Saturday evening, December 16, in his first pre-Christmas visit, the village council was informed at its meeting, Monday evening, by the Chamber of Commerce. As a result, Chicago boulevard, for two blocks in the downtown district, will be closed to traffic, and the parking of cars will not be permitted there between the hours of 6:30 and 10 p.m.

The annual Christmas party, with Santa and his reindeer, usually attracts 3,000 to 4,000 people to Tecumseh and the closing of the street is being requested to eliminate possible accidents, especially to small children.

The council also arranged to purchase yule trees that will be used for decorations in the downtown district.

Thanksgiving, 1950

Let us pause on this historic day and offer a prayer for the plentifulness and continuing spirit of freedom afforded us through the years by this great country of ours.

Butler's Plan An Open House

FORDS FOR 1951 WILL BE SHOWN IN CONNECTION WITH 20TH ANNIVERSARY PARTY

Butler Motor Sales, local Ford dealers, will observe its 20th anniversary on Friday and Saturday of this week with an open house and the showing of the new Ford cars for 1951, it was announced today by C. O. Butler.

"We have been planning this open house celebration for some time, but we purposely delayed it until the showing of the '51's, and the completion of our remodeled service garage," Mr. Butler said. "Now, when our friends visit us they not only will see the newest in Ford cars, they also will be able to inspect what we believe to be one of the most modern garages in all of Lenawee county."

Butler Motor Sales now is observing its 20th anniversary in Tecumseh as the local Ford dealer. Mr. Butler, the owner, came to Tecumseh from Battle Creek. Prior to coming here he had, for 10 years, sold Ford products in that city.

The new cars will go on display here Friday morning, and open house will be held at Butler's on both Friday and Saturday, days and evenings. There will be special favors for all guests, including children, and, to the ladies, double orchid corsages will be presented. The flowers are being flown here from Hawaii.

On Saturday evening, starting at 9 o'clock, there will be special music for dancing, and a lunch will be served.

The Butler Service garage recently has been enlarged to include a complete painting, fender and body service department, new automatic oil and greasing equipment has been added, and other features included to bring it to the ultra-modern class.

The 1951 Ford cars feature new power combinations, automatic ride control and many other refinements, Mr. Butler said. There are 16 models in six or eight cylinder cars, including the fully automatic transmission. Front and rear end appearance changes have been made, the frame strengthened, and a water-proof ignition system installed.

Display of the cars at Butler's this week will make it possible for visitors to observe all of the new car's refinements.

Lutheran Church To Observe Anniversary

A Thanksgiving Day service will be held at 10 a.m. at the Grace Lutheran Church. An anniversary service of the church's dedication will be held December 3, with Rev. R. W. Scheele of Toledo, conducting the morning services and Rev. De Ritter of Detroit, the afternoon service at 3:30. The Ladies Aid will serve a potluck supper. Plans are being made for a sound film for the evening.

ROTARY WILL MEET

The pre-Thanksgiving meeting of the Tecumseh Rotary Club will be held this evening at Legion Memorial Home. The Rev. Donald Wilson, pastor of the Presbyterian church here, will be the guest speaker, discussing communism.

Village Bus Line To Be Operated Here

A local bus line that would give 45-minute service from all points in Tecumseh is being inaugurated here by Marvin E. Rye and Ollie Mitchell, who, Monday evening, applied to the council for a temporary permit for operation, and other equipment will be added as the need demands.

It was said that a bus would leave the downtown district for all areas of Tecumseh, including subdivisions, about every 30 minutes. The route will cover the entire village, making service available to residents of fringe areas.

Fares, it was said, will be 13 cents for adults, 10 cents for school children. If the new line wins public approval, it was said that the partners would apply for a permanent permit.

Food Shortage Seen In Future

SURPLUSES OF THE PRESENT MAY VANISH, SPEAKER TELLS FARM BUREAU

The November meeting of the Tecumseh-Raisin Farm Bureau was held last week in the North Adrian Grange Hall with Mr. and Mrs. W. L. Becker and Mr. and Mrs. Ralph Young acting as host and hostesses. Sixty-four members and guests were present at the bounteous potluck supper. Following the supper, a short business meeting was called by the chairman, Raynor VanValkenburg. Singing was led by F. A. VanValkenburg, and at this time the members who brought guests introduced them to the group.

Fay Whelan gave a very interesting talk on "The Agricultural Outlook." "Although we seem to have surpluses at the present time, economists feel there will be a food shortage in a short while," Mr. Whelan said. "Farmers will have to cut their cost of production by better management and better use of their equipment. Although farm machinery has raised in price it hasn't raised as much in comparison as other commodities. Pressure groups, through advertising, are to blame for most of the misunderstanding between producers and consumers. Every increase in wages further devaluates the dollar," he declared.

Mrs. Houch, advisor of the Junior Farm Bureau of Lenawee county, told the group about the activities of that organization and how their training would better them for leadership in later life.

Mr. Houch, manager of the Lenawee Farm Bureau Oil Co-op gave a history of the Farm Bureau and how it operates through its affiliated organizations, the Farm Bureau Services, Inc., The Farmer's Petroleum Co-op, Inc., and the Farm Bureau Insurance Co.

"Farm Bureau was organized Feb. 4, 1919, at Michigan State College as a non-profit organization, to promote the interests of agriculture and to act as a voice for organized agriculture," the speaker said. "Acting as an individual you have little influence, acting together with other farmers through Farm Bureau you can be a powerful force."

Some of the things Farm Bureau has accomplished were pointed out as: a. Gas and weight tax to pay for roads instead of the old covert system, each paying for the roads as he used them; b. State aid for schools; c. Exempting farmers from paying sales tax on those items used in production; d. Reduction on licenses for farm trucks and trailers; e. Reduction in fertilizer prices, adaptable seeds, open formula feeds, etc.

"The Farm Bureau is doing things for agriculture and it isn't letting other interests pile burdens on agriculture without a fight," it was declared.

A movie called "The Flying Fisherman," shown by James Feight, concluded the entertainment for the evening.

Mr. and Mrs. Carl Rieve invited the group to their home for the December meeting.

WINS COLLEGE HONOR

Louise Bowen, a graduate of Tecumseh high school, is one of ten Michigan State College women chosen as finalists in the Reserve Officers Training Corps' annual search for honorary cadet colonel. The honorary colonel, who is to be selected this week by the whole corps, will be crowned during the Coronation Ball, December 1. She and her court will be honored at the ball and will reign over ROTC parades next spring.

NOTICE

Will be gone deer hunting Nov. 12 to 30, inclusive. Office open for collections and refills. Dr. R. F. Helzerman. Nov. 30.

Chest Drive Nearing Goal

QUOTAS OF PREVIOUS YEARS ALREADY EXCEEDED—DRIVE TO END NEXT WEEK

That the Tecumseh Community Chest goal of $7,025 will be reached now seems to be a certainty, according to Ronald Harris, chairman of the Crest drive. "A number of generous donors in past years have been out of town on hunting and business trips, and on the basis of their gifts in the past, and the amounts already turned in, there seems to be little question but that the quota will be reached," Mr. Harris said Monday.

Most of the solicitors in the residential sectioner have already turned in their complete reports, and the results have been most gratifying, says Mr. Harris. Already the quotas of previous years have been exceeded, with a number of the larger organizations yet to be heard from.

With a goal set at approximately a third higher than in previous years, solicitors report that with few exceptions donors have raised their gifts accordingly, and in many cases have doubled or tripled gifts of former years.

Several local citizens have brought their donations to the Community Chest headquarters in the Chamber of Commerce building, and others are again reminded that if for any reason they are not contacted, they are welcome to call at the Chamber of Commerce office with their gift.

Next week has been set as the deadline for the completion of the campaign and all workers are asked to turn in their completed reports by that time in order that a final announcement of the amount raised my be made.

Hog Chain Plan Gaining Favor

BRITTON AG. STUDENTS SOLVE PROBLEM OF GETTING STARTED IN FARMING

Helping the youth of our nation lay the groundwork for their life's work is the major goal of any of our schools, public or private.

Over at our neighboring village of Britton, the vocational agriculture department of the schools there has added a bit more to the achievement of this goal by making it possible for some worthy agriculture student to become established in a farming venture on which he can continue to build for the future.

Starting a project often presents problems which seem insurmountable—not the least of these being the initial outlay of capital to purchase an animal, or seed, or to rent land.

At Britton this problem was solved when George Wald, vocational agriculture teacher, and Bill Judkins, a prominent hog raiser, attended the Michigan Duroc breeders sale at Adrian in mid-October, and using money raised by the agriculture students of the school, purchased a purebred Duroc gilt.

James Smoke, the 15-year-old son of Harland Meyers, a student at Britton high school, was chosen as the first boy to be given an opportunity to become established in a farming project under the plan.

As the first step in launching the project, a legal contract was drawn up whereby Jim and his father agreed to care for the animal in an acceptable manner, and in due time have it bred to a suitable registered Duroc boar. Upon farrowing, the pigs were to be raised until weaning time, the Agriculture Club of the school then being allowed to choose two gilts from the litter for furtherance of the project, and Jim was to become sole owner of the remaining pigs and the original gilt. It was further stipulated in the agreement that a boar pig was to be kept out for breeding purposes, and the services of the animal made available to all Britton agriculture students with swine projects.

As is usual in new undertakings, certain complications developed, but soon were ironed out. First it was decided that it would be unprofitable for Jim to keep the boar pig, so another of Britton's prominent hog men, Charlie Patterson, agreed to raise the boar as his own but to allow club members free use of the animal whenever they so desired. Another problem which confronted Jim was the obtaining of the right feeds.

Ed Rogers, a member of the board of education, heard of Jim's project and of the trouble he was experiencing, and after talking it over with him, agreed to furnish any feeds Jim was unable to obtain

Why Do Russians Distrust Americans?

As a matter of policy, the Soviet government does everything possible to create fear, distrust and hatred of Americans among its people. Those who would like an insight into some of the techniques pursued would do well to read an article in the November American Mercury by Louis J. Herman, a specialist in Russian propaganda, called "America Through the Kremlin's Eyes."

The tenor of his article is found in this paragraph: "Did you know that Walt Disney was an arch-reactionary? That movie attendance is falling off because of public indignation at Hollywood's vile anti-Soviet propaganda? Or that crime is flourishing because the police are all tracking down progressive-minded Americans? Such cockeyed facts might be news to you, but every one of them is true—at least it says so in the Russian press, which is currently embarked on an extraordinary campaign of popular enlightement about America and Americans . . . For sheer volume, the current campaign to expunge the last trace of wartime affection for America from the Russian mind is in a class by itself."

In the field of sweeping generalities, Mr. Herman quotes this picture of America from a piece in the New Times, a Soviet weekly: "A handful of plutocrats wallow in wealth and enjoy unlimited power, while tens of millions of ordinary people suffer privation and oppression . . . In their crusade against all progressive-minded Americans, the monopolists are out to turn the United States into a land of police bludgeons and torture chambers."

The American press—which, according to the official Soviet view, is almost 100 per cent pro-fascist and anti-democratic—naturally comes in for its full share of attention. The heaviest bombardment falls on publications of wide circulation, such as Time and Newsweek, and the New York Times, and Herald Tribune. The following view of goings on at the National Press Club in Washington is offered: "Here, over a glass of whiskey, around the card or billiard tables, rumors and insinuations are born, domestic and world news is maufactured, vicious, lying stories are penned at the warmongers' orders."

American business gets the works time and time again, with particular emphasis on the devils of Wall Street. The whole country, says the Russian organ, is run by trusts and monopolies, with the connivance of labor unions. Thus, it is said, the officers of the CIO and AFL "besides abetting the monopolies on all major domestic issues . . . openly support the imperialists on the international scene." William Green is described as "a lacky of monopoly capitalism, political bandit and prevocateur." To list the individuals who come in for Soviet compliments of this nature would take many pages. Walter Lippman, for instance, is a "malicious warmonger." Dorothy Thompson is "the well known pro-fascist." And Upton Sinclair, of all people, writes his books on the "assignment of Wall Street."

And so it goes, in huge volume. How many Russians believe it no one knows. But the fact is that very few of them have access to any other point of view. Thus, it is difficult for them to learn the true facts about America—the home of freedom and liberty.

Such Things Should Not Happen

Michigan public officials in charge of elections in the many, many precincts in the state, should take warning from the November 7 ballot counting mess and make sure that such an affair never happens again. It matters little who is governor of the state next year, but it does matter—and to many folk—how the voters feel after the election is over. There are voters, and probably some of them live right here in Tecumseh, who will always be doubtful whether the duly elected governor is actually in power, be it Williams or Kelly in the executive's chair.

Such a mess is very poor advertising for the great state of Michigan. It makes electors disgusted with election methods. Certainly, elementary school children could have done as good a job counting the votes in some of the precincts as was done by supposedly competent election officials.

Newspapers have been urging residents to register and to vote. A good-sized off-year vote was cast this year. But, if counting the ballots continues to be handled in such a slip-shod manner as it was last November 7 it may not be too long before electors will lose interest in going to the polls.

It would be easy to let the breath-taking power, the luxurious ride and the gleaming good looks of a Buick sweep you off your feet.

And once you've sampled the sweet response of Dynaflow Drive*—you feel a big lack in anything else.

But let's be practical about all this.

What does it cost to buy—and to own—this star performer?

The first answer is a look at delivered prices—and most people still are surprised to find that a car which offers so much actually costs so little.

That's true, whether you put the SPECIAL, the SUPER or the superb ROADMASTER against other cars of comparable dimensions. They certainly shine on a first-cost basis.

But this is only half the story, as you'll soon find out on any used-car lot.

Year in, year out, the resale prices of Buicks stay much closer to first cost than the prices of cars with lesser merit.

And among recent models, Buicks with Dynaflow Drive command such a premium that you can almost figure you get this dream drive for free.

So why not let yourself go? Why not walk right into your Buick dealer's now and say, put me down for one of those!

There's no time like the present for showing your good judgment.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

PRESBYTERIAN WOMEN HOLD REGULAR MEET

The Presbyterian Women's Association held their regular meeting in the Fellowship Center last week with the theme, "I Like Mountain Music," for the program, Mrs. F. C. Dickinson was in charge. Mrs. Dickinson gave a book review on "So Sure of Life," which tells the story of the life of a missionary in the Smoky Mountains. Mrs. Albert Merz sang two mountain ballads and a group composed of Mrs. Harold Clark, Mrs. Nina Heath, Miss Ruby Preston, Mrs. Merz, Mrs. Isabel Aiuto, Mrs. Wilbur Boyce and Mrs. Sam Sisson, all in original costume, portrayed a hill-billy orchestra, and with Mrs. Sisson as pianist, played several hill-billy numbers.

After a short business meeting, Mrs. John Thompson and her committee served refreshments.

LADIES DAY LUNCHEON

Last week's Ladies Day luncheon at the Tecumseh Country Club was carried out with decorations in keeping with the deer season, miniature deer and forest animals and green being used on the tables with chrysanthemums as center pieces. Bridge and canasta were the diversions with honors in bridge awarded to Mrs. G. A. Rathbun and canasta, Mrs. Leland Hubbard of Onsted, and Mrs. H. H. Hanna. Mrs. C. O. Butler and Mrs. M. R. Blanden were the hostesses. Reservations for the November 29 luncheon may be made with Mrs. Frank Owen, phone 191, and Mrs. M. W. Wilson, phone 410R, not later than Tuesday noon.

BIRTHDAY DINNER

Mrs. George McCombs was guest of honor at a birthday dinner last Saturday evening at the home of Mr. and Mrs. Chester Beach. The table was centered with a birthday cake and lighted candles at either end. Additional guests were Mr. and Mrs. Warren Benham of Ridgeway, Mr. and Mrs. Ray Schlegel, Mr. and Mrs. Owen Partridge, Mr. and Mrs. Jack Morehouse and Mr. McCombs. Three tables were arranged for canasta after the dinner. Mrs. McCombs was presented with a gift from the group.

PYTHIAN PARTY

Mrs. Carl Thompson opened her home Thursday evening for one of a series of Pythian Sisters' benefit parties. Seven tables were arranged and guests were present from Clinton and Burbank, California. Door prizes were awarded to Mrs. Bernard Clark of Burbank, California, and Comfort Chase. Refreshments were served by the hostess, assisted by Mrs. Clark Vincent and Mrs. Henry Kempf.

Dr. Robert J. Bowers Weds Hillsdale Girl

St. Elizabeth's Catholic church here was the scene of a pretty wedding, Saturday morning, November 18, at 11 o'clock when Miss Mary A. Goodman, daughter of Mr. and Mrs. Daniel W. Goodman of Rt. 3, Hillsdale, became the bride of Dr. Robert J. Bowers of Tecumseh, son of Dr. and Mrs. Merlin H. Bowers of Mackinac Island. The Rev. Fr. Michael G. Collins performed the single ring ceremony. The church was decorated with palms and bouquets of white mums.

Organ nuptial music was played during the ceremony.

The bride, given in marriage by her father, wore a long-sleeved ivory satin gown with satin covered buttons down the back. The yoke of the dress was of Spanish lace, accented with tiny seed pearls. Her fingertip veil was trimmed with matching bands of satin, and her long train was of satin, also. She carried a white orchid on a white prayer book.

Mrs. Grace Pierce, matron of honor, and Miss Lois McGee, bridesmaid, both of Toledo, wore identical gowns of royal blue lace, ballerina length, trimmed in royal blue velveteen with velveteen boleros. They carried bouquets of white baby mums, centered with red roses. Each wore a pearl choker and long white gloves. Their braided halos were of royal and white velveteen. The flower girl, Dede Pierce, wore a short, royal blue velveteen dress with a large white bertha collar. She carried salmon colored baby roses and wore a headband of velvet, trimmed in roses, to match her bouquet.

Dr. Merlin Bowers served his son as best man and the ushers were Dr. C. J. Howe, jr., of Hillsdale, and Dr. Robert L. Gwthneck of Chicago.

Mrs. Goodman, the bride's mother, wore a two-piece jacket dress in navy, trimmed with velvet, with matching accessories. Her corsage was of salmon roses. Mrs. Bowers, mother of the groom, wore a toast-colored crepe dress with matching accessories and a corsage of yellow roses.

Immediately following the ceremony, breakfast was served in the dining room of the American Legion Home, with Joan Rasacrans in charge. One hundred and ten guests attended the breakfast and reception that followed. The lace-covered bridal table was centered with a four-tiered wedding cake, topped with a miniature bride and groom. Lighted candles were at either end of the table.

For traveling, the bride chose a worsted balero suit with black accessories and a gold blouse. She is a graduate of Reading high school, attended the Modern School of Fashion in Boston, and before her marriage was a buyer at the LaSalle & Koch Co., Toledo. Dr. Bowers is a graduate of Hillsdale high school, Hillsdale College and Northern Illinois College of Optometry, Chicago. His offices here are located in the Ford Building.

After a wedding trip to North Carolina, the newlyweds will reside at 710 West Chicago Blvd., Tecumseh.

The new Ford cars for 1951 will go on display here Friday at Butler Motor Sales, local dealers. The cars have new styling both at front and rear, wrap-around bumpers are longer, and there is additional chrome. The Fordomatic drive, the new automatic transmission, is optional equipment.

Cub Scouts In November Meet

INTERESTING "TELEVISION AND RADIO" PROGRAM PRESENTED; AWARDS MADE

The November meeting of the Tecumseh Cub Scouts, Pack No. 4, was held on Monday evening at the Baptist church. A colorful and impressive program was presented, the theme being the "Navajo Indians." The story unfolded in radio and television style with Chester Beach, cub master, as the announcer.

The Cubs, dressed as Indians, marched into the church and placed their goodwill gifts in the Indian hogan, made by Den 10, Mrs. Lauren Nichols, den mother. The Cubs had made their own tom-toms, belts and headdress at meetings earlier this month.

Den No. 2, with Mrs. Earl Place as mother, presented the opening scene, including the pledge of allegiance and the singing of America the Beautiful. Den No. 1, Mrs. Chester Beach, mother, staged an Indian dance in scout style. Dens Nos. 6 and 9, Mrs. Clair Rozelle and Mrs. James Elliott, mothers, told the story of the Navajo Indians and their needs. Den No. 8, Mrs. Fred Randall, mother, presented questions and answers about the goodwill project that the scouts from many parts of the nation are sharing. Den No. 7, Mrs. Max Smith, mother, conducted an induction service for three new Cubs. Mrs. Harold Hoffman, Den 4, assisted by Lawrence Holdridge, made the following Scout awards: Douglas Hoffman, bear badge; David Lamkin, silver arrows; Gary Abner, wolf badge; Barry Packard, webelos badge and two silver arrows; LeRoy Britton, wolf badge; Gary Elliott, gold arrow; Michael Furgason, bear badge; Donald Martin, lion badge and six silver arrows; Charles Hand, webelos badge; Wendall West, wolf badge; Jerry Munger John Elliott and David Elliott, silver arrows; Tommy Price, bear badge, gold and silver arrows; Barry Packard and Charles Hand were graduated as Scouts after three years in the Cubs.

Den No. 3, Mrs. Robert French, mother, conducted the final part of the program, showing colored slides of the Cub pack meetings, and also of their day at camp last May.

Clifford Deaner and Laine Holden retired as pack committeemen after three years of service. The new committee is made up of Chester Beach, Cub master, Harold Hall, chairman, Lawrence Holdridge, achievements and awards, Clair Roselle, treasurer, Aden Mead, activities, James Elliott, secretary. Mrs. Lester Munger was the pianist for the program. Friends from Pack No. 66, Adrian, were guests.

The next meeting will be on December 18, and this will be the Cubs' Christmas party. Mrs. R. S. Moore loaned the television program and Forest Abner furnished the loudspeaker.

PAST CHIEFS CLUB ELECTS OFFICERS

The Past Chiefs Club of Josephine H. Hall Temple, Pythian Sisters, met at the home of Mrs. Edwin Swift last Friday evening, Mrs. Swift was assisted by Mrs. S. N. Kring. Ten members were present and in absence of the president, Mrs. Henry Ehlinger, Mrs. Walter Hizer conducted the business meeting. The election of offcers was as follows: Mrs. Hizer, president; Mrs. Swift and Mrs. Duncan Oliphant, vice presidents; Mrs. Luther Wood, secretary; Mrs. Clark Vincent, treasurer; Mrs. Fred Whelan, press correspondent. Cards were the diversion and prizes were awarded to Mrs. Harry Schuch, Mrs. Bert Aten, Mrs. Lynn Hubbard and Mrs. Swift. Refreshments were served by the hostesses. The next meeting will be the Christmas party, at the home of Mrs. Ehlinger, and each member is asked to bring a gift, the cost not to exceed one dollar. A potluck supper will precede the meeting.

Hog Chain Plan

from his farm, and also to grind the feed as it was needed. In payment, Jim will work for Mr. Rogers as he is needed.

In addition to getting these young men started in farming, it was felt that the introduction of purebred stock would have a favorable affect on the future type of animal raised in the community.

Kiwanis International, upon learning of the hog chain project, appointed a committee to study the possibilities of making available to more boys the opportunity to get started in farming through one of these projects.

The people of Britton are proud of Jim and the fine work he is doing, and are equally proud of the fact that the hog chain idea originated in their schools.

SEMI-FORMAL DANCE

The Tecumseh Country Club will hold a semi-formal Thanksgiving Day dance on November 23, with Duke's orchestra furnishing the music from 10 p.m. to 1 a.m. The committee in charge includes Mr. and Mrs. Harold Kelso, chairman, assisted by Mr. and Mrs. Robert Hanna, Mr. and Mrs. Frank Owen, Mr. and Mrs. Joseph Lane, Mr. and Mrs. Carl Fosbender and Dr. and Mrs. E. V. Wight of Clinton. Refreshments will be served by the committee.

WIT, WISDOM CLUB

The Wit and Wisdom Club met at the home of Mr. and Mrs. M. G. Partridge, Monday evening, with twenty-six members and three guests, Mr. and Mrs. Lester Rogers and Miss Bess Spayde, present. Mr. and Mrs. Glenn VanDenbergh assisted Mr. and Mrs. Partridge. F. A. VanValkenburg presented an interesting Thanksgiving program. Later the hosts and hostesses served refreshments.

ANNIVERSARY DINNER

Mr. and Mrs. Dale K. Creger entertained in their home last Saturday evening, thirty relatives and friends in honor of their wedding anniversary. A social time was enjoyed and lunch was served later in the evening. Mr. and Mrs. Creger received many lovely gifts. Guests were from Sylvania, Ohio, Clinton, Macon and Tecumseh.

Embarrassing!

"I'm very happy to inform you that your husband has passed the crisis," said the English doctor to a woman whose husband was seriously ill.

"Passed the crisis?" she demanded. "You told me 'e could not live a week."

"Well, I'm going to cure him, after all," said the physician. "Surely you are glad!"

The woman nodded slowly, "Guess so," she admitted, "but it puts me in a bit of an 'ole. I've bin an' sold alb 'is clothes to pay for the funeral."

Never brag about something that you expect to do; wait until it is accomplished and let others pass judgment on it.

EXCHANGE MEETS

The Exchange club met in the V.F.W. Hall, Monday evening, for their regular meeting. Forty members were present for a turkey dinner. Al Meyers had as his guest, Rev. Paul Hartford of Winnon Lake, Indiana. Perry Hayden was the guest speaker of the evening.

MISTAKEN

Denver. — Passing a store, a woman saw three girls with their hands in the air. Believing they were being held up, the woman quickly called police who found that the girls, clerks in the store, were just cold and were testing wall ventilators.

Large Order

"Do you make life-size enlargements from snapshots?" asked the girl.

"Certainly, miss," answered the photographer. "That's our specialty."

"Well," said the girl, "let's see what you can do with this picture of the Grand Canyon."

Extra

We are told that in an analysis of gasoline 103 hydrocarbons were separated and identified. We predict this astounding fact will be publicized by some gas company and advertised as 103 extras thrown in for free.—Christian Science Monitor.

Polished

He — She certainly is polished, doncha think so?

She — Yeah. Everything she says casts a reflection on someone.

HONORS DAUGHTER

Mrs. Carson Stout entertained at her home on N. Pearl street, Saturday afternoon, ten little girls in honor of her daughter, Sandra Sue's tenth birthday. Games were enjoyed and prizes were won by Carol Spangler and Judith Ripley. Luncheon was served by Mrs. Stout, buffet style, from a lace-covered table, centered with a two-tiered birthday cake. The color scheme was in harmony with the Thanksgiving season and each child received a favor. During the afternoon, several pictures were taken of the group. Sandra Sue received many lovely gifts.

The trouble with most interviews is that they report what a man says but rarely what he thinks.

Having a Turkey for Thanksgiving? And All the Fixin's, too? . . .

Here's How A&P's Policy of Storewide Low Prices On Hundreds of Items Every Day Will Help You Save More Money This Thanksgiving Than Just a Few "Specials"...

A&P

A&P's policy of storewide low prices every day on hundreds of items makes it unnecessary to trudge from store to store. Thanks to this policy, you can make savings on hundreds of good things, rather than on just a few "specials." And it stands to reason that such storewide savings will add up to much more than those you might make by getting just a few "specials."

(Prices shown here guaranteed Monday, Nov. 20 through Saturday, Nov. 25th)

Customer's Corner

Thanksgiving is the traditional time to count our blessings.

Despite the problems confronting the world today, we can take comfort and hope from our country's great progress since the first Thanksgiving.

The men and women of A&P gratefully join our fellow citizens in giving thanks for the freedom and good living we enjoy in this bountiful land of ours.

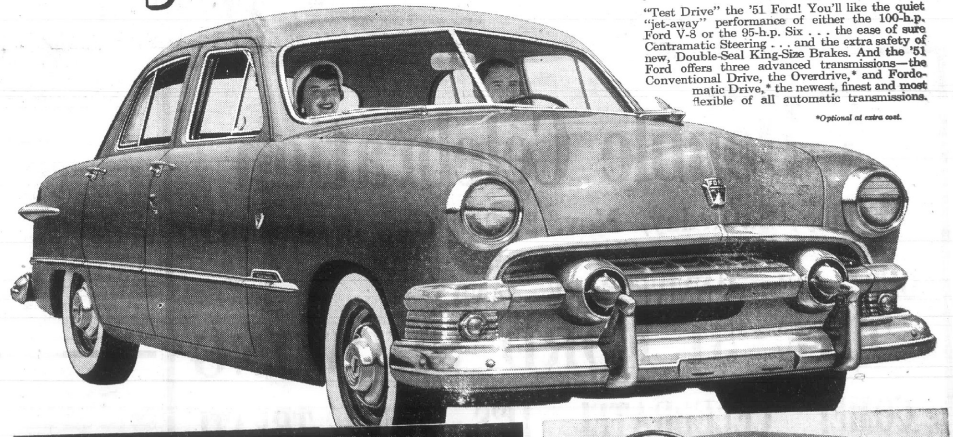
Here Friday! THE '51 FORD STEPS AHEAD ...FOR THE YEARS AHEAD!

WITH 43 NEW "LOOK AHEAD" FEATURES

See It Friday at your Ford Dealer's—the '51 Ford! It's the newest Ford! It's the finest Ford! And it gives you 43 new "Look Ahead" features—*engineered* and *built into* the car not just for this year and next, but for the years ahead!

"Test Drive" the '51 Ford! You'll like the quiet "jet-away" performance of either the 100-h.p. Ford V-8 or the 95-h.p. Six . . . the ease of sure Centramatic Steering . . . and the extra safety of new, Double-Seal King-Size Brakes. And the '51 Ford offers three advanced transmissions—the Conventional Drive, the Overdrive,* and Fordomatic Drive,* the newest, finest and most flexible of all automatic transmissions.

*Optional at extra cost.



NEW AUTOMATIC RIDE CONTROL . . . a new and unique springing system which automatically adjusts spring reaction to road conditions. Advanced "Hydra-Coil" Front Springs and new Variable-Rate Rear Spring Suspension team with new "Viscous Control" Shock Absorbers to give you an easy ride—a level ride. Stroboscopic illustration above indicates how car stays level when going is roughest.

Here are a few of the 43 new "Look Ahead" features in the '51 FORD

New "Safety Glow" Control Panel . . . The new design places all controls literally at the driver's fingertips. New "Chanalited" Instrument Cluster is easily visible at night without being distracting. New "Glow-Cup" Controls are individually illuminated . . . a Ford exclusive!

New "Luxury Lounge" Interior . . . with new long-wearing Ford-craft upholstery fabrics, new harmonizing appointments, smart new colors, new "Colorblend" Carpeting—the '51 Ford's new "Luxury Lounge" Interiors are "decorator designed" for the years ahead. Interior colors and new Forderaft Fabrics are "Color-Keyed" to outside body colors!

New Automatic Posture Control . . . moves front seat forward automatically at release of lever, raises it for shorter drivers. Push seat back, it lowers automatically for taller drivers.

Automatic Mileage Maker . . . saves gas automatically. New Waterproof Ignition System, including snug synthetic rubber spark plug boots, prevents engine being shorted out by moisture.

Come in and see it Friday

Sleet And Snow Delay Traffic

STORM DAMAGE LOCALLY, HOWEVER, MINOR COMPARED TO OHIO AND THE EAST

Tecumseh and Lenawee county escaped the seriousness of the snow, sleet and windstorm that held the greater part of the eastern United States in its grip over the week-end, and in neighboring Ohio paralyzed traffic and communication to such an extent as to necessitate the use of the National Guard. Cleveland was practically snowbound on Saturday and Sunday, as was Pittsburgh and other cities and communities in that area. A score or more persons perished in the storm.

Locally, the storm rode in on a stiff wind on Thursday afternoon. There was a four-inch snowfall accompanied by sleet. Friday morning's readings as low as 20 were reported. The weather remained cold throughout Friday night but moderated on Saturday. The crust of ice and snow on the highways slowed traffic to a snail's pace, and police warned motorists that only emergency trips should be attempted by motor car.

Despite the snow and sleet in this area, merchants reported that Saturday's shopping was only a little below normal. Food stores said that buying was brisk, despite heavy shopping before the Thanksgiving holiday. Clothing and footwear stores said that the demand for winter garments, shoes and rubber footwear was unusually heavy.

In Tecumseh, according to police, there was not a serious accident as a result of the slippery, snow-covered pavements. A few cars were reported to have been stalled in drifts, but there was no personal injury. Garage wreckers were kept busy, however, over the week-end, starting stubborn cars, and dealers in anti-freeze products were said to have been doing a land office business both Friday and Saturday.

Louis J. Dillon Funeral, Friday

FORMER MANAGER OF PET MILK COMPANY'S PLANT AT HUDSON DIES HERE

Louis J. Dillon, aged 70 years, former manager of the Pet Milk Company of Hudson, died suddenly at 11:30 Tuesday morning at the home of his daughter, Mrs. Robert H. Moore, 108 South Maiden Lane. Mr. Dillon had been ill for about two weeks, suffering from a heart ailment.

A son of Marion J. and Harriet Dillon, Mr. Dillon was born September 6, 1880, in Grand Ledge. He went to Hudson in 1907, and for 29 years he was manager of the Pet Milk Company's plant in that city. For the past 10 years, after his retirement, both Mr. and Mrs. Dillon made their home here during a part of each year with the Moores.

Mr. Dillon was a member of the Congregational church at Hudson, of the Hudson lodge, F. & A. M., and of the Commandery in Adrian.

In November of 1901 Mr. Dillon was married to Miss Mae Weir of Toledo. Surviving are the widow, the daughter, Mrs. Moore, and a son, H. W. Dillon, also of Tecumseh, five grandchildren and one great granddaughter. Mr. Dillon's sister, Mrs. Maude Kelsey, preceded him in death in 1929.

Funeral services will be held Friday afternoon at 2:30 from the Green Funeral Home with the Rev. W. H. Perkins of Detroit, officiating. The Knights Templar will have charge of the service. Burial will be in Brookside Cemetery, Tecumseh.

STUDENT HONORED

Fred C. Aebersold, a student at Tri-State College in Angola, Ind., has recently had the honor of being one of the twelve from his college to have his name included in the 1951 edition of "Who's Who Among Students in American Universities and Colleges." This award is based on the student's co-operation, leadership, citizenship and service to the school, promise of future usefulness; character and scholarship. Fred is a member of the Tau Sigma Eta, honorary engineering society of Tri-State. He is the son of Mrs. Lois Aebersold.

$25 FIRE DAMAGE

An automobile owned by E. Honeycutt, Tecumseh, R.F.D., suffered $25 damage, Monday afternoon at 4:45, when wires leading to the motor short circuited and started to burn at the entrance of the parking lot on N. Pearl street. The department was called and the fire was quickly extinguished.

50 Red Cross Boxes To Soldiers, Sailors

At the request of the Department of the Army, the American Red Cross has assumed the responsibility to furnish gift packages for soldiers and sailors who will be on the high seas at Chritmas.

The mid-western area, of which the Lenawee county chapter is a part, is furnishing 25,000 packages. The Lenawee county chapter is furnishing 50 of these packages, containing six items with a value of $2.50.

The gifts were packed last week and prepared for shipment.

Mrs. Charles Shierson of Adrian, is the chairman of the project. Mrs. Vincent Haight and Mrs. L. W. Larsen, both of Tecumseh, are members of the executive board. The money to purchase the gifts came from the Red Cross funds, raised last March.

Britton Needs School Building

EXPANSION PROGRAM TO BE DISCUSSED AT MASS MEETING, MONDAY EVENING

Electors in the Britton-Macon Agricultural School District, comprising 10 districts in all, will assemble in a mass meeting in the Britton school auditorium on Monday evening, December 4, at 8 o'clock, to discuss ways and means of expanding the district's present physical equipment, perhaps by the building of one or two more buildings. The meeting has been called by the board of education and J. E. Wells, superintendent, urged that all voters in the district attend the session.

At the present time, the district is operating one school building in Britton and two district schools, one in the Sutton district, the other in the Kniffin district. There are 24 pupils in the Sutton school, 16 in the Kniffin. The balance of the 320 pupil enrollment or 280 are attending school in the recently Britton building. The school operates four busses, taking children to all three buildings. Only elementary students are housed in the district schools.

Mr. Wells said that two or three times previously the district has considered a building program but each time the plans have been discarded for one reason or another. Now, he pointed out, it has become imperative that some steps be taken. Fifteen teachers are employed in the Britton schools.

Tentative plans to be discussed at the mass meeting call for the building of a grade school, a manual arts and agricultural shop building with recitation room, and the remodeling of the present building in Britton. The new buildings would be located near the present one, and later might be joined together.

Should the district go into a building program in Britton, it was pointed out that the Kniffin and Sutton schools could be closed and all of the children housed in the village school.

Two Teachers Stranded In Thanksgiving Storm

The Thanksgiving Day-week-end storm affected the Tecumseh public schools but little insofar as attendance was concerned. Earl H. Place, superintendent, said today, but, he said, it did necessitate the replacement of two teachers who, while away on vacation, were marooned in the storm.

Miss Edna Cauffiel, girls' physical education instructor, left the day before Thanksgiving for her home in Cleveland. She wired Mr. Place on Monday that she would return to Tecumseh as quickly as transportation became available.

Mrs. Leon Van Valkenburg, first grade teacher, went with her family to Washington, D. C., for the holiday. She, too, is marooned there, awaiting the opening of the roads or other means of transportation home.

Mrs. Raymond Puffer is substituting for Mrs. Van Valkenburg, and Mrs. Cora Plans is substituting for Miss Cauffiel.

MUSICAL PROGRAM

A musical program by a group of fifteen boys from Cassidy Lake Technical School, will be presented in the Baptist church, Sunday evening at 7:30. The group is under the direction of Rev. Forest E. Cook. A silver offering will be taken. The Baptist Youth Fellowship group will serve refreshments for the group following the program.

BAND DINNER

The Tecumseh seventh grade junior band enjoyed a Thanksgiving supper at the high school last week. After the supper, games were played in the band room, under the direction of Miss Crawfield, the local physical training teacher. Gerald Larned and Mr. and Mrs. Clare Camburn were guests of the evening.

Wade L. Jones Dies Suddenly

FUNERAL SERVICES HELD TUESDAY FOR PROMINENT CIVIC, SOCIAL LEADER

Wade L. Jones, aged 67 years, prominent in the civic and social life of Tecumseh and Lenawee county for many years, died suddenly at his home, 216 N. Van Buren street, at 12:50 p.m., Saturday. Mr. Jones had been in failing health for several months, but his condition had been much improved over the Thanksgiving holiday and the end came unexpectedly.

Born in Tecumseh on August 4, 1883, Mr. Jones was the son of the late James M. and Lizzie DePuy Jones. He attended the Tecumseh public schools and for many years was associated with his father in the tailoring business. He later operated his own clothing store here, and for some time he was the owner of the Rochester Clothing Co., in Adrian. About 15 years ago he retired from the clothing business and since that time he had been operating an insurance business here under his own name.

Mr. Jones was a member of the Presbyterian church of Tecumseh, a charter member and past president of the Tecumseh Rotary Club; a life member of Tecumseh Lodge No. 69, F. & A. M., a former president of the Michigan Retail Clothiers Association, served for about 20 years as secretary and treasurer of that group, and only last summer was presented with a life membership in the Association.

Locally, Mr. Jones was a leader in civic life. He served for many years as a member of the village council, and for 15 years as village clerk. He also served as a member of the board of trustees of Brookside Cemetery. He was a member of the Tecumseh Country Club, a past president of the Tecumseh Club, and a member of Aerie No. 1562, Fraternal Order of Eagles.

October 22, 1907, Mr. Jones was united in marriage with Miss Lena Smith of Tecumseh. She died in June of 1945. In October of 1947, he married Mrs. Ruby J. Smith of Detroit.

Surviving are the widow, Ruby J., two daughters, Mrs. Laine Holden of Tecumseh, and Mrs. Norman Groeschow of Adrian, and a son, Dean, of Passaic, N. J., and a stepdaughter, Patricia Ann Smith of Tecumseh. Also, by four grandchildren, David, Deborah, Joyce and Jill Holden of Tecumseh, and several aunts, and cousins.

Funeral services were held on Tuesday afternoon at 2:30 from the Collins Funeral Home, the Rev. B. O. Bashore officiating. There was a Masonic service at the grave in Brookside Cemetery.

The Masonic service was in charge of Roscoe Scott of Adrian, a past master of the Adrian lodge.

Bearers were Geo. H. Adamson, Perry M. Hayden, Lester C. Rogers, Louis S. Schneider, Perry C. Satterthwaite and Earl L. Wickwire.

Stores and other places of business in Tecumseh's downtown district were closed between 2 and 3 p.m., Tuesday, honoring Mr. Jones' memory.

Friends and relatives attended the service from Passaic, N. J., Toledo and Shelby, Ohio, Detriot, Jackson, Grand Rapids, Lansing, Michigan Center, Birmingham, Adrian, Macon, Britton, Tipton, Clinton and Tecumseh.

Rotary Pays Tribute To Memory Of Wade L. Jones

A brief service, honoring the memory of Wade L. Jones, who died suddenly, last Saturday, was held preceding the regular program at Tuesday's dinner-meeting of the Tecumseh Rotary Club in Legion Memorial Home. The Rev. Rev. B. O. Bashore conducted the service.

Mr. Jones was a charter member of Tecumseh Rotary, a past president of the club, and held, during his years of membership, all of the offices in the organization.

"I doubt that any man did more for Rotary, or for his community, than did Mr. Jones during his life time," the Rev. Mr. Bashore said. "He was a man whose advise was sought, and who gave unselfishly of his time and of his efforts that his community might be a better place in which to live."

Club members stood for one minute in silence, at the conclusion of the ceremony.

The club's regular program was in chárge of the Rev. Allan Ramsay, rector of St. Peter's church. The Rev. Mr. Ramsay showed motion pictures of his trip to California during the past summer.

NOTICE

My office will be closed Dec. 1-Dec. 5 inclusive. Dr. J. R. Thompson, M. D. adv. N-30

Grace Lutheran Church To Observe Anniversary

Final plans for the 10th anniversary of the Grace Lutheran church on Sunday, December 3, have been completed. The Rev. R. W. Scheele, former pastor of the church, will have charge of the morning service at 10:30, and Rev. J. De Ruiter, former pastor, will have charge of the afternoon service at 3:30. The ladies of the congregation will serve a potluck supper at 5:30 in the church basement, and Rev. Wacker, chairman of the Mission Board, will be the main speaker. A sound film "The Book for the World of Tomorrow," will be shown at 7:30 in the auditorium by Paul Maves.

Health Council Names Officers

MISS GERTRUDE SPAULDING OF TECUMSEH, NAMED AS PRESIDENT OF GROUP

Miss Gertrude Spaulding, superintendent of Herrick Memorial Hospital, was elected president of the Lenawee County Health Council, at a meeting of that organization, held last week in Adrian. Miss Spaulding also represents the Lenawee County District Nurses Association on the Council. Other officers named are Mrs. Dorothy Derthick, Blissfield, representing the County Extension Clubs, and Mrs. Ethelyn Claxton of Britton, secretary.

At the Adrian meeting, reports were presented on the Michigan Rural Health Conference in Lansing by Miss Spaulding, Mrs. Frank Smith and Dr. E. F. Hersey. Of exceptional interest was an address by Donald S. Leonard, commissioner of the Michigan State Police, who is also Michigan's civilian defense director. Mr. Leonard emphasized the danger of Russian aggression which may loom as an impending catastrophe. The smaller communities and rural areas like Lenawee county might have to play a major role in providing housing, clothing and medical and hospital care, Mr. Leonard told the group.

Future projects for the Health Council were discussed and it was decided to include an educational program and a detailed county survey, both of these to be accomplished at a later date.

Miss Clara Clark, Lenawee county teacher for home-bound children, gave an interesting illustrated talk. She now visits 24 children in the county, twice weekly. Homebound children include cardiacs, crippled children, fractures, acute rheumatic fever cases and several others. Children from first grade through high school are being given assistance. Council members suggested that some service club in the county might be able to assist Miss Clark in providing visual aides and other materials badly needed in carrying on her work.

The December meeting of the council will be omitted because of the holiday season but it was pointed out that committees of the group would remain active.

Alonzo D. Davis Dies At Home In Britton

Alonzo D. Davis died at his home in Britton, Monday, November 27, at one p.m. after nine years of failing health. Mr. Davis spent most of his life in Britton, coming there from Coffeen, Ill. He was a Wabash ticket agent and telegraph operator for 50 years, 35 years of which were spent at the Britton Wabash depot. Mr. Davis retired in 1941. He was a member of the Britton Congregational Christian church, an Odd Fellow, and past member of the school board and village council.

Surviving are his wife, Maud; one son, Harold Davis of Pontiac, and five grandchildren; one sister, Mrs. Cora Stubinger of Long Beach, Calif.

Funeral services will be held today (Thursday) at 2 p.m., in the Niblack Funeral Home with Rev. Harry P. Rogers officiating. Burial will be in the Ridgeway cemetery.

BURIED AT TIPTON

Funeral services for Lawrence E. Derby, who passed away in Winter Haven, Fla., November 17, at 1 p.m., were held Friday afternoon at 1 o'clock in the Collins Funeral Home, the Rev. B. O. Bashore, officiating. The bearers were Roland and Lawrence Mohr, Herman and Dale Titley, Merrick Dibble and Forest Abner. Burial was in Tipton cemetery. Friends and relatives attended from Menessen, Pa., Fort Wayne, Ind., Jackson, Monroe, Tipton, Adrian, Clinton, Britton, Saline and Tecumseh.

CROP Quota Exceeded Here

$1,093.98 SUBSCRIBED THROUGH LOCAL CHURCHES; CHAIRMAN APPRECIATIVE

Tecumseh's Christian Rural Overseas Program, in which the churches of this village sought to raise $1,000 in cash or its equivalent in wheat, has been oversubscribed, George A. Schumm, chairman of the committee in charge of the campaign, announced today.

The final report, submitted by Dalton A. VanValkenburg, treasurer, shows:

Funds raised for Catholic Rural Life for War Relief Services totaled $257. Of this amount, St. Elizabeth's church, Tecumseh, subscribed $253 and $4 came from St. Mary's church at Adrian.

For distribution through Church World Service, (Protestant), the Baptist church subscribed $101.30, the Presbyterian church, $353.12, the Methodist church, $100.64, St. Peter's Episcopal, $10, Tecumseh Gospel Tabernacle, $31.50, Christian Science Church, $3.69, Methodist church, Ridgeway, $6, Lenawee County Brotherhood Tabernacle, Adrian, $1, and church affiliation undesignated, $19.50.

For distribution through Lutheran World Relief: Lutheran church, Tecumseh, $33.50.

For distribution through National Association of Evangelicals: Tecumseh Friends Church, $126.72; Raisin Valley Friends Church, Adrian, $8.55; making a grand total of $1,093.98.

"In accepting the above report, I want to express my thanks to all those who took part, making it possible for Tecumseh to go over the top," Mr. Schumm said. "One cannot help feeling proud in being a part of a movement of church people who know how to live by helping other people to live. Tecumseh can be proud of its churches."

Senior Play On Thursday, Friday

"NOT IN A THOUSAND YEARS," IS TITLE OF STAGE EVENT TO BE PRESENTED

Comedy is combined with pathos in Tecumseh high school's annual senior play, "Not in a Thousand Years," to be presented on Thursday and Friday evenings, November 30 and December 1, at 8 o'clock, in the auditorium of the Central building. The play this year is under the direction of Mrs. June Mac Beth.

The play tells the delightful story of a boy and a girl's first romance. The two young folk have a natural affinity for each other; but when they try to arrange their first date, everybody and everything seem to conspire against them. A certain other chap feels he has a monopoly on "the girl" and he sends threatening telephone calls and, in quick succession, many, many other things happen.

Of course, there are family complications, too, which add to the troubles of the young folk but, as in all plays, everything turns out as it should, and the ending is happy.

"The cast is amazingly well-balanced, and 'Not in a Thousand Years' will you find a play that comes closer to the young in heart —their faith and foibles, their dreams and frustrations — than does this masterfully written comedy," Mrs. Mac Beth said.

The cast is made up of Tom Everlove, Cynthia Spafford, Shirley Fosbender, Cap Orr, Joleen Barron, Mary J. Dermeyer, Evelyn Arnold, Katherine Sisson, Dave Van Winkle, Ken Swarts, Donna Craig, Duane Hay, Joe Rockwell, Eris Bailey and Doris Bilby.

INFANT TWIN BURIED

Funeral services for David Gonzales, five-month-old twin son of Mr. and Mrs. Leopold Gonzales, who died last week Tuesday at Tyler, Texas, were held Saturday at 4 p.m., at the Green Funeral Home, with Kenneth Ball, minister of Jehovah's Witnesses officiating. The baby became ill while the family was on their way home from a vacation in Texas. Mr. and Mrs. Gonzales reside at 114 Muscody street, having lived here for five years. Mr. Gonzales is employed at Bruce Foundry.

Besides his parents, David is survived by his twin sister, Elizabeth; two other sisters, Erma and Arcillia; a brother, Leopold, jr., and his grandparents, Mrs. Maria Gonzales of Tecumseh and Antonia Charo of Larado, Texas. Friends and relatives attended from Deerfield, Petersburg, and Tecumseh. Burial was in Brookside cemetery.

Funeral Services Held For Roy Van Vleet, 72

Roy VanVleet, aged 72 years, a life-long resident of Tecumseh township, and was the son of the late Edgar C. and Mary VanVleet. He was a member of the Tecumseh Lodge, F. & A. M., and a member of the school board of district nine.

Mr. VanVleet is survived by a sister, Gertrude VanVleet, a niece and two nephews. A brother, Arthur and a sister, Edna, preceded him in death.

Funeral services were held Saturday afternoon at 2:30 at the Green Funeral Home, with Rev. Alvin Brazee officiating. Burial was in Ridgeway cemetery. The Masons attended in a body. The bearers were George Everett, Arthur Eaton, Perry Satterthwaite, Kenton Hunt, Ted McConnell and Willard Boyd. Friends and relatives attended from Ridgeway, Britton, Onsted and Tecumseh.

College Drive Gets Under Way

DINNER FOR MEMBERS OF COMMITTEE AT LEGION HOME, THIS EVENING

The Tecumseh committee for the Adrian College Improvement and Endowment Fund will open its campaign for pledges at a dinner to be held at 6:30 p.m., tonight in the American Legion Memorial Home, it was announced by Ellsworth A. Collins.

Tecumseh committee members to date are: Ellsworth A. Collins, Earl Place, Perry Satterthwaite, Gordon Garlick, Rev. Blair O. Bashore and George Schumm.

Committee members have held several advisory meetings with Dr. E. H. Babbitt, vice president of Adrian College, Mr. Place said. A letter and illustrated brochure describing the purposes of the $300,000 drive have been sent to 112 Tecumseh residents and also to 33 Adrian College alumni living in Tecumseh.

Ronald Harris, secretary of the Tecumseh Chamber of Commerce, has been consulted relative to the campaign, Place said. Gordon Garlick has accepted the publicity chairmanship and George Schumm is chairman of the Alumni Committee.

"The Tecumseh committee is part of a county-wide campaign organization," Dr. Babbitt said. "In addition to the city of Adrian, leading towns in Lenawee county are also organized. The first phase of the Adrian College Fund has a goal of $500,000. Of this amount about $200,000 has already been secured. Our goal is therefore $300,000 to complete this phase. These funds will be used to modernize and repair the college plant and to enlarge its endowment.

"Adrian College offers important advantages to the people of Lenawee county," Dr. Babbitt continued. "It enables many youth to get an education who, if they had to go away, could not afford college training. Many public school teachers in the county received all or part of their education at Adrian. Eleven churches in the county are served by faculty or student pastors from Adrian. There are 773 Adrian alumni in the county who are engaged in business, agriculture and the professions. The college has made a substantial intellectual and cultural contribution to the community life."

Postal Clerk Retires After 25 Years of Service

Mrs. Nina Heath will retire December 1 after twenty-five years of service as a clerk in the Tecumseh post office. She started her career in 1904 and served two years under the postmastership of the late Charles A. Bidwell, leaving in 1906, after her marriage, when she moved to Lansing. She returned to her duties in 1927 when Henry W. McClure was postmaster. She also served under the administrations of H. H. Hanna, Mrs. Frank S. Gillespie, Percy Bowen, Wiley McCann and the present postmaster, F.E.N. Thatcher, for a continuous period of 23 years.

"Nina" is planning a complete rest and admits it will be a "grand feeling" to miss the oncoming Christmas rush.

Mr. and Mrs. Kenton Hunt entertained in their home on East Logan street Tuesday evening, the employees of the postoffice and their families in honor of Mrs. Heath. Canasta was the diversion. Mrs. Heath was presented with gifts from the group and refreshments were served by the hostess.

Town Hall Will Open, Tuesday

DENMARK ENGINEER TO DISCUSS COMMUNISM AND ITS AFFECT IN THE U. S.

"Communistic Infiltration in the United States," will be the topic discussed by Edmund C. Bentzen of Plymouth, a graduate of Copenhagen University of Technology and a native of Denmark, when he speaks next Tuesday evening at the opening meeting of Tecumseh's Town Hall. The meeting will be held in the auditorium of the Central school building, and begins at 8 o'clock. The public is invited.

Mr. Bentzen is a graduate mechanical engineer. He came to the United States in 1927, serving in both factory and city management jobs. Since 1944 he has been chairman of a committee investigating communistic activities both here and abroad, especially as they affect industry and education. The committee was set up within the framework of the Society for the Advancement of Management.

Bentzen is a member of the Detroit Engineering Society and the Society for the Advancement of Management. He is now employed by Ford Motor Co., as an industrial engineer. His talk Tuesday will include such topics as: What defense can we set up against communism?; What is the ultimate goal of communism in regard to the U. S.?; How to recognize a communist, who is not a party member, etc.?

Bentzen is much in demand as a public speaker. He appears almost constantly before Rotary, Exchange, Kiwanis and other clubs in speaking engagements.

Town Hall meetings here are open to the public and admission is without charge. The cost of the Hall programs is underwritten by the several clubs and organizations in Tecumseh on an annual basis.

Chest Drive To End, December 1

RONALD HARRIS, CHAIRMAN, SEEMS CERTAIN THAT $7,025 GOAL WILL BE REACHED

Tecumseh's Community Chest campaign will be brought to an official close on Friday, December 1, and its goal of $7,025 seems assured, Ronald Harris, chairman of the drive, announced today.

"We have, at the present time, over $5,000 in the treasury, and we feel certain that with pledges still to come today and tomorrow, we will exceed our goal," Mr. Harris said. "We had hoped to announce that we were over the top today, but the Thanksgiving holiday and the week-end storm slowed down some of our solicitations, and the final clean-up will be made today and tomorrow."

Harris said that, in many, many instances, contributors have increased their pledges to the fund this year over last year's amounts. Block chairmen in residential areas also have found that the community is generous, folk appreciating the opportunity to "give once for all" to the many organizations and groups represented in the chest budget.

The chest budget here this year was approximately one-third larger than it was a year ago, Harris pointed out, due to the broadening of the scope of the drive.

Butler 20th Anniversary Party Largely Attended

Approximately 1,500 people visited the Butler Motor Sales here on Friday and Saturday in observance of the firm's 20th anniversary and the showing of the new Ford automobiles for 1951. Orchids were presented to the ladies who visited the showrooms, and there were other favors for the children.

On Saturday evening, despite the week-end storm, scores of persons visited the salesrooms and during the evening enjoyed square and round dancing. Later, refreshments were served. Awards made by the firm went to Mary Foote of Adrian, Mrs. Wilson Handy of Onsted, Rt. 1, and Charles Pearson of Tecumseh.

Butler Motor Sales received many floral pieces from friends and customers.

"We would like to take this occasion to say thank you to our many friends and customers who remembered us or visited us on the occasion of our anniversary," C. O. Butler said. "We regret that the weather was bad over the week-end, but regardless of the storm, the party was a genuine success."

Prevent Loss By Fire

Fire prevention is important at any time. It is especially important in a time of emergency, such as the present, when there is heavy demand for manpower and materials of all kinds, and when waste is a serious drain on the energies of the nation.

The organized war against fire has increased in intensity. The experts are doing all they can to reduce the toll. But, unfortunately, the waste is continuing at a high and disgraceful rate. In the 12 months which ended on September 30, for example, direct fire loss was more than $685,000,000 — an increase of about two per cent over the preceding 12 months.

One tragedy of fire is that prevention, with few exceptions, is easy. It is estimated that less than 10 per cent of our fires are truly unavoidable. All the rest are caused by human failures of one kind or another. And the most common failures are plain carelessness and indifference.

The individual's principal fire prevention job lies in his home. Most home fires arise from the simplest causes. Carelessness with smoking materials, improper storage of paints and solvents and other flammables, accumulations of old clothes, paper and trash, defective heating equipment, these are fire's most potent allies. Yet all of them can be easily and inexpensively eliminated.

Prevent fires — in your own interest, and in the interest of your country.

It Was A Significant Vote

The significance of the November 7 election, on a national scale, will be the subject of heated discussion for a long time to come, as the victor, vanquished, and objective observer alike try to figure out what made the people vote as they did. But, regardless of the verdict of history, certain conclusions can be drawn right now with small chance of rebuttal.

First of all, Mr. Truman and his "Fair Deal" program took a stunning defeat. It is true that the Democrats have paper-thin majorities in the House and the Senate. But it seems impossible that any of the more controversial sections of that program can be pushed through while this Congress is in office. The majorities are just too small. A good many of the Democrats are notably unenthusiastic when it comes to the Brannan plan, compulsory government health insurance, regional authorities and administrations, virtually unlimited social security, and the rest. They will line up with the strong Republican bloc to stop them.

The defeat of so many Democratic stalwarts rubbed more salt in the Administration's wounds. The loss of such senators as majority leader Lucas and Tydings and Thomas is a bitter one. Men such as these carried much of the load for the President in his dealings with Congress. They will be extremely difficult to replace. At the moment, there seem to be no willing candidates as majority leader to succeed Mr. Lucas. Whoever the choice is, he will have a rugged and thankless job next year.

Perhaps the most unequivocal Truman supporter of all was Mrs. Helen Gehagan Douglas. She lost badly in the California senate race — and it must be remembered that this is a key state, which Mr. Truman carried in the presidential election. Another blow was for James Roosevelt to go down to over-whelming defeat in his try for governor.

And along with the Democratic party, organized labor also took a terrific beating in the election. The Taft-Ferguson election in Ohio was the key spot. The CIO-AFL high commands did everything conceivable to beat Senator Taft, whom they regarded as their arch-enemy. Up to shortly before the election, they were confident of success. They felt that, at the worst, Taft would just squeak by. Actually, he smothered his opponent with a 400,000-plus majority. He even carried most of the industrial counties where union membership is greatest. In other words, men and women, once they were inside the polling booths, refused to be told how to vote.

What caused all this? The international mess; the growing worry over the government's domestic spending; the feeling held by millions of people that the Administration has been keeping secrets from them; the equally potent feeling that we have carried internationalism to an extreme; that it is just not possible to support the whole world — such forces, it seems now, caused the revolution in voting that occurred at the poll less than 30 day ago.

BROWNIES SEE BAKERY

Poppy Troop No. 9, and their leaders, Mrs. George Wittrup and Mrs. Howard Truesdale, were guests of the Morris Bakery last week Tuesday afternoon after school. The Brownies were taken through the bakery and the process of baking was described fully to the girls. Chocolate milk and krispies were served to the girls and each Brownie was given a sack of cookies to take home. The girls then went to the home of Mrs. Wittrup and made Thanksgiving favors for the trays of patients at the Parrett Nursing Home. They were delivered the day before Thanksgiving.

Actuarial Science Is Studied By 25 at U. of M.

ANN ARBOR—Each year approximately 25 students complete the course in actuarial science at the University of Michigan.

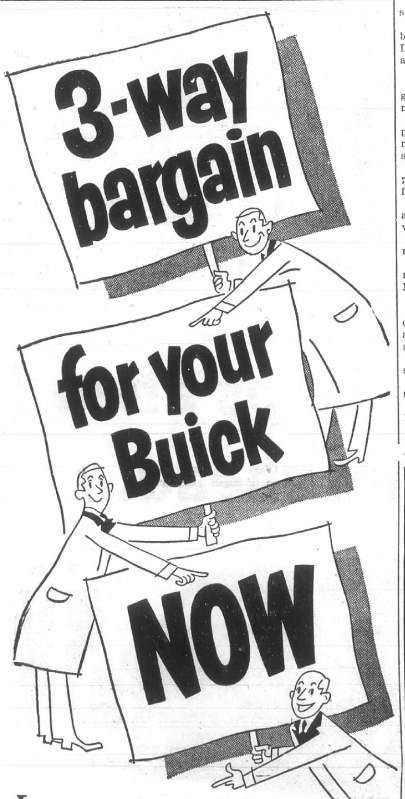
This highly specialized field of the mathematics behind insurance is another of the many educational activities in which the University pioneered. A course on the theory of annuities and insurance, offered by the University's Department of Mathematics in 1902, was the first to be given in actuarial science at any college or University in the U. S.

Today's graduates in actuarial science must take 34 hours of instruction in such subjects as mathematical statistics, finite differences, life contingencies and mortality studies.

The graduates usually find excellent jobs awaiting them with insurance companies, government insurance departments and as pension consultants. The work involves the evaluating of risk, figuring preminums and other matters related to setting up insurance plans of all kinds—life, disability, unemployment, hospital and pension.

CALM WOMAN

Seattle — When a man entered a women's clothing store and declared, "This is a hold-up," Mrs. Arthur H. Bewell, an employe, calmly said, "I don't believe it," walked to the telephone and called police. The visitor left.



It's time again to ready your Buick for the cooler driving days ahead—so your Buick dealer is featuring a big triple-service offer *right now*—

1. **Fall tune-up,** which includes cleaning of air and fuel filters, adjustment of valves, carburetor and distributor—and lots more.
2. **Cooling system service,** including a flush-out—also inspection and tightening of all hoses and connections.
3. **Pack front wheel bearings** with fresh lubricant—also safety-inspect your front brake linings, where wear shows itself first.

Put your Buick in tiptop shape now to do its best this winter! Phone your Buick dealer for his special-offer price on these services (and for an appointment) *this week.*

DINSE—STEVENS

Miss Joanne Stevens, daughter of Mr. and Mrs. Stanley Stevens, of Rt. 2, Clayton, and William Dinse, son of Mr. and Mrs. Herman Dinse, of Onsted, were united in marriage Saturday afternoon at 2 o'clock in the Grace Lutheran church. Rev. A. Jeschke performed the single ring ceremony before the immediate families. They were assisted by David G. Olson, brother-in-law of the groom, and Betty Gamble, niece of the bride.

The bride wore a grey suit with red accessories and a corsage of white mums. Miss Gamble wore a navy suit with matching accessories and a corsage of bronze mums.

ALUMNI INFLUENCE

ANN ARBOR—One out of five of the freshmen who enrolled at the University of Michigan this fall are sons and daughters of alumni parents.

This fact was disclosed in a comprehensive study just completed by the Michigan Alumnus, the publication of the University's Alumni Association.

The Alumnus made such a survey last year for the first time and found 18 per cent of the 1949 freshmen had alumni parents. The percentage increased to 20 this year.

JUNIOR LEAGUE MEETS

The Baptist Junior League met last Tuesday evening at the home of Mrs. E. L. Furgason for its regular meeting. Mrs. B. O. Bashore gave her report of the recent state leaders' conference in Lansing which she and Mrs. N. C. McConnell attended. Mrs. Jesse Nichols lead devotions and Mrs. George Green, jr., were in charge of the program. Refreshments were served in conclusion.

The book reading habit is a good one to develop if you have sense enough to select the right books.

Maybe, Joseph Stalin took seriously this talk about Communists running the State department.

Nothing would suit Stalin better than a weak, inefficient, powerless government in Washington.

Zeland Favors Single Taxation

LAND ONLY IS TAXED, IMPROVEMENTS TO PROPERTY NOT CONSIDERED

WELLINGTON, N. Z. — The Henry George theory of fixing real estate taxes upon the land rather than upon the improvements placed upon the land is sweeping New Zealand.

About 75 years of trial and error, New Zealanders are rapidly adopting the so-called "single tax" as the best means of stimulating property improvements and simplifying the complicated process of levying and collecting taxes.

Out of 549 local communities within which rating authorities can be required to poll the taxpayers on the method of taxation, 224 have voted for adopting the system of taxing unimproved value, or the land.

Based on this popular trend, of the unimproved value system is credited with curbing land speculation, and bringing lower rates to a large majority of property owners.

Throughout New Zealand, the single-tax system is one of three tax methods, two of which are gradually being relinquished in favor of taxing only the land.

Tax rates may be levied on capital value (land and its improvements), on annual value (based on rental value), and on the unimproved land, or single-tax system. Through a poll of local taxpayers, any community can select one of the three systems.

This patchwork structure dates back through the years to the abolition of the provinces in 1876, when rates were levied on the annual rental value of property in all communities. The rating act of 1882 replaced rental value with capital value in the countries, and in all local communities excepting those that elected to retain the rental base.

Then, when the land question was a burning issue in New Zealand, Parliament permitted rating on unimproved value in a special act. This also entitled the taxpayers to demand that the question of taxation on unimproved value be decided by a vote of the people.

Since there has been a remarkable swing throughout the country toward the policy of taxing the land only, thus encouraging the landowners to improve their properties.

For the last half century, the advantages and shortcomings of all three tax methods have been thrashed out in conferences and debates, with no immediate prospect of a uniform rating system.

Of more than 220 polls taken, 75 per cent have favored the single tax. It now is the most important system in operation.

Yet due to the growth of New Zealand cities, land is now used quite effectively. This brings them to a stage where unimproved value ratings disclose inherent faults, according to tax authorities.

It seems that the single-tax system tends to pander, very largely, the builders of flats, thereby densifying the population per acre. Furthermore, proponents of annual rating point to the creation of "pocket handerchief" sections.

However, there can be no denying that the single tax or unimproved land rating does bring lower rates to a majority of owners. In 16 boroughs where the system is that of annual value, the average rate paid for each dwelling was $56. In 21 boroughs using capital value rating, the average was $42. In 67 boroughs where unimproved value was the system, the average rate was only $18.

Safe, Sheltered Spot Needed To Feed Birds

ANN ARBOR—Decide on a sheltered spot, safe from pouncing cats and strong winds, if you want birds to come to your winter feeding station, Dr. George M. Sutton, associate professor of zoology at the University of Michigan, advises.

No special equipment is needed for such a counter, the University professor pointed out. In selecting the spot for placing the food, a partial roof or awning above the window is a good thing, though not absolutely essential, Dr. Sutton said.

People who want to attract birds to the feeding station should take advantage of the snowfalls. Many birds will come to the feeding counter when they must take shelter from storm. Michigan birds have perfectly adequate feather covering and if they have food, they are safe, Dr. Sutton said. But wait for that first heavy snow fall. In just a couple of days, the birds will develop a habit of coming to your feeding station.

Discussing the favorite food items, Dr. Sutton noted that many birds are very fond of sunflower seeds. Bird lovers can usually make arrangements with a farmer to save complete sunflower heads for them. These are then strung up for the birds and are a great favorite with downy and hairy woodpeckers, chickadees and tufted titmouse. The cardinal likes this food, too, but for this bird the seed should be placed on the ground, as he dislikes flying up to get it.

Other foods which will attract the birds are cracked nuts, hickory nuts, peanuts and black walnuts, and of course, the lump of suet tacked to the trunk of a tree or placed in a container of kitchen wire through which the birds can peck.

One of the prettiest birds you can have as a "guest" during the winter is the evening grosbeak, a black-white-olive green and yellow bird about the size of a robin, Dr. Sutton said. Bobwhites may be seen at winter feeding stations occasionally.

The brown creeper, a small dull, fenseless brown, grey and white bird with slender curved bill, will often slip in when the other birds have finished and will stay as long as the others will let him. The titmouse and chickadee may get bold enough to eat out of your hand, Dr. Sutton said.

PARISH PARTY PLANNED BY ST. PETER'S CHURCH

The second all-parish fellowship evening under the auspices of St. Peter's Parish Council will take place on Wednesday, December 6, from 8 to 11 p.m. The program and refreshments will be in charge of a committee under the chairmanship of Mr. and Mrs. Lawrence Blum. Assisted by Mr. and Mrs. Gibbs Barber, Mr. and Mrs. Herbert Gilmore, Mr. and Mrs. Charles O. Butler, Mr. and Mrs. Charles Mensing, Mr. and Mrs. Gerald Driscoll and Mrs. Henrietta Lindsley, plans are made for an enjoyable evening of fellowship and activity. Members of the church and their friends are invited.

MARRIED 25 YEARS

Mr. and Mrs. Carl Schomburg entertained at dinner in their home on Outer Drive, Sunday, November 26, in honor of their 25th wedding anniversary. The table was centered with a one-tiered wedding cake with silver decorations. The guests were Mr. and Mrs. Ken Kaufman of Ann Arbor, Mr. and Mrs. Otto Thiel, Mr. and Mrs. Richard Ellis, Mr. and Mrs. Glenn Kleindinest, Jr., and Ted Wells, all of Tecumseh.

TO MEET DECEMBER 6

The Comfort Extension Club will meet on Wednesday, December 6, with Mrs. Clifford Adams as hostess. The theme of the program will be "Lessons on You and Your Clothes." The new officers, president, Mrs. William Budwitt, vice-president, Mrs. Donald Woods, and secretary and treasurer, Mrs. Elray Finnegan, will have charge of the meeting. There will be an exchange of Christmas gifts.

GOLDEN RULE MEET

The Golden Rule Division of the Presbyterian church will meet next Tuesday evening with Mrs. Ned Baldwin, for their annual "Pig In Poke" Christmas party. Plans for the Christmas bake sale on December 9, will be completed at this time. The hostesses are Mrs. Fay Whelan, Mrs. Ralph Helzerman, Mrs. Ray Sluyter, Mrs. Dale Bowen and Mrs. Lillard Brown.

The nation should pay tribute to its heroes but not much to the big-talking heroes who never smelt gunpowder but proclaim their patriotism in loud voices.

Credit Controls To Cut Car Sales

REDUCTION OF 50 TO 60 PER CENT BY FIRST OF THE YEAR FORECAST

CHICAGO—Federal credit controls will have cut retail new car sales volume by 50 to 60 per cent by the end of the year, a spokesman for dealers said.

He joined other speakers at the American Finance Conference convention in assailing the federal curbs as unnecessary and too strict.

Fred L. Haller, Washington, president of the National Automobile Dealers Association, said its 36,000 dealer members strongly oppose 15 months installment limits on new cars. He spoke at a news conference.

The average new car dealer used to average no more than two new cars in his stock. Now he has about 11, because sales are slower.

His inventory probably will be even larger next year, and the 1951 cars will have less of the sales-attracting, shiny chrome, Mr. Haller said.

Only "all out war" would reactivate the so-called "scare" buying that might eat up dealer stocks, Mr. Haller said.

Used car stocks also are rising, Mr. Haller said they have risen by one third, compared with 90 days ago.

He said the "severe" credit curbs are "forcing people to cash savings bonds, deplete savings accounts, and mortgage their homes to buy necessary transportation."

There are 18,000,000 prewar vehicles on the highways which should be replaced, Mr. Haller said, but although stocks are plentiful and prices are down, many persons are blocked by the credit controls.

Thomas W. Rogers, executive vice-president of the conference, said the 15 months limit on new car installment buying "shuts out" the average industrial worker.

Elmer E. Schmus, vice-president and cashier of the First National Bank of Chicago, said restricted credit may result in a substantial decline in durable goods sales.

Old House Modernization Is Forecast In U. S. A.

NEW YORK—Imposition of federal restrictions upon new housing will set off a kind of "Building Boom, Jr.," in the modernization and repair fields, Thomas McDonald, vice-president of Minneapolis-Honeywell Regulator Company, declared here.

Many people will buy used homes with the idea of remodeling them, since loans for buying older houses are control-free, Mr. McDonald explained.

He held that a thorough overhauling job can be done on almost any house within the $2,500 home-improvement ceiling stipulated in the new federal controls.

"When it is figured that $607,000,000 were spent for repairs, alterations, and improvements in 1949," the company executive said, "when there were no restrictions on new building, it is not difficult to foresee a tremendous increase in this type of construction in 1951."

Thousands of would-be homeowners, he said, will turn to the used house for shelter, with emphasis on repairs or renovations.

Red Cross Asks Help In Korea

SUPPLIES ARE NEEDED BY ORGANIZATION; APPEAL IS SENT OUT

GENEVA—An urgent appeal has been launched from Geneva by the League of Red Cross Societies to national Red Cross and Red Crescent societies throughout the world to contribute relief supplies and provide personnel to help civilians in Korea.

This action is the successful conclusion of discussions between the League of Red Cross Societies and the United Nations in Lake Success and the unified command in Tokyo as to the form of participation which the Red Cross can take in UN efforts to give relief to the civilian population in Korea.

Under the agreement reached, the League of Red Cross Societies will act as the coordinating agency for Red Cross civilian relief in Korea.

The appeal calls for contributions of medical supplies, blankets, and clothing. Gifts are to be sent directly to the Korean Red Cross in Pusan if sea transportation is available to that port, other wise to the American Red Cross in Yokohama for forwarding to the Korean Red Cross.

The Korean Red Cross, which was formed nearly two years ago in the Republic of Korea, has lost a number of its personnel in the fighting in Korea, and many of its buildings have been destroyed. It was indicated here, however, that the Korean society, though not yet recognized internationally, is capable of functioning effectively with the help of outside Red Cross assistance.

The League of Red Cross Societies will be represented at the Tokyo headquarters of Gen. Douglas MacArthur by Mortimer Cooke, a Far Eastern expert of the American Red Cross who has been detached to the league. Mr. Cooke will be assisted in the field by Col. Car W. Groth of the Swedish Red Cross and F. Micklautz of the American Red Cross.

Even before the leagues' appeal, several Red Cross societies had stated their desire and intention to help in Korea. In all, this aid amounts to nearly $700,000. Offers so far have come from the American, Australian, Belgian, British, Danish, French, Indian, Italian, Norwegian, Pakistan, Philippine, Thai, and Swedish Red Cross societies, and the Red Lion and Sun Society of Iran.

Numerous and continuing efforts of the league to contact Red Cross units in North Korea so far have been without result.

Monday Club Women Discuss Value Of Art

The Tecumseh Monday Club met Monday afternoon at 2:30 in the Methodist church, with forty women present. Mrs. Wesley Mast, chairman of the Literature and Art Department, opened the program with an introduction to "The Value of Art." She explained the different forms of art, such as the creative arts, free arts, aesthetic arts, the art of utilities, and the dependent arts.

Mrs. B. B. TurnBull talked informally about her interest in painting with oils and water colors. She also gave a few pointers on ceramics. She displayed several of her paintings and a number of ceramics for the pleasure of the audience. Mrs. Neil Pearson demonstrated the technique of arranging flowers in a centerpiece for the tea table of the afternoon.

Several musical selections recorded by the high school orchestra, the high school band and instrumental soloists of the National Music Camp at Interlochen were played. The Penny Art Fund, to which the Tecumseh Monday Club contributes annually, will be used toward building an "Art Scholarship Lodge" at the National Music Camp.

The hostesses were Mrs. Ted LaBounty, Mrs. C. Ray Puffer, Jr., Mrs. Ed Harper, Mrs. Harold Kelso, Mrs. Earl Place and Mrs. Robert Moore, Jr.

PORTUGUESE RADIO ATTRACTS INDIANS

BOMBAY—A commercial radio station in the nearby Portuguese colony of Goa is winning listeners from the Indian Government radio and making enemies among some Indian politicians.

Listeners in western India are tuning to Radio Goa because it broadcasts music day and night. They particularly like music from Indian films—something they do not hear very often on staid all-India radio.

Indian businessmen are patronizing Radio Goa because it is the only commercial station in the area. Critics, headed by Joachim Alva, member of Parliament from Bombay, have asked advertisers to give up their programs. They also have appealed to newspapers not to publish Radio Goa's program schedules.

Radio Goa plans a more powerful transmitter.

FARM INCOMES DUE TO SHOW INCREASE

WASHINGTON—The Agriculture Department estimates farmers will receive about $3,100,000,000 from November marketings—8 per cent more than a year ago. The entire increase would be due to higher prices.

The report said, however, that cash receipts from the first 11 months' marketings this year would total only $25,200,000,000, 2 per cent below last year's level. It explained that recent price increases have not fully offset an early decline in the volume of marketings.

PEIPING RECOGNIZES ROTARY INTERNATIONAL

HONG KONG—Rotary International has been "recognized" officially by Communist China.

R. H. Jones, president of the Kowloon Rotary Club, told a meeting of the club that Peiping had granted International Rotary the first license to operate in China as a legal private organization.

Mr. Jones also reported that Peiping had granted the second license of similar nature to the "International Freemasons."

FRIENDS CONTINUE EVANGELISTIC SERVICES

The special evangelistic meetings that are being held at the Tecumseh Friends church will conclude with the Sunday evening service at 7:30. Services will be held to night (Thursday) and Friday at 7:30 with Miss Clausen preaching and Miss Richardson as the soloist. There will be a children's meeting after school Thursday and Friday at 4:15. Miss Clausen will be the preacher at the Sunday morning service at 10 o'clock.

You'd Give Them the World If You Could

...this Christmas You Can!

FOR YOUR FAMILY, Christmas 1950 can be the most wonderful Christmas ever . . . or ever to come.

For never, before television, could you give your loved ones all the whole wide world . . .

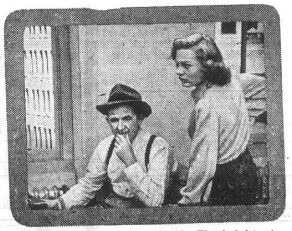
- the exciting world where history happens before your eyes—and the news has meaning as never before
- the world of adventure, where a little girl can be a princess, and a six-year-old boy can tame the West on horseback
- the world of knowledge, where learning is fun, and no one wants to "play hooky"
- the world of sports where champions teach sportsmanship as well as skill
- the world of laughter, which sweeps away the day's cares like a broom
- the world of great music and culture—a world of inspiration and reawakened faith

Yes, these golden hours are yours to share when you're a television family . . . but lost forever if you delay.

Never before in all history has there been such entertainment for all the family at so modest a price. Place your order for a TV set now—for this is the Christmas you *can* give the world to your family.

With TV this magic world is theirs to enjoy *every day!*

TELEVISION is moving faster than you think. New programs, new stars make their debut every week. The longer you wait, the more you miss! Here's just a partial list.



CHILD PERFORMERS. Talented singers, dancers, musicians inspire your own children to learn faster, practice longer, willingly cultivate their own talents.

DRAMA for young and old—The brightest stars of the theatre now perform to millions—bring the great plays of all time to audiences who never before could see them.

THE WONDERFUL world of make believe—Experts say every child needs it as part of his normal development. And it makes mother's life a lot easier—especially on rainy days.

ADVENTURE—American kids have "gone western" and taken their parents along. Rootin', tootin' westerns are fun for all—stimulate a healthy love of outdoor life.

LAUGHTER under your roof—the shared pleasure that binds your family closer. The greatest comedians of the entertainment world are in your living room every night on TV.

Mrs. Franklin D. Roosevelt

United States Delegate to The General Assembly of the United Nations says:

"To me television offers a magnificent opportunity to increase the education which we make available to the children of today. If parents will supervise carefully the type of show and the time spent by children watching television, they can see the best that television has to offer, which can bring much enjoyment and much that will be valuable in their education. Of course, I am a firm believer in the supervision of children's reading habits, and now that we have television, I think that the same thing should be true for television. It is a parent's duty to see to it that the children get the best in books and the best in television entertainment and education."

Despite the absurd length to which Hitler carried it there is still truth in the belief that some people and some races have greater progress than other people and other races.

The dry weather that ruins a farmer's crop will later cause dust to settle upon the merchant's shelves.

Those who expect to hear the truth during a political campaign evidently know little about campaigns.

From where I sit ... by Joe Marsh

I Have A "Close Squeak"!

Spent last Saturday morning wandering all over the house. Wherever I went—upstairs or down—I kept hearing a "squeak." Couldn't find out where it was coming from until noon-time when the missus came home from her weekly shopping.

"Listen," I says to her, "hear that squeak?" I started walking real quiet-like across the kitchen and there it went again! "Joe Marsh," she laughs, "that is nothing but your suspender clips rubbing back and forth when you walk!" And darned if it wasn't!

From where I sit, I'd been letting a little thing become a serious problem. Like some little difference of opinion or taste will start off a great big argument. I may prefer a temperate glass of beer with my dinner—while the missus likes tea—but we figure that no two people have exactly the same likes and dislikes. So, why get all "het up" about it?

The moral is, check your suspenders—and check your temper when it comes to little things.

Joe Marsh

World's Hope In Christianity

TOWN HALL SPEAKER SAYS THAT THE CHURCH WILL OVERTHROW COMMUNISM

Christianity is the hope of democracy against Communism, Edmund C. Bentzen, Ford Motor Company industrial engineer and a native of Denmark, told 300 persons at the opening meeting of Town Hall, Tuesday evening in the Auditorium of the Central School Building. "Christianity will overcome Communism," Mr. Bentzen declared, "unless Communism shall destroy itself first."

Bentzen declared that in his opinion, Russia will not attack the United States. It is the Russian plan, he said, to drain our resources through involving the nation in wars with the various Russian Communist satelites and, he pointed out, the program is working well enough. If the United States were to deliver a stiff ultimatum of Russia, the speaker was of the opinion that the Soviet Union immediately would back down. The lull, however, would be only temporary, he said, as the Communists would again renew their efforts, through insiduous intrigue.

The industrial engineer pointed out that Russia, with its upper class in control, is cold-blooded and imperialistic to the point of madness. Their hope is to make Russia and Communism as such, the most powerful economic idealogy in the world. Since the Communists do not believe in any type of religion, they have no conscience. Thus, they would think of nothing better than to kill in cold blood, everyone who opposed them, if they could find a way to do it. They would, however, be content to weaken the United States economically, in the early stages of the plan.

Jurist Speaks To Local Club

JUDGE JAMES R. BREAKEY, JR., OF ANN ARBOR, TALKS TO EXCHANGE MEMBERS

Declaring that this is the time for action on the part of the public, generally, if the democratic way of life is to be preserved in America, James R. Breakey, jr., Washtenaw county circuit judge, pleaded for greater interest in government on every front when he addressed the members of the Tecumseh Exchange Club, following dinner, Monday evening, at the V. F. W. Hall. Judge Breakey was the guest of Ellsworth A. Collins.

The Washtenaw jurist pointed out that today almost everyone is eager to criticize. "I hear it said that 'they' should do this or that, and that the cause for our difficulties is because 'they' did or failed to do something else. But who is they? 'They' are us—we are to blame."

The judge then recalled that it is difficult to interest men in public life and public jobs. No one, he said, has time, any more, to serve on this board or commission, on the village or city council, or to take an active part in government itself.

"How long has it been since you men have attended a meeting of your county board of supervisors, a meeting of your village council, or have visited your circuit court when it was in session?" the judge asked. "In Washtenaw county, I find that it is growing more difficult to obtain members of the jury. Everyone wants to be excused. They don't have time to serve."

Judge Breakey then pointed to the dwindling voting strength of the nation and declared that free men are losing interest in the most precious right that they possess—the free ballot—which was not God-given, but fought for on the field of battle.

"America is at the cross roads," the judge said, "and it is time to act. We need to be looking toward the defense of our nation and our homes. We should be ready should an A-bomb strike."

The speaker pointed out that in the event of emergency or disaster, "theys" are forgotten nad we think in terms of "we" and "us." The emergency is here now, he indicated, and it is time for unity and action.

STILL TIME FOR GIFTS

The W.C.T.U. stated today that there is still time to bring gifts for the Christmas box for Percy Jones Hospital. Donations may be left at the home of Mrs. H. H. Loveland on E. Chicago Blvd., not later than Friday, December 8.

First H. S. Cage Game Scheduled For Friday

The first basketball game of the season for the Tecumseh High School Indians will be played here on Friday evening, December 8, in the Central Building gymnasium. The reserve game will start at 7:15, and the varsity game at 8:15.

The Indians will meet the fast-travelling Hudson high cagers on the local floor in the season's opener. Local observers are forecasting a victorious season for the locals, but Hudson, it is understood, is determined to draw first blood in tomorrow's contest.

Britton To Vote On School Bonds

$200,000 BUILDING AND IMPROVEMENT PROGRAM TO BE GIVEN TO ELECTORS

The Britton-Macon Agricultural School District will, probably before the first of the year, vote on a $200,000 bonding proposal for the purpose of building a new school and the thorough remodeling of the present school building in Britton. If the proposal is approved, it was said that the building program would be launched early in the spring, in the hope that it might be completed in time for the reopening of school in September.

At the present time, 320 pupils are being cared for in the 10 districts of the Britton-Macon school, which includes one building in Britton and two rural schools, one in the Sutton and the other in the Kniffin districts. When the building program has been finished, the two outlying schools would be closed and all pupils housed in the Britton school. Four busses are now used to transport pupils.

The $200,000 building program would permit the construction of a four-classroom building, near the present building in Britton, as well as the complete remodeling of the existing structure. About $35,000 of the amount would be spent in the remodeling program.

The new building would house elementary students, and in the remodeled building, classrooms and workshops in the agricultural and manual arts departments would be added. A new lighting system also would be installed, as well as a new heating system. Chemistry and physics classrooms and labs would be added, and considerable new furniture purchased.

J. E. Wells, superintendent, said that there was considerable enthusiasm for the building and expansion program at a mass meeting, held in the Britton school, Monday evening. About 200 attended, he said.

The legal machinery of bringing the bond issue to a vote in the district already has been set in motion, and it was said that it may be possible to hold the election before the Christmas holiday.

Rev. Mr. Ramsay To Go To Trenton

RECTOR OF ST. PETER'S EPISCOPAL CHURCH RESIGNS AS OF FEBRUARY 1

The Rev. Allan L. Ramsay, rector of St. Peter's Episcopal church here since 1946, has tendered his resignation to the Vestry and on February 1 will assume his duties as rector of St. Thomas church at Trenton, Michigan, it was announced today.

The Rev. Mr. Ramsay came to Tecumseh in March of 1946 from Detroit where he was rector of St. Mary's Episcopal church. He succeeded the Rev. John R. Scarlett, now of Oswego, New York.

"It is with regret that I break my pleasant relationship with the people of St. Peter's church, and the village of Tecumseh," Mr. Ramsay said. "However, I feel it advisable to make a change and go on to a new field of work."

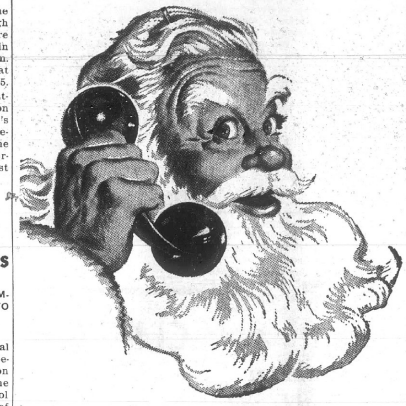
The Trenton church has a membership nearly twice as large as St. Peter's in Tecumseh, it was said.

The Vestry of the local church made no announcement as to who the successor to Mr. Ramsay might be.

SEAL SALE IS ON

The 1950 sale of tuberculosis Christmas Seals which started November 20, will continue until Christmas Day, according to Supt. J. E. Wells, community manager of the Britton-Macon Agricultural School District. This is the 43rd tuberculosis Christmas Seal Sale in Michigan, the 44th on a national scale.

Santa Claus Is Coming To Town



Santa Claus And His Reindeer To Visit Tecumseh, December 16

Santa Claus is coming to town! All signs point to his giving Tecumseh special attention, and there is even official word from the old gentleman himself concerning some of his plans.

Santa has called the Chamber of Commerce several times in recent days as his plans develop. He reports himself as especially pleased with the assistance he is getting from the Chamber of Commerce, the Rotary Club, the Exchange Club, the Veterans of Foreign Wars, and others whom he has enlisted to help him in his enormous task.

"To show my appreciation," he said in his most recent conversation, "I am going to take time off for a special personal appearance in Tecumseh on Saturday evening, December 16, and I hope that all the youngsters anywhere near Tecumseh will be there. I remember some of the fine times I've had in downtown Tecumseh the last few years, and I'm going to show all the young folks what an old fellow like me can really do to pay them back for the good times they have shown me. So remember—right downtown at 7:30 in the evening a week from Saturday!"

The annual appearance of Santa in Tecumseh brings a lot of people out to help him. Already a dozen of his helpers have spent many an hour in helping to prepare presents for all the kids who come to town the night of the 16th.

The village crew has been out in the woods getting trees to decorate the town. New colored lights have been ordered to give the business district its annual holiday attire. Santa's special Tecumseh sleigh with its eight reindeer will again be decorated in its finest. Special music will be wafted over the streets by loud speakers to make everyone feel the real joyous spirit of the season.

"In fact," Santa stated, "Tecumseh is making so many plans, that I may even have to bring one of my special helpers along the night of the 16th so that I can take care of everyone before the night is over.

"I already have a special project to get ready before then," he added. "My mail from Tecumseh is getting so heavy that I'm going to

MORE HELP IS NEEDED IN BUILDING ICE RINK

An ice rink at Recreation Center, where skating may be enjoyed by both young and old, is now in the making. Forest Abner and Cecil Alderdyce are directing the program and today they appealed for assistance in completing the project.

An area of the field about 100 by 200 is being coated with ice, and it is hoped, if the weather permits, that a foot-thick layer of the frozen water may eventually cover the rink. The water for the ice-making is being pumped from the nearby creek with a fire truck.

"If we get ice-making weather, it will be a nice rink for everyone," Mr. Abner said. "The area is lighted for night skating, too."

CHRISTMAS PROGRAM

The fourth, fifth, sixth and seventh grades will present their Christmas musical program in the Central building auditorium, Thursday evening, December 14, at 8 o'clock, under the direction of Mrs. Gentile. There will be over 100 voices in the choir.

Infant Daughter Dies; Is Buried At Tipton

Ruth Irene Stables, three-month-old daughter of Mr. and Mrs. J. Edward Stables of Tipton, died suddenly at Herrick Memorial Hospital, Sunday at 11:30 a.m., where she was admitted earlier in the morning.

Survivors, besides her parents, are two sisters, Janet and Hazel; two brothers, Richard and Herbert; two grandmothers, Mrs. Laura Ellison of Detroit, and Mrs. Maude Stables of Traverse City, and one great-grandmother, Mrs. Josephine Newmarche of Detroit.

Funeral services were held Wednesday afternoon at 1:30 from the Green Funeral Home with Rev. E. H. DuBoise of Britton, officiating. Burial was in Tipton cemetery.

May Negotiate Peace In Korea

TELEGRAM PUBLISHER SAYS U. S. MAY SAVE FACE THROUGH TEMPORARY PEACE

The Korean war may end in some form of a negotiated peace with the Chinese Communists, and the United States and the United Nations may save face in the world's eye, Stuart H. Perry, publisher of The Adrian Daily Telegram, told members of the Rotary Club when he spoke to that group, Tuesday evening, following dinner at the American Legion Memorial Home. Mr. Perry was the guest of Perry C. Satterthwaite, and he was accompanied to Tecumseh by H. F. Bailey, also of The Telegram.

These are the most critical

POSTOFFICE FEELS RUSH OF CHRISTMAS

The Tecumseh postoffice will be open for business until 5:30 p.m. on Saturdays until Christmas, F. E. N. Thatcher, acting postmaster, said today.

The local office already is beginning to feel the Christmas rush, and mail is considerably heavier than it was a month ago. Two extra assistants have been hired for the holiday season.

The sale of postage in the local office, Mr. Thatcher said, was 40% greater in November than it was in the same month a year ago.

CARS COLLIDE

Police investigated an auto accident at the intersection of Maumee street and Chicago Boulevard, Saturday, involving minor property damage. The cars that collided belonged to Robert Isaacson, 302 So. Maumee street, and Helen Silberhorn, R. D., Riga. No one was hurt.

TOO MUCH STEAM

An overheated hot water heater that finally produced sufficient steam to blow the safety plug, caused an alarm to the local fire department at 8:45 a.m., Monday from the Lawrence Holdridge home, 201 So. Democrat street. There was no fire, the department said, just "a house full of steam."

NOTICE

I will be at the United Savings Bank each Saturday until further notice, for the collection of taxes, dog tax and fire insurance. Will also accept payments by check or money order, mailed to my residence, 211 W. Brown St., Lawrence Mohr, Township Treasurer.

Sacred Concert Here On Sunday

TWO TOLEDO CHOIRS TO PRESENT MUSICAL PROGRAM AT THE BAPTIST CHURCH

A sacred concert, under the direction of William S. Hazard, minister of music of Toledo, will be presented here on Sunday evening, December 10, at 7:45 o'clock at the First Baptist church, it was announced today by the Rev. B. O. Basbore, pastor.

The concert is to be presented by the Chancel and the Crusader Choirs of the Ashland Avenue Baptist church of Toledo. The program will get under way with an organ prelude, "Carol Rhapsody," and the Chancel choir's first number will be "Fanfare for Christmas Day."

Other numbers on the program will include well known songs by the combined choirs, and special numbers by the Chancelers and the Crusaders. Miss Carol Wilcox is the organist.

One of the highlights of the program will be the singing of the famous carols, "The First Noel," "Silent Night," and "O Come All Ye Faithful," by the combined choirs.

The welcome and invocation at the service will be by the Rev. Mr. Bashore, and the benediction will be by the Rev. Donald Duncan, pastor of the Ashland Avenue church in Toledo.

The public is invited to attend the concert.

Club Announces Holiday Program

ANNUAL YULE MEETING OF MONDAY CLUB TO BE HELD ON DECEMBER 11

The Tecumseh Monday Club will hold its Christmas meeting in the Methodist church on Monday afternoon, December 11, at two o'clock. It will be "Guest Day" and the officers of the Lenawee County Federation of Women's Clubs will be the special guests. The Tecumseh Monday Club is a charter member of this federation.

The drama and music departments will provide the program which will be introduced by Mrs. Eleanor Claus. The meaning of Christmas will be told through special music by the members of the Music Club, readings by Mrs. Hoyt Whelan and Mrs. B. O. Bashore, familiar music by the carolers, an appropriate tableau, and a significant candlelight service. Mrs. Earl Wood and Mrs. Wilfred Waldron are the chairmen of the respective departments. The hostesses will be Mrs. Thomas O'Hara, Mrs. Fred Marsh, Mrs. M. G. Partridge, Mrs. Howard Truesdale, Mrs. George Green, sr., Mrs. E. C. Brandt, and Mrs. Jeannie Satterlee.

As the members arrive they will be given an opportunity to vote for the "Club Woman of the Year" possessing the qualities necessary for loyalty to the club. She must be a member of the Tecumseh Monday Club. The winner will represent the club on the radio program over WABJ on May 10, 1951.

The president announces that the members who are interested in providing fruit cake during the holiday season for the residents of the Lenawee County Infirmary should bring their money to this meeting.

LOUIS R. DILLON BURIED IN BROOKSIDE

Funeral services for Louis J. Dillon, who died last Tuesday at the home of his daughter, Mrs. R. H. Moore, were held last Friday afternoon at 2:30 o'clock at the Green Funeral Home, Rev. W. H. Perkins of Detroit officiating. A service was also conducted by the Adrian Commandery, Knights Templar, in charge of Theodore Van Orden and Les Curtis. The bearers were Mason McElroy, Clarence Jones, William Brady, James Rodie, John H. Smith and P. G. Heidenreich, all members of the Commandery. Burial was in Brookside cemetery. Friends and relatives attended from Huntington, Ind., Detroit, Hudson, Jackson, Addison and Adrian.

CHILDREN CONTRIBUTE TO LIBERIAN CHRISTMAS

The boys and girls of St. Peter's Episcopal Sunday School are sending twenty dollars to the Rev. Max M. Pearse in Monrovia, Liberia. This money will be used to provide Christmas gifts to children in his mission station. Mr. Pearse was formerly in Detroit and left for Liberia in the fall to take up work among the natives of Africa.

Some Stores To Be Open Here On Friday Evenings

At least eight of Tecumseh's downtown stores announced today that beginning this week and continuing until Christmas, their stores would be open on Friday evenings until 9 o'clock.

The stores making the announcement today are: The Watkins Shop, Allison's, Palman's Department Store Co., Skogmo Store, Western Auto Association Store, Hite Hardware, Green's Clothing Store, and the Gamble Store.

Lutherans Here Have Anniversary

LOCAL CHURCH OBSERVES 10TH BIRTHDAY WITH SPECIAL SERVICES ON SUNDAY

Grace English Evangelical Lutheran church here observed its tenth anniversary on Sunday with special services.

The Rev. R. W. Scheele of Toledo, first pastor of the church in Tecumseh, had charge of the morning service, and the Rev. J. deRuiter of Detroit, also a former pastor, was the speaker at the afternoon service at 3:30. The members of the Ladies Aid Society served a potluck supper at 5:30 to about 125 members and friends, and at 7:30 the Rev. A. Baer of Adrian, delivered the address, and the Rev. A. G. Wacker of Ann Arbor, the Rev. Mr. deRuiter and the Rev. Mr. Scheele spoke briefly.

Mrs. Ruby J. Jones To Operate Insurance Agency

Mrs. Ruby J. Jones, widow of the late Wade L. Jones, announced today that she was continuing the operation of her husband's insurance business and that, in the future, the firm would be known as the Wade L. Jones Agency. The offices will remain in the same location, in the Lilley Bank Building.

Mrs. Jones is well versed in the insurance business, having had a total of 24 years of experience in offices in Detroit and Tecumseh. Formerly, she had two years service in insurance offices in Canada.

"The policy of the Jones Agency will remain unchanged as a result of Mr. Jones' death," Mrs. Jones said today. "We will continue to carry on as we always have done, writing general insurance, including automobile. All policies will remain in effect, and renewals will be cared for promptly. Mr. Jones' death will in no way affect the business operation of the agency."

Mrs. Jones plans to devote her entire time to the business.

Goodwill Industries To Send Trucks To Tecumseh

Goodwill Industries of Detroit will send its trucks to Tecumseh on December 18 and 19, Monday and Tuesday. In a house-to-house collection at that time they will pick up all discards such as clothing, shoes, household articles, furniture, paper, books, toys, and miscellaneous articles. All these items are desperately needed at the present time.

The discards collected are needed as raw materials with which handicapped people work. All the donations are unloaded, sorted, cleaned, and repaired. Material beyond repair is sold as salvage. The reconditioned merchandise is sold in one of the three Goodwill stores in Detroit.

Goodwill Industries is a self-supporting, non-profit corporation. The operating expense is financed through the sale of renovated discards. Your discards mean "Not Charity but a Chance" to disabled persons of every race and creed. It is a chance for them to receive employment, training, rehabilitation, and aid to personal growth.

"Surely the Goodwill is a far better destination than the wastebasket or dump-heap for what you can no longer use. If you have a contribution, no matter how small or apparently worthless, save it for the Goodwill," a representative said.

LEON P. WILLIAMSON IS MARINE COLONEL

Leon P. Williamson of W. Chicago Boulevard, has received word that his son, Leon, jr., has been advanced from the rank of major to lieutenant colonel in the United States Marine Corps. Col. Williamson is stationed at the Marine Air Base at Santa Ana, Calif. Col. Williamson served in World War II and was active in the campaign against the Japanese.

Lieut. Richard Williamson, Col. Williamson's brother, a member of the United States Navy, recently returned to the United States after actively participating in the Korean war. Lieut. Williamson also is a veteran of World War II.

Adrian College Drive Launched

KICK-OFF DINNER SERVED AT LEGION HOME HERE; $500,000 IS SOUGHT

The Adrian College improvement and Endowment Fund drive got under way in Tecumseh, officially, last Thursday evening at a kick-off dinner, served to a dozen officials of the campaign and committeemen at the American Legion Memorial Home. The college is seeking to raise a total of $500,000 in the campaign, and of this amount about $200,000 already has been subscribed.

The Tecumseh committee, headed by Earl H. Place and Ellsworth A. Collins, is a part of the county-wide organization now soliciting funds for the school. Similar groups are organized in Adrian and in other communities in the area, it was said.

E. H. Babbitt, vice-president of the college, acted as master of ceremonies at the Tecumseh meeting and briefly reviewed the school's history, which dates back more than 100 years. He also distributed a brochure, telling of the college's needs and plans, and each committee member was briefed in the expansion program.

Thirty-three Adrian College alumni now reside in Tecumseh.

Interest in the college's future is vital to the residents of the county, Mr. Babbitt pointed out in his remarks. "And," he continued, "Adrian College offers important advantages to the people of the county. It enables many youth to get an education who, if they had to go away, could not afford college training. Many public school teachers in the county received all or a part of their education at Adrian, and eleven churches in the county now are served by faculty or student pastors from the college."

Babbitt also pointed out that 773 Adrian college alumni now reside in Lenawee, engaged in business, agriculture and the professions.

"The college has made a substantial contribution to the intellectual and cultural life of the community," Babbitt concluded.

The Improvement - Endowment campaign is now in full swing, and, if it is possible, it was said that it would be concluded by Christmas or the first of the new year.

Council Studies Bonding Program

FINANCING OF SEWAGE DISPOSAL PLANT TO BE DISCUSSED AT MEETING TODAY

Members of the village council, in special session at 2 o'clock this afternoon, will discuss with engineers, bonding firms and the Michigan Municipal League, ways and means of financing a new sewage disposal plant in Tecumseh, installation of which has been ordered by the Stream Pollution Commission. If a satisfactory agreement can be reached, it is likely that the council will proceed with its plans for the plant's construction.

The disposal project, according to E. C. Heilman, chairman of the council's committee, will cost Tecumseh approximately $265,000. The funds must be raised through some form of bonding issue. Whether general obligation bonds will be issued, or revenue bonds, or a combination of both, are the problems under consideration.

Mr. Heilman said that he did not think that the issuance of revenue bonds is the answer to the financing problem. Whatever bonds are issued, they must be retired

Chevrolets and Pontiacs To Go On Display Soon

The new 1951 Chevrolets and Pontiacs will go on display here on Saturday and Monday, it was announced today by local dealers.

Schneider Bros. Garage, Inc., Chevrolet dealers, said that they would show six of the new 1951 models, including the two and four door models in Fleetline and Standard styles. The new cars with power-glide also will be displayed. The new Chevrolet has been distinctively restyled, and there are many engineering improvements.

G. H. Fisher Pontiac Motors, Inc., Pontiac dealers, also announced today that they would show the new 1951 cars on Monday of next week. Like Chevrolet, the Pontiac also has been restyled, and there are many improvements in engineering.

Greater Parking Areas Needed

As Tecumseh continues to grow—and it is, according to the census, the most rapidly growing community in all of Lenawee county—the problem of parking automobiles, or of finding a place to park them, grows with it. It was only a year or two ago that the large village-owned lot, in the rear of the Strand Theatre Building, was little used. Today, it is as much of a problem to find a parking space in the lot as it is in the streets of downtown Tecumseh.

The parking problem, then, is one that needs careful consideration by not only the Village Council, but by the Chamber of Commerce as well.

Today, when folk shop, they come to the trading area in cars. It matters not whether they live two blocks from the downtown district or 20 miles, everybody drives. And, when they arrive in the shopping area they expect to find a place to leave their car. It is, then, the community's problem to accommodate them, if it is at all possible to do so.

We recognize the fact that it is difficult to find another suitable parking lot in the downtown district. Almost every available piece of property is now in use. To expand our parking lot facilities probably would necessitate the purchase of land by the village and, possibly, remove some existing buildings.

However, if Tecumseh continues its growth as a general trading area not only for its own enlarged community but for the rural areas as well, some steps must be taken. We are fast approaching the saturation point and, we must remember, folk today trade where it is convenient for them to trade. That is one of the reasons why shopping centers are springing up outside metropolitan areas. It is why all of the larger chain stores are demanding near-by parking lots before they will sign leases on store buildings. Good merchants, today, recognize the fact that parking is just as important to their business as well-stocked shelves and competative prices.

There is, we believe, one way in which Tecumseh's present parking facilities might be expanded—and without any cost to the village itself.

One of the reasons why it is difficult to find space to park another car in the lot at the rear of the Strand Theatre is because parking there is not properly regulated. By and large, motorists do very well, but all too often some of the folk who are in a hurry park their cars in such a manner as to take up two or three available spaces. A dozen improperly parked cars can, and often do, deprive two dozen other folk from the accommodation.

We would suggest, as soon as weather conditions permit, that the village consider resurfacing the present parking lot and, at the same time, install parking meters there. Metered parking in parking lots is not a new thing, and it is something that is appreciated by the driving public. In most instances where parking lots are metered, they are properly policed and traffic is well regulated. Motorists, too, have greater security. They feel that their cars will be better protected, that there is less chance for accident and banged-up fenders.

There are, we suppose, some folk who might feel that shoppers would object to paying a few pennies for the privilege of parking in a parking lot. Such fears, we think, are unfounded. Folk from Tecumseh and its neighboring areas think nothing about paying for metered parking in other towns they visit and, for that reason, we feel that they would welcome such an accommodation here. Of course, the meters would not be in operation on Sundays, holidays and evenings. But the meters would be there, and motorists would conform to the pattern in parking their automobiles.

There is, of course, a revenue angle involved insofar as the village is concerned. True, the village would take in the money that was dropped into the meters. But, for that money, the village would maintain and police the lot and, we think, the accommodated car drivers would be very willing to pay a few cents for the service.

We say again, Tecumseh's parking problem is a problem for both the Village Council and the Chamber of Commerce. If it can be solved to the satisfaction of the motorist-shopper, the trade curve in the business district is certain to go up.

Herbert Murphy, Wife Observe 25th Anniversary

Mr. and Mrs. Herbert Murphy observed their 25th wedding anniversary on Sunday with an open house at their country home, northeast of Tecumseh. About 100 friends and relatives called during the afternoon and evening. They received many beautiful gifts and congratulatory messages.

The Murphy home was attractively decorated in keeping with the holiday season with silvered sprigs of evergreen and pine cones. Refreshments were served from a linen-covered table, centered with a three-tiered wedding cake, frosted in silver and centered with silver pom poms. Mrs. A. L. Van Winkle, sister-in-law of Mrs. Murphy, presided at the coffee urn, and Mrs. Naomi Sallows, Mrs. Murphy's sister, cut the cake. They were assisted by Miss Mary McWilliams, Mrs. E. J. Aebersold, Mrs. C. W. Allen and Mrs. Roscoe Hewlett.

Herbert Murphy and Miss Erycil Van Winkle were married on December 5, 1925, at the home of the bride's parents, Mr. and Mrs. Reuben Van Winkle in Tecumseh. The Rev. Edward Escolme, pastor of the Friends church here, performed the ceremony.

Friends coming from a distance for the open house included Mr. and Mrs. Donald Diedrich and daughter, Joyce, and David Corbet of Quincy, and Mr. and Mrs. Willard Wedemeyer of Saline.

Mr. and Mrs. Murphy were further honored on Saturday evening at a party at the home of Mr. and Mrs. John Wintersteen on West Pottawatamie street. Cards were the diversion of the evening, and later a buffet luncheon was served. The Wintersteen home was attractively decorated, and the linen-covered table was centered with white mums and silver tapers, and a handsomely decorated wedding cake. Mrs. Wintersteen was assisted by her daughters, Miss Marie Wintersteen, Mrs. Oscar Bryan and Mrs. Robert Mohr.

The Murphys received a gift in silver.

UN Votes To Extend UNSCOB For A Year

LAKE SUCCESS — The United Nations Political Committee has disregarded Soviet bloc objections and voted to keep the United Nations watchdog commission on the Greek frontier for another year.

The political committee vote was 52 to 6. Yugoslavia and the five Soviet bloc countries cast the opposing votes. The margin made General Assembly approval a certainty when that question comes up for final review in the Assembly.

The committee also approved a report from the United Nations Special Committee on the Balkans, which is the technical name of the watchdog group. That report condemned Albania and Bulgaria on the count of harboring Greek Communist guerrillas and thus keeping open the threat of a renewal of the Greek civil war.

UNSCOB has been on the job in Greece since 1947 and the Russians have fought it at every turn. However, the committee also beat down a Russian resolution to dissolve UNSCOB. The vote was 51 to 5. Only the Soviet bloc voted for it. Lebanon and Yugoslavia abstained.

"VOICE BLASTS HOME FRONT TOO

PATERSON, N.J.—The Voice of America says it's sorry if local telephones play the Star-Spangled Banner and break out in French and TV sets go dim—but it can't be helped.

Two Voice technicians told a public meeting here, called to discuss the interference complaints of residents near the transmitter, that there wasn't much they could do.

Specific complaints might be ironed out, they said, but the State Department needs all 50,000 watts at its nearby Wayne township transmitter to carry on its work.

Our Own Financial Hint: Watch agriculture. Unless the farmers have a good year in 1950 there will be a slackening of business in 1951.

Santa Claus

(Continued from page one)

need a special mailbox again this year.

"I'll have it over on the bank corner this coming Saturday," he said. "All youngsters are invited to use this special mail box for their Santa letters. They will get to me much more quickly, and by using this special mail box, the boys and girls will be helping the folks at the postoffice who always have so much extra work at Christmas."

Ronald Harris, secretary of the Chamber of Commerce, states that Santa's wishes are being carefully heeded by all the Tecumseh people who are helping. "Santa has been very nice to us in recent years," he said. "We intend to show our appreciation by giving him a royal welcome on the 16th, and to show everyone how Tecumseh can display the real Christmas spirit during this whole season."

For the accommodation of Christmas shoppers, most Tecumseh stores will be open each evening the week before Christmas. An extensive spot check of downtown merchants last week, showed that with the exception of food stores and some of the service establishments, nearly all stores plan to start opening the night of December 18th and to continue the rest of the week. Since Christmas Eve comes on Sunday this year, there will be no need of the usual custom of closing at 6 o'clock the evening before Christmas.

DRAWS FINE OF $18.60

Robert Hamilton, Tecumseh, paid a fine and costs of $18.60 when he was arraigned in Justice Robert French's court here on Monday, charged with drunkenness. He was arrested by police, December 2.

JUMBO DOESN'T FORGET—DO YOU? . . . A very light burden for a cooperative elephant is the hauling of C.A.R.E. latest delivery of many new scientific books to the University of Ceylon in Colombo. These books on every scientific subject represent the gifts of hundreds of Americans through their contributions to C.A.R.E.—U.N.E.S.C.O. book fund and local C.A.R.E. offices throughout the United States. Ceylon is only one of the total of 24 countries throughout Europe and Asia reached by C.A.R.E.

World's Hope

(Continued from page 1)

Bentzen urged all parents with children from eight to 16 years of age to be especially cognizant of the communistic threat, and to educate their children step-by-step in the ways of Christian living. It is through Christianity, he said, that democracy will survive.

About 30 Tecumseh high school seniors were in the audience to hear the Ford official. "Their presence there was most gratifying," one member of the school faculty said, "since they are the ones who are going to meet the challenge of Communism in the future." The seniors asked many of the questions that were discussed in the round-table discussion, after the address.

Bentzen also discussed communistic influences among teachers. He declared that a teacher, who has become dissatisfield with his or her job, due to poor salaries, etc., is a ripe prospect for communist organizers. He urged that teachers be placed on a higher economic plane, if children are going to be properly educated.

This was the first meeting of Town Hall this year, and the crowd was one of the largest ever to attend a Hall meeting. Comments by the various members of the audience, following the address, were most favorable. Town Hall and its director and founder, Neville Hart, received many plaudits from individual members of the audience, for the efforts shown to build a better and informed citizenry in Tecumseh and the surrounding area.

Lutherans Here

(Continued from page 1)

Mr. Scheele briefly reviewed the history of the local church, reading from notes in the church bulletin since its founding in 1940.

The Lutheran church organization here was started on January 6, 1938, when the Rev. Mr. Wacker and members of the Salem congregation at Scio came to Tecumseh and made a house-to-house canvas of those interested in a church here. Because the interest was satisfactory, a meeting was held in April at the home of Mr. and Mrs. A. G. Filter, and at that time a petition was signed for presentation to the mission board. In July of 1938 the request for a church was granted and Mr. Scheele was called as the first pastor. The Braun Building on East Chicago Boulevard was used for services, and also the second floor of the building for living quarters for the minister.

The first Lutheran serivce was conducted here on August 14, 1938 by Mr. Wacker, at which time Mr. Scheele was ordained and installed as minister. The church originally had 17 members. Today, it has 157 communicants.

Mr. Scheele remained as pastor until November of 1943 when he was called to Ann Arbor. Mr. deRuiter, the second pastor, remained until January of 1950, when he answered a call to Detroit. The present pastor, the Rev. Adolph Jeschke, came to Tecumseh in June from Dowagiac, Michigan.

During the evening service on Sunday, the Rev. Mr. Jeschke acted as master of ceremonies, and a sound film, "The Book for the World of Tomorrow," was shown by Paul Mayes.

Friends attended the services from Adrian, Detroit, Scio, Ann Arbor, Saline and Toledo, as well as from Tecumseh.

Civil Defense Chairman Is Named By Auxiliary

The December meeting of the Auxiliary of Underwood-Orr Unit No. 34, met at the Legion Home, Monday evening. Mrs. Laine Holden, president, was in charge of the business meeting. Mrs. Kenneth Herrick, rehabilitation chairman, reported that the Auxiliary has mailed twenty Christmas greetings, each containing a $1 bill, to local servicemen. The Auxiliary would like to obtain the names and addresses of Tecumseh men who are in the service and whose names haven't yet been turned in. Names may be left at Bancroft Cleaners or given to any member. Mrs. Dale Tingley gave an interesting report on the Mid-Winter Conference which she attended. Civil defense was an important topic at the meeting. The national vice-president urged that each unit president appoint a civil defense chairman. Mrs. Louis Schneider was appointed.

A musical program was presented with several musical selections by Pei Lei Hsi, a student from the School of Music at Siena Heights. Refreshments were served by the committee.

Just because history may be bunk, is no reason why you should know nothing about it, because life also contains copious quantities of the same bunk.

11 Candidates Receive Degrees At The Grange

The regular meeting of the Tecumseh Grange was held last Thursday evening with the new master, Harold Rohrback, presiding. It was voted to give $10 to the tuberculosis fund.

Thf first and second degrees were conferred on a class of candidates, two from Tipton and nine from Tecumseh. The third and fourth degrees will be conferred at the next meeting, December 14.

The dance for Grange members and friends will be held Saturday evening, December 9.

TRAFFIC VIOLATORS FINED

Half a dozen traffic law offenders paid fines and costs in Justice Robert French's court here during the past week. They included, Lynn Pitcher, speeding, $7.10; John Broski, jr., speeding, $10; Dorman Mobley, speeding, $7.10; Gordon Garlick, speeding, $8.10; Raymond Slockinger, speeding, $7.10; Kenneth Richards, speeding, $7.10.

Then there was the old lady who berated the traffic cop because his car was not marked. "It's unfair," she said.

ENTERTAINS AT CLUB

Mrs. Fred C. Dickinson entertained her bridge club at the Tecumseh Country Club, Tuesday afternoon at a one o'clock luncheon. The three tables were decorated in keeping with the Christmas season. Honors were awarded to Mrs. Addie Lindberts and Mrs. F. C. Hanna.

WESTMINSTER LEAGUE CHOOSES OFFICERS

Mrs. Herman Curth entertained the Westminster Junior League of the Presbyterian church in her home, Tuesday evening, with 24 members present. Mrs. Curth was assisted by Mrs. Byron Goodman.

Mrs. Harold Clark led the devotions and election of officers took place at this time as follows: President, Mrs. Clark; vice president, Mrs. Mahlon Sebring; secretary, Mrs. Joe Springer; treasurer, Mrs. James Barton. Mrs. Charles Stevenson was appointed general chairman of the Candle Light Service to be held December 17. The Christmas bazaar was enjoyed, and envelopes containing money for the needy families for Christmas were turned in.

The January meeting will be held with Mrs. Don Wilson with an installation of officers.

Refreshments were served by the hostesses.

May Negotiate

(Continued from page 1)

times the United States has ever seen, save, perhaps, the dark days of the Revolutionary War and the Civil War, Mr. Perry said. The present world crisis, involving the United Nations, is something that has been building up since the end of World War II, and a condition that was forseen by many half a decade ago. However, he pointed out that when United Nations troops entered Korea there was little or no criticism of such a move, although it was then known that Chinese Reds were massing for battle action. He blamed lack of information or poor information on the part of U. S. and other democratic world leaders for the crisis in Korea.

Mr. Perry criticized former Defense Secretary Snyder's weakening of the nation's military and naval strength while, at the same time, Russia was arming to the teeth. Best informed men, he said, believe that Russia now has a limited number of A-bombs, perhaps 25. In the United States, he said, it is believed that we have 1,000 or more. He was of the opinion that the use of the A-bomb in Korea was not the solution of the problem.

Perry pointed out that time is an element in world power if democracy is to survive. Russia's industrial production is about one-fifth of that in the U. S., but her manpower will materially increase in a five-year period.

The publisher was of the opinion that a negotiated peace in Korea would not long endure, and that eventually a test of strength between the east and the west might be expected.

PRESBYTERIAN LEAGUE ELECTS OFFICERS

The Presbyterian League met with Mrs. Wesley Mast, Tuesday evening at 8 o'clock, with 27 members present. Mrs. Mast was assisted by Mrs. Raymond Kempf, Mrs. Donald Nixon and Mrs. W. D. Hite. Mrs. Harold Wilson led the devotions.

Mrs. Hoyt Raymond, president, was in charge of the business meeting and the following new officers were elected: Mrs. Wilson, president; Mrs. Walter Pfaus, vice president; Mrs. Kenneth Hall, secretary, and Miss Mary McWilliams, treasurer. The installation of new officers will be held at the January meeting.

Miss Ruby Preston presented the Christmas program assisted by Mrs. Wade Hendershot, Mrs. Dale Tingley and Miss Marie Koernig, all in the costume of other countries. Refreshments were served from a table decorated for the Christmas season with lighted candles.

RED CHINA ASSAULT ON RELIGION AIRED

HONG KONK—Methodist Bishop Ralph Ward says the Chinese Communists are taking Christian churches to the point of confiscation and making missionary work in China almost impossible.

Bishop Ward, a native of Leroy, Ohio, said the Chinese Communists are not merely nonreligious, but actively antireligious. He said that Christian ministers are openly ridiculed and that there have been numerous cases of seizure of church property.

Bishop Ward and his wife arrived here from Tientsin en route to New York where they will attend the Methodist bishops' convocation Dec. 2. He said he plans to return to China next summer if possible.

DAUGHTERS TO MEET

The Daughters of St. Peter will hold their annual Christmas party at the St. Peter's Parish House Tuesday, December 12 ,with a pot luck supper at 7 p.m.

GOOD CHEER CLASS

The Good Cheer Class of the Baptist church will meet Friday evening, December 8, with Mr. and Mrs. Roscoe Hewlett, northeast of town. Mr. and Mrs. Leon Van Valkenburg will be in charge of the program and will discuss their recent trip to Washington and their delayed return, due to being snowbound.

TO MEET DEC. 14

The Ladies Union of the Baptist church will enjoy a cooperative luncheon at the home of Mrs. Carl Poehender, Thursday, December 14 at 1 o'clock. This meeting was postponed from December 7. Mrs. Burtsel Claus will have charge of the Christmas program.

BUSINESS MEETING

The Herrick Memorial Hospital Auxiliary will meet at 8 o'clock Tuesday evening, December 12, at the Fellowship Center of the Presbyterian church. The program will be in the form of a business meeting.

Council Studies

(Continued from page 1)

in 25 years and he estimated that the cost of such retirement would cost the village connected users about $30,000 a year. There are 700 such users.

The council is studying a combination of obligation and revenue bonds, the former for the retirement of the plant cost, the second for operating overhead. The cost of operating the plant would be about $6,300 annually, Heilman said.

The meeting today was called by the council, after study of the program at the regular meeting on Monday. Insurance matters also will be studied at the meeting today.

At Monday's meeting, routine village affairs were studied and reports of committees and department heads were read and placed on file.

MEN TO BE GUESTS

The Presbyterian Men's Club will be guests of the Woman's Association at the Fellowship Center, December 13, at 8 p.m., for their Christmas program.

"CLEANER" YIELDS $7,720

Seattle, Wash. — Mrs. Lillian Irene Nelson bought an assortment of goods at an auction in 1947, when the estate of George V. Baber was being sold. In the lot, for which Mrs. Nelson paid $1.90, were two cans labeled "Soot Cleaner." On opening the cans, she found $7,720 in currency. Executors of the Baber estate are trying to get the money back, contending it never would have sold the cans had it known the money was hidden in them. Mrs. Nelson claims the money, declaring she bought the cans in good faith.

DEPENDENCY PAY

Dependents of service men covered by the new allowance laws will begin receiving payments early in December. The first checks will go out from the Army Finance Center, at St. Louis, about December 5th and will cover allowances for November. The new law provides allowances for $45 to $85 a month to dependents of enlisted personnel, who must sign over a part of their pay to their families.

The specialists are about to take the country, lock, stock and barrel.

BRITTON

Mrs. Emery Downing was hostess Friday evening to the North East Britton Extension Club with a good attendance. A lesson on "You and Your Clothes," was presented by Mrs. Harold Prielipp and Mrs. Emery Downing. At the business session, conducted by chairman Mrs. Earl Smith, the following officers were elected: chairman, Mrs. Earl Smith; vice chairman, Mrs. Fenton Barrett; secretary and treasurer, Mrs. Forrest Barrett; recreation, Mrs. Ned Gittus, and reporter, Mrs. Harold Prielipp. The next meeting will be held with Mrs. William Aper near Milan, December 29, with an all-day meeting and exchange of gifts.

Aarne Koljoneu, principal of Britton-Macon Rural Agricultural School announces the honor roll for the second period: seniors, Donald Bush; juniors, Billy Bortel, Polly Eberhardt, Norris Kopke, Betty Lutton and Ardis Purple; sophomores, Shirley Bailey, Lowell Bush, Fred Cross, Virginia Crutchfield and Larry Kanous; and freshmen, Frank Korican, Jack Patterson and Don Schroeder.

Mrs. F. B. Clifford was hostess to the special business meeting of the Methodist W.S.C.S. last Wednesday afternoon. Final plans were made for the Christmas family night which will be held December 20. A program is planned to follow the potluck supper.

Mrs. John Gittus is able to be around again after falling on the ice two weeks ago.

The Britton Agricultural school's Christmas program of the lower grades will be held December 19, in the school gymnasium.

Mr. and Mrs. J. V. Ferman were recent guests of Mr. and Mrs. Wyman Ferman and family in South Bend, Ind.

Sunday guests in the home of Mr. and Mrs. R. B. Kanous were Mr. and Mrs. Louis Allegrina and children of Detroit.

The Congregational Dorcas Class will hold their regular meeting at the church December 14. A potluck dinner to be served with the executive board in charge. Devotions and program will be presented by Mrs. Camilla Downing.

F. & A. M. ELECTS

The Tecumseh Lodge No. 69, F. & A. M., met last Friday evening in the Masonic Temple and elected the following officers for the coming year: Ralph I. Westgate, Master; Ray Schlegel, senior warden; Howard Wilson, junior warden; Kenneth D. Hall, treasurer; F. C. Dickinson, secretary; Clair Rozelle, senior deacon; Ernest Green, junior deacon; Jack Puffer and Max Ruddock, stewards; John H. Smith, tyler.

A turkey dinner preceded the meeting.

How can you pass up prices like these?

As we've been saying for quite a spell — "Whatever your price range—Better buy Buick."

But maybe we'd better get down to brass tacks, as to just what this suggestion means.

In the lower-price field, this has been happening:

Four out of ten Buick SPECIALS—bought by people with a car to trade in—have been bought by folks who formerly drove one of the so-called "low-priced three." They found they could afford a Buick!

In the fine-car field, something even more impressive has happened:

Four out of five people who looked at a ROADMASTER and another very distinguished automobile decided in favor of ROADMASTER!

So—whatever *your* price range, take a look at our prices—and at what you get for your money.

What you get is the thrill of owning the greatest Buick of all time—as registered by record-breaking sales.

What you get is power and style and comfort and performance that are hard to match in any other automobile.

More specifically—you get the power-with-thrift of Buick's famous Fireball high-compression engine—a style that stands out in any company—a ride with the comfort of coil springs on every wheel—and performance that makes you feel like the head man on any highway.

Better come in today—and see what can be done about getting quick delivery.

Persistent Cough Needs Attention

USUALLY INDICATES POSSIBLE PRESENCE OF A CHEST DISEASE, DOCTOR SAYS

A cough that persists for a prolonged period of time indicates possible presence of a chest disease, according to a University of Michigan doctor.

There are essentially three diseases that have a chronic cough as an important symptom, Dr. Robert L. Taylor, junior clinical instructor and research assistant in surgery, pointed out. The diseases are bronchiectasis, pulmonary tuberculosis, and lung cancer, he said.

Unfortunately, too many people feel that a chronic cough is something non-significant and does not warrant investigation, the doctor asserted. Many men, in particular, attribute their cough to smoking and consequently put off going to a physician, he indicated.

Although there are a number of shortlived diseases accompanied by a cough, any cough that lingers for a longer period of time means that the individual has more than a simple cold or bronchitis, Dr. Taylor emphasized.

Bronchiectasis, a common disease probably second only to pulconary tuberculosis in diseases of the lung, is characterized by enlargement of the small bronchi and bronchial tubes which are offshoots of the windpipe, he explained.

Secretions collect in the enlarged tubes and become stagnated and infected, the U-M doctor said. Patients with bronchiectasis complain of a cough that is productive of rather large amounts of sputum, not uncommonly containing a small amount of blood, he added.

The disease is equally distributed in men and women and the origin of the cough can be traced back to early childhood in connection with severe puenmonia, whooping cough, or measles, Dr. Taylor declared.

With the advent of penicillin and the new antibiotics the complications of these childhood diseases are fewer and we can hope to prevent the development of bronchiectasis in later life, he said.

A person with tuberculosis frequently notices a cough as his first symptom and, in contrast to bronchiectasis, very frequently raises blood, sometimes in alarming amounts, Dr. Taylor contended.

Patients with cancer of the lung frequently have an attack suggestive of pneumonia but the symptoms do not clear rapidly as they usually do with pneumonia, he indicated.

Weight loss, ease of fatigue, pain in the chest, hoarseness and shortness of breath are all symptoms that may be associated with cancer as well as the other two diseases, he said. In fact, two or more of these diseases may be present in the same person, thus it is important that chronic coughs be investigated by a reliable physician whenever they occur, he declared.

Frequent x-ray examinations and check-ups with your doctor are great weapons against these diseases; it takes only a few minutes to have a chest x-ray, and it might save your life, Dr. Taylor concluded.

Ray Milland and Heoy Lamarr star in the technicolor western "Copper Canyon" which also stars Macdonald Carey and Mona Freeman, Sunday and Monday, Dec. 8 & 9 at the Strand Theatre.

Clayton Bigelow Is Booster For Hayden's
40 percent Hog Balancer

Long experience has proven to Clayton Bigelow, Macon farmer, the extra-value of Hayden's feeds. Profits are the one result he considers.

Refering to raising hogs for profit, Mr. Bigelow said "We're feeding Hayden's 40% Hog Balancer now. I wouldn't be without it."

Regarding Hayden's farm delivery, Mr. Bigelow said "We are well satisfied — you give us mighty good service."

That is a good combination—low cost, good feed, and good service. Phone Tecumseh, 74.

Personality Key To Soapy's Vote

OVER-ALL DEMOCRATIC STRENGTH NOT RESPONSIBLE FOR BIG VOTE IN NOVEMBER

The hotly contested gubernatorial race in Michigan this year can be attributed to three main factors, according to a University of Michigan political scientist.

Dr. Samuel J. Eldersveld, assistant professor of political science, listed these reasons as contributing to the close election: (1) the high participation at the polls throughout the state; (2) a higher urban and metropolitan turn-out than normal for an off-year election; and (3) the considerable support given the Democratic candidate in the rural upstate counties.

He indicated that participation in the present election fell behind the 1948 total gubernatorial vote by only 140,000. That the high participation proved an advantage for the Democrats can be realized in view of a 1948 study conducted by the University's Survey Research Center which showed that 65 per cent of the eligible non voters throughout the nation is a group with definite Democratic leanings, he said.

Professor Eldersveld pointed out that the high off-year Democratic turn-out in Detroit and Wayne County proved to be a crucial factor in the election. This contrasts sharply to the 1942 and 1938 election when Van Waggoner and Murphy, both incumbents, were defeated primarily by virtue of the low metropolitan Democratic vote, he explained.

The voting pattern in the rural upstate counties where considerable split-balloting took place provides one of the most interesting aspects in the election, he declared. Certain Upper Peninsula counties while going primarily Republican gave Governor Williams a plurality of 1,500 votes and upwards over former Governor Harry Kelly, he asserted.

Vernon L. Beal, a graduate student in the Department of History and presently engaged in research on the Chase S. Osborn papers at the Michigan Historical Collections, contends the present election is very unusual from an historical viewpoint.

After a review of Michigan's voting history, Beal reports that "for the first time since the founding of the Republican Party in 1854, a Democratic candidate has been able to wage a nip-and-tuck battle for the governor's office against a Republican candidate with reputed unified party support."

Both Beal and Professor Eldersveld believe that the personality of Governor Williams was the key to his strong showing, rather than an overall Democratic party strength.

The political belief that Democrats are helpless in off-year elections in Michigan has partially been exploded as a result of the 1950 gubernatorial race, Professor Eldersveld maintained.

Curing Ingredient Of Ham Changed After UT Study

NASHVILLE—Any one north of the Mason-Dixon line can now look southward without trepidation —so far as country-cured hams are concerned.

A cherished tradition of the Old South is being upheld through the work of natural scientists at University of Tennessee.

The South's famous sugar-cured country hams, so delectable to palates on both sides of the Mason-Dixon line, can continue its high standards of flavor, red color, and freedom from surface taint — thanks to the discovery of a new curing ingredient by two UT bacteriologists, Dr. John O. Mundt and Leon Pryor.

The problem confronting the two was that hams cured in many lowland areas were marred by discoloration and an undesirable flavor because of thin watery surface bacteria.

Dr. Mundt and Mr. Pryor set out on the trail of the bacteria gnawing at the southern institution. The University of Georgia Department of Food Technology and several other agencies, all used TVA facilities in their ham-curing experiments to rout the microscopic fifth columnists.

The UT researchers found that the little organists are particularly fond of the cane sugar ordinarily used for curing.

The UT bacteriologists switched formulas, substituted corn sugar for cane sugar.

They then proceeded to show that a ham cured by corn sugar has the same fine qualities of taste and appearance, and produced the same delicious red gravy, as one cured with the traditional cane sugar formula.

MORE DIESELS FOR CNR

NEW YORK—The largest order ever given by the Canadian National Railways for Diesel-electric motive power is announced in Montreal by E. A. Bromley, vice-president, purchases and stores. Bringing the total cost of new equipment ordered by the railway in 1950 to about $57,500,000, the new purchase consists of 40 road freight locomotives that are to be built by the Montreal Locomotive Works and General Motors Diesel Ltd., for delivery early in next year. They will be operated in both long and short haul services between Halifax and Winnipeg.

Candle Light Service To Be Held, December 17

The annual Christmas Candlelight Service, sponsored by the Westminster Junior League, will be presented Sunday, December 17, at 5 p.m. in the Presbyterian church.

Music will be furnished by the St. Andrews Choir, composed of 30 voices, directed by Mrs. Neville Hart, and the Junior Choir composed of 40 voices, directed by Mrs. Sam Sisson, with Mrs. Fred Dickinson as organist. Solo parts will be done by Gary Roberts, Jerry Butler and Julia Boyce of the Junior Choir, and Cynthia Spafford, Mrs. Albert Merz, Garth Hall, Mrs. Harold Clark, Mrs. Bartlette Aiuto, Fred Dickinson, and John Saling of the St. Andrews Choir.

Driving courteously, and exhibiting good manners, will do more to cut highway fatalities than the traffic regulations.

This is the happiest invitation we have ever extended—an invitation to you to come in and see the finest, most beautiful, most desirable Pontiacs ever built. These are Pontiac masterpieces, new inside and out, with a quarter-century of *thorough goodness* built into every one. Plan to drop in soon.

RHEUMATISM-NEURITIS DROVE ME ALMOST CRAZY WITH PAIN

O-Jib-Wa Bitters will do more for your Rheumatism, Arthritis or Neuritis than any other medicine says Mr. O. E. Baker, 1308 4th Street, Three Rivers, Michigan. I have taken them all—and I know!

Truly A Great Medicine

Yes, O-JIB-WA BITTERS is the one medicine that will help you. During the past 35 years, hundreds of thousands of rheumatism and neuritis sufferers have rid their system of pain and misery with O-JIB-WA BITTERS. Many of them found results with O-JIB-WA after wasting valuable time and money on worthless medicine and treatments. The true experience of Mr. O. E. Baker in his attempt to rid his system of crippling and painful Rheumatism and Neuritis and his results from O-JIB-WA BITTERS are published here so that others may know that O-JIB-WA BITTERS is the one medicine that is guaranteed to do what is claimed for it.

Results in Two Weeks

"When I first started to take O-JIB-WA BITTERS, I had rheumatism and neuritis in my left arms and shoulder so bad it felt like somebody was trying to tear it off. It was all I could do to stand the pain. I walked the floor day and night in constant misery. I took pain pills for relief until they almost knocked me out, but the relief was only temporary. I wasted valuable time and money before learning about O-JIB-WA BITTERS through my local paper. I went right to my druggist and bought the large 40 day treatment size and can truthfully say that nothing ever did me so much good. It took about two weeks before the medicine began to show results. By the time I had finished the bottle the pains and stiffness were completely gone. I have taken several bottles as a precautionary measure, but in spite of my 76 years of age, I haven't an ache or pain in my body. I have more pep and feel much better than I have in years, and give O-JIB-WA BITTERS full credit for the fact I can now do odd jobs around the house once again. I have told many people about my experience with O-JIB-WA, and very highly recommend it to anyone, not only for rheumatism and neuritis, but also to those who are in need of a good blood tonic. If you are tired and rundown, I don't think anything will pep you up quicker."

A Corrective Medicine Made Entirely of Herbs

O-JIB-WA BITTERS is not just a food supplement, but an all herb medicine entirely free of alcohol and pain deadening drugs. This great medicine acts to correct the causes of rheumatism, arthritis and common stomach disorders. O-JIB-WA is like taking 5 medicines in 1, as it acts to clear the rheumatism and arthritis. O-JIB-WA promotes better igestion, stopping gas, indigestion and heartburn. O-JIB-WA stimulates weak sluggish kidneys to relieve backaches, nite rising and restless sleep. Regardless of how long you have suffered or what you have tried without results, you owe it to yourself to give O-JIB-WA BITTERS a chance to help you. ACT IMMEDIATELY. YOU WILL NOT BE DISAPPOINTED. Available in all leading drug stores in Michigan.

ONE HUNDREDTH YEAR—NUMBER ELEVEN | TECUMSEH, MICHIGAN, DECEMBER 14, 1950 | FIVE CENTS A COPY

Santa's Annual Visit To Tecumseh Is Scheduled For Saturday

Will Bring His Famous Sleigh And Eight Tiny Reindeer

Santa's annual visit to Tecumseh is scheduled for Saturday evening, December 16, at 7:30 o'clock.

The bewhiskered saint of the Christmas season is bringing his "sleigh and eight tiny reindeer," and he will be in downtown Tecumseh for about two hours, meeting youngsters who are anxious to greet him.

"I had this wire from Santa today," Ronald Harris, secretary of the Chamber of Commerce said. It reads as follows:

"Tell all the kiddies in your trading area that I'll arrive in Tecumseh promptly at 7:30, Saturday evening. I'll bring my sleigh and reindeer, and I'll have a gift for every youngster I meet. Tell the children that I want to greet them, and to meet their parents."

Mr. Harris said that he understood that Santa would come to Tecumseh directly from the North Pole. His reindeer and pack-laden sleigh will be put aboard a transport plane, and he will be met at the airport here and brought directly to the downtown district. The high school band will be out to salute him. There will be a brief parade through the business district and then his sleigh will be halted near the intersection of Chicago Boulevard and Evans street, and his gifts to the youngsters will be distributed.

"We are expecting at least 2,000 children for the Santa party," Harris said. "That means that we'll probably entertain between 4,000 and 5,000 people here, Saturday night." Harris said that Santa has been advised as to the expected large number, and that there will be sufficient gifts for every child.

Tecumseh is in readiness for St. Nicholas' visit. The streets are in gala dress, and Christmas carols will be broadcast over a public address system. The broadcasting will continue throughout the holiday season.

Locally, members of the street department have been employed as Santa's helpers and, as a result, the downtown area is "all dressed up" for the holiday season. There are Yule trees fastened to every ornamental lamp post, and hidden in them are hundreds of multi-colored lights. Two forest-size trees are at each end of the business area on the boulevard, and these, too, are beautifully lighted. Stores, catching the Christmas spirit, have smartly decorated windows and, inside, stocks, larger than in years past, are available to shoppers.

"We're mighty proud of the bang-up job in merchandising that has been done by the local stores this year," Harris said. "Stocks here are most complete in every retail line, and shoppers are finding that Tecumseh is a mighty convenient place to trade, because of the easy parking of cars, and the helpfulness of the merchants."

Harris said that he understood that on Saturday's children's party, Santa Claus was bringing along one of his first assistants. He will remain with Mr. Claus during the evening. Next week, the week before Christmas, when stores are open every evening, St. Nick also plans to be here.

"Santa and his reindeer will make several appearances in the downtown district and throughout the residential area, every afternoon and evening of next week," Harris said. "We had a similar arrangement with him a year ago, and this year he has agreed to do it again."

I will be at the United Savings Bank each Saturday until further notice, for the collection of taxes, dog tax and fire insurance. Will also accept payments by check or money order, mailed to my residence, 211 W. Brown St., Lawrence Mohr, Township Treasurer.

DOWNTOWN STREET TO BE CLOSED TO TRAFFIC

Traffic in the downtown area on Chicago Boulevard will be re-routed during Saturday's Santa Claus party, and parking on the Boulevard, between Pearl and Evans streets, will be prohibited after 6:30 in the evening, and until the Santa party is over, Chief of Police M. E. Clark said today.

Chief Clark said that the action was being taken as a safety measure. He said that at the time of the Hallowe'en party, several cars insisted upon double parking in the downtown district, and there was one or two near accidents.

"We can't afford to have an accident at this season of the year," Clark said. "So we are asking that there be NO PARKING in the business area on the boulevard after 6:30 Saturday night, until after the party."

Between 4,000 and 5,000 people are expected to be here for the Yule party.

Stores Will Be Open Week Before Christmas

To better accommodate Tecumseh shoppers, stores in this village will be open each evening next week — December 18 through 23 — the week before Christmas. Santa Claus, who arrives on Saturday evening of this week, will remain in Tecumseh all of next week, and with his sleigh and reindeer he will make several appearances daily and in the evenings.

"Tell the boys and girls," Santa told The Herald, "to write me letters and drop them into the Santa mail box at Chicago Boulevard and Evans Street. I'll do my best to bring them what they most desire. And, tell them too," he continued, "that I'll be happy to meet them any day or evening in Tecumseh the week before Christmas."

A number of downtown stores also will remain open on Friday evening of this week, as well as on Saturday, as is customary.

Cynthia Joan Feight, two-and-a-half-year-old daughter of Mr. and Mrs. James Feight of Russell Road, looks a little bit puzzled as she prepared to drop her letter into the Santa Claus Mail Box here, telling St. Nick just what she desired for Christmas. The reason for her wonderment, perhaps, was the appearance of Santa, who suddenly dropped in at the Chamber of Commerce offices to make sure that everything was in readiness for his appearance here, next Saturday evening. Of course, Cynthia was happy to see Mr. Claus but her younger brother, Tommy, aged one-and-a-half years, would have nothing to do with the bewhiskered gentleman. He even refused to pose with his sister for a photograph.

Santa Mail Box Filled With Wants

SPECIAL BOX ON DOWNTOWN CORNER MAKES MAILING LETTERS TO ST. NICK EASY

In downtown Tecumseh there's a mail box—it's just the right height for kiddies—and into that box is going daily scores of letters to Santa Claus, telling him what the children in Tecumseh and its trading area want most for Christmas.

The Santa Mail Box was especially designed at the request of the Chamber of Commerce by Earl Bryan, local painter. It looks enough like a real postoffice box to be its baby brother. It's fire red, and has a fine picture of St. Nick on the front of it. And there's a real slot in the top where letters may be "mailed."

"We're going to leave the box at the corner of Chicago boulevard and Evans Street until the night before Christmas so that all local youngsters may have an opportunity to mail their letters," Ronald Harris, secretary of the Chamber, said today. "And we're going to see to it that Santa, who is spending the week prior to the 25th here in Tecumseh, gets the mail. We have his assurance that, insofar as it is possible for him to do so, the children's dreams will be realized."

Any youngster from anywhere in the trading area is welcome to drop his letter in the box, Mr. Harris pointed out.

George Vernon Buell Is Buried At Tipton

George Vernon Buell, aged 59 years, of Franklin township, died Sunday, December 10, at 12:20 p.m. in Herrick Memorial Hospital, where he was admitted a short time earlier. Mr. Buell was born, August 29, 1891, in Omaha, Nebraska, the son of the late George M. and Margaret Buell. He was a member of the Findlater Lodge No. 475, F. & A. M., of Detroit, and the Thomas A. Edison Post, American Legion of Detroit.

He is survived by one daughter, Doris; two sons, Don A. and Raymond of Tipton; one sister, Mrs. C. L. Metsger, of Rosedale Gardens, Plymouth. His wife, Mary Ellen, preceded him in death, March 20, 1950.

Funeral services were held Wednesday afternoon at 2:30 from the Collins Funeral Home. Services were in charge of W. A. Johnston, former first reader of the Fourth Church of Christ Scientist, of Detroit. Burial was in the Tipton cemetery.

TO INSTALL OFFICERS

Public installation of officers of the Masonic Lodge No. 69, will be held Friday evening, December 15, at 8 o'clock. A short program will be presented by high school students.

Chamber Plans Holiday Contest

PRIZES TO BE AWARDED FOR BEST DECORATED HOMES AND STORE WINDOWS

Do your best to decorate your home for Christmas this year, is the request of the Chamber of Commerce. The board of directors of the organization last week pointed out that it has been only in the last two or three years that outdoor decorations have been available or permitted as a result of the restrictions of World War II. "With the future so uncertain," the Chamber statement said, "we believe that we should make the homes of our town as attractive as possible this 1950 holiday season."

To stimulate home decorating, the Chamber of Commerce will offer prizes for the best decorated homes in the village. The Tecumseh Monday Club will provide a committee to determine winners. Since decorated store windows are not only merchandising promotions but also add greatly to the holiday appearance of the town, there will also be a prize for the shop having the best seasonal appearance from the outside.

Tecumseh's Christmas observance is one of the most complete in this part of the state, and it is the Chamber's hope that every home and store will do its best to keep Tecumseh the best looking Christmas town in the area.

CONTROL HEARING

The Michigan Liquor Control Commission will hold a public hearing at 8 p.m., Monday, December 18, in the circuit court room of the county building, North Main Street, Adrian. The statute provides that two such meetings be held each year for the purpose of hearing complaints and receiving the views of the public in regard to the administration of the Liquor Control Act.

Members of the Commission will conduct the meeting. A discussion of the liquor law and its administration will be followed by a question and answer period.

TALKS TO ROTARIANS

William J. Bruce, who recently returned from a trip through Europe and England, was the guest speaker at the regular dinner-meeting of the Rotary Club, Tuesday evening at the Legion Memorial Home. Mr. Bruce told of conditions as he found them in Europe, and especially in England, his native country. He declared that Socialism is ruining that nation.

RADIO IS STOLEN

Roy Prichard, who has an apartment in the 100 block on W. Chicago boulevard, told police that it was entered on December 9 and that a table model radio was stolen.

Elementary Grades Will Present Program

Thursday evening, December 14, at 8 o'clock, the chorus from the 4th, 5th, 6th and 7th grades will present their Christmas program in the Central building auditorium under the direction of Mrs. Gentile, with 100 voices participating. The processional will be "O Come all Ye Faithful," and the audience will also join with the chorus in "The First Noel" and "Joy To The World." Other numbers on the program include: "The Birthday of a King," "O Holy Night," "Gesu Bambino," "Silent Night," "No Candle Was There and No Star," "Bring A Torch Jeannette Isabella," "Here We Come a' Wassailing," "Deck the Halls" and "Jingle Bells."

Exchange Ladies Night Is Attended By 140

Bill Kurtz of Chelsea, a magician, mystified some 140 members of the Tecumseh Exchange Club, their wives and guests at the annual Ladies Night program of that organization, Monday evening at the American Legion Memorial Home. Some 35 Exchangeites from Manchester, and their wives, were present, as were four from Adrian. A turkey dinner was served.

Kenneth D. Hall, president of the club, presided and the Rev. Fr. Michael Collins pronounced the invocation. Circuit Judge G. Arthur Rathbun acted as toastmaster, and fines were in charge of James R. Barton and Wallace Whiting. Group singing also was under Mr. Whiting's direction.

After the program, dancing was enjoyed with music by Driscoll's Orchestra.

$100 PAY HIKE IS GIVEN TO TEACHERS

Teachers, librarians, secretaries and janitors of the Tecumseh Public Schools were granted a $100 cost-of-living wage adjustment by the board of education, in regular meeting, Tuesday evening. Earl Place, superintendent, said that the $100 figure would be added to contracts, signed at the beginning of the year.

The board also approved the school's Christmas holiday vacation, which begins next week on Wednesday and continues until the morning of January 3.

DIES IN OHIO

Mrs. Gerald Allen was called to Gallipolis, Ohio, last Thursday morning, because of the death of her son, David Eichenberg, aged 18 years, which occurred that morning in the Gallipolis Hospital. David had been ill nearly all his lifetime. Funeral services were held Monday morning at 10 a.m. at the H. H. Burkencamp Funeral Home, in Tribby, Ohio, and burial was in the Ottawa Hills Memorial cemetery.

Sister Town To Get Yule Wreath

HUGE GREETING "CARD" TO BE DELIVERED TONIGHT TO TECUMSEH, ONTARIO

Christmas greetings, in the form of a huge wreath, are being delivered this evening to Tecumseh, Ontario, Canada, by a committee from the Tecumseh, Michigan, Chamber of Commerce. The wreath bears the inscription: "Holiday Greetings to Tecumseh, Ontario, from Tecumseh, Michigan, U.S.A."

The novel wreath and greeting is the handiwork of Earl Bryan, local painter. It is five feet in diameter and depicts a wreath of green holly with red berries; green, red, and blue Christmas ornaments, an a blue bow which glistens in the light. At the top of the wreath is an Indian head, the traditional symbol of both towns.

A year ago the Michigan city took to the Canadian namesake a giant Christmas card which was placed on the main corners of the Ontario town. By this means the cordial relations developed by the summertime inter-city visitations is kept alive the year round.

John Forgacs, Aged 70, Dies At Britton Home

John Forgacs, 70, died Monday afternoon at his farm home one mile north of Britton, after an illness of three months.

Mr. Forgacs was born in Hungary, August 17, 1880, and came to America when he was 24 years of age. He had lived in the Britton area for 21 years, and was a member of St. Elizabeth's Catholic church of Tecumseh.

Surviving are the widow, Mrs. Anna Forgacs, three sons, Joseph of Ridgeway, George of Blissfield and Stephen of Britton; five daughters, Mrs. Dwight Hearn of Detroit, Mrs. Clarence Graham of Britton, Mrs. Robert Martin of Britton, Mrs. William Service of Macon, and Miss Irene Forgacs of Adrian. Also, by eleven grandchildren. A son, John preceded him in death November 6, 1950.

Funeral services will be held this (Thursday) morning at 10 o'clock from St. Elizabeth's church, Tecumseh, the Rev. Fr. Michael Collins officiating. Burial will be in St. Dominic's cemetery, Clinton. The rosary was recited on Tuesday evening at Collins Funeral Home by the Block group, and on Wednesday evening by the entire church group.

DRAWS FINE OF $30

William Hamilton, Tecumseh, drew a fine of $30, costs of $8.60 and was placed on a month's probation after he pleaded guilty to a disorderly charge, in Justice French's court, Dec. 11. Hamilton was arrested on complaint of Cecil Fielder, 312 E. Chicago Boulevard. Fielder charged that Hamilton struck him.

Baptist Yule Program To Be Held On Dec. 20

The Baptist church Christmas program will be held in the church auditorium Wednesday, December 20, at 7:30 p.m. Practice for the program will be held Monday and Tuesday after school, December 18 19, in the church, with the primary, intermediate and junior departments participating. The "White Christmas" idea will be carried out again this year, and the gifts of food or toys, wrapped in white paper, will be for the needy.

Santa will be at the church for the Christmas program and will have gifts and treats for the children of the church school.

Dental Health Plan Discussed

TENTATIVE PROGRAM FOR TECUMSEH SCHOOLS CONSIDERED AT CONFERENCE

At a meeting held at the high school, Thursday, December 7, tentative plans were made for a dental health program for Tecumseh.

Miss Ruth Rogers, dental consultant from the State Health Department was the speaker. Dr. Hersey, director of the Lenawee County Health Department and Miss Pearl Heist, nursing supervisor of the Lenawee County Health Department, were also present. Earl Place, James McDowell, Darwin Smith, Mrs. Bertram Updike, Mrs. Sam Sisson and Miss Elise Simonsen represented the school. Mrs. David Dick represented the Child Study Club and Mrs. Dale Bowen, the Herrick Memorial Hospital Auxiliary.

Miss Rogers gave a most informative talk which was followed by informal discussion. The program recommended for Tecumseh is preventive rather than remedial, first through education in the school and then in the home, so that the children may have the help of their parents in establishing good dental health habits.

Miss Rogers will speak to Mrs. Updike's group of kindergarten mothers in February and she will be glad to address other groups.

Literature and films to aid in this program will be made available through State Health Department.

Similar programs have been set up in other towns in Michigan and have been very successful. It is hoped that this one will meet with an enthusiastic response in Tecumseh.

CAR IS DAMAGED

An automobile driven by Kathryn Naser, 307 N. Union street, suffered $50 damage, December 11, in an accident on East Chicago boulevard. The car that struck the Naser car did not stop. Police are investigating.

CAMERA IS STOLEN

John Tilton, Adrian street, told police that his car was broken into while in the Tecumseh Products Co.'s parking lot, last Thursday, and that a Monarch 120 camera was stolen. On Friday, John Snow, 512 W. Kilbuck, told officers that a blanket was stolen from his car while it was parked on So. Ottawa street.

Candlelight Services, Sunday

PROGRAM IS AGAIN SPONSORED THIS YEAR BY WESTMINSTER JUNIOR LEAGUE

The annual Christmas Candlelight Service, sponsored by the Westminster Junior League of the Presbyterian church, will be held on Sunday evening, December 17, at 5 p.m., in the church.

The program, to be presented by the Junior Choir, directed by Mrs. Sam Sisson, and the St. Andrews Choir, directed by Mrs. Neville Hart, and the organist, Mrs. Fred Dickinson, follows:

Prelude, "Sunset at Bethlehem," by Lacey. Processional, "Hark, the Herald Angels Sing."

Other numbers include: "There's a Song in the Air," "The First Noel," and "He is Sleeping in the Manger," a Polish carol, "Fairest Lord Jesus," "O, Holy Night," by a trio composed of Gary Roberts, Jerry Butler and Julia Boyce. "Go Tell It on the Mountains," a Negro spiritual, "I Wish You a Merry Christmas," and "Silent Night."

The recessional, "O, Come All Ye Faithful," by Reading, by the combined choirs. The offertory, "Adoramus Te," Palestina. The scripture reading by the Rev. Donald C. Wilson. "It Came Upon the Midnight Clear," by Willis, and "All is Well," by Marryatt, with a quartette composed of Mrs. Harold Clark, Mrs. Bartlette Aluto, Fred Dickinson and John Saling.

Other numbers will include

Chest Drive Is "Over The Top"

HARRIS SAYS "THANK YOU" TO WORKERS AND CONTRIBUTORS FOR SUCCESS

The 1950 Tecumseh Community Chest Fund drive has been well over-subscribed, it was announced today by Ronald Harris, chairman of this year's campaign. Against a quota of $7,025, a total of $7,609.39 has been paid or pledged into the fund.

"Such results are extremely gratifying," Harris stated. "Not only was this year's quota the largest in the history of the local fund, but the over-subscription shows that we have raised over a third more money than ever for the services to which the fund contributes. This also shows that Tecumseh is willing to support some state and national agencies from which it receives direct or indirect benefits, since the drive this year also included $600 for the United Fund, marking the first time we have participated with these agencies."

Three Persons Injured In Two Traffic Mishaps

Two persons were hurt, Sunday evening about 6 o'clock, in an automobile accident at Billington's Corners, three miles west of here.

Robert Hartose, 18, Garden City, driving north on M-52, did not see the stop light and his car collided with one being driven east on M-50 by Lee Kelly, 53, of Tecumseh. Mrs. Kelly was a passenger in the car. They both suffered cuts, bruises and concussions and were removed to Herrick Memorial Hospital.

Hartose, according to state police, was given a summons for reckless driving.

Betty Miller, 20, Tecumseh, suffered nose injuries after her car left the road and struck a tree, about 9 p.m., Saturday. The accident happened on Beebe Road, south of Tipton. She also was terated at Herrick hospital.

Louis Schneider Named To "1951 Fighting Force"

Louis S. Schneider, Tecumseh, American Legionnaire, was appointed to the "1951 Fighting Force" Department Commander J. Addington Wagner last weekend in Lansing at the annual Mid-Winter conference. He will take office as chairman of the youth activities committee with the avowed purpose of helping Wagner carry out the Legion program of preparing America for any eventual conflict by keeping up our armed strength and by fighting internal subversive forces.

Wagner expressed great personal satisfaction in being able to appoint a man such as Mr. Schneider to a responsible position in the organization.

"I know Comrade Schneider will do his best to carry out the high programs of the Legion," Wagner declared in making the appointment.

Federal Costs Must Be Reduced

If anyone wonders why the cost of the Federal Government is just about the most critical domestic issue we face, a tabulation recently printed by Reader's Digest will make the reason clear. It simply shows the amounts of money spent by each of the presidents of the United States from the beginning of the nation up to September 30, 1949.

In the early days, Federal spending amounted to peanuts compared with modern standards. Washington and Adams each spent a little more than $34,000,000. Lincoln had a war on his hands, yet his budgets totaled only $3,252,000,000. Thereafter, expenses went down again. McKinley, for instance, spent just over $2,000,000.

The first really big budget came with the first world war and the Wilson administration—nearly $47,000,000,000. Again expenses dropped, with Coolidge and Hoover together spending around $34,000,000,000.

Then came the depression, President Roosevelt and the New Deal. During the first eight years in office Mr. Roosevelt's administration cost some $67,500,000,000. The grand total for all the presidents through 1940 was $179,620,000,000. And that total, it must be remembered, covers more than 150 years.

Reader's Digest leaves out the extraordinary expenditures of the World War II years—1943 to 1945. It then lists President Truman's spending from the 1946 fiscal year to the end of September, 1949. It adds up to over $191,000,000,000—nearly $12,000,000,000 more than all his 32 predecessors spent except for the 1941-1945 period.

Here is a very revealing picture of the way the nation has gone. It is true that conditions have changed over the years. But it is also true that the government has expanded in every direction to a point far greater than most of us realize. Mr. Truman is known as a symbol of expansion, but he is not the major cause. Pressure groups of every kind have grown infinitely more adept and powerful, and office holders of both parties have fallen into line. The results are our huge budgets, with recruiting Federal deficits in spite of these budgets.

A noteworthy development is the concern over our fiscal affairs which is being expressed by people who are not conservatives. Speaking on taxes and deficits, Dorothy Thompson says, "This appalling discrepancy between what is spent and what is raised occurs when the national income is near the highest in history! It is an absolute reckless example of the spirit of 'after us the deluge.'" A great deal more pressure to cut the cost of government may be expected in the future than in the past.

Miss Thompson, in one of her recent newspaper columns, spoke plainly about conditions in the state of Washington. That commonwealth, she said, "is now up against the inevitable crisis of the welfare state—the same crisis the British people have had to face, namely, the rude awakening that there ain't no Santy Claus."

Part of the trouble stems from a measure, called "the citizens' security act," which was passed in 1948. Now, to quote Miss Thompson again, "this prosperous and progressive state faces bankruptcy. Although the people voted to increase the already advanced social security benefits, their representatives have not dared to vote the taxes to finance them. That would explode the happy idea that something can be obtained for nothing. The result is a dificit approaching $100,000,000 . . . .

"A study of the condition of this state is recommended to all advocates of socialized medicine and cradle-to-the-grave social security. There are families here who, taking advantage of multiple possibilities of state aid, are drawing down $400 a month and refusing, naturally, jobs at $200 and $250 . . . .

"Exactly this policy wrecked the Roman Empire."

The state of Washington was singled out in this instance because it has gone to an explosive extreme. But other states are being tempted to follow the same path. And the national government, with its huge deficits in spite of near-record income, is the worst offender of them all. We may learn before it is too late that this kind of "social security" can only mean social and economic disaster.

New Officers Elected By The Royal Neighbors

The Royal Neighbors held their annual Christmas party and election of officers at the home of Mrs. Tillie Tuckey on North Ottawa street, Monday evening. Thirty members were present, and there was an exchange of Christmas gifts. The rooms were decorated in keeping with the holiday season.

The following new officers were elected: Oracle, Alice Collins; vice oracle, Lilla Beevers; recorder, Tillie Tuckey; receiver, Eva Beevers; chancelor, Joyce Collins; marshall, Mae Sarvey; inner sentinel, Minnie Tate; outer sentinel, Dorothy Long; manager for three years, Mabel Duncan, and physician, Dr. T. Rentschler. Refreshments were served by Mrs. Tuckey and her committee.

Cub Scout Christmas Party On Monday Eve

The Christmas party for the Cub Scout Pack No. 4, will be held Monday evening, December 18, at 7:30 in the Baptist church. All parents are urged to attend as the boys have made Christmas gifts for them. Several awards are to be presented to the Cubs and each Den chief will be presented with an official den chief cord. There also is the promise of a "big surprise" at this pack meeting.

Eighty-three gifts were collected for the Good Will project and were mailed to Gallup, New Mexico. These gifts will be distributed to the Navajoe Indian Cub Scouts.

W. C. T. U. MEETS

The W.C.T.U. met at the home of Mrs. Bertha Hoag, Tuesday afternoon at 2 o'clock with twelve members present. Mrs. Emma Day assisted Mrs. Hoag. Mrs. Day led the devotions and read a poem, "The Bar and The Door." Mrs. Howard Everhart was in charge of roll call, and read a letter from the state treasurer, Mrs. Clara Todd. Mrs. Jessie Brown presided at the business meeting, and the Sunshine offering was received at this time. Two new members were received into the Union. The gifts for the Soldiers and Sailors at Percy Jones Hospital in Battle Creek will be packed this week. Mrs. Anna Morse read a poem, "The Door of World Peace," by Edgar A. Guest, at the conclusion of the meeting.

MUSIC CLUB PARTY

The Tecumseh Music Club will meet with Miss Edith Ingersoll next Tuesday evening, December 19, for a potluck supper at 6:30. This will be the annual Christmas party.

DR. HELZERMAN TALKS TO HOSPITAL AUXILIARY

The Herrick Memorial Hospital Auxiliary met in the Presbyterian Fellowship Center Tuesday evening at 8 o'clock with thirty members present. Mrs. M. R. Blanden led the devotions, and Mrs. Dale Bowen, president, presided at the business meeting. Reports were received from the book and bake sale which netted the auxiliary $128.36 and the Hospital benefit dance, $445.89. The auxiliary wishes to express its thanks to everyone who helped to make these events such a success.

Miss Eleisa Simonsen reviewed the dental health program that is being carried out here in Tecumseh schools. The president will appoint a member of the auxiliary to work on this project. Dr. Ralph Helzerman gave an interesting talk on "Rheumatic Fever." Refreshments were served by the committee in charge.

Chest Drive Is

(Continued from page one)

Credit for the success of the drive goes to the nearly hundred volunteer workers who made the calls to raise the funds. "The community owes them many thanks," Harris said, "and we note that among them are some of the busiest people in Tecumseh.

Agencies and services which benefited from the drive are the following: Hospital Auxiliary, $350; Cancer Society of Tecumseh, $350; Hallowe'en and Christmas parties, $250; Girl Scouts, $500; Boy Scouts, $600; Cub Scouts, $75; Recreation Center, $1,500; Salvation Army, $300; Welfare, $2,500; United Health and Welfare Fund, $600.

Fund officials point out that the over-subscribing of the quota means that every attempt was made to see all firms and individuals. Nevertheless, there is always a possibility that someone was missed. Persons who may have been missed during the drive, may still make contributions. They are asked to turn in such contributions at the Chamber of Commerce or to Mrs. Harry Duncan at the United Savings Bank.

WALLACE NOW ADMITS RUSSIA PERILS WORLD

Washington—Henry A. Wallace, former vice-president, in a speech said that Russia's ambition to "dominate the world" has thrown the United States into the gravest peril of its history.

Mr. Wallace, who ran for President as an independent in 1948, said he then believed "Russia genuinely wanted peace so that she could develop her own vast area undisturbed." He abandoned this view last June when North Korean armies swept over the 38th parallel.

"Today, I am convinced that Russia is out to dominate the world," he said. "Her actions in Western Tibet prove that she is out to dominate all Asia and, therefore, the world."

12 Are Hurt

(Continued from page 1)

11, of the Order of Eastern Star Villa, Adrian, suffered cuts.

Jerome McFarland, Manitou Beach, a Lenawee County sheriff's deputy, said he was told by witnesses on the bus that the accident happened when the bus driver became confused as to the intention of the truck driver at an intersection and pulled from the road to avoid an accident.

Deputy McFarland said the truck driver, James Kemp, Adrian, was driving on Burton Rd. when he approached Rt. 223.

Witnesses said Mr. Kemp stopped his truck and then apparently decided to make a left turn onto the highway. Starting, he then apparently decided that he could not get across the road in time and applied the brakes, stopping about 2 inches from the concrete pavement.

To avoid what he thought would be a collision, Mr. Grummett pulled the bus off the highway about 100 feet from the truck, but the bus skidded into the truck and then knocked down a fence and landed in a field.

One of the injured haulaway drivers told Deputy Lossing to take good care of his shoes. At the hospital, attendants said they found $150 hidden in his arch supports.

Scout Nursery Will Aid Mothers In Yule Shopping

Mrs. L. H. Titley entertained the leaders of the Tecumseh Girl Scout Association in her home last week Wednesday evening, with seven leaders and one guest present. Mrs. Velma Townley of the Jackson Girl Scout Council, was introduced by Mrs. Jane Duvall, president of the association, and instructed the leaders in songs and song leading, for the Brownie and Intermediate groups.

Mrs. Robert Fuller will entertain the leaders at their next meeting.

Leaders decided to assist the scouts with their "Nursery" at the Methodist church, December 21 and 22, from one to five o'clock, while mothers Christmas shop. There will be no charge for this service.

The senior and intermediate Girl Scouts are conducting a nursery at the Methodist church December 21 and 22, from one to five o'clock, for the convenience of mothers who wish to shop. The Scouts will be supervised by adult leaders. For further information, call the general chairman, Mrs. George Meads, 298R. There will be no charge for this service.

Refreshments were served by Mrs. Titley after the meeting.

LOCALS AND PERSONALS

Mr. and Mrs. O. W. Farver received word Tuesday of the death of Mr. Farver's father, William A. Farver of Saginaw, which occurred late Tuesday afternoon. The Farvers left Wednesday morning for Saginaw. Mr. and Mrs. O. H. Farver will go to Saginaw Thursday and attend the funeral on Friday morning.

Gerald Foote, local mail carrier, underwent an emergency operation for appendicitis Sunday in Herrick Memorial Hospital.

Jonie Judd, daughter of Mr. and Mrs. Thomas Judd, underwent an emergency operation in Herrick Memorial Hospital, Wednesday morning.

Mr. and Mrs. Sherman Cole and Mr. and Mrs. Ralph Mohr were Sunday dinner guests of Mr. and Mrs. Ralph Daniels of Tipton, for the observance of Jimmy Daniels' 11th birthday.

Yule Program For Club Women

MRS. GUY POCKLINGTON NAMED "WOMAN OF YEAR" BY MONDAY CLUB

The Tecumseh Monday Club observed "Guest Day" in the Methodist church last Monday afternoon. During the business meeting, the members elected Mrs. Guy Pocklington as their "Club Woman of the Year." Mrs. Pocklington has been a member of the Tecumseh Monday Club continuously for thirty years. She will represent the club on the "Homes and Harmonies" program over station WABJ on Thursday, May 10, 1951.

Four of the officers of the Lenawee County Federation of Women's Clubs were present at the meeting and the Tecumseh Music Club presented the following program of Christmas music, introduced by Mrs. Burtsel Claus: "Christmas Chimes," Mrs. Wilfred Waldron; "Story of the Nativity in Song," Mrs. Murray Day; Mrs. Albert Merz, their guest soloist, sang two songs; a group of three-part songs by the Tecumseh Music Club Chorus; "There's a Song in the Air," Mrs. Murray Day; reading, "The Little Grey Lamb," Mrs. Blair Bashore; "Joy to the World," "O Little Town of Bethlehem," and "Gloria Deo," by the chorus, Mrs. Herbert Dillon was the accompanist.

The religious thought of the day was expressed through a short candle-lighting service conducted by the president of the Monday Club expressing the strength of women's clubs in the belief that "peace comes on earth through goodwill toward men." The program was closed with the assembly singing, "Silent Night."

The tea table was attractively decorated with Christmas symbols and refreshments were served to fifty women by Mrs. Thomas O'Hara, Mrs. Ernest Brandt, Mrs. Howard Truesdale, Mrs. Jennie Satterlee, Mrs. George Green, sr., Mrs. Fred Marsh, and Mrs. M. G. Partridge.

TECUMSEH CLUB ELECTS

Officers of the Tecumseh Club were chosen at an annual meeting of the organization, last week. Ned Baldwin was elected president, Dr. Wm. Britton, vice-president, and John Truesdale, secretary-treasurer.

2 DROWN IN WINE

Vienna. — Marie Schmeidinger entered a huge wine barrel to clean it but was overcome by fumes and fell face-down in about one foot of new wine. Her 14-year-old daughter, Maria, jumped into help her but was also overcome. A young farm worker tried to get the bodies from the barrel. He, too, was overcome but was rescued and resuscitated.

We're Proud Of The Stocks
IN OUR TECUMSEH STORES
A leisurely tour of Tecumseh's stores this Christmas season proves conclusively:
1. That Tecumseh's stores this year have been and are doing a bang-up job in merchandising.
2. That customers who think of Tecumseh as their shopping headquarters are meeting few, if any, disappointments in selections.
3. Tecumseh merchants' prices are RIGHT. Mark-ups are at a minimum, considering the inflationary trend, and, by and large, prices here are less than in some other areas.
IT'S EASY TO SHOP IN TECUMSEH
Shopping in Tecumseh is not difficult. The parking problem is less acute here than in other areas. Merchants are anxious and happy to be of service. Courteous clerks are on the job. Quality products, PRICED RIGHT, are at your very fingertips.
HAVE YOU VISITED TECUMSEH'S STORES?
Have you visited Tecumseh's stores this Christmas season? Have you made a shopping tour, as we have done? If you haven't, you're in for a happy surprise, because, truthfully, local merchants are doing a job of merchandising of which the entire trading area may well be proud.
We're happy to bring this message to you, at this Christmas Season. We're happy to be able to boost our local merchants. And one of the finest ways that we know for you to say "Thank You" to them—as a customer—is to support them with your patronage.
Tecumseh Chamber Of Commerce

Local—Clubs—Social ACTIVITIES

Mr. and Mrs. Bert Creger and Shirley and Mrs. Marcia Carson were Sunday guests for a pre-Christmas dinner at the home of the former's daughter and husband, Mr. and Mrs. Howard Zimmerman of Sylvania, Ohio. Additional guests in the afternoon were, Mr. and Mrs. Leo T. Creger and family of Brooklyn, Mr. and Mrs. Claude C. Creger and family and Mr. and Mrs. Raymond Service and family, all of Clinton, Mr. and Mrs. Donald Graff and children of Macon, and Mr. and Mrs. Dale Creger and family of Tecumseh.

Fred Marsh who has been ill for several weeks at his home on East Kilbuck street, was admitted to the Veterans Hospital in Dearborn, Tuesday. Mr. Marsh is located in Ward B, 4th floor. Mrs. Marsh and James Hartsell accompanied Mr. Marsh to Dearborn and returned in the evening.

A group of neighbors and friends of Mrs. Clyde Barber, Mrs. Lizzie Foster and Mrs. Betty Wing, helped the three celebrate their birthdays Monday evening in the home of Mrs. George Schumm. A social time was enjoyed.

Ricardo Montalban, promising fighter, snows an injured fist to Dick Powell in this scene from "Right Cross," which also stars June Allyson. Sunday, Monday, Dec. 17 - 18 at the Strand Theatre.

Mr. and Mrs. Sam Clouth were Saturday visitors of Mr. and Mrs. Paul Sheldon and family of Dundee.

Mr. and Mrs. Warren Banham, matron and patron of the Eastern Star, entertained the officers of the Star at their home in Ridgeway, Sunday evening with thirty-seven present. Dinner was served at 6 o'clock with the table decorated in keeping with the Christmas season. Gifts were exchanged and Mr. and Mrs. Benham presented each officer with a gift. The evening was spent socially.

Mr. and Mrs. Jack Morehouse entertained in their home Saturday evening, at a venison dinner. Seated at the table with Mr. and Mrs. Morehouse were Mr. and Mrs. George McCombs, Mr. and Mrs. Willis Porter, Mr. and Mrs. Archie Porter and Mr. and Mrs. Clarence Beach. The men were hunting two weeks ago at Port Allagheny, bringing back three bucks. The evening was spent socially.

Mrs. Gertrude Pangle spent Sunday in Lansing with her son, Eugene Pangle and family.

Mrs. C. D. Branigin is ill at her home west of town.

Mr. and Mrs. D. A. Gathmann and daughter, Ann, of Jackson, were Sunday guests of Mr. and Mrs. H. W. Dillon, sister of Mrs. Gathmann.

Mrs. R. H. Moore and daughter, Grace, Mrs. H. W. Dillon and daughter, Dianne, Patsy Purcell and Nancy Randall attended the Sadler Wells Ballet at the Masonic Temple in Detroit Saturday afternoon. This group is from England and presented a very colorful program.

So long as the test of a man's worth is the size of his bank account the world will lack much of being an ideal state.

Christmas Program Is Enjoyed By The D.A.R.

Mrs. O. W. Laidlaw was host to 20 members and guests of the Abi Evans Chapter, D.A.R., Friday afternoon at 2:30, at her home, 215 S. Democrat street. Mrs. Louis Schneider, regent, presided at the business meeting. Chairmen of the various committees gave their reports. Mrs. F. C. Dickinson acted as secretary in place of Mrs. C. D. Branigin, who is ill. Mrs. Leon Rosacrans gave the treasurer's report for Mrs. Joe Rice. The Chapter gave a gift of money for their Christmas donation to the approved School in Tanassee, North Carolina. Mrs. Winifred Bates gave a book review on "A Thread That Runs So True." The Brownie Scout Troop No. 9, with Mrs. George Wittrup, leader, and Mrs. Howard Truesdale the assistant, presented the program. The Scouts illustrated a story of Girl Scouting and san two songs.

Tea was served from a lace covered table, decorated with lighted candles, Mrs. Rosacrans and Mrs. B. O. Bashore, poured.

Mrs. Laidlaw's home was beautifully decorated in keeping with the Christmas season.

Mrs. Kenneth Hall, Mrs. Charles Mensing, Mrs. Stanley G. Miller, Mrs. Joe Rice and Mrs. C. D. Branigin were the assisitng hostesses.

The January 12 meeting will be held with Mrs. Arthur H. Brown. The election of delegates and alternates will be held at that time. Mrs. Bert B. TurnBull will be the program leader on American Music by Miss Edith Ingersoll. The assisting hostesses will be Mrs. Fred C. Dickinson, Miss Ethel Garlinghoue, Mrs. Donald Smith, Mrs. William Penman and Mrs. Francis Stone.

Herald classifieds pay big dividends.

From where I sit ... by Joe Marsh

Here's An "Expert" Example!

When our Main Street parking problem cropped up again, we announced a strict one-hour parking policy, and swore in extra deputies to enforce it.

We also sent over to the State Capitol for a traffic expert, to give us pointers. He turned out to be real helpful—spent a whole afternoon with us talking about zoning and such. And when he left the building he found a ticket on his car for overtime parking!

Could have gotten sore, I guess—or asked us to "fix" the ticket. But instead, he insisted on going over to the Sheriff's Office and paying his fine.

From where I sit, it's good to know people, like that young fellow, who refuse to be treated any different than anyone else. City people and farmers—those of us who prefer cider and those who'd rather have a cool glass of temperate beer—we're all entitled to the same privileges. That is, so long as what we do doesn't conflict with the law of the land.

Miss Viola Schmidt Weds Leon C. Shaffer

The Emmanuel Lutheran church on the Ridge was the scene of a lovely wedding Thursday afternoon, December 6, at 2 o'clock when Miss Viola Schmidt, daughter of Mr. and Mrs. Emil Schmidt, became the bride of Leon C. Shaffer, son of Mr. and Mrs. Clyde Shaffer, all of Tecumseh. The Rev. Theodore Iben, pastor of the church, performed the single ring ceremony before an altar banked with baskets of white and lavender chrysanthemums. The seats were marked with white satin bows. Mrs. J. Ferman, organist, presided at the organ.

The bride, given in marriage by her father, wore a gown of white satin, styled with a fitted bodice, and long fitted sleeves with lace inserts, and a fingertip veil. Her bridal bouquet was of red roses and white gardenias. Mrs. William Mackey, sister of the bride, was matron of honor. She wore steel blue satin and carried carnations. Edward Schmidt served Mr. Shaffer as best man.

Mrs. Schmidt, mother of the bride wore royal blue velvet and Mrs. Shaffer, mother of the bridegroom, wore teal blue crepe. Both mothers wore corsages of camellias.

A reception for 65 guests was held immediately following the ceremony at the home of the bride's sister, Mrs. Albert Tiede. The bride's table was centered by a five-tiered wedding cake topped with a miniature bridal couple, made by Mrs. Donald Davis, sister of the bride. Mrs. Theodore Babcox, Mrs. Tiede and Mrs. Helen Schmidt assisted in the serving. Friends and relatives attended from Detroit, DeKalk, Ill., Adrian, Macon, Ridgeway, Holloway and Tecumseh.

Mrs. Shaffer is a graduate of Macon high school, and Mr. Shaffer is a graduate of Tecumseh high school. He is employed at Bruce Foundry. The couple is residing in their newly furnished apartment at 306 East Pottawatamie street.

GOOD CHEER CLASS

Mr. and Mrs. Roscoe Hewlett entertained the Good Cheer Class in their home last Friday evening for their annual Christmas party. Fourteen members were present, with Mrs. Floyd Bryan in charge of the program. Christmas stories were read in the old English version and the American revised version. Norman McConnell read "The Mystery of Christmas." Mr. and Mrs. Leon VanValkenburg told of interesting experiences on their recent trip to Washington over the Thanksgiving holiday. Refreshments were served by the hostess.

LODGE ELECTS

The regular meeting of Canton Adrian No. 8, of the Patriarch's Militant of the Independent Order of Odd Fellows, was held last Wednesday evening, Deremper 6, at 8 o'clock, in the Adrian hall. W. L. Becker of Tecumseh was elected captain; Lavern Moore of Blissfield, lieutenant; John Bartlow of Hudson, ensign; Keith C. Hoover of Temperance, clerk lt. col.; and Ray Campbell of Temperance, account p. c. Visitors from other Cantons were from Jackson and Ann Arbor. Refreshments were served by the ladies auxiliary.

One teacher suggests that every American child be required to speak a foreign language perfectly. It might be well to have them speak English well first.

NO HOLIDAY LUNCHEON

The Tecumseh Country Club's one o'clock luncheon was attended by twenty-two women last week Wednesday. The tables were colorfully decorated in keeping with the Christmas season with Mrs. L. W. Larsen and Mrs. Jens Touborg as hostesses. Canasta and bridge were the diversions with honors at canasta going to Mrs. R. F. Helzerman and Mrs. A. W. Porter and at bridge to Mrs. R. G. Fuller and Mrs. Nina Heath. The club decided to cancel the luncheons during the holidays and resume January 10.

LEAGUE TO MEET

The Baptist Junior League will meet in the home of Mrs. Clifford Curran, Tuesday evening, December 18, at 8 o'clock with Mrs. Dow Bilby assisting. The White Cross program will be in charge of Mrs. Charles Beland and Mrs. Clayton Mikesell. The members are to bring gifts for the White Cross Christmas boxes. Mrs. B. O. Bashore will be in charge of devotions.

MISSIONARY MEETING

There will be an all-day missionary meeting in the Friends church parlors Thursday, December 14. Mrs. Leon Johnston and Mrs. George Meads will be the committee in charge. A potluck dinner will be served at noon and a special Christmas program is planned for the afternoon.

The Happiest Kid on the Block

... will he be yours this Christmas?

HE CAN BE—he *will* be—if you bring home the television set that he's wanted so long, that he'll use so much.

Laughter, music, adventure, magic —television at home means all that to a growing boy these days, but it means a lot *more* than just programs.

Now he'll be able to invite the gang over to *his* house for TV instead of having to slip over to the neighbors to see television himself.

Now he can choose his own programs, with *you* to help develop his tastes, instead of viewing the choices of someone else.

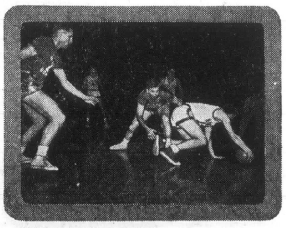
Now he'll spend a lot more time with Dad, watching ball games together and listening to Dad's stories about the very teams they're watching.

No wonder the happiest kid on the block will be *your son* when you make *this year* his "Television Christmas."

With TV this magic world is his to enjoy *every day!*

TELEVISION is moving faster than you think. New programs, new stars make their debut every week. The longer you wait, the more you miss! Here's just a partial list.

CHILD PERFORMERS—Talented singers, dancers, musicians, inspire your children to cultivate their own talents. They'll be more eager to learn—practice more willingly.



WORLD'S GREATEST athletic events—Fathers and sons follow their favorite teams together from a front row seat. Television helps teach your children sportsmanship.

THE WONDERFUL world of make believe enchants children for hours—is often both educational and entertaining. It sure helps Mom —especially on rainy days.

MUSIC DELUXE! Now you can *see* as well as hear your favorite orchestras, singers, instrumentalists! Yes, Television gets you right "on stage" seats, no money could buy!

LAUGHTER under your roof—the shared pleasure that binds your family closer. The greatest comedians of the entertainment world are in your living room every night on TV.

Peter Capra

Executive Director of the Boys Club of New York, says:

"Television is more than fun for boys. It is significant and true that since the inclusion of television in the Boys Club program, the Glee Club, Drama and Music Groups have improved tremendously in the number of boys participating. Television properly integrated in the over-all program of wholesome recreation will continue to make an increasingly valuable contribution by keeping growing boys informed, entertained and happy . . . essential factors in building character and developing personality."

Christmas Party Planned By Lodges On Saturday

A Christmas party for the Pythians, Pythian Sisters, Doakies and omades will be held in the Tecumseh Castle Hall, Saturday evening, December 16. Gifts will be exchanged and an appropriate program presented.

Last Saturday evening, the annual December ceremonial of El Mecca Temple No. 63, was held in the Pythian Castle here. John Woolsey, royal visier, presided over the program and the ritualistic work was done by a team composed of members from Dundee, Tecumseh, Ypsilanti and Adrian.

Carl Mitchell, supreme secretary, gave an interesting talk on the work being done by the Doakies through the nation, and revealed some of the future plans of the organization. Other speakers told of the national convention, to be held in Toledo in August. Over 4,000 Doakies and Nomades are expected to be present, as well as 125 drill teams from all states in the Union.

Members or El Mistha Santha (Nomades) held their ceremonial in the afternoon. There were four candidates. In the evening there was another ceremonial by the Doakies, followed by a luncheon.

The Doakies and Nomades are planning a joint installation ceremony in January in Tecumseh.

GARDEN CLUB TEA

Mrs. Al Helzerman will be hostess to the Tecumseh Garden Club for their annual Christmas silver tea in her home at 110 S. Oneida street, Friday, December 29, from two to four p.m. The co-hostesses will be Mrs. M. C. Miller, Mrs. C. D. Branigin, Mrs. Clarence Beach, Mrs. H. E. Kenrick, Mrs. L. W. Larsen, and Mrs. George Wright. The program will be announced at a later date.

YOUNGSTOWN GROUP URGES STUDENTS TO FAMILIARIZE SELVES WITH INDUSTRY

Youngstown, Ohio.—Children in the Younstown district public schools are learning that the home-town industries offer them just as good job opportunities as they can find elsewhere.

It is part of the program of the Industrial Information Institute, Inc. School officials in this four-county area of eastern Ohio and western Pennsylvania are solidly behind it. In fact, they proposed it.

Surveys had long shown that too many young men were leaving school with little vocational prospects. In the early school years, often as many as 85 per cent expressed desires to enter college and follow professional careers.

But upon graduation, however, less than 20 per cent of the graduates were able to go on to higher educations.

Schoolmasters became concerned over what happened to the other 80 per cent. They found the young men were being absorbed into jobs in local industries for which they had no previous training. Many of them, disgruntled, were moving off to take jobs in other parts of the country.

Recently, the district's educators sat down to work out a plan.

Taking the lead for industry was the Institute, an organization financed by about 100 industrial and business firms to tell industry's story to the public. The institute organized its school advisory committee from the superintendents and principals of the schools throughout its area.

The institute is working also in many other ways to put across the story that industry's prosperity is good for the community's prosperity. For example, it takes professional groups through the plants, encourages the plants to hold "open house" for visitors, encourages exhibitions and expositions of the industrial plants' products and operations, even sponsors movies.

As a result of this program, the vocational guidance picture in the schools has changed greatly. For example, five supplemental readers or texts have been put into the schools. Through them, the students learn the history of the industries in their community, what goes on in these plants, the types of jobs they offer, pay rates, chances of advancement. They learn the place these concerns hold in the national economy of their importance to the health and welfare of the community.

The schools and the industrial Information Institute agreed in advance that none of the information was to be propaganda, but the books were merely to help youngsters make important decisions regarding the future and to the type of work they would do.

The institute and the schools hope eventually to have 12 textbooks, one for each grade of elementary and high school.

The books, written by teachers on leave from their school work and paid by the institute, will be used by the schools to supplement other texts. The schools also are augmenting classroom work with aptitude tests. For example, the pupils with a talent for woodworking attacks his hobby with renewed interests when he learns of the many uses he can put his skill in the workaday world, even to finding jobs in the steel plants. The pupils learn of the technological advances being made in industry, of the need for skilled men to make better products.

The institute doesn't end its program in the classroom. The institute has held two industrial expositions aimed mainly at high school youths, showing latest devices and machinery. Periodically plant tours are arranged for them to let them know how the plants operate.

"If we can get the students to stay at home and take the good jobs at home," said R. B. Collins, director of the institute, "we will be doing them and industry good favors—for industries here have just as good and as well-paying jobs for them as they will find elsewhere."

O. E. S. MEETS

The regular meeting of the Order of Eastern Star was held last Thursday evening with Ralph Westgate receiving the initiatory degree. John H. Smith was given a life certificate for 33 years service in the Star as patron and associate patron. He was escorted to the East and presented with a boutonnaire and a record of his years of service in the Star was read. Mrs. Kenton Hunt, recently named page of the Lenawee-Monroe Eastern Star Association, was escrted ot the East and presented with a gift. Lunch was served by Mrs. Kenton Hunt and her committee.

We know business men who are uninterested in politics unless it enables them to sell something to the government at a fat price.

LOCALS AND PERSONALS

Mr. and Mrs. Floyd Russell have returned from their resort at Curtiss and Mr. Russell is assisting at the Tecumseh Tavern, which is under the management of Mr. and Mrs. Floyd Brighton.

Mr. and Mrs. Neil Pearson were Sunday guests of their son and wife, Mr. and Mrs. Gordon Pearson of Detroit.

Mr. and Mrs. Al Tonneberger and Mr. and Mrs. James Tonneberger and children attended the organ concert by their son Jack, at the St. Paul's Lutheran church in Blissfield last Sunday afternoon at 3 o'clock. A large number from Tecumseh also attended. After the concert Mr. and Mrs. Macklin Maierle of Blissfield entertained the immediate families and relatives of Mr. Tonneberger, at a buffet luncheon.

Mrs. Al Tonneberger and son, Jack, visited Mrs. Thomas Welch, who is a patient in the Hillsdale hospital, Saturday afternoon. Sunday, Mr. and Mrs. Robert Welch visited Mrs. Welch at the hospital and found her condition much improved.

Mrs. Albert Hoch of Jackson, who has been a polio patient in the Jackson hospital since December 2, is recovering satisfactorily and expects to return to her home the last of this week. She is not paralyzed in any way. Mrs. Hoch's two daughters, Diann and Susan are with her sister, Mrs. Elmer Burleson. Mrs. Hoch is the former Mary Wilson, and the daughter of Henry Wilson, of Tecumseh.

MISS GWENDOLYN TREBY WILL WED TOLEDOAN

Dr. and Mrs. Harold Treby, 214 N. Maumee Street, Tecumseh, are announcing the engagement of their daughter, Gwendolyn, to Arthur J. Boote, jr., son of Mr. and Mrs. Arthur Boote, Gramercy Avenue, Toledo. Miss Treby is a graduate of Tecumseh High School and is a sophomore at the University of Toledo. Her fiance is a junior in the college of engineering in the same school. No date has been set for the wedding.

DOG LEADS TO $500 CACHE

Guthrie, Ky. — While trying to dig out a skunk it had chased into a hole, Bill Spurlin's dog unearthed a 50-cent piece. Several boys who had aided in the chase, took up the chase and within a short time had found $500 in $20, $10 and $5 gold and silver coins.

Some case-hardened spring gardeners are now thinking about fall crops—this shows that you can't do anything for these people.

U. S. Tightens Discipline In Occupational Zone

Frankfurt—A sharp tightening of discipline is being carried out by the United States forces in Germany as they shift from occupation to tactical tasks.

High-ranking officers are being court-martialed for offenses which a short time ago would have been shrugged off as peccadilloes normal to an occupation force.

Three lieutenant colonels, for instance, have been cashiered and given prison sentences in recent months. Five junior officers met a similar fate.

Commanders have faced the disciplinary problem with creditable candor. Advance notice of courts-martial is given, with a list of charges against offenders. The press, including the German press, is admitted to the trials.

Courts-martial have tended to take the line of "one serious offense and out of the service."

The scope of the United States disciplinary problem in Germany is reflected in the offenses for which recent offenders have been tried.

The two lieutenant colonels were convicted of pilfering. One took expensive rugs and rare wines from a requisitioned German house and the other siphoned off 2,000 gallons of army gasoline for sale on the black market.

A captain and a lieutenant were found guilty of stealing about $10,000 in mutilated military scrip which had been ordered to be burned. A lieutenant was dismissed from the service for black marketing office equipment in the French zone, and another lieutenant was cashiered for killing three German pedestrians in an automobile accident.

Offenses committed by enlisted men are no less diverse. During October, a sergeant was dishonorably discharged and sentenced to life imprisonment for the premeditated killing of a German girl; a master sergeant was dishonorably discharged and given three years' hard labor for bigamy; a private received six months confinement for indecency; and a soldier who had been AWOL was arrested as the leader of a ring of car thieves.

Footwear Tester Walks Miles In Borrowed Shoes

Watertown, Mass.—Mildred McMahon walks, walks, walks — but never gets anywhere.

Jolly Miss McMahon works for the Hood Rubber Company as a walking tester of waterproof footwear. During the past year she has hiked more than 3,000 miles without straying from the company's reservation.

Her job is to wear down the heels and soles of rubber galoshes, boots, and rubbers. In doing it she strolls an average of 13.2 miles a day around Hood's 80 acres. It takes her about 45 minutes to cover her 2.2-mile course, including detours to say hello to her father and three sisters, who also work for the firm.

Once Miss McMahon walked 50 miles wearing a heavy boot on one foot and a light galosh on the other. At other times she has worn fur-lined boots on hot summer days, mismated samples, also one shoe too large and another too small.

CHRISTMAS SEAL SALE UNDER WAY AT BRITTON

More men than women were counted among new cases of tuberculosis discovered in Michigan in 1949, according to Supt. J. E. Wells, community manager of the 1950 tuberculosis Christmas Seal Sale in Britton. Of 5,953 new cases peported, he said 3,603 were male, the remaining 2,350 female.

Declaring that tuberculosis cases are a truer measure of the problem than any other single statistic, Mr. Wells pointed to "needless misery and suffering" caused each time tuberculosis strikes.

"Tuberculosis," Wells said, "can strike any person, any time, any place. Killing people of all ages, this disease breaks up homes, separating husbands and wives, parents and children. Wage earners are taken from jobs; families are thrown on public support. Costing the nation more than $350,000,000 each year, tuberculosis kills more Michigan people than all other infectious and parasitic diseases combined," declared Wells. "This disease remains Michigan's most serious public health problem."

Building protection from tuberculosis for homes and communities in Michigan, "tuberculosis Christmas Seals are a wise and humane investment," he said. "Area residents who have not yet paid for their tuberculosis Christmas Seals are urged to do so without delay. The money is urgently needed for tuberculosis control programs in 1951."

COAL SEAM FOUND IN NEW ZEALAND

Wellington, New Zealand — An earthquake in past ages is believed by experts to be responsible for some 15,000,000 tons of bituminous coal being readily accessible for strip mining on the west coast of the south island of New Zealand.

The Mines Department says it regards the discovery as one of the great strip coal mines of the world for bituminous coal.

Sustained prospecting and surveying on the Stockholm plateau, near Westport, has reached the stage where the department can estimate that less than 100 feet below the ground is a 35-foot seam containing high-grade coal reserves to the tune of 15,000,000 tons.

If you are smart you sense the fact that you are often reading a blurb in the news and in the magazines.

There's been a lot of talk in recent weeks about "the buying power of the dollar"—past, present and future.

We can't foretell the future—but we can tell you this right now:

You'll look a long way before you'll find a car that offers as much for the money as you can get in a 1950 Buick.

Close to half a million of these cars have been built and sold this year.

Close to half a million people have checked their features and prices against the field—and decided they'd *better buy Buick*.

As to prices—they start down below some sixes. And whether you price the SPECIAL, the SUPER or the ROADMASTER, you'll find, on a cents-per-pound basis, that few other cars can touch them for value.

And this is for sure! When it comes to performance—ride—the way they handle and hold the road—and thrifty use of fuel and oil—Buicks have never been finer.

That's another way of saying that coil springs on all four wheels—Dynaflow*—torque-tube drive—and Buick's high-compression, high-economy Fireball power produce an out-of-this-world combination.

So if you want your dollars to do extra duty—the time to act is now.

Look at the price tags—look at the features—sample the power and thrill that you get for your money—and you'll know what we mean.

*Dynaflow Drive is standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Look at the Typical Delivered Prices on 1950 Buicks

MODEL 46D Buick SPECIAL 6-passenger Sedanet with de luxe trim $1935

MODEL 41D (Illustrated) Buick SPECIAL 6-passenger 4-door Sedan with de luxe trim $2019

MODEL 56R Buick SUPER 6-passenger 2-door Riviera $2178

MODEL 72R Buick ROADMASTER 6-passenger 4-door Riviera Sedan $2323

Optional equipment, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities due to shipping charges. All prices subject to change without notice.

Non-Partisan News Letter

(EDITOR'S NOTE: Today's newspaper readers accept on-the-spot accounts of events as common place. This hasn't always been true. In the story below an event in December of 1838 is recorded in modern newspaper style. This is the seventh in a series of such stories based on eye-witness accounts in books and other material in the Michigan Historical Collections at the University of Michigan).

DETROIT, December 4, 1838 — The "Patriots," who have been waging war against Canada from Michigan and New York despite U. S. efforts to disperse the rebels, suffered a crushing defeat today in an attack on Windsor, just across the river.

An invasion, launched early this morning when a "Patriot" force of approximately 160 seized the steamer Champlain at its wharf here and sailed across the river to land about three miles north of Windsor, was a momentary success but turned into a rout when a stronger Canadian force attacked the "Patriots" at dawn.

Accounts are confused but the best information available late today indicates that the "Patriots" lost 32 killed and a similar number captured. Thirty to 50 are reported to have escaped across the river and are back in Detroit but they are being hunted out by United States marshals.

At least 10 to 20 of the "Patriots" were intercepted in their flight from the Canadians by U.S. troops aboard the patrol boat, Erie, which was busy firing on the escaping men as they sought to cross in rowboats and canoes.

The "Patriots" captured by the troops on the Erie were taken before Judge Wilkins this afternoon and examined, with seven being committed to stand trial at the June term of Circuit Court.

Tempers are high on both sides of the river tonight and special precautions have been taken in Detroit to guard against any return attack by the Canadians. The Canadians are enraged because the "Patriots" killed Dr. John James Hume, a staff assistant surgeon, while the "Patriots" and many of their American sympathizers are aroused over the retaliatory action taken by Col. John Prince, commander of the Canadian militia, who had four of the "Patriot" prisoners lined up against a fence and shot down.

Today's clash is another in a series that has been going on sporadically throughout the year. Some feeling exists in Detroit tonight, however, that today's defeat may mean the end of "Patriot" resistence. Fanned by the efforts of William Lyon Mackenzie, a Canadian editor, the "Patriots" have been fighting for a more democratic form of government in Canada. Despite the efforts of U.S. troops and the Department of State in Washington, the "Patriots" have been finding refuge in Michigan and New York.

Two of the "Patriot" officers, Brigadier General Putnam and Colonel Havell, the latter known as the big Kentuckian, were killed in the fighting today. There is no word as to the whereabouts of the Patriot commander, General Lucius N. Bierce. Authoritative sources say that General Bierce was reluctant to stage today's attack until he had a larger force available but that he was urged to proceed by the other members of his staff.

Churches Ready For Christmas

SPECIAL PROGRAMS AND SERVICES PLANNED FOR WEEK-END, BEGINNING TODAY

Tecumseh's churches are prepared for Christmas, and beginning today and continuing through Monday, special programs and services will be held in the several edifices.

Christmas activities will begin this afternoon for St. Peter's Episcopal church with the parties for the Sunday school children will be held. At 2 p.m. the nursery school children and mothers will meet in the Youth Center for songs, games, pictures and refreshments. Santa will make an early visit to distribute gifts and candy to the little ones. The children of the 10 o'clock school will gather in the parish house at 5:30 p.m., for a chicken dinner followed by an evening of games, moving pictures, and distribution of gifts.

On Sunday at 11:15 a.m., the children will present their Christmas service and program for parents and friends in the church. There will be recitations, special Christmas songs, Bible quotations and other traditional presentations.

For the Christmas eve services there will be the singing of carols by the choir with Dr. James Spencer at the organ, beginning at 10:30 p.m. The Christmas Eve communion service opens at 11 p.m. and will include three Christmas anthems. The junior choir will sing "O Holy Night" by Adam and the adult choir will join the juniors in "Nazareth" by Gounod. For the offertory the choirs will sing "The Birthday of a King" by Neidlinger, with tenor solo by Herbert Gilmore. The public is cordially welcome.

On Christmas Day there will be a celebration of the Holy Communion at 10 a.m., for those unable to attend the Christmas eve service.

The Presbyterian church school Christmas program will be held Friday evening, December 22, at 7 o'clock. All parents and friends are cordially invited to attend. The sanctuary, decorated with holiday evergreens, will be the setting for a play, "Carols of [illegible]," by Irvine Smith, d[illegible] the meaning of several great carols.

A mixed quartette, composed of Fred Dickinson, Mrs. Al Merz, Mrs. Nina Heath and Al Williams will sing carols with the assistance of the junior girls choir consisting of Ruth Boyce, Dianne Skinner, Merene Boltz and Betty Barton. The play, consisting of four scenes and tableaux will accompany the caroling. The following will enact the scenes: Two Italian boys, Eddie Rozelle and Charles Hartsell; American tourist, Nancy Treby; a Jewish woman, Judy Sisson; Charles Wesley, Otto Meiers; narrator, Charles Hendershot; Mary, Marie Boyce; Joseph, Jack Beardsley; Wise Men, Glenn Williams, Gary Roberts and Jimmy Place; Shepherds, Kent Davison, Jim Purkey and Raymond Puffer. Mrs. Fred Dickinson is director of the play and Miss Joan Pfaus is property manager.

The beginners department will contribute a musical selection by the rhythm band. Santa Claus' ap-

William J. Ingersoll, Former Resident, Dies

William James Ingersoll, aged 81 years old, of Oak Park, Illinois, died suddenly at his home at 3 p.m., Saturday, December 16. Mr. Ingersoll was born, November 11, 1869, in Adrian. He was a son of the late James and Althea Hyde Ingersoll, and with his parents moved to Tecumseh at the age of nine years. He attended the Tecumseh public schools.

According to the custom at that time, Mr. Ingersoll began his legal studies in the office of a local lawyer, James Wightman, later finishing his law course at the Detroit College of Law. He was admitted to the bar in 1893. Mr. Ingersoll practiced law in Tecumseh for several years and later moved to Rochester, New York. In 1910 he married Lillian A. Warring, who survives. In 1913 they moved to Chicago, where he was with the firm of Cook-Sullivan-Ricks for many years, retiring from active practice in 1941.

Surviving besides his wife, are one sister, Edith Ingersoll of Tecumseh, and several cousins.

Funeral services were held Tuesday afternoon at 2:30 from the sister's residence, 505 West Kilbuck street. The Rev. Donald C. Wilson officiated. Burial was in Brookside cemetery.

The bearers were Geo. H. Adamson, Guy E. Belding, J. Floyd Elliott, Arthur Harding, Earl Updike and Perry Satterthwaite. Friends and relatives attended the service from Lapeer, Port Huron, Grand Rapids, Adrian and Tecumseh.

Santa And His Reindeer Arrive In Tecumseh

Photo above shows Santa Claus waving a greeting to the crowd from his reindeer-drawn sleigh, just after his arrival in downtown Tecumseh, last Saturday evening for the children's Christmas party. Nearly 2,000 youngsters were on hand to meet him and, of course, there were nearly as many adults as children. The happy-faced girl in the sleigh with Santa is unidentified. A check in Tecumseh schools failed to reveal her name. It is believed that she attends some school in the trading area, and the Chamber of Commerce would like to know where. Inset shows a few of the youngsters as they were receiving their gifts from Santa. (Herald Photo)

Santa's Party Grand Success

NEARLY 2,000 YOUNGSTERS RECEIVE GIFTS; STORES OPEN NIGHTS 'TILL XMAS

Nearly 2,000 youngsters, most of them accompanied by their parents, received gifts from the hands of Santa Claus and his helper, Saturday evening, at Tecumseh's civic Christmas party in the downtown district. Chicago Boulevard, from Pearl to Ottawa street, was closed to traffic during the celebration, staged yearly at this time by the Rotary Club, the Exchange Club, the Veterans of Foreign Wars and the Chamber of Commerce.

Santa, with his sleigh and eight reindeers, arrived promptly at 7:30, escorted by the high school band. After a brief parade through the downtown district, the hundreds of children swarmed around him and told him of their desires for Christmas. In return, every youngster received a gift of candy and other goodies.

"It was a very successful Yule party," Ronald Harris of the Chamber of Commerce, said. "Despite the 14-above temperature and a biting wind, there were well over 3,000 persons on hand to meet Mr. Claus. Some of the children —and grown-ups, too—got pretty cold, but it was a merry occasion."

Santa and his reindeer remained in Tecumseh this week, and may be seen daily on the streets of the village and in the downtown district.

To better accommodate shoppers, stores here are open each evening this week, through Saturday.

"Shopping here this year is heavy," Mr. Harris said, "and this week many children are

SCHOOLS IN RECESS FOR HOLIDAY VACATION

The public schools in Tecumseh recessed at the end of classes yesterday afternoon for the long Christmas-New Year's vacation. The students will enjoy nearly a two week's holiday, returning to their class rooms on Wednesday, January 3.

Tecumseh, Ontario Sends Greetings Here

LOCAL COMMITTEE TAKES 6-FOOT CHRISTMAS CARD TO CANADIAN TOWN

Tecumseh residents have received a special "Christmas card" from Tecumseh, Ontario, in the form of a huge maple leaf, the traditional symbol of Canada. The leaf is forest green and in silver letters bears the inscription: "Season's Greetings to the citizens of Tecumseh, Michigan from their good friends in Tecumseh, Ontario."

The big greeting was brought to Tecumseh by a committee consisting of Clarence Beach, A. W. Porter, and Ronald Harris who last week delivered a Christmas wreath to the namesake town from the local Chamber of Commerce. The committee was entertained by a group headed by Mayor Tom Scott and other members of the Ontario town's committee in charge of their Mid-Century Festival when 2,500 residents of Tecumseh, Michigan area paid them a mass visitation salute last

The Canadians report that these inter-city visitations are their major subjects of conversation the year round. At last week's meeting there were representatives of near-by Ontario towns who had been greatly interested in these unique events.

The greeting leaf will be on display in the Chamber of Commerce window until after the holidays.

PFC. RAYMOND HANNAH WOUNDED IN KOREA

Mrs. Beulah Hannah of Britton has received word from her son, Pfc. Raymond L. Hannah, that he has been wounded while in service in Korea and is located in the Tokyo Army Hospital. Mr. Hannah's mailing address is, Pfc. Raymond L. Hannah, 16225818 Ward 6, Tokyo Army Hospital, APO 1052. Raymond will be hospitalized for some time and would appreciate letters and cards from his friends.

Tecumseh Directory To Be Issued In March

A directory of the Village of Tecumseh and Tecumseh Township will be published in February or March by the Robinson Directory Service of Hillsdale, it was announced today.

The new directory will include the names and addresses of all residents of both the village and the township, including children, and will be cross-indexed for easy reference.

The book also will include a cross-indexed telephone directory.

Crews are now at work acquainting merchants with the plan, and a census of the area will be started about the first of the year.

CHURCH SANCTUARY CLOSED TEMPORARILY

The official board of the Methodist church has announced that the sanctuary has been closed for repairs and redecorating. Until further notice, church services will be held in the rooms on the first floor of the church.

The committee in charge of the improvements is made up of William Yeagle, Edward Beal, Earl Updike, Herbert Dillon and Willis Porter.

Autos Damaged In Mishaps Here

SERIES OF ACCIDENTS INVESTIGATED BY POLICE DURING PAST WEEK

A series of automobile accidents, involving property damage but no personal injury, were investigated by police here during the past week.

James Beach, Clinton, and Marshall Drouillard, Britton, were involved in an auto mishap at the intersection of Chicago Boulevard and Oneida street, Sunday at 1 p.m. The two cars were damaged in the amount of $375. Drouillard was given traffic tickets for having no driver's license on his person, and for making an improper turn.

At 2:15 p.m., on the same day, cars driven by John R. Marsh, Ridgeway, and Howard VanGoder, Tecumseh, were involved in an accident at South Evans and Kilbuck streets. There was only minor damage to the autos.

Last week Wednesday at 2:15 p.m., at the Iron Bridge on North Mill street, cars driven by Donald H. Buit, of Detroit and Geo. J.

Telephone Improvement Program Is Progressing

Tecumseh is a few steps nearer to the installation of a 14-place switchboard in the offices of the Michigan Associated Telephone Co., Ernest Green, manager, said today.

The new board will be located on the second floor of the Telephone Building on East Chicago Boulevard, and the job of plastering and other repairs needed prior to the installation are nearly finished, he said.

"We are hurrying the job along but the holidays interrupt our schedule," Mr. Green said. "However, we hope that we will make very rapid progress after New Year's."

When the new board has been installed, the service locally will be greatly improved because of the increased number of positions, it was said.

Scouts Present Gift To Church

CUBS EXPRESS THEIR APPRECIATION; YULE PARTY GREATLY ENJOYED

Tecumseh Cub Scouts, Pack No. 4, held their Christmas program Monday evening, December 18, in the Baptist church. Chester Beach, master, was in charge of the meeting.

Den No. 9, Mrs. James Elliott, den mother, opened the program with the pledge of Allegiance to the flag, the Cub Promise and Law, and the audience sang America. Harold Hall, chairman, and his son, Gary, presented a set of brass candleholders, inscribed "Cub Scouts—1950" to the Baptist church, the Rev. B. O. Bashore accepting the gift in behalf of the church. The gift expressed the Scouts' appreciation for the use of the church.

Den No. 1, Mrs. Chester Beach, den mother, awarded den chief cords to the den chiefs and presented Bruce Packard with a star for serving for two years as a den chief. Dens No. 10, 6, 4, 3 and 7 sang several Christmas carols accompanied by Mrs. Lester Munger at the piano. With the singing of "Here Comes Santa Claus," Santa

Jail Sentences For 2 Drivers

FINES AND TERMS IN COUNTY JAIL METED OUT TO INTOXICATED MOTORISTS

Two motorists were sentenced to terms in the county jail when they were arraigned before Justice Robert French here during the past week, charged with driving while intoxicated.

Edwin H. Bunge, 38, of Tecumseh, drew a fine of $50, costs of $8.60 and a seven-day jail term when he was arraigned before Justice French on Tuesday. He was arrested by police on December 18.

Albert Glissen, Rt. 2, Adrian, drew a fine of $50, costs of $8.60 and a 10-day jail term when he was arraigned in the same court, December 14. Glisson was arrested at 8 p.m., December 13, at Wyandotte and E. Chicago boulevard. Police charge that his car struck a sign and light post.

Your Yule Tree Can Be An "Incendiary Bomb"

That Christmas tree of which you are so proud is also a first class incendiary bomb, is the warning of the Chamber of Commerce. The National Fire Prevention Committee has requested the local organization to ask that all persons having Christmas trees in their homes use all possible precautions. In particular they emphasize that the tree lights should never be left on unless there is an adult in the room.

When the tree is dismantled it should be placed out of doors immediately. In order that Tecumseh residents may be doubly assisted in their precautions, Angus Leach, village engineer, announces that there will be a special Christmas tree pick-up on Friday, January 5. Trees are to be placed at the curb and they will be carried away by the village crew. Trees not at the curb at this time will have to be disposed of by the owners.

I will be at the United Savings Bank each Saturday until further notice, for the collection of taxes, dog tax and fire insurance. Will also accept payments by check or money order, mailed to my residence, 211 W. Brown St., Lawrence Mohr, Township Treasurer.

2,400 Turkeys For TP "Family"

EMPLOYEES OF TECUMSEH PRODUCTS COMPANY GET GENEROUS GIFTS, FRIDAY

Approximately 2,400 employees of Tecumseh Products Company will receive plump, oven-ready turkeys, and about 400 others will get baskets of fruit and candy, when the company plays Santa Claus to its "family" on Friday.

For the past 12 years the company has remembered its employees in a similar manner at the Christmas season, giving turkeys to payroll members with dependents, and fruit baskets or candy to those without dependents. However, this year, 650 more turkeys will be required than a year ago, and about 75 additional fruit baskets. Products' employment roll is the highest in the company's history.

The turkeys will arrive by the truck-load, Friday morning, and distribution will begin at 11 o'clock. It will take several hours to pass out the more than 42,000 pounds of birds.

Police Improve Radios In Cars

SHERIFF'S DEPARTMENT TO RELAY CALLS IF LOCAL STATION DOESN'T ANSWER

Effective Friday, Chief of Police M. E. Clark said today, local police should be almost instantly available to residents of this village, either by telephone direct or by radio message, relayed by the sheriff's office at Adrian.

Friday, a new radio receiver and transmitter will be installed in the police scout car, and it then will be in direct communication with the sheriff's department in Adrian. A second radio in the car will put it in touch with departments at a greater distance.

After 5 p.m., when the local police offices close, or before 8 a.m., if local residents desiring to contact officers get no answer on the telephone when they call 150, they should call 10150 which will connect them with the sheriff's office in Adrian. The message then will be relayed back to Tecumseh by radio to the police car. In the

To Vote on Bonds

BRITTON-MACON SCHOOL DISTRICT TO POLLS JAN. 9 ON $200,000 ISSUE

Voters in the Britton-Macon Agricultural School District, comprising 10 districts in all will vote January 9 on a proposal to issue $200,000 in bonds for the expansion and improvement of the school property, according to J. E. Wells, superintendent. The plan to bring the issue to a vote was approved by the board of education, in session last week. Voting will take place in the Britton town hall and the polls will be open from 10 a.m., until 6 p.m.

If the bond issue is approved, the money will be used to build a new building, adjoining the present school in Britton, which will house the agricultural classes, manual arts students and some others. Extensive remodeling of the present building also is planned.

The Britton district now is operating three schools, one in the village and two rural schools, one in the Kniffin ditsrict, the other in the Sutton district. If the expansion program carries, the Kniffin and Sutton schools will be closed, it was said.

Kroger Store Here Cuts 300-Lb. Birthday Cake

The Kroger Grocery & Baking Co., observed the second anniversary in its new store here, last Friday afternoon with brief ceremonies and the cutting of a 300-pound-candle-topped cake. Through out the afternoon, pieces of the dessert were served to the store's customers along with generous helpings of ice cream.

The huge cake, especially for the occasion, was baked and beautifully decorated in the company's own bakery in Detroit and rushed here by special truck. Robert Stetelcamp of Toledo, grocery merchandiser, and Burdette Kiser, district superintendent of Jackson, were on hand for the occasion, and the cake was cut by Earl L. Wickwire, publisher of The Herald.

The Kroger company moved into its spacious super-market on E. Chicago boulevard two years ago. The birthday party in an annual

Chamber Sponsors The Yule Decorating Contest In Tecumseh

Residents of Tecumseh and vicinity again this year will compete for prizes in an outdoor Christmas decoration contest. This is an annual competition, sponsored last year by the Tecumseh Monday Club and this year by the Chamber of Commerce. There will be an added feature this year in the form of a store window contest.

Mrs. Robert J. McCoy, chairman of the Chamber of Commerce Christmas decorations contest committee, announces that the contest area will embrace the entire village of Tecumseh and those areas considered a part of the community.

Persons desiring to enter the competition should plan their outdoor decorative schemes using any material and equipment they wish. There are no limitations. Decorations may be inside the home in the case of window displays, but all must be visible from the street. Store decorations will also be judged on the basis of what is seen from outside.

The decorations must be in evidence the two nights of judging, Monday evening, December 25, and Tuesday evening, December 26. Two cash prizes, $10 first prize and $5 second prize, will be awarded. Honorable mentions will be given to outstanding efforts which the judges might note. Equal prizes will be awarded the store winners.

Winners of prizes will be published in next week's issue of The Herald. Persons who decorate are asked by the committee to leave their decorations in place until after the New Year in order that the residents of the area may have the opportunity of driving around to see them.

Besides Mrs. McCoy as chairman, the committee consists of Perry Satterthwaite, Anne Carson, Mrs. Tom O'Hara and Homer Colson.

". . . . . and on earth, Peace to men of good will."

This is the Christmas season. In three more days the world will celebrate the anniversary of the birthday of Christ. More than any other of the holy days of the Christian world, Christmas has built up traditions which make it the special day that it is . . . a day of loving, giving and sharing, and of hope for eternal life.

Most of us, here in America, will, next Monday, observe Christmas in the true spirit of the day. We will attend the church of our choice. We will give and we will share, and we will renew our faith in a living God. And we will hope . . . . . for peace on earth.

Unfortunately, there is not peace on earth this Christmas. Today, here in America, we are arming to the teeth to meet a threat against the Christian way of life. We are preparing to put down by force, if necessary, a Communistic threat. At this moment in Korea, American boys are dying for that cause.

For many, here in America, it seems difficult to understand Communism. It is a religion. It is a way of life for which men are willing to die. It is a way of life that denies God. It must be that way because, under Communism, there is a dictator, and a dictator must be supreme. There can be no higher authority, no greater hope.

A vast majority of us here in America believe in the Christian way of life. We believe that there is a God, and we believe in eternal life. But it appears that there are those among us who do not believe with the majority. It seems that there are a few—and perhaps a growing number—who would destroy the American way of life. This group must be watched, and they must be dealt with firmly.

Not only is democracy in danger, not only is our liberty and freedom threatened by this Communistic religion, but also our churches, our schools and our faith in a Supreme Ruler. Those of us who believe in the true meaning of Christmas must remember that man cannot serve both God and a dictator. The dictator must be supreme.

On this eve of Christmas we hope sincerely that we are not seeing the beginning of World War III. Many of us well remember World War I and World War II. We remember the horrors of both of them, and the sacrifices of human life. World War III, scientists tell us, might well be the end of civilization as we know it.

These are not pleasant thoughts for Christmas, but they are facts. They are realities that we must face, and for which we must be prepared. Perhaps, at the Christmas season, we will be better able to more fully realize the seriousness of the threat, and pray for leaderhip and courage to overcome it.

We must be united. We must not be divided. We must put freedom and liberty, the right to worship God according to the dictates of one's conscience, ahead of all else. We must not be selfish and permit greed to blind us in our democratic way of life. We must be united in government, we must be united in business, we must be united on the union front as well as on the military front. We must not sabotage the lives of our boys in uniform by our demands for larger pay checks through strikes and "sickness."

If we fight World War III it will not be a fight for more liberties, more rights for labor, greater powers for government officials, or increased social security and pension checks. World War III will be fought to protect the democratic way of life that each of us know and enjoy. If we lose World War III our freedom will be gone. We will bow to a dictator.

From our nation's point of view, Christmas, 1950, will be the blackest Christmas in the history of the United States. The greatest free government in the world, made up of 160,000,000 people, stands at the cross roads. Everything that we have, as individuals and as a nation, is at stake. A national emergency has been declared by our President. Democracy has been alerted.

As we approach Christmas, then, let us pray for Devine leadership for those in high office. Let us pray for courage to withstand whatever hardships may come our way. We must be prepared for any emergency.

If America is forced to fight World War III, every living American will, in some way, participate. Let us unite in a prayer that the One whose birthday we celebrate next Monday will guide us in our efforts.

Dr. MacNaughton Talks To Methodist Society

An inspirational talk emphasizing the "Supreme Gift" was given by Dr. Norman MacNaughton at the Christmas luncheon meeting of the Woman's Society of Christian Service in the social room of the Methodist church, last Wednesday. Also at the luncheon, the society presented Mrs. James Foster with a corsage in honor of her recent birthday.

The president presided over the open board meeting held in the forenoon and the afternoon session was devoted to a "Thanks" offering service conducted by Mrs. H. H. Loveland, secretary of Spiritual Life. Those participating in the tableau were Mrs. Jennie Temple, Mrs. George Green, sr., Mrs. Edna Codling, Mrs. Robert McCoy, and Mrs. Mertie Waring. This service was followed with a timely program on "Spiritual Resources for Health" presented by Mrs. Wilfred Waldron with the assembly participating in the discussion. Mrs. George Green, sr., Mrs. Ernest Robison and Mrs. Claude Gray were the hostesses.

As a further interpretation of the meaning of Christmas, the society will have a "Birthday Party for Jesus" as a feature of the January meeting when each member will bring white gifts of things needed about the church. Mrs. Loveland asks that the members bring scraps of yarn, cotton materials, or printed feed sacks either to her home or to the church to be used for missionary work in Korea by the residents of Chelsea Home.

YOU SAY YOU THINK THIS HAS BEEN A ROUGH WINTER?

Well, Winter Doesn't Arrive Until December 22

What happens in the way of weather after 5:14 a.m., Eastern Standard Time, on Friday, December 22 can be properly charged against Winter.

What has happened thus far was only the forerunner of Winter, according to Dr. Hazel M. Losh, assistant professor of astronomy at the University of Michigan who has consulted the astronomical charts to find the exact moment when Winter begins.

"During most of December, the sun will be more than 23 degrees south of the equator but on December 22 it will reach the most southerly point in its apparent yearly journey around the earth," Dr. Losh reports.

Since it will have its shortest daily path across the sky, the day will be only nine hours long and the night will last for 15 hours, the shortest and longest respectively of the year, she points out. But once again, she explains that the conservation of heat by the earth and atmospheric blanket will keep the coldest weather of the season from occurring at the time of the shortest day.

"During December and especially at the Christmas season, some of the most beautiful and colorful stars in all the heavens light the eastern horizon in the evening," she reports. "There is no constellation that equals in splendor and beauty the giant Orion striding majestically across the southern sky."

This constellation precedes and announces the approaching rise of Sirius, the brightest star in the whole heavens. Other bright spots in the east at about 9 p.m. are the Twins in Gemini, while at the same time during the Christmas season the Northern Cross can be seen standing upright in the west with the bright Deneb marking the top of the cross.

Orion can be spotted quite easily since three bright stars in a row mark the belt that holds the sword of this might hunter, Dr. Losh reports. Arranged like steps in the sky, these stars point directly downward toward Sirius, just appearing over the horizon by 9 p.m. and point upwards toward the orange Aldebaran in Taurus.

Two other stars in Orion command attention because of their brightness. Betelgeuse, the star that marks one shoulder of Orion, has the largest diameter of all the stars but is so distant that the light we now see left the star around the year 1650. Brightest star in Orion is the blue-white Rigel which is so far away that its light has been on its way to the earth since 1400. If Rigel was the same distance from the earth as the Sun, it would be 18,000 times brighter.

Castor and Pollux, the two bright stars in Gemini, are northeast of Orion.

New Officers Are Named By Pythian Sisters

Josephine H. Hall Temple No. 49, Pythian Sisters, held their regular meeting last Wednesday evening, December 13, at 8 o'clock. The following new officers were elected: Mrs. M. W. Mathews, most excellent chief; Mrs. Neva Jacobs, most excellent senior; Mrs. A. J. Todd, most excellent junior; Mrs. E. L. Furgason, manager; Mrs. George Wiltrup, secretary; Mrs. Paul Gieske, treasurer; Mrs. Edwin Swift, protector protem; Mrs. Dora Aten, guard protem; Mrs. Fred Whelan, installing officer; Mrs. Edna Staulter, pianist and press correspondent; Mrs. Walter Hizer, captain of degree staff; Mrs. Whelan, delegate to grand temple, and Mrs. Henry Ehlinger, alternate; Mrs. Luther Wood, visiting delegate; Mrs. Mathews, delegate to district convention, with Mrs. William Custer, alternate; Mrs. Glenn Wilson was elected trustee for three years.

At the close of the meeting a social time was enjoyed and refreshments were served by the committee in charge. The table was decorated in keeping with the Christmas season.

Quaker Pension Plan Improved

ADDITIONAL BENEFITS FOR EMPLOYEES ANNOUNCED BY FOOD COMPANY

Four major improvements in the retirement annuity plan are being made for all Quaker Oats Company employees, D. T. Nixon, local plant manager announced today.

The improvements in the firm's retirement plan for employees, which become effective January 1, 1951, will:

1. Eliminate the age requirement for eligibility to the plan.

2. Cut in half service time required before an employee can obtain benefits from the company's contributions if he leaves the company for any reason before retirement.

3. Increase the benefits for retiring women employees by making the retirement age for women 65 years of age instead of 60.

4. Adjust employee and company contribution rates to integrate Quaker's plan with the new Federal Social Security scale which will mean increased benefits upon retirement for most employees.

In a letter to Quaker employees explaining the changes in the company's pension plan, Donald B. Lourie, president, said the improvements were made "in light of changing economic conditions."

He said that the company was concerned about keeping the plan up to date. He expressed confidence that employees would welcome the improvements and added that the soundness of the Retirement Annuity Plan depends on the soundness of The Quaker Oats Company and is a responsibility shared by all employees.

For participation in the present plan, women employees are required to have six months of service and be at least 25 years of age. Men employees must have six months of service and be at least 30 years of age. With the improvements, Quaker employees will be eligible to take part in the retirement plan regardless of age after completing one full year of service.

After January 1, 1951, a Quaker employee who leaves the company after ten years as a member of the plan and before retirement age, may leave his own funds and the company's contribution with the insurance company and obtain an annuity at age 65. The present Quaker plan requires twenty years before he can take advantage of this vesting privilege before normal retirement age.

Women Quaker employees are given equal rights with men Quaked employees under the changes which take place the first of next year. Under the present Quaker plan, the normal retirement age for women is age 60 and for men, age 65. The change in retirement age for women to age 65 makes it coincide with the age at which Social Security benefits start. Under the present plan a woman reaching age 60 retires and receives benefits from the Quaker plan from age 60 to 65 but nothing from Social Security until age 65. The change makes it possible for a woman to work until age 65 and gives her an opportunity of being gainfully employed between ages 60 and 65.

After January 1, 1951, Quaker employees will contribute 2½ per cent on the first $3,600 of their annual compensation and 5 per cent on all wages over $3,600. The company's contributions will be increased proportionately. Currently the company contributes an average $2 for every $1 contributed by employees. Quaker employees now pay 2½ per cent on the first $3,000 of their annual compensation, 4 per cent on the amount over $3,000 and under $10,000 and 2½ per cent on compensation over $10,000.

The Quaker Oats Company retirement plan for employees dates back to September, 1938. At that time the company voluntarily contributed $8,360,000 to pay for past service credits of all employees signing up for the plan. Since then the company has contributed an additional $4,800,000 and Quaker employees have invested approximately $2,600,000. In all, over 93 per cent of eligible Quaker employees in this country are now enrolled in the plan.

LOCALS AND PERSONALS

Mr. and Mrs. Earl Wood of North Pearl Street, were surprised last Sunday when their son and family, Mr. and Mrs. Richard Wood of Jackson, and their daughter and husband, Mr. and Mrs. Samuel L. Lawrence, called on them. The occasion marked the birthday anniversary of Mrs. Wood. A potluck dinner was enjoyed featuring a large birthday cake. Mrs. Wood received several nice gifts.

Clare Camburn, director of the Tecumseh high school band, attended the Mid-West Music Conference held last Thursday, Friday and Saturday in Chicago.

Miss Gertrude Spaulding, Miss C. Woun and Miss E. Simonson attended a tea given by the faculty of the College of Nursing, Wayne University in Detroit, recently. The tea was to honor the clinical personnel of co-operative hospitals and agencies assisting with the basic and degree nursing programs at the College of Nursing. The local hospital has provided affiliate facilities for their senior students and will have further groups in Tecumseh during 1951.

Rev. Escolme Speaks To The Rotary Club

"Let's Face the Questions," was the subject of an interesting talk, Tuesday evening to members of the Rotary Club by the Rev. Edward Escolme, pastor of the Friends Church here, when he spoke following the organization's dinner meeting in the American Legion Memorial Home.

The Rev. Mr. Escolme briefly reviewed the interantional situation and the threat of World War III, pointing out that the American and Allied foreign policy has been one of confusion since World War II. Regardless of likes or dislikes, he declared, it is now time for clear thinking and prayers for Divine leadership for those in high authority.

The club enjoyed its Christmas dinner, which included roast turkey, cranberries and all of the trimmings.

GEORGE V. BUELL BURIED AT TIPTON

Funeral services for George Vernon Buell, aged 59 years old, who died December 10, 12:20 p.m., at Herrick Memorial Hospital, were held Wednesday afternoon at 2:30 at the Collins Funeral Home, with W. A. Johnston, former first reader of the Fourth Church of Christ Scientiest, of Detroit, conducting the services. The bearers were Glenn Neely and Frank Kerr of Brooklyn, Herbert Taylor of Jackson, David, John and Arthur Lawrence of Sarnia. Burial was at Tipton cemetery. Friends and relatives attended from Detroit, Dearborn, Sarnia, Saginaw, Clinton, Brooklyn, Tipton, Plymouth, Jackson, San Francisco, Calif., and Tecumseh.

Grade Kiddies Have Programs

CHILDREN OF WEST BRANCH PRESENT ENTERTAINMENT FOR PARENTS AND FRIENDS

Elementary grade children in the West Branch of the public schools here presented their holiday programs this week, prior to the Christmas recess, which began at the close of classes, yesterday.

The second grade Christmas party at the West Branch was held Wednesday afternoon. Miss Bertha LaPointe, teacher, presented the following program:

"Jolly Santa Claus," by the choir, composed of Sandra Bartenbach, Judith Mangrum, Sandra Creger, Barbara McKenzie, Larry George, Vickie Sue Bauchey, Karlene Irelan, William Ross, Kay Wagoner and James Bashore. "The First Christmas," by Marjorie Van Valkenburg; "Santa's Little Girl," by Helen Sue Hicks; "This Year," by Cynthia Poley; "Christmas Pleasure," by Thomas Barton, Ray Goodwin and David Brooks; a story, "Santa Stays at Home," by Dianne Fuller; "Glad Tidings," by Vickey Jane Peterson; songs, "Candles Bright" and "Silent Night;" "Shopping Early," by Sandra Staulter; "A Present for Mother," by Camilla Grigg; "Christmas," by George Heeman; "Sharing Christmas," by Linda Griffin; "My Christmas Stocking," by Robert Holmes; song, "Here One Is Coming Tonight," by the choir; "My Electric Train," by Patrick Holdridge; "The Candle," by Floyd Steele; "The Question," by Carol Ann Lowe.

The Christmas play, "Christmas In Mother Goose Land," included Larry Titley as Santa Claus; Melody Smith as Mrs. Santa; Jack Horner was Michael Robison; Jack and Jill were Billy LaPrad and Barbara Close; Little Miss Muffet was Carol Greeman; Little Bo-Peep was Ann Wilson; Tom, the Piper's son was Kenneth Beevers; Old Woman Who Lived in the Shoe was Karen Butler; and Little Boy Blue was Dennis Harrison. A recitation, "Last Wishes," was by Charles Mueller.

The First grade children of the West Branch held their Christmas program Tuesday afternoon at 2:30. Mrs. Leon Van Valkenburg, their teacher, presented a play, "A Mixup in Santa's Work Shop," with the entire class taking part.

The Kindergarten classes of the morning and afternoon divisions, with Mrs. Dorothy Updike, teacher, presented a combined Christmas program, Tuesday afternoon at 2:30 for their mothers and friends at the West Branch school.

You Can Avoid Colds And Mishaps At Xmas

If you can avoid that Christmas cold or accident, the Michigan Department of Health said today.

More colds and accidents occur during December than at any other month of year.

Probably the surest formula for catching a cold is to mill around in a crowded hot store until you're all tired out and overheated and then go out of doors and get your head and feet wet and yourself thoroughly chilled.

And one of the surest ways to get hurt is to shop long hours, load yourself to the eyebrows with packages and then hurry down stairs, rush through downtown traffic or try to keep your balance on icy walks.

Wear sensible, comfortable, clothes, shoes and boots when shopping. Put all your bundles in a basket or shopping bag. Cross only at intersections and with the light. Look before you leap out from behind a bus or in front of streetcar or automobile.

Quit shopping if you become tired or irritated. It is the weary, pre occupied person or the one who has just had a couple of cocktails to freshen up to whom an accident occurs.

It is not only healthier but also safer to make many short shopping trips rather than a few daylong shopping tours, the Department said. Plan special brief shopping trips for the children.

If you must drive to the shopping areas, be sure that all your car lights, windshield wipers, and brakes are in the best working order. Slow down well in advance of intersections. Be especially careful at dusk.

Don't let sickness or accident spoil your holiday.

Girl Scouts Offering Free "Baby Sitting"

Tecumseh Girl Scouts urge everyone to buy one of their 1951 calendars. These calendars make practical gifts and there is plenty of space for daily notes and memorandums.

The Girl Scouts will have their calendars on sale in the lobby of the United Savings Bank, Thursday, December 21 and Friday, December 22.

The Scouts also are sponsoring a baby sitting service, Friday and Saturday of this week at the Methodist church. Any mother desiring to shop on these days from one to five o'clock may leave her child or children at the church, and there is no charge for the services. A troop leader will be in attendance at all times. The children will be well cared for and entertained, it was said.

made his appearance and greeted several small children.

The induction ceremony for five new members was conducted by Den No. 2. Mrs. Place, den mother, for Ralph Helzerman, Todd Herrick, Harry Naugle, Thomas Norris and Ricky Holdridge. Den No. 8. Mrs. Fred Randall, den mother, took charge of presenting the following awards: Don Martin, gold and silver arrow; Billy Fielder, bear badge, gold and silver arrow; Robert Place, bear badge; Donald Sweet, bear badge, gold and silver arrow; Terry Hendricks, bear badge, gold arrow; Norman Scott, bear badge, gold arrow; Paul Scott, bear badge, gold arrow; Raymond Stuyter, gold and silver arrow; John Elliott, lion badge, gold arrow; David Elliott, lion badge, gold arrow; Gary Elliott, bear badge, silver arrow; Gary Williams, bear badge, gold and silver arrow; Max Smith, bear badge, gold and silver arrows; Leroy Britton, bear badge; Lee Vesellius, lion badge, gold arrow; Eddie Rozelle, bear badge, gold and silver arrow; Thomas Price, bear badge, silver arrow.

The Cubs then distributed the Christmas gifts they had made during the past month to their parents. Den No. 5, Mrs. Charles Stevenson, den mother, closed the meeting with two songs.

There will be no den meetings until the first week in January after school resumes. The next pack meeting will be January 22, 1951.

Police Improve

(Continued from page 1)

event of emergency, Chief Clark said, residents need only advise the telephone operator and the call will be put through immediately to the sheriff's office.

"We have worked this program out through the cooperation of the telephone company," Clark said, "and we believe that it will afford Tecumseh around the clock service by our department. Sometimes, when all officers are out of the office, we cannot be reached immediately by phone. With the new arrangement, if it is necessary to reach us, all one has to do is call 10150 and be connected directly with the sheriff's office and the call can be radioed back to us."

Autos Damaged

(Continued from page 1)

Hansen were damaged in a mishap. Police said that a haulaway was on the bridge and that the Buit car, headed north, stopped to let thet ruck clear. The Hansen car hit the Buit car in the rear. Hansen was given a ticket for failing to wear glasses as required by his driver's license.

Cars driven by Jerry Eggleston, 142 E. Chicago, and Mrs. Donna Seitz, 106 Muscody, were involved in an accident at 6:29 p.m., Friday on N. Evans road. The ticket to the two cars amounted to about $600, police said. Mrs. Seitz was removed to Herrick Hospital but she was suffering only from shock and was released. She lost her purse at the scene of the mishap, police said, and it has not been recovered.

Check Artist Is Given Two Years Probation

Loren E. Warner, 26, of Nelsonville, O., was placed on two year's probation by Circuit Judge G. Arthur Rathbun in Adrian, Tuesday, when he was arraigned on a charge of issuing checks without funds in the bank. Warner also promised to make good the checks he had issued, and he was released to the sheriff of Lancaster, O., one of his probation officers.

Complaint against Warner was made by Tecumseh police on December 13, after they had been notified by John Hamilton, local gasoline station operator, that he had cashed a $48 check for him and had given him merchandise and $23.08 in cash in return. The bank refused the check because Warner had no account. Investigation showed that another gas station here had received two similar checks, but that they had refused him the merchandise until the checks cleared the bank.

Sgt. Heberlein and Officer Schulz began an immediate investigation and found that Warner, with his wife, had been staying at the Clinton hotel under the name of Mr. and Mrs. Raymond D. Tolliver. He had taken a bus for Coldwater a few minutes before officers arrived. Coldwater authorities were notified and the couple were detained. Both were returned to Adrian and later Mrs. Warner was released.

Local police said that Warner admitted to the offense, and also said that he had passed checks in both Monore and Detroit. He said that his parents would make them good.

Name Students To Honor Roll

19 IN SENIOR AND JUNIOR HIGH SCHOOLS INCLUDED IN "A" HONOR LIST

A total of 19 students in the junior and senior high schools of Tecumseh were named to the all-A honor roll during the second six weeks of the first semester, it was announced today at the office of James McDowell, principal. Mr. McDowell explained that a new method has been established for the selection of winners as follows: An "A" counts four points, "B" three points, "C" two points, and "D" one point. An "E" is minus one. The numbers are then added together and divided by the number of marks received by each pupil. An average of 3.6 and above makes the "A" honor roll, and an average of 2.6 and above the "B" roll.

"A" roll students in the 12th grade include, Jolene Barron, Bernice Griesinger, Rena Rebottaro and Cynthia Spafford. In the 11th grade, Jack Beardsley, Rosanna Niedermier and Nita Smingler. BRITTON

Barrett—Kimerer

The Ridgeway church of the Nazarene was the scene of a lovely church wedding, Saturday evening at 8 o'clock, when Miss Gene Iris Kimerer, daughter of Mr. and Mrs. Harley W. Kimerer of Britton, became the bride of Gordon Lee Barrett, son of Mr. and Mrs. Forrest Barrett, also of Britton. The Rev. C. L. Bearinger, pastor of the church, performed the ceremony, before an altar banked with baskets of evergreen and holly, each tied with large bows of silver ribbon. There also were ornamented Christmas trees and candelebra tied with silver ribbon and holly. In the center of the altar was a glowing cross. White satin bows tied with holly marked the family pews.

The candles were lighted by Karl Kimerer, brother of the bride, and Allan Barrett, brother of the groom.

The bride, given in marriage by her father, wore a gown of white slipper satin, with an off-the-shoulder collar, chantilly lace yoke, and sleeves ending in calla points over her hands. Her scalloped fingertip veil of illusion was caught to a satin and lace halo matching her gown. She carried a white Bible centered with white mums surrounded by white roses. A rhinestone necklace, a gift of the bridegroom, was the only jewelry worn by the bride.

The bride chose her twin sister, Mrs. Harold Keasel, of Manchester, as matron of honor and she wore a gown of blue slipper satin fashioned similar to the bride's. Her head dress, gauntlets and muff matched her gown and the hat and muff were quilted with silver sequins. The bridesmaids were Miss Margaret Kimerer, sister of the bride, and Mrs. Hazen Montry, of Deerfield, a classmate of the bride. The bridesmaids wore green and ice pink slipper satin, respectively, styled similar to the bride's, with matching accessories. The attendants also carried holly trimmed muffs tied with silver and two-tone ribbon matching each gown.

The flower girls were Carol Ann Parrett, sister of the groom, and Leitha Kimerer of Tecumseh, cousin of the bride. They wore identical floor length gowns of yellow taffeta, with matching poke bonnets, mitts and muffs.

Ronald Barrett of Tecumseh served his brother as best man. The ushers were Charles Barrett of Britton and Harold Keasel of Manchester.

A reception was held immediately after the ceremony for 225 guests at the Tecumseh Grange Hall. Mrs. Kimerer, the bride's mother, received the guests wearing a navy blue dress and Mrs. Barrett, the groom's mother, wearing a navy faille lace dress, with navy accessories. Both mothers wore pink carnation corsages.

The bride's table was centered with the traditional five-tiered wedding cake, made by Mrs. Harold Keasel. The table was decorated with holly, tied with silver bows. Mrs. Henry Osborn, of Temperance, aunt of the bride, served the cake and was assisted by Mrs. James Inman of Saline. Mrs. Ronald Barrett of Tecumseh, was in charge of the guest book. Others who assisted with the serving were the Misses Margaret Barrett, Shirley Bortel, Alice Chapman, and Mrs. Byron Pilbeam.

For traveling the bride chose a royal blue headed gown with black accessories and a corsage from her bridal bouquet. After a short trip through the south, the couple will reside near Adrian.

Both the bride and bridegroom are graduates of Britton high school with the class of 1950. The bride was employed at Herrick Memorial Hospital and the groom is engaged in farming.

Guests were registered from Detroit, Petersburg, Temperance, Adrian, Dundee, Tecumseh, Lincoln Park, Manchester, Saline, Deerfield, Britton and Ridgeway.

S/Sgt. William L. Cundiff returned to his base at Omaha, Neb., last week after spending 10 days here with his parents, Mr. and Mrs. William A. Cundiff and other relatives.

The Congregational Dorcas class held their regular meeting Thursday at the church with 19 members enjoying a potluck dinner. The devotions were led by Mrs. Lenora George and a program followed with group singing of carols and material built around Christmas. The next meeting to be held January 18 with a 1 o'clock luncheon.

The Emanuel Lutheran church will hold their Christmas Eve service at 7:30 which features the Sunday school children and the choir. Numbers include "To Sheperds as they watched their flocks," built around film strip pictures showing the prophecies concerning the coming Messiah and the birth of Christ. The program is directed by Clarence Schroeder, the Sunday school superintendent. Mrs. Herman Miller directs the choir.

The Methodist church will hold Christmas Eve candlelight worship service at 7:30 p.m., December 24.

Butler Motor Sales Wins Division Contest

Charles O. Butler of Butler Motor Sales, local Ford dealers, and James Spooner, parts manager, and Harry Schuch, service manager, are home today from French Lick Springs, Ind., where they have been spending three days as the guests of the Ford Motor Company as winners of a recent sales contest, sponsored by the Dearborn Division.

With some 400 others from Ford sales in this area, the local men boarded a special train in Detroit on Sunday for the Indiana city. All of those attending had qualified in an "All American" sales contest in the Detroit district during October and November. The local dealership ranked very high in the division in which it was competing.

Entertainment for the men was provided as soon as the train left the Motor City. Stops were made in Toledo and Kenton, O., to pick up men from those areas. At the famous spa, there was special entertainment and 76 prizes totaling some $15,000 were awarded during the program.

The Detroit sales district includes the lower peninsula of Michigan and sections of northern Ohio and Indiana.

Wilson, salesman for Butler Motors, also won high honors. He was made a member of the "300" and the "500" club as a result of his efforts.

MISSIONARY MEETING

The Friends Missionary Society met in the church parlors last Thursday for a potluck dinner at noon preceding the regular business meeting. Mrs. L. W. Johnson and Mrs. George Meads were in charge. Members brought gifts for the Rescue Home in Columbus, Ohio. Mrs. Ralph Comfort presented the program with carol singing by the group and a vocal duet by Mrs. Comfort and Mrs. Perry Hayden.

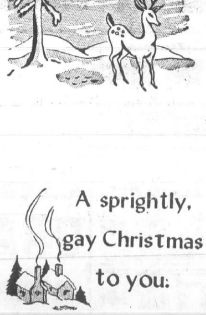
coming to town to see Santa. He will be on the job, visiting in the stores and on the street, every night this week."

Tecumseh is in gala dress for the holidays. There are brilliantly lighted Christmas trees on every ornamental lamp post, and two large trees, hiding hundreds of multi-colored lights, stand at each end of the business section. Christmas carols also are being played over a public address system.



A sprightly, gay Christmas to you.

Sunday morning 10 o'clock, there will be a Christmas worship service with the sermon "When the Christ-Child Came" by the pastor, the Rev. Edward Escolme.

The Quaker Gospel Hour will present a special Christmas broadcast over WABJ at 8:30 a.m. Sunday.

Grace Lutheran church will have its children's Christmas program Christmas Eve, December 24, at 8 o'clock. The play, "The Redeemer," in which the children participate, tells the history of Jesus; How He was prophesied since the fall of man; That He was announced by prophets, angels, and John the Baptist; and How He was worshipped by shepherds and Wise Men. Christmas songs will be sung during the program. Gifts and candy will be distributed from the Christmas tree.

Regular services will be held Sunday morning at 10:30, December 24, with communion. Monday, December 25, Christmas Day services will be conducted by the Rev. Baer of Adrian, and the Rev. A. Jeschke will conduct the services at Rev. Baer's church in Adrian.

The annual Candle Light Service, sponsored by the Westminster Junior League of the Presbyterian church, was held last Sunday evening at 5 o'clock in the church. Some 250 persons attended.

The program, presented by the Junior Choir, directed by Mrs. Sam Sisson, and St. Andrew's Choir, directed by Mrs. Frederick Dickinson, with Mrs. Dickinson and Mrs. E. E. Davis at the organ, was as follows:

Prelude, "Sunset at Bethlehem," by Lacey; Processional, "Hark, the Herald Angels Sing." Other numbers were: "Theres a Song in the Air," "The First Noel," and "He is Sleeping in the Manger," a Polish carol. "Fairest Lord Jesus," "O, Holy Night," by a trio composed of Gary Roberts, Jerry Butler and Julia Boyce. "Go Tell It on the Mountains," a Negro spiritual, "I Wish You a Merry Christmas," and "Silent Night."

The recessional, "O, Come All Ye Faithful," by Reading, by the combined choirs. The offertory, "Adoramus Te," Palestina. The scripture reading by the Rev. Donald C. Wilson. "He Came Upon the Midnight Clear," by Willis, and "All is Well," by Marryatt, by a quartette composed of Mrs. Harold Clark, Mrs. Bartlette Aiuto, Fred Dickinson and John Saling.

St. Andrew's Choir generally is under the direction of Mrs. Neville Hart, who is ill. Mrs. Dickinson replaced her for the occasion.

The Christmas program at the Baptist church was presented Wednesday evening, December 20, at 7:30. The White Christmas idea was carried out again this year with each person bringing a gift wrapped in white. Mrs. B. O. Bashore read the Christmas story, and Mrs. Kenton Hunt was at the organ.

The Kindergarten I class under Mrs. Cecil Fielder gave the welcome. The beginners class sang, "Away in a Manger," followed by "Silent Night," sung by Kindergarten II, with Phyllis Honeycutt taking the speaking part. Roger Mikesell recited "A Gift to Myself." Primary Class I, recited "Wreaths." Primary II, sang "Oh Little Town of Bethlehem," and Billy Fielder of the junior department, played a piano solo. Cathlyn Cornell, on the accordion, played "Rudolph, the Red-Nosed Reindeer" and "White Christmas." The Junior choir sang "Joy to the World" and "Hark, the Herald Angels Sing." Mary Lou McConnell and Joanne Wing sang, "There's a Song in the Air." Earl Bilby closed the program with an accordion solo, "Silent Night."

Santa Claus presented each child with a gift and a bag of sweets.

A large audience attended the annual Christmas program given by the members of the Methodist church Sunday school, Sunday evening.

Mrs. Herbert Dillon, organist, played a prelude of Christmas music. After the processional, "O Come All Ye Faithful," the senior choir sang, "Lo, How A Rose E'er blooming," by M. Proetoris, under the direction of Glen Gould.

Orville Minney extended the welcome and the invocation was given by Dr. Norman MacNaughton.

Two songs, "Away in a Manger" and "Jingle Bells" were given by members of the Beginner's Department with Mrs. T. Rentschler, superintendent. The Primary Department presented an exercise by Charlene Seitz, Howard Coltburst, Robert Dick, Janice Bryan, Ann Wilson, Louise Anderson and Joe Anderson. Recitations, "This Year," by Cynthia Poley; "Glad Tidings," by Vicky Peterson; "The Christmas Star," by Sally Hunt; "It Pays," by Robert Bonner; solo, "O Little Town of Bethlehem," by Roger Mead, and a closing recitation by Ann Cameron. The entire department sang two songs with Miss Bertha LaPointe, directing.

The Junior Choir sang, "The Christmas Tree," and the combined Junior and Senior Choirs sang, "Come, Thou Long Expected Jesus," by Noble Cain.

The program concluded with a Christmas movie, "The Child of Bethlehem."

Each child was presented with a treat by Santa Claus from a beautifully decorated tree.

The program was under the supervision of the Semper Fidelis Class with the following committees: Program, Mr. and Mrs. Edward Beal, Mr. and Mrs. Aden Mead and Mr. and Mrs. David Dick. Tree and decorating: Elmer Bryan and Harry Stanifer, assisted by all members of the class. Mrs. Elmer Bryan was chairman of the committee which made all the treats for the children.

Pfc. Harold Anderson Busy With Maps In Korea

WITH HQ X CORPS IN KOREA —PFC Harold B. Anderson (USMC), son of Mr. and Mrs. John Harold Anderson of 515 W. Chicago Blvd., in Tecumseh, Mich., is a draftsman for G-4 Operations Section of General Almond's X Corps. He is helping to shape the battle of supply in sub-zero North Korea.

Poor roads, enemy-mined ports, damaged railroads, and extended supply lines tax the ingenuity of supply workers such as Private Anderson.

General Almond recently said, "Here in North Korea we have a logistical situation unprecedented in military history. But just as we are licking the Reds," the X Corps' commander confidently stated, "we are also going to lick the elements and the terrain."

By timely anticipation and quick action, X Corps supply and transportation sections are able to push forward food, clothing and tools of war to meet the needs of hard driving soldiers and Marines on the battle-line.

Private Anderson joined X Corps as part of a Troop Training Unit before the history-making invasion of Inchon last September.

He joined the Marine Corps after graduating from Tecumseh Central high school in 1948. The 20-year old Leatherneck worked in his father's grocery store before entering the service.

Working with the Army's X Corps, Anderson keeps situation maps and makes overlays.

There are more than 30 fully equipped winter sports areas in Michigan, according to the State Tourist Council.

Their Work Will Make Your Christmas Merrier

Telephone people say "Merry Christmas" to you with service. Everyone connected with furnishing service expects their busiest time of the year, handling your Christmas greeting calls. They'll work gladly through the holidays knowing that your telephone is performing one of its happiest services at this time.

If you'll try to place your long distance calls early and avoid "bunching" calls on Christmas day, everyone can make their calls, and ringing telephones will truly rival Christmas bells as traditional holiday sounds.

HIGH COURT REFUSES U. S. BID ON GIFT TAX

Washington — A pre - divorce property settlement between husband and wife is not subject to federal gift taxes, the Supreme Court has declared in a 5 to 4 opinion.

The case invovled the government's efforts to collect $28,500 because the late Cornelia Harris of New York City gave her husband property worth $107,150 more than he gave her before they obtained a Reno divorce in 1942.

Justice Douglas wrote the majority opinion in which he was joined by Chief Justice Vinson and Justices Reed, Jackson, and Clark. Justice Frankfurter wrote a dissent, joined by Justices Black, Burton, and Minton.

The majority likened such property transfers between husband and wife to a business transaction when two partners dissolve their firm.

You bet there's a Santa Claus!

YOU may not see any fluffy white beards or gay red jackets in our showrooms — but we're playing Santa nevertheless.

We're playing Santa when we offer these gay and gorgeous Buicks at the prices featured here.

Where else can you find so much power and comfort and style and size and fun at comparable figures?

Where else can you find high-compression Fireball power — Dynaflow Drive*—and the ever-level ride that you get in a Buick?

What you pay for a SPECIAL buys an eight—not a six—but the price tags are less than many a six will cost.

What you pay for a ROADMASTER buys the standout performer in the fine-car field—at the lowest price per pound of any car near its size—and at hundreds of dollars less than you'll pay for others which match ROADMASTER'S reputation.

These are facts you can check in any Buick dealer's showroom — but the thrill of getting a bargain is nothing compared to the thrill you'll get out on the road.

You have to feel for yourself the eager take-off—the willing rush of power on the straightaway.

You have to feel the supreme command that is yours with Dynaflow Drive—and the level-gaited stride of this bonnie beauty.

So come in—and take out one of these star performers.

Just a few miles with a Buick and we know what you'll say:

"Christmas! What a marvel!"

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Optional equipment, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities due to shipping charges. All prices subject to change without notice.

DP Family Now Buying A Home

PENNILESS 15 MONTHS AGO, AKRON, OHIO, COUPLE HAPPY IN "NEW WORLD"

Akron, Ohio — Fifteen months ago they were penniless DP's, unable to speak English and homeless.

Today, Serbian-born Milutin Stefanovich and his wife, a Romanian, are busy buying furniture and fitting up a home of their own in Akron, after moving from the humble single storeroom — their only home since they came here a little over a year ago.

They have just made a $1,000 down payment on the comfortable frame dwelling—and are the first DP family to have the honor of actually owning their own home here.

Mr. Stefanovich, who once served as a personal guard to King Peter of Yugoslavia, has been working as an auto mechanic ever since he came to Akron.

Mrs. Stefanovich is employed at the chemical department of government laboratories operated by the University of Akron. She cleans bottles for the chemists and does similar jobs.

Before getting into her laboratory work, and even now in off hours, she adds to the funds for her new home by sewing. A clever seamstress she has made robes for the orthodox priests of the Greek church to which she belongs.

The new house is slightly out of repair, but already paint and a cleanup job are making it shine.

"We have space for a big garden, too," the couple say happily.

The Stefanoviches had already succeeded in making the bare storeroom, only living quarters they could find when they came here, livable and comfortable.

The new home has six rooms and a bath and gradually they are beginning to get furniture for it.

"I walked all round the neighborhood looking for 'For Sale' signs," Mrs. Stefanovich, who now speaks fairly good English, relates.

"My dream now is to some day bring over my sister and other members of my family from behind the Iron Curtain in Romania and have them live with us."

During the war Mr. Stefanovich was imprisoned by the Communists for four years. Memories of Communist tactics are uppermost in the minds of both of them, although they are settling here and hope to become American citizens.

MEN'S CLUB TO MEET

The Men's Club of Grace Lutheran Church, which was recently re-organized, will meet Wednesday evening, December 27, in the basement of the church. There will be a discussion of the topic: "The Different Lutheran Church Bodies," followed by a very interesting program.

Henry Peck—Just my luck!

Friend—What's the matter now?

Peck—I promised my wife I'd be home by 10 o'clock last night.

Friend—Couldn't you make it?

Peck—Yes, I did even better. I got in just at 9:45, but she was sound asleep and I failed to get any credit. I might as well have stayed up with you boys.

Survey Housing For Emergencies

RED CROSS, AT STATE REQUEST, TO MAKE CANVASS; LENAWEE INCLUDED

State Police Commissioner Donald S. Leonard, who is also state civil defense director, has announced that arrangements have been completed with the American Red Cross to conduct a statewide emergency housing and feeding survey.

Thirty-one counties have been selected for the initial phase as follows:

Allegan, Barry, Bay, Berrien, Branch, Calhoun, Cass, Clinton, Eaton, Genesee, Hillsdale, Ingham, Ionia, Jackson, Kalamazoo, Kent, Lapeer, Lenawee, Livingston, Macomb, Monroe, Muskegon, Oakland, Ottawa, Saginaw, St. Clair, St. Joseph, Shiawassee, Van Buren, Washtenaw and Wayne.

The survey started this week and will soon be under way in all of these counties. It will be extended to other counties after the first group has been completed.

Although the Red Cross chapter in each county will conduct the survey, it will be a civil defense project operating under the supervision of local civil defense directors. There will be no house to house canvass, but an inventory of such facilities as schools and other buildings and structures which could be used and would be available for the housing and feeding of vacuees in event of an emergency.

Such data as type and condition, maximum sleeping capacity, heating system, utility and sanitation provisions, and kitchen equipment, if any, will be collected and compiled in an inventory, copies of which will be kept by the local and state offices of civil defense. Rural areas as well as cities will be covered, and a summary compiled for each city and a total for each county.

CONSUMER CREDIT

Consumer credit was at an all-time high in July, the last month for which figures are available—$20,300,000,000, a rise of $660,000,000 over June and $4,100,000,000 higher than a year before. Installment credit amounted to $12,600,000,000, a gain of $3,200,000,000 over July, 1949.

December, Gayest Month, Is Also The Deadliest

December, the gayest month of all, is also the deadliest.

This is the warning given by Sergeant Carl Miller, commander of the Clinton post of the Michigan State Police, in a plea to pedestrains and drivers to be especially careful during the holiday season.

Pointing out that police agencies throughout the state are now carrying on a holiday traffic safety campaign, Sergeant Miller said:

"Traffic records show that the death toll in December is the heaviest of the year. Since 1945 more than 750 persons have been killed in December traffic accidents on Michigan streets and highways, and of those nearly 300 were pedestrians.

"Christmas shopping and other holiday activities bring more people out-of-doors. Added to this are longer periods of darkness, unfavorable weather conditions and an added tendency towards carelessness because we're thinking of other things.

"Don't spoil your Christmas and bring sorrow into your home because of a traffic accident. This season is supposed to be the happiest of the year. Keep it that way by walking and driving safely."

Annual Xmas Party Is Held By Veterans

The V. F. W. Auxiliary met Thursday evening and completed plans for a joint Christmas party with the Hall-Slater Post for all members and their families.

The joint Christmas party was Wednesday evening with a potluck supper at 6:30, followed by the Christmas program and a Christmas tree with gifts and sweets for the kiddies. Mrs. Carson House, Mrs. Robert Starkey and Mrs. John Braden made up the auxiliary committee in charge. During the business meeting, the auxiliary voted to send $15 to the Hawaiian V.F.W., to aid in providing hot coffee for service men going to Korea. This week, the auxiliary sent a Christmas cheer package to one of the local veterans at the Veterans Hospital in Dearborn. The auxiliary accepted an invitation to attend the Legion Auxiliary meeting, January 8, when Mrs. Phillip Gentile will be the speaker. Refreshments were served by Mrs. J. M. Artman, Mrs. Roy Beasley and Mrs. Max Brandt. The rooms were decorated in keeping with the holiday season.

Bees have four wings.

Moore, executor upon the estate of said deceased, alleging that the funeral expenses and debts of said deceased, and the expenses of administration thus far incurred, have been fully paid, and praying that his final administration account may be allowed and for such other order and decree as to this court shall seem proper.

It is ordered, That Tuesday, the 2nd day of January next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

It is ordered, That a copy of this order be published in The Tecumseh Herald a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks, previous to said day of hearing.

① A look at the Car proves its Quality
② A look at the Price proves its Value!

In the short time since it was presented, thousands of people have flocked to see the great new Silver Anniversary Pontiac—few cars have ever had a reception to equal this. Most people came to admire, which is natural enough. But a great many people do more than admire, they start *figuring*—they begin to compare this wonderfully beautiful and desirable car with the modest price tag it bears. The conclusion is obvious—*no car, at any price, offers more for every new car dollar you invest than a great new Pontiac!* Drop in any time and look at the car—then look at the price—you'll be *doubly sure* that dollar for dollar, you can't beat a Pontiac!

Annual Holiday Party In K of P. Hall, Saturday

The annual Christmas party of the Knights of Pythias, Pythian Sisters, Nomads and DOKK's was held Saturday evening, December 16, in the Pythian Hall with about fifty members in attendance. Cards and dancing were enjoyed by the group. Russell Klaetzal, "the one man band," of Belleville, furnished the music for dancing. An exchange of gifts was enjoyed and Henry Kempf made a table center piece which netted $13 for the veteran's hospital, at a Chinese auction. During the intermission, hot refreshments were served by the committee composed of Mr. and Mrs. Henry Kampf, Mr. and Mrs. Luther Wood, Mrs. Albert Todd, Mrs. Edna Staulter, Mrs. Clark Vincent and Carl Thompson, M. W. Mathews, Lynn Hubbard and Walter Hizer.

Girl Scout Troop To Sing Christmas Carols

The Girl Scouts Fushia troop No. 11, with Mrs. Louise Partridge and Mrs. Louise Matheny, leaders, met at the Central building, Monday afternoon for the troop meeting and Christmas party. Wallace Whiting was a guest and led the girls in carol singing. Gifts were exchanged and refreshments served.

The Scouts are going to sing carols, December 22, under the direction of Wallace Whiting. Anyone desiring to hear the troop sing, or knowing of any shut-ins, please call 134 or 303R, so that the carolers may sing for them.

RIDGEWAY

The Young People's Guild of the Methodist church was entertained Sunday evening at the home of Mr. and Mrs. Virgil Linn.

Mrs. Leslie Mark entertained the Extension Club at her home Friday at a one o'clock luncheon. Christmas gifts were exchanged.

D. W. Linn visited friends in Dundee, Tuesday evening.

Mrs. Lister McConnell of Dearborn spent Saturday night and Sunday with her mother Mrs. Marcia Baker.

The Christmas program will be held at the Methodist church, Christmas Eve, December 24.

Monday, December 25, Mr. and Mrs. Lavern Hathaway will celebrate their 50th wedding anniversary. Mr. and Mrs. Hathaway are well known here, this being their former home. Cards may be sent to them at Adrian, Rt. 2.

The condition of Mrs. Neville Hart, wo has been ill of virus pneumonia at her home, continues to improve.

Mr. and Mrs. Roland Wittrup of Fort Wayne, Ind., spent the week-end with his parents, Mr. and Mrs. George Wittrup. Mrs. Wittrup is recovering satisfactorily from a recent operation.

Victor Voorhees fell at his farm home last Wednesday and broke his right leg above the ankle.

Staff Sergeant James Gabler of Travis Air Force Base, Fairfield, Calif., arrived home Sunday to be with his family for Christmas. Tuesday, December 26, Mrs. Gabler and children will return with her husband to California to make their home in Vallejo, Calif. Mrs. Florence Babcock will entertain Mr. and Ms. C. E. Ridgeway of Carleton, Michigan, and her daughter and family, at Christmas dinner, Sunday.

CUB SCOUT PARTY

Den No. 2 of Tecumseh Cub Scouts enjoyed a lovely Christmas party at the home of Charles Hand last Thursday afternoon at 4 o'clock. Charles has been a member of Den No. 2 for two years and after fulfilling all the requirements of Cub Scouting, graduated with the rank of Webelos in November. The farewell party furnished great fun for his Cub-mates with Christmas games, refreshments and an exchaneg of gifts.

ONE HUNDREDTH YEAR—NUMBER THIRTEEN | TECUMSEH, MICHIGAN DECEMBER 28, 1950 | FIVE CENTS A COPY

What Would Tecumseh Do In Case Of Bombing?

EMERGENCY MEETING OF CITIZENS IS CALLED FOR THURSDAY, JANUARY 11

What would Tecumseh do in the event of an atomic bomb disaster? Should Detroit be bombed, and one of the bombs miss its target and explode in this area, would Tecumseh be prepared?

These are the questions that will be considered, and emergency plans will be made at a meeting to be held on Thursday evening, January 11, in the new high school, Neville Hart, disaster chairman in this community, announced today. Mr. Hart was named chairman by Paul Ahleman of Adrian, county chairman, and it will be his job to coordinate the efforts of the Red Cross and the Civilian Defense groups in Tecumseh.

"This is not a pleasant announcement to make at this New Year's season, but we must face the facts and prepare," Mr. Hart said in calling the meeting. "We sincerely hope that it will never be necessary for us to put our emergency program into action, but if it should become necessary to do so, we will indeed be thankful that we have given it previous thought and consideration."

A large group, probably 50 or more men and women, will attend the meeting on January 11. Mayor J. Floyd Elliott and members of the council have been invited, as well as leaders in business and industry.

Here are some of the things that will be considered:

Emergency housing; the establishment of a canteen for emergency feeding of residents; hospital and medical care; ambulances, doctors and nurses; Red Cross headquarters; auxiliary firemen and police; block raid wardens; emergency electrical power; the use of trucks, chain saws, wrecking and bull dozers; protection of schools and industry.

In the event of emergency, whether it be from atomic bomb or from fire or some other disaster, Mr. Hart said that Tecumseh must be prepared for immediate action.

"It also might be necessary," Hart pointed out, "for Tecumseh to assist in some nearby area in the event of a disaster. If we are prepared here, we could easily be of great service to our neighbors. However, in times such as these, we must not put off our preparedness."

Hart said that he had named Elmer Burleson as his co-chairman and that already a partial survey of Tecumseh has been completed to determine just what facilities are available locally should disaster strike.

"In all probability," the chairman said, "at the January meeting we will name other sub-chairmen who will carry on in the survey. Then, in a week or 10 days, there will be other meetings and all of our efforts will be coordinated.

"I don't want to appear as an alarmist, but these are critical times. We cannot be too well prepared, and in order to be prepared we must plan now for the future. I trust that everyone who is contacted and asked to attend the meeting will do so. This is a community problem."

Hart also announced that the Red Cross would, early in January, send an instructor here to operate a first aid course for men.

"We must have at least 50 men enrolled in this course to make it available to the community," Hart said. "I feel sure, however, that there are more than that number of men who are interested, and who would be willing to give of their time to attend. The first aid class will meet once weekly, in the evening, for three hours. The course runs for five weeks, a total of 15 hours."

Hart asked that men who are interested and who desire to enroll to call him, either at his home, or to notify the office at the high school, where he is an instructor.

BROTHER KILLED

Mr. and Mrs. Neil Pearson have received word of the death of Mr. Pearson's brother, Fay, aged 60 years, which occurred in Colebrook, N. H., on Saturday morning. Mr. Pearson was killed in an accident, but details were not available. Funeral services were held on Tuesday in Colebrook but Mr. and Mrs. Neil Pearson did not attend, being unable to reach Colebrook before the funeral, even though they flew a part of the distance.

15-Below Zero Cold Wave Sweeps Michigan

The mercury dropped to an all-time low for the 1950 winter season Tuesday night, and official thermometers at the Consumers Power Company here recorded a nighttime temperature of 15 degrees below zero. At 8 o'clock, Wednesday morning, downtown thermometers registered four and six degrees below zero, but by noon, after the sun had broken through, readings in the 20's were taken.

The cold spell was general over Michigan and the mid-west. Detroit weathermen said that the cold would continue for two days, ending probably on Friday. Temperature readings for Thursday, it was said, would be near the zero mark.

Despite the extreme cold, there were few complaints from motorists, according to garage men. Wreckers, of course, were busy, and so were the plumbers, thawing out frozen water pipes in houses.

Churches To Observe Week of Prayer, Jan. 2 - 5

Churches in Tecumseh will observe the Universal Week of Prayer, sponsored throughout the nation by the National Council of Churches.

Under the auspices of the Tecumseh Ministerial Association, services locally will be as follows: On January 2, Tuesday, the first service will be held in the Methodist church with the Rev. B. O. Bashore in charge. On Wednesday, January 3, at the Friends church with the Rev. Allan Ramsay in charge. On Thursday, January 4, in the Baptist church with the Rev. Donald Wilson in charge. The final service on Friday, January 5, will be held at the Presbyterian church with the Rev. Edward Escolme in charge.

All services will start promptly at 7:30 in the evening.

Mrs. Maude E. Ross, 77, Buried Here, Wednesday

Mrs. Maude Evelyn Ross, aged 77 years, of 616 W. Kilbuck Street, passed away at two o'clock Sunday afternoon at Herrick Memorial Hospital. While Mrs. Ross had been in failing health for a number of years, she had been a patient at the hospital for but 24 hours.

She was born February 3, 1873, in Sinclairville, New York. In 1901 she was united in marriage to William D. Ross and they moved to Tecumseh where she has since made her home. Mr. Ross preceded her in death on January 3, 1929. Mrs. Ross was a member of the Tecumseh Presbyterian church and of the Tecumseh chapter of the Order of Eastern Star.

Surviving are one son, Raynor, of Tecumseh, with whom she made her home; two grandchildren; a sister, Mrs. Emma Pentecost, of Jackson; two brothers, William and Charles Sylvester, of Sinclairville, New York, and a number of nieces, nephews and cousins.

Funeral services were held Wednesday at 2:00 p.m. at the Collins Funeral Home, with the Rev. Donald C. Wilson officiating. Burial was in Brookside cemetery.

Hidden Lake Gardens Director Is Speaker

Stephen O'Rourke, director of Hidden Lake Gardens and a professor at Michigan State College, was the guest speaker at the regular dinner-meeting of the Rotary Club here, Tuesday evening in the American Legion Home. Mr. O'Rourke explained how the Gardens would be developed, and then spoke of the need for college training for American youth.

Hidden Lake Gardens are located west of here on M-50 and were given to the College by Harry Fee of Adrian. They comprise some 227 acres of land, and Mr. Fee endowed the project to assure its maintenance. In the future, the Gardens will be developed for the pleasure of the public, and also will play a part in the College's instruction in horticulture.

There will be no meeting of the Rotary Club next Tuesday, January 2.

NOTICE

I will be at the United Savings Bank each Saturday until further notice, for the collection of taxes, dog tax and fire insurance. Will also accept payments by check or money order, mailed to my residence, 211 W. Brown St., Lawrence Mohr, Township Treasurer.

Lenawee's Oldest Automobile Dealer

Can you remember when you "wound up" your car to start it, and when 10 gallons of gasoline cost you a dollar? Those are some of the facts recalled by Louis S. Schneider, pictured above, who is the oldest automobile dealer in point of service in the county, and the second oldest Buick dealer in the state. As head of Schneider Bros. Garage, Inc., Mr. Schneider has been selling cars in Tecumseh for over 30 years.

MODERN MOTOR CAR IS A PALACE ON WHEELS

Remember The 'Wind-Up' Days?

Remember "the good old days" when every driver cranked his own car, and 10 gallons of gasoline cost a dollar?

You may think that that was a good many years ago, but it wasn't, in fact, it was not until the 1920's that self-starters on cars became standard equipment, and it was a few years later that politicians began to impose sizeable taxes on gasoline and automobiles as a source of income for government.

All of these facts and many, many more are vividly recalled by Louis S. Schneider, second oldest Buick automobile dealer in Michigan, and the oldest dealer in automobiles in Lenawee county.

Mr. Schneider started in business in Tecumseh, in 1919, just after the close of World War I. His first garage was located on So. Evans street in the Dewey Block, (now Weatherman's), and a year later it was moved to N. Evans street in a building now torn down and replaced by the A. & P. supermarket. It was not until 1941 that the garage was moved to South Ottawa street, and a few years later, downtown sales rooms were located in the Witherell Building on W. Chicago boulevard.

Mr. Schneider can tell an interesting story about automobiles, and the many engineering improvements in cars since he began selling the "open-air jobs" that in more ways than one resembled the carriage of yesterday. He well remembers when Buick cars sold around the $800 mark—that was the days before high taxes—and he also can recall when some of

Icy Streets Blamed For Minor Accidents

Two automobiles were damaged to the extent of $100, December 22, in a collision at South Evans and Pottawatamie street. The cars were driven by G. R. Doyle and Pansy Jones, both of Tecumseh. Jones was given a ticket by police for failing to observe a stop sign.

December 23, cars driven by Malcolm Meek, Monroe, and Wm. J. Cash, Manchester, suffered minor damage in a collision on E. Chicago boulevard. December 26, cars driven by Marvin Webb, Abbott, Mich., and Ruth Poucher, Tecumseh, suffered $75 damage in a collision at Chicago and Evans street. At Pearl and Pottawatamie streets, December 26, there was minor damage to cars driven by Otto Bausche and Leopollo Gonzales, Tecumseh. Police blamed icy streets for all of the mishaps.

150 SING CAROLS

About 150 boys and girls went caroling last week under the direction of Mrs. Phillip Gentile, high school music teacher, assisted by Mr. Gentile and Miss Elda Cauffiel. After the caroling the group was served sandwiches, hot cocoa and cookies at the high school cafeteria by the mothers of the students in Miss Alice B. Hopkins' sixth grade room.

FALLS DOWN STAIRS

Whitey Seitz, Tecumseh, was removed to Herrick Memorial Hospital by ambulance, Christmas night, following a fall down the stairs at the Hotel Chieftain. He was treated for bruieses and then released to return to his home.

2 Watch Night Services Here

CHURCHES TO OBSERVE NEW YEAR'S WITH SPECIAL PROGRAMS, SUNDAY EVE

Two Watch Night Services and a New Year's Eve service are scheduled in Tecumseh churches, Sunday night.

At the Friends church, the service will begin at 9:30 with the showing of a Cathedral film, "Queen Esther," a presentation of the Book of Ester. This will be followed by a devotional service. Later, a lunch will be served in the church dining room and another devotional service will begin at 11:30.

At the Presbyterian church, a watch night service will be held between 12 midnight and 12:30 in the church study at the rear of the auditorium. Worshippers are invited to come at any time during the half-hour service.

Regular services of the Grace Lutheran church will be held Sunday, December 31, with Sunday School at 9:30 a.m., and church at 10:30 a.m. The New Year's Eve services will be held at 8 o'clock with Rev. Theodore Iben, of North Ridge church delivering the sermon. There will be no New Year's Day services. Rev. A. Jeschke will deliver the sermon in the St. Stephen's Lutheran church in Adrian, for the Rev. Mr. Baer, New Year's Day.

Girl In Santa Picture Virginia Linn, Ridgeway

The little girl in the Santa Claus picture, published in last week's issue of The Herald, has been identified. She is the 7-year-old daughter of Mr. and Mrs. Daniel Linn of Ridgeway, and the granddaughter of Elmer Linn, The Herald's correspondent there. Virginia Linn attends the Ridgeway school, and is in the third grade.

The Herald's camera snapped the photo at the civic Santa Claus party here and Virginia, all smiles, was sitting beside Santa Claus. Efforts to identify the child failed in the local schools and then an area search was made. Friday, when the Linns got their paper, they were surprised to see their daughter's picture. One of the youngsters in the inset photo in last Thursday's paper also has been identified as Stephen Hunt, 2-year-old son of Mr. and Mrs. Kenton Hunt of Tecumseh.

55 SOPHOMORES AT SKATING PARTY

Last week Wednesday evening, a skating party sponsored by the high school sophomor class was well attended, some 55 students and friends enjoying two hours of skating at the Porter gravel pit. Later, they were entertained by Sally Rentschler in her home at a fire place weiner roast. Mr. and Mrs. Douglas Murdock accompanied the group. Sally was assisted by Dianna Dillon, Gretta Porter, Jim Fielder, Bob Binns and the class president, Bill Beardsley.

Mrs. Anna Kloffenstein Dies In Cedar Rapids, Ia.

Mrs. Anna Kloffenstein, aged 88 years, died at 2 a.m., Tuesday, at her home in Cedar Rapids, Iowa, after a five months' illness.

Mrs. Kloffenstein was a native of Tecumseh, having lived here all of her life until about 20 years ago, when she moved to Iowa. She was a daughter of the late Henry and Chistina Smith and was born in Macon, November 1, 1862. On August 22, 1885, she was married to Fred Kloffenstein, who preceded her in death.

Surviving are two daughters, Mrs. Doris Hunt of Cedar Rapids, with whom she lived, and Mrs. Gus Walters of Independence, Ia., and one granddaughter. Also, two nephews, S. Henry Smith and Louis Schneider, and a niece, Mrs. Edna Codling, all of Tecumseh. Another daughter, Ruth, preceded her in death.

Funeral services will be held from the Green Funeral Home this afternoon at 2 o'clock, the Rev. Allan Ramsay of St. Peter's church, officiating. Burial will be in Brookside cemetery.

Mrs. Kloffenstein's two daughters and her granddaughter will accompany the body to Tecumseh for the funeral and burial services.

Two Men Are Arraigned; One Is Sent To Jail

Lawrence Martin, Rt. 3, Blissfield, drew a five day jail term in addition to fines and costs, when he pleaded guilty to a drunk and disorderly charge in Justice Robert French's court here. Martin was arrested by police on December 23. For being drunk, the justice imposed a fine and costs of $23.50. On the disorderly charge, the fine was $10, costs of $8.60, and a five day jail term.

Walter D. Dunbar, Tecumseh, drew a fine and costs of $23.60 in the same court, when he was arraigned on a drunk charge. Dunbar was arrested by police at 9 p.m., December 23. Officers said that Dunbar tangled with a policeman after he had double parked his car on N. Evans street. At Herrick Memorial Hospital, 14 stitches were necessary to close a wound in his right hand.

William H. Daisher, 55, To Be Buried, Friday

William H. Daisher, 55, who resided on a farm a mile west of Ridgeway, died Tuesday afternoon at 3 o'clock in Herrick Memorial Hospital after several weeks' illness. Mr. Daisher had spent his entire lifetime in this community. He was a member of Grace Lutheran church.

Surviving besides his wife, Gladystene, are two sisters, Mrs. Edith Ferman of Britton, and Mrs. Ann Schneirla of Clinton, and several neices and nephews. He was preceded in death by his parents, Mr. and Mrs. Christian Daisher, and four brothers, Andrew, August, Ernest and Fred.

Funeral services will be held Friday afternoon at 2 o'clock at the Niblack Funeral Home in Britton, the Rev. A. Jeschke officiating.

Annual John Deere Day To Be Held, January 3

The annual John Deere Day in Tecumseh, sponsored by the Hoyt E. Whelan Company, local implement dealers, will be held on Wednesday, January 3, it was announced today by Fay Whelan, head of the company.

The program will get under way at 10:30 in the morning at the Strand theatre, where a full-length movie will be shown, as well as several short movie subjects. At noon, at the Whelan store, lunch will be served, and throughout the afternoon there will be informal talks and a display of farm equipment.

The John Deere Day attracts hundreds of farmers from this area to Tecumseh each year. This year, as in the past, the local dealers are asking interested farmers and their families to attend the program and the lunch as their guests.

TWO FIRE ALARMS

The local fire department answered two alarms over the Christmas week-end. The first call, at noon on Saturday, came from Easton's Service Station where alcohol in a car had caught fire. There was no damage. The second call was at 7:45 Christmas morning from the Wm. VanAntwerp home on W. Kilbuck street, where a chimney was burning out. There was no loss in the latter fire.

CAR IS RECOVERED

Oscar Syncler, Tecumseh, reported his automobile stolen at 5:30 p.m., December 23. The car was recovered by police the following morning. It was parked near a gasoline station on N. Evans street. It was not damaged.

Evening School To Open, Jan. 8

ONLY $3 REGISTRATION COURSE IS REQUIRED; TO CONTINUE 12 WEEKS

"Have fun while learning," is the slogan of Tecumseh's Public Evening School, sponsored by the board of education, which will get under way on January 8, and coptinue for 12 weeks. Enrollment will take place at 7:30 in the evening of the opening day at the new high school, and all classes will be held in that building.

"The evening school is a non-profit organization, offering Tecumseh residents a tremendous bargain in pleasure and profit," Neville Hart, high school instructor, said, in making the announcement. "For an enrollment fee of $3, anyone is entitled to take as many as three courses. You pay the nominal fee only once, regardless of the number of courses you take."

All classes will be one hour in length. First classes will be called at 7 o'clock in the evening and the last class will be over at 10 o'clock. All classes will be Monday evenings.

On January 8, the enrollment date, prospective students will select their courses and pay their registration fee, for which an enrollment slip will be issued. This must be presented for class entrance. The first regular evening class will be on Monday, January 15. It was pointed out that no tuition fee is necessary, but there will be a charge for materials, where such materials are used by students. Students also will be expected to buy text books if they are necessary. These may be obtained through the school.

Should there be interest in courses other than those offered, it was said that if a class of 10 can be organized, such courses will be offered.

Following is a suggested list of courses, which will be offered if at least ten adults enroll:

- Bookkeeping I
- Typewriting I
- Typewriting II
- Stenography I
- Stenography II
- Business Law
- Music Appreciation
- Household Mechanics
- General Shop Work
- Shop Mathematics
- Upholstery
- Woodworking
- Public Speaking
- Economics.

Home Decoration Awards Are Made

F. C. HANNA NAMED WINNER IN CHRISTMAS CONTEST BY COMMITTEE

The home of F. C. Hanna, 705 W. Pottawatamie street, was awarded first place in the annual Christmas home decorating contest sponsored by the Chamber of Commerce. Second place was awarded to the home of B. G. Ousterhout, 715 W. Pottawatamie.

Special honorable mention was made of the homes of Dr. R. F. Helzerman, 612 W. Chicago Blvd.; Kenneth Davison, 621 Outer Drive; Dr. R. G. B. Marsh, 616 Logan; Ronald Johnston, 114 N. Oneida; and Dwight Hodges, 312 S. Union.

The judging committee, basing its decision on originality and general effectiveness, found its task a difficult one. Members toured the town several times, and in a number of instances went back to inspect some of the homes three or four times.

In addition to those mentioned above, the committee recommends that persons visit the following homes to note the attractive displays: W. J. Bruce, 405 N. Union; Ernest Lampkin, 103 Parkway; Ellsworth Collin, 313 W. Pottawatamie; Aden Mead, 28 W. Brown; L. W. Larsen, 710 W. Pottawatamie; Louis Carlson, 24 W. Brown; Mrs. Rose Service, 306 E. Logan, and the Kempf-Whelan residence, 204 E. Chicago Blvd.

The display at the Frank K. Smith home, east of the village on the Monroe road was also given special commendation by the committee, although Mr. and Mrs. Smith requested the committee not to consider them a part of the competition.

In the commercial competition the judges had an equally difficult time. They finally agreed that the result should be judged a tie between Schneider Bros. and Butler Motor Sales for their Christmas schemes beyond the emphasizing of merchandise.

Members of the committee were Mrs. R. J. McCoy, chairman, Anne Carson, Mrs. Thomas O'Hara, Perry Satterthwaite, and Homer Colson.

CHINESE COMMUNISTS ARMED WITH AMERICAN-MADE WEAPONS

Tecumseh Lieutenant Describes Fighting In Korea

YONPO AIR FIELD, Korea — His fingers were almost frozen to the binoculars and his eyes were glued to the ridges outside of Yudam-Ni west of the Choshin reservoir.

1st Lt. Robert Wilson of 609 Outer Drive, Tecumseh, Michigan, a ground-air controller couldn't believe his eyes—the Chinese Communists were sending in reserve troops by sliding them down the ridges in sleds.

This happened only a couple of days before the First Marine Division started its famous "attack in a different direction" toward the Hungham area from the frigid mountains of the north.

A marine pilot himself, with the First Marine Air Wing, Lt. Wilson, was calling in a flight of Flying Leathernecks to bomb and strafe the seemingly endless numbers of Chinese troops attempting to overpower the attacking Marines.

At this position the ground-air Marine team extracted a terrific toll of Chinese before they were ordered to withdraw from the Choshin Reservoir and return to their jump-off place, Hamhung.

Lt. Wilson walked the long, cold march from Yudam-Ni to Hagaru-Ri, Koto-Ri off the windswept plateau and down to the Hamhung area.

"Without air support, we wouldn't have made it," the Lieutenant told some of his flying friends of the First Marine Air Wing.

He looked more like a hermit from the hills than a Marine as he visited in a warm building at Yonpo airfield. His hair was gnarled, his beard was long and dirty and he was dog-tired.

"I'd sure like to shake the hand of an observation squadron pilot who took over air control when my radio went dead as the convoy moved from Yudam-Ni to Hagaru-Ri," Lt. Wilson said.

"Whenever the tanks would stop to work over a Chinese pocket," he described, "the small plane would drop smoke grenades on the targets for the fighter planes to hit. This sure helped to cut down our casualties over this stretch of the march."

He said there were a number of times on the route that he called in close air support planes to drop their bombs and rockets within 50 yards of the troops. "Before the march was over, this kind of firing taught the Chinese to keep a safe distance," he explained.

Lt. Wilson had his own opinions about the Chinese troops:

"When they have lots of ammunition, are warm and well fed, the Chinese are tough fighters," he said, "but when they get cold and hungry, they give up."

On the last leg of the march from Koto-Ri to Hamhung, Lt. Wilson said the Marines picked up lots of Chinese prisoners who were cold and hungry. He explained that their quilted uniforms kept them fairly warm, but they were freezing their hands and feet.

"The Chinese like to make wild, banzai attacks with automatic weapons," he said. "They rush in and pin down almost everyone with the automatic weapons and get lots of casualties by spraying lead all over the place."

The Lieutenant estimated that two out of every three weapons the Chinese fired were American-made Thompson sub-machine guns. "Right now the Marines are well armed with these automatic weapons they took from the communists.

Lt. Wilson, who during the Inchon invasion and air operations from Kimpo Airdrome was a fighter pilot with the Marines, said it was almost impossible to keep warm during much of the hike.

It was below zero most of the time, he said, and even when he hiked along the ridge lines alongside the convoy it was cold. The air controllers advancing with the attacking companies often climbing up on the ridges to get better observation for air strikes.

Like most of the Marines, Lt. Wilson was glad to be out of the cold, "But there wasn't a moment while we were up at Yudam-Ni that we were afraid we couldn't shoot our way out. In fact, we were very surprised when we got to Hagaru-Ri, that we didn't stay there and fight the Chinese."

Relatives Get Letter

It was a happy Christmas day for Mr. and Mrs. M. W. Wilson and their daughter-in-law, Mrs. Robert Wilson because late on Friday of last week they received a letter from their son and husband, Lieut. Robert Wilson of Korea. Lt. Wilson informed the "folk back home" that he was well, and that he was aboard ship, moving toward S. Korea. He did tell them a little about the fighting in the reservoir area, and indicated that it was terrific.

A New Year — What Does It Hold?

In a few more hours, a new Year will dawn. Here in America we will greet the Infant 1951 as usual. There will be gay parties, the Great White Ways of New York, Chicago and Detroit will be unusually bright and, throughout rural America, lights will burn late in mansion and cottage alike, awaiting the arrival of the first year in the second half of the century.

The midnight oil also will be burned in other places, places where there will be no laughter, no merriment, and only serious faces. We're thinking of government offices of war and security, and of homes where, perhaps, within a few hours or a few days, sons and husbands will be off for military duty. And there will be lights in still other dwellings, and prayers will be said for the safety of loved ones who may be serving in Korea or in some other part of what is rapidly becoming a war-torn world.

Happy New Year! That old-fashioned American greeting at this season, was a wish that came from the heart. But this year, many folk will be expressing the greeting with their tongues in their cheeks. They are worried. They wonder just what the New Year actually holds for them and for their families.

Is America at the threshold of World War III? Will America be torn by atom bombs? Can the war threat in Korea and China and on the continent of Europe be settled at the conference table rather than on the battlefield?

These are some of the questions that folk in rural America are asking as the New Year dawns. They wonder—and there is little reason why they should not wonder—just what the future holds. They realize, too, that America is at or nearing the cross-road.

What does the future hold? It holds for everyone everywhere just what everybody everywhere decides that it should hold. We can have peace or we can have war. The people of the world will, by their actions, write, day-by-day, the history of 1951.

The New Year can be a Happy New Year for the entire world, if the folk who make up the world's population, want it that way.

The world is looking to America for leadership. Let us hope and pray that our leadership here will be guided by Divine wisdom, and that before too many days have passed that the clouds of war will clear, and that the sunshine of justice, peace and happiness will again light the highways and the paths of every nation on earth.

Was It a Wise Decision?

The Lenawee County Board of Supervisors, in special session last week, again voted to locate the county's proposed new $400,000 jail on the site of the present jail in Adrian. The new building would be "built around" the present jail and, as rapidly as construction would permit, the old building would be torn down.

About a month ago, The Herald objected to the use of the present jail site as the site for the new building. The Board of Supervisors subsequently voted to reconsider the location, but at last week's meeting they decided, by a majority vote, that to change the location would be a mistake.

We still are of the opinion that the old jail site is not the site that should be used for the new jail. There are many reasons why we believe as we do.

First, the City of Adrian is considering a state-approved plan to make certain streets in that city one-way streets and, if this is done, the site at the corner of Winter and Front streets, where the jail is now located, would become a bottle neck. It would be difficult to get sheriff's cars in or out quickly.

Second, the Board of Supervisors is considering making a parking lot out of what is now the west lawn of the court house, across from the jail, because of congested parking conditions in the area. We object to destroying the beauty of the old court house lawn for such a purpose.

We have proposed that the county build the new jail at the corner of Winter street and Maple Avenue, on property that it now owns, and equally close to the court house. This would put the jail one block away from the "bottle neck" area, and would permit the use of the old jail site for a parking lot, instead of destroying the court house lawn for such a purpose.

We have contended that to build the new jail on the old site, and "around" the old jail, would be costly and impractical.

We realize that in order to build the jail at Maple and Winter streets, the present house, located there and used as a headquarters for the welfare offices, would have to be torn down. And we realize, also, that a new location for the welfare offices would have to be found. But that is not impossible and, perhaps, we hope, we will not always have welfare offices in Lenawee county.

The spending of $400,000 of the county's money is something that should be very carefully considered by the Supervisors. The jail that will be built should serve the county for many, many years. It would be too bad to spend the money unwisely by locating the building in a bottle neck area, when another site, already owned by the county, could have been used.

We believe that the Supervisors were serious when they voted as they did last week. Many of them felt that they had pledged themselves to the "old jail" location when they "sold" the bond issue to the voters in their townships. They felt that changing the location now would be wrong, in the face of their previous stand.

We admire the supervisors for their desire to be loyal to the voters. But we doubt that one voter in 100 cares but little where the jail is located, just so it serves the county well and wisely.

It still is not too late for the Supervisors to again reconsider the jail location. And in view of the $400,000 expenditure, and the fact that the jail must serve the county for years, we still are of the opinion that further reconsideration would be wise.

Vermont Busy Cutting Wood

OLD EASTERN CUSTOM OF "LAYING IN WINTER FUEL" STILL IS POPULAR

MONTPELIER, VT.—On countless Vermont hill farms this week, preparations for the coming winter rest largely in the ancient and honorable task of getting in the winter wood.

Still a common sight this time of year at Vermont country homes are the open, arched woodsheds filled to the top with neat stacks of split wood, proof of Yankee foresight and a lot of hard work.

The traditional picture of a countryman on a cold winter morning with a buck saw cutting stove wood by the kitchen door is not uncommon still in Vermont. But it means probably that the picturesque sawyer wasn't quite so provident as he should have been.

The beforehanded farmer has his shed full of wood by Thanksgiving time, but sometimes he may get his split logs to the dooryard but not all cut up before snow flies.

That shed of wood and the pile of chunks in the farmhouse cellar for the furnace fire goes back perhaps a year in preparation. The provident Vermonter cuts his wood one year for use the next. It takes from 10 to 15 cord of good wood—up to 3,000 cubic feet—to heat a Vermont farmhouse through the long winter. One cord of cured, seasoned wood is worth three of green logs, in heat value.

Woodcutting in Vermont traditionally is a winter activity. The best trees are marked for lumber, the second grade and limbs for firewood. Best is rock maple, and then beech and yellow birch. The stately elm is no good for burning or for lumber, and basswood is a total loss.

In the spring or late winter the old-time Vermonter went into his woodlot and felled his trees. Then the logs were split, while green and perhaps frozen, with wedges and heavy hammers. The logs were dragged by horse or ox team to his house. There the logs were cut into stove lengths with the old type of drag saw, powered by horses walking a treadmill. These old saw rigs still can be seen in Wilmington and other parts of the state.

State Police Ranks Are Offered To Recruits

The Michigan State Police have opened up recruiting in preparation for a training school session to start shortly after the holidays, it is announced by Commissioner Donald S. Leonard.

Men interested in joining the department may obtain further information by going to any State Police post or by writing to the State Civil Service Commission or the State Police headquarters in East Lansing. Applications should be filed at once, so that qualification procedures can be completed in time for candidates to enter the school.

Candidates may be married or single, but must be between the ages of 21 and 30 inclusive, not less than five feet 10 inches in height, of good physical build and in good health. Draft status also will be considered. During the nine-week school session trainees are paid $100 a month and live at the school.

Graduates are sworn in as troopers and in addition to salary receive a subsistence allowance, uniforms and equipment and lodging. The position offers security and interesting work and, in addition, state police are eligible for retirement on pension at the end of 25 years of service.

The school is being held to fill 40 vacancies in the department. Another school now in session will close December 11 and will add 60 troopers authorized in September by the legislature.

NO MONGUE PUPILS

Dalton, Mass.—For the first time in 51 years, there will be no son or daughter of the late Felix J. Mongue at school when it opens this September. The oldest son, Walter L. Mongue, entered school in Dalton in 1899. Charles F. Mongue — the nineteenth child —, was graduated last June.

Your happiness will increase the spirit of the season.

Here's the 25 Millionth Chevrolet

...ne Smart New Bel Air

Thanks to the Greatest Public Demand any Motor Cars and Trucks Have Ever Enjoyed, the Latest Million Chevrolets have been Produced in Less Than 6 Months . . . Compared to 12 Years for the *First* Million!

We'd like to join all other Chevrolet dealers in thanking our customers for making possible this 25 millionth Chevrolet.

For the only reason anyone *makes* more products is because people *want* more of them. We Chevrolet dealers are able to deliver more passenger cars and trucks than any other automobile dealers today only because you *prefer* Chevrolet passenger cars and trucks over any other make.

So it is your overwhelming endorsement of the products and services we offer that is behind the production of this 25 millionth Chevrolet less than six months after completion of the 24 millionth.

We are sincerely grateful. And we believe the best way we can express our gratitude is to continue to offer you the very finest services and the very greatest values that we possibly can.

And that is exactly what we intend to do!

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR! ★ MORE CHEVROLET TRUCKS IN USE THAN ANY OTHER MAKE!

IF YOU DRINK, DON'T DRIVE; IF YOU DRIVE, DON'T DRINK

For A Longer Life, Be Careful In Holiday Traffic

Give some thought now to your holiday traffic safety, the Michigan Department of Health warned today. Use some care to keep your new year happy.

Holiday traffic is fraught with danger.

You can save yourself from injury and from the misery that the injury of others might cause you by giving extra attention to the condition of your car and to your own safe driving during the holiday season, the department said.

Make sure that your brakes, windshield wipers and all lights are in good working order. Use chains if they are needed.

Allow yourself ample time to get where you are going. Drive more slowly than you ordinarily do.

Do not drive long, tiring distances. When you are weary or sleepy, stop and rest or sleep.

Keep your mind on your driving. Read and heed each traffic sign.

Allow more distance between your car and the car ahead. Begin to stop well in advance of intersections. Allow for the actions of careless drivers and pedestrians.

If you are going out drinking, leave your car at home: Take a taxi. Even though you do not drink, be especially watchful and cautious for drinking drivers and pedestrians.

Make yours a careful holiday season, and a glad new year.

Married 50 Years

Mr. and Mrs. Wallace Bryan

Mr. and Mrs. Wallace Bryan of Route 1, Tecumseh, will observe their fiftieth wedding anniversary on New Year's Day with open house in the parlors of the Methodist church in Tecumseh from 2 to 5 p.m.

Nina C. Dove and Wallace G. Bryan were married January 1, 1901, in Tecumseh by the Rev. Wm. F. Jones of the Presbyterian church. They have lived in their present home, southwest of here, for the past 45 years.

The Bryans have three sons, Robert, living on the farm taken up from the government in 1832, and Howard and Oscar, both of Tecumseh. There also are six grandchildren.

Mr. and Mrs. Bryan have requested that friends omit gifts on the anniversary occasion.

Remember

(Continued from Page 1)

his competition had cars priced under $400.

"Those were the days when you had to sell your automobiles, too," Schneider said. "Not everybody could drive them, and others were afraid of them. Roads were not paved, as they are today, and if you got 5,000 miles of service out of a tire you bragged about it. It was a good trip of 100 miles that you didn't blow one or more tires, and there was nobody to change a tire, except yourself." He also recalled that demountable rims, such as we have today, were in those days unknown. You actually had to take the tire off the rim, which was fastened to the wheel, and generally you repaired it by the roadside.

Improvements in automobiles in the last 30 years include the self-starter, electric lights controlled by dimmers, car batteries, heaters, defrosters, demountable rims, low pressure tires, welded steel bodies, and "closed" cars—sedans, coups, etc. It must be remembered that in the 1920's tops were made of rubberized canvas and folded down. To protect occupants in cold weather, side-curtains were used. And it must be remembered, too, that windshield wipers were operated manually, and that anti-freeze for radiators was "something new."

And there's been a big advance in the service garages render, Schneider recalls. Today, wreckers and service cars are in demand right around the clock. In the toens, 24-hour garage service was unheard of. Many owners in those days cared for their own cars as best they could. Everybody washed his own car, and if the weather was to cold cars were kept indoors. More than one automobile "went up on jacks" for the winter months about December 1 and did not make its appearance again until spring.

Schneider was interested in cars even before he entered the Army for World War I. The first automobile that he drove was the Lenawee, made in Adrian. Later, of course, he drove the Lion car, also made in Adrian, and he well recalls the early steam cars, quite popular in the early 20's. It was not until 1931 that he became the Chevrolet dealer in Tecumseh, and since that time he has held both the Buick and Chevrolet franchises. He obtained the Buick franchise in 1920.

Schneider Bros. Garage, Inc., as it is known today, probably would have come into existance before it did had not Uncle Sam called its present owner into service. He served with the 310th Engineers in Russia during the first World War, and as soon as he was discharged he opened his garage business here. Shortly afterward his brother, Karl, joined him and remained in the business until 1928. In recent years, Schneider's son, Louis, jr., has been active in the business with his father. He saw overseas service in World War II.

Schneider is proud of his membership in the Old Timers Club, a group of automobile dealers, nation-wide. He also is a member of the National Automobile Dealers Association, and the Michigan and the Lenawee County Auto Trade Associations.

Schneider is a past commander of Underwood-Orr Post, American Legion, and was its first vice commander. He has represented the Legion as a committeeman from Michigan at national conventions, was chairman of the state graves registration committee, and chairman of the child welfare committee of the Legion. Recently he was named chairman of the Legion's youth activities committee for Michigan. He gets a lot of pleasure out of his jobs in the Legion, particularly his work with younger members and their children.

He has held all of the offices in the 40 & 8, the Legion's fun organization, in Lenawee county.

Schneider has never been too busy to become interested, too, in civic affairs for the betterment of his home town. For many years he was one of the moving factors in the "Wednesday night shows" — street entertainment that boosted Tecumseh's popularity as a trading center.

"It's true, there have been a lot of improvements in automobiles in the past 30 years," Schneider said, "Today, one need be only in his 50's to have seen the coming of the automobile, the airplane, electric lights, trans-Atlantic communication, the radio and television. I wonder, in the next 50 years, if as many advances in science for the benefit of mankind can be accomplished."

CAPT. ROSCOE HUNDLEY RECALLED TO SERVICE

McCHORD AIR FORCE BASE, WASHINGTON—Captain Roscoe W. Hundley, son of Mrs. E. R. Hundley, 2905 Kenesaw Street, Wichita Falls, Texas, has reported to McChord Air Force Base, Washington, for duty with the 325th Fighter Group, it has been announced by Col. T. Alan Bennett, Wing Commander.

Prior to being recalled to active duty, Captain Hundley was enlisted in the Air Forces at George AFB, California. He was a M/Sgt. in charge of the base armament section.

During World War II, Hundley served 18 months in the ETO as Armament Officer. He has been awarded the EAME ribbon with nine battle stars, the Distinguished Unit Citation badge with one oak leaf cluster and the ETO ribbon.

Mrs. Hundley, the former Barbara Ruth Green of Tecumseh, Michigan, will make her home at 107 S. Maiden Lane, Tecumseh.

Raid Signals Are Explained

AIR RAID WARNINGS IN MICHIGAN SAME AS THOSE USED NATIONALLY

New official air raid warning signals announced in Washington by the Federal Office of Civil Defense are the same as those established by Michigan in July and which will now continue in effect as modified in September by the air force to eliminate the "blue" warning, it was pointed out by State Police Commissioner Donald S. Leonard, who is also State Civil Defense Director.

One change has been made, however, in the dissemination of the signals, and that is the prohibition of the use of radio and television at this time.

Another important departure from previous procedure is a caution to delay the mobilization of civil defense volunteers until immediately after an attack in order to avoid exposing them to such a hazard. Previously civil defense services mobilized on the "blue" signal, which was a warning that an air raid was probable.

Leonard was notified of the official signal system in a telegram received from former Florida Governor Millard Caldwell, who was recently appointed as administrator of the new federal agency. He immediately transmitted the information to local civil defense directors in the state.

The two-stage public warning code will be used to announce imminent attack and the subsequent "all clear." The "red alert," announcing that a raid is imminent, consists of fluctuating or warbling signals of varying pitch by sirens, or a series of short blasts by horns or whistles.

The "all clear" signal will be a series of three steady one-minute blasts by sirens, horns or whistles, interrupted by silent periods of two minutes each.

In sounding these signals, municipalities are free to use any type of siren, horn or whistle in conformity with the code. Sound trucks and public address systems may be used to supplement these warning instruments if desired.

SPHINX DUE FOR REPAIRS

Cairo—The great Sphinx of Giza is about to undergo its first overhauling since before the birth of Jesus.

After staring inscrutably over the desert for 5,000 years, the Sphinx has developed a crumpled left foreleg. Experts said the damp, cold northerly winds from the Mediterranean have eaten into the stone and cement.

After making a careful diagnosis, experts from the Egyptian Department of Antiquities decided to make repairs on the 189-foot-long statue, comprised of a man's head and a lion's body.

They will replace the worn out stones with new blocks cut from the same limestone quarries as the original, under the direction of Bu Kamal El Mallach, who worked on the restoration of the great gallery of Cheops pyramid.

The first repairs ever done on the Sphinx was performed 3,250 Thutmoses IV. King Rameses II patched it up some more 2,900 years ago. The new restoration is expected to last at least 2,000 years.

If its news call The Herald.

GOING-GOING-last call for these bargains!

WE think we ought to warn you — this is the last time we aim to advertise these prices.

So you'd better take a careful look at them —and what they'll buy.

They'll buy the thrill of swift, smooth, spirited travel—and trigger-quick power so mighty that few Buick owners have ever pressed it to the limit.

They'll buy sparkling style, spacious comfort and the durable, dependable, time-tested quality for which Buicks are famous.

And when you check what you get for what you pay, you'll make this discovery.

On a pounds-per-dollar basis—which is the engineers' yardstick of bedrock value — no other cars of comparable dimensions can beat a Buick SPECIAL, SUPER or ROADMASTER.

Or to be more specific—Buick's straight-eight SPECIAL is priced like a six — and in the ROADMASTER "price class" you can pay 23% or more than you'll pay for these great automobiles.

But note this fact: Our supply of these bargains is limited—so you'd better come in now and see what we have on hand.

Says Budgeting Is Very Simple

U. M. PROFESSOR SAYS MOST FOLKS MAKE WORK OF HOME RECORD KEEPING

ANN ARBOR—If you get buried in dollar signs and details while keeping a household or personal budget you're on the wrong track.

Keeping it simple and using labor-saving methods are very important in home budgeting, says Z. Clark Dickinson, professor of economics at the University of Michigan.

"You're not keeping records for a business concern so don't try to account for every penny," he says.

The economist suggests three kinds of records to make the budgeting process simple but complete enough to see where your money is going and to know just where you stand.

These are: (1) a budget for forecast income and outlay for a period of time—preferably on a monthly basis; (2) a receipts and expenditure statement of the actual financial transactions during the budget period; (3) periodic balance sheets, which act as "snapshots" of the family's net worth.

The budget should be a plan, Professor Dickinson says, rather than a strait-jacket. No great weight should be given the guides which list percentages to be spent for food, clothing, rents and so forth. These don't necessarily reflect your particular situation, he points out.

Daily expenses should be recorded in a receipts and expenditure statement. Such a record of one month's expenses should precede the setting-up of a budget. Professor Dickinson recommends one receipts classification column and ten expenditure columns. The expenditure headings are: food, home maintenance, clothing, personal allowances, transportation, medical care, gifts and personal taxes, education and recreation, business expense, investments and life insurance.

"Beware of the temptations of a column headed "miscellaneous"—if no such column is at hand, you will analyze your expenditures day by day, and not be saddled with a meaningless jumble at the end of the month," the Michigan professor states.

A net worth statement or balance sheet lists all the family property and assets, including life insurance, as well as any liabilities, Professor Dickinson says. Account should be taken of depreciation, for instance of house and car. The balance sheet will show you the family wealth at a particular time. A comparison one year later will indicate any gain or loss in the family's position.

"Good management of one's own small affairs is an achievement likely to advance one's ability to make money," Professor Dickinson tells his students in Economic and Financial Problems of the Family, one of a program of courses in "Family Living" at the University.

"Skill in budgeting and skill in buying go hand in hand. Budgeting can be very helpful to you in figuring income taxes, and a thorough understanding of personal budgeting will help you in interpreting governmental financial statements as well as those of corporations," according to Professor Dickinson.

October Death Toll Increases

TRAFFIC FATALITIES ON MICHIGAN HIGHWAYS HIGHEST IN 10 YEARS

Michigan's October traffic death tol of 170 persons was the highest for that month since 1941, the State Police monthly accident summary reveals.

The report also showed 4,514 persons injured and 14,838 accidents.

An average of five persons were killed and 146 injured in 478 accidents each day. Added together, casualties were more than 150 daily. The death record was 28 higher than in October last year.

Rural areas accounted for all of the death increase and for the highest percentage of increases in injured and accidents. Urban deaths decreased, but injuries and accidents were higher.

The record for the first 10 months of the year shows 1,284 persons killed, 36,790 injured and 125,143 accidents. Compared with the same period last year, deaths increased 128 or 11 per cent, injuries were up 3,451 or 10 per cent, and reported accidents gained 10,678 or nine per cent.

Pedestrian and ran-off-roadway accidents were the only types to show significant reductions in deaths, but this was more than offset by sharp increases in collisions with other vehicles or fixed objects.

Estimated travel in September, the latest information available, was 1.9 billion miles, or eight per cent higher than in the same month last year. Accumulated mileage for the first nine months was 16.5 billion miles, or nine per cent over the 15.2 billion for the same period in 1949. The death rate of 6.64 per 100 million miles of travel dropped slightly from 6.67.

V. F. W. PARTY

The V. F. W. Post and the ladies auxiliary held their annual Christmas party last week Wednesday evening with a potluck supper at 6:30, served to some 100 people. The Christmas program was enjoyed and Santa greeted the children and had treats for all.

NEW TROUT STAMP

LANSING — The conservation department advises stamp collectors who want first chance at the 1951 trout stamp that they can pick up the new issue any time now.

The 1951 stamps are printed in blue and feature the lake trout for the first time. Collectors and fishermen alike will continue to pay $1 for the stamp.

Near final tabulation of 1950 trout stamps shows 160,164 issued, about 1,500 of which were purchased by collectors.

VETS IN CONGRESS

About ninety of the 290 war veterans in the House of Representatives and the Senate are members of military reserve units but defense officials have announced that they would not go into uniform unless they volunteered. While the armed forces are calling some reserve units to active duty, officials said that an over-all deferment policy now being drafted by the Defense Department would exempt members of Congress.

Price of Pleasure

Dumus the younger was once recognized by a cabman he hired, and when it came time to pay the fare, the cabby refused, saying he could not accept payment from such a great artist.

"But what can I do for you, my good friend?"

"Well, I have here a little play I have written, and if you could just read it over—"

Thereafter Dumus always paid.

G. I. BENEFITS

The Veterans Administration has extended educational benefits of the G. I. Bill indefinitely for World War II veterans who go back into active service. Veterans who have started G. I. Bill studies and interrupt them to return to military duty will not be bound by the July 25, 1951 cutt-off date for returning to educational train-

The famous F-1 Pickup . . . with new features for '51 such as the steering column gearshift! New massive modern front end makes Ford the style favorite.

The heavy duty champion! . . . the new F-5 for '51. In postwar years, truck users have bought more F-5's than any other truck in the 1½-ton field!

NEW FORD TRUCKS for '51

FEATURE POWER PILOT ECONOMY

FOR 1951, more than ever, economy-wise truck buyers are going to follow the trend to Ford!

New Ford Trucks for '51 give you step-ahead engineering advantages, such as America's only truck choice of V-8 or Six . . . a choice of over 180 models—from 95-h.p. Pickups to 145-h.p. Big Jobs—to fit your hauling job better . . . *strength reserves that make Ford Trucks last longer.*

You'll find these new features in engines, clutch, transmissions, axles, wheels, cabs, Pickup body —wherever there have been opportunities to make Ford Trucks do a better job for you, for less money!

Ford's POWER PILOT is especially important to you. No matter what kind of truck duty you are interested in, the Power Pilot is a PROVEN money-saver, on every hauling job.

Driver comfort, too, gets plenty of attention in new-styled Ford Trucks for '51. The new optional 5-STAR EXTRA Cab features foam rubber seat padding, glass wool roof insulation, automatic dome light and many other comfort extras, at only slight additional cost.

And only Ford gives you a power choice of V-8 or Six . . . four great engines! Over 180 models. Come in and get ALL the facts.

The Ford Truck Power Pilot is a simpler, fully-proven way of getting the most power from the least gas.

It *automatically* meters and fires the right *amount* of gas, at precisely the right *instant*, to match constantly changing speed, load and power requirements.

Unlike conventional systems, the Power Pilot uses only *one* control instead of two, yet is designed to synchronize firing *twice* as accurately.

You can use regular gas . . . you get no-knock performance. Only *Ford* in the low-price field gives you Power Pilot Economy!

Using latest registration data on 6,592,000 trucks, life insurance experts prove Ford Trucks last longer!

"ONE HAPPY FAMILY" TO BE FEATURE PICTURE ON JOHN DEERE DAY

Farmers and their families to be entertained by local John Deere Dealer on January 3.

A full length feature picture, "One Happy Family," starring Don DeFore and Marjorie Reynolds, will highlight the parade of entertainment to be staged for farmers and their families who attend the annual John Deere Day show as guests of Hoyt Whelan Co., on Wednesday, January, 3, at Strand Theatre.

"One Happy Family" tells the story of the Lynns, who compose a typical, happy, small-town household until they are awarded the title of "Family of the Year" in a contest conducted by a national magazine. The new title and the $10,000 in prize money they win contrive to toss all the Lynns into a whirlpool of comedy and excitement, and Mr. DeFore and Miss Reynolds, as representatives of the magazine, go along for the swim. As entertainment, the picture rates a blue ribbon and will provide the guests with a rollicking time.

Five other new pictures are included in the fast-moving program, according to Mr. Whelan. One of the films, "His Father's Choice," features the likable Tom Gordon, head of the memorable Gordon clan who taught valuable lessons trimmed with humor on previous John Deere pictures. Another of the films, "Oddities in Farming," offers something new and different in its presentation of unusual machines performing unusual farming operations. "What's New for 1951," will acquaint those in attendance with new John Deere implements, and is sure to prove of interest to every farmer and his family. "'Mike' on the Move" and "The All-American Team," the two movies that complete the program, deal with subjects close to the heart of every farmer.

Admission will be by ticket and farmers who have not yet received theirs may obtain them by calling in person at the Hoyt Whelan Co. store at Tecumseh, Mich. Farmers are urged by Mr. Whelan to get their tickets early. The show starts at 10:30 a.m.

Village Starts 'Defense' Study

EMERGENCY MEETING OF RESIDENTS TO BE HELD JANUARY 11 AT HIGH SCHOOL

Plans for the defense of Tecumseh in the event of an A-bombing or some other attack will be made at an emergency meeting of residents, to be held next Thursday evening, January 11, at 8 o'clock, at the new high school. The conference has been called by Neville Hart, disaster chairman in this community, who has been named to the post by Paul Ahleman of Adrian, county chairman. The local group will cooperate entirely with the American Red Cross and the Civilian Defense Authority.

"Tentative plans call for the meeting of some 50 or more men and women next Thursday evening," Mr. Hart said. "We will consider our security from all angles, and we will make plans which we hope will cope with any emergency, be it bombing, germs, gas warfare, fire or whatnot. These are grim times. We hope that we will never be forced to put any of our operations into effect, but if we do, we certainly desire to be ready."

Hart said that Mayor J. Floyd Elliott and members of the village council would be present at the meeting, as well as leaders in business and industry. Things to be considered will include emergency housing, hospital and medical care, ambulances, nurses and doctors, police and firemen, emergency electrical power, trucks, wreckers, bulldozers, and many, many other things.

"We also should be prepared here to give assistance to nearby communities in the event of disaster," Hart said. "One never knows what emergency might arise, and we want to be able to meet it courageously."

Hart said that he had contacted dozens of folk already about the meeting next week and had been assured complete cooperation. He said that there are still some contacts to be made, and he urged that everyone invited to attend consider it their duty to do so.

"We dislike calling this meeting," the director said, "but we must be certain that we are prepared. Our federal government has issued the warning, and it must be heeded."

Perhaps, Hart said, there are some men and women who have been overlooked in the call for next week's conference. If so, and if they are interested, he said that they should be welcome to attend.

The Red Cross also plans to offer a special course in first aid to men of this community, early in January. At least 50 men must be enrolled to make the project successful.

"I feel certain that there are at least 50 men here who would like to be of service and who would desire to take the course. Classes will meet once each week, in the evening for three hours, and a total of 15 hours of credit is required."

Hart asked that men interested in such a course contact him at his home or at the high school, where he is an instructor, that they may be enrolled.

RADIO PLAYS ROLE IN SCHOOLROOMS

Toronto—For 30 minutes every day during the school term children in approximately 20,000 schoolrooms in English-speaking Canada gather around a radio or loudspeaker to hear their history, natural science, music, and English studies supplemented by dramatized versions of their texts.

The school broadcasts on a nationwide basis began in 1942. Since that time 6,764 schools have applied for and received from the department of transport free receiving licenses. Hundreds of rural schools have a small radio around which the pupils gather with their teacher to hear the programs. In larger schools a loud-speaker system is installed.

W. S. Rutherford, Deputy Minister of Education for Ontario, says the programs are very helpful in stimulating the children's interest.

BUS FARE HIKED

The village council, in session Tuesday evening, approved an advance in the Tecumseh Bus Line fare from 13 cents to 15 cents. The fare for school children is unchanged. There was little other business before the council, except routine reports.

Auxiliary Speaker

Mrs. Phillip Gentile, lecturer in the Extension Service of the University of Michigan, will be the principal speaker at the American Legion Auxiliary meeting Monday evening, January 8, at 8 o'clock. The Auxiliary is having "open house" so that other clubs may attend the lecture. The Auxiliary business meeting will be held at 7 o'clock.

Mrs. Gentile holds a B.S. degree from Wayne University and has done graduate work at the University of Michigan. Before coming to the university as lecturer in extension, Mrs. Gentile did considerable work in adult education at Wayne University, and with a War Chest agency. She also is past president of Detroit Woman's International Education Council and past chairman of the public affairs committee of the Y.M.C.A. Mrs. Gentile is a member of the American Association of University Women, League of Women Voters, Industrial Committee of the Detroit Council of Churches, National Woman's Party, Michigan Committee For UNESCO and The United Nations Committee of Greater Detroit. Mrs. Gentile is the mother-in-law of Mrs. Phillip Gentile, musical director of the Tecumseh public schools.

Edwin F. Pasmore, 82, Is Buried In Morenci

Edwin F. Pasmore, aged 82 years, died suddenly Saturday evening at 7 o'clock at his home at 115 N. Ottawa street, after a few day's illness. He was born September 29, 1868.

Mr. Pasmore had spent the past 22 years in Tecumseh, and for 16 years was owner of The Tecumseh Hatchery. He retired from business four years ago because of ill health. He was preceded in death by his wife, Clara, in 1928. Surviving is one adopted daughter, Mrs. Ray Sluyter, and her family.

Funeral services were held Wednesday afternoon, January 3, at 1:30 at the Green Funeral Home with the Rev. Donald C. Wilson officiating. Burial was in Oak Grove cemetery in Morenci.

SEVEN ARRAIGNED IN JUSTICE COURT

Seven persons were arraigned in Justice Robert French's court here during the past week.

James Shavalier, Tecumseh, paid $7.10 for speeding; Russell Bates, Adrian, paid $8.10 for a similar offense; Merle Hammond, Tecumseh, paid $5.10 for speeding; Clyce Lister, Blissfield, and Pansy Jones, Tecumseh, each paid $7.10, the former for speeding, the latter for running a stop sign. Marshall Drouillard, Britton, paid $8.20 for making an improper turn, and for failing to have his driver's license on his person. Richard Woodcox, Tecumseh, paid $23.60 when he pleaded guilty to being drunk.

GETS NEW ASSIGNMENT

Lieut Richard E. Williamson, who has been aboard the USS Cavalier in the Korean area, has been ordered to report to the Chief of Naval Operations at Washington for a further assignment. He will report at the Capital City not later than January 15. Lieut. Williamson has seen considerable service in the war theatre and in Japan. He is the son of Leon P. Williamson of W. Chicago Blvd.

GETS TRAFFIC SUMMONS

John Fleming, 64, Rt. 2, Britton, was given a traffic summons by police here on January 1 after his car struck a traffic sign on E. Chicago boulevard. Police charged that Fleming's car was out of control.

NOTICE

I will be at the United Savings Bank each Saturday until further notice, for the collection of taxes, dog tax and fire insurance. Will also accept payments by check or money order, mailed to my residence, 211 W. Brown St., Lawrence Mohr, Township Treasurer.

Christmas Tree Pick-up Here Friday, Jan. 5th

Residents of Tecumseh will have no problem this year in disposing of their discarded Christmas trees.

"Village trucks will tour the town on Friday, January 5, and all holiday trees found at the curb will be loaded in and carried to the dump without charge," it was announced today at the village offices.

It was pointed out that a similar pick-up was made a year ago, and was so appreciated by residents that it was decided to repeat the program.

Trees should be at the curb early on Friday. The trucks will make only one trip on each street.

For Longer Life See Your Doctor

FOLK PAST 40 SHOULD GET HEALTH EXAMINATION TWICE ANNUALLY

Here's a New Year's resolution for every person past 40, suggested by the Michigan Department of Health.

For a longer healthier life, resolve to see your physician at least twice a year for a complete physical examination, the Department advised all Michigan people in their middle years.

A health problem discovered early can be most easily corrected.

Principal enemies of the middle years are heart disease, cancer, high blood pressure, hardening of the arteries, diabetes, nephritis (kidney disease) and arthritis.

Heart disease is Michigan's leading cause of death, yet a person with a damaged heart can live a long and useful life if he knows his limitations and stays within them.

Cancer, the second cause of death, may be prevented, controlled or cured in most cases if the situation is diagnosed early.

Diabetes can be controlled when discovered early, and the diabetic under adequate treatment has a greater life expectancy than the average person.

Diseases related to the circulation of the blood—apoplexy, hardening of the arteries and high blood pressure — require medical and personal care. Nephritis can be controlled and many of its complications avoided. Much can be done to arrest arthritis, if it is diagnosed early and if the patient follows his physician's recommendations.

These conditions require a physician's care. Without medical care they can become chronic and can be fatal.

They are among the most important reasons that any person past 40 should have a complete physical check-up twice a year, and whenever any unusual conditions arise.

Public Schools Reopen After Xmas Holiday

The public schools reopened here Wednesday morning after the two-week-long holiday vacation and, according to Earl H. Place, superintendent, all students and members of the teaching staff were back on the job.

"Unlike the Thanksgiving vacation, when the weather was bad, the end of the Christmas vacation brought little absenteeism," Mr. Place said. "However," he continued, "I hope that the weather forecast is wrong, and that the rain and ice does not arrive as predicted for the week-end."

Inclement weather always cuts deeply into school attendance. The second semester of the school year begins on January 22.

P. T. A. TO MEET HERE, JANUARY 11

Helen Tews of the Extension Service of the University of Michigan, will be the speaker at the regular meeting of the Parent-Teacher Association here, Thursday, evening, January 11, in the auditorium of the Central School. Her subject will be, "Adolescence."

BURIED AT BROOKSIDE

Funeral services for Maude E. Ross, aged 77 years old, who died at her home at 616 W. Kilbuck, December 24, were held last Wednesday, December 27, at 2 p.m., at the Collins Funeral Home with the Rev. Donald C. Wilson, officiating. The bearers were Charles E. Whitney, Walter Dailey, Harry Hoffman, John Smith, W. H. Winfield and William Homan. Burial was in Brookside cemetery. Friends and relatives attended from Jackson and Tecumseh.

Adult School Plans Completed

LARGER ENROLLMENT THAN YEAR AGO IS EXPECTED BY NEVILLE HART, DIRECTOR

A larger enrollment than one year ago is expected by Neville Hart, director of Tecumseh's Public Evening School for Adults, which will get under way here next Monday evening, January 8, at the new high school. Classes will meet once each week, on Monday evenings, at 7:30, and will continue for 12 weeks.

Next Monday evening, Mr. Hart said, will be given over entirely to registration of students. This also will be done at the new high school, and any resident, not of school age, is eligible. The enrollment fee is $3 and for this amount a student is entitled to take as many as three courses. No tuition fee is necessary, but in the event that text books or materials are needed in the work, these must be purchased by students.

"Have fun while learning," is the slogan of the night school, and Hart pointed out that with only a $3 registration fee required, it is a bargain in education.

"We are offering a number of courses this year, in fact more than we did a year ago, and we feel that there are dozens of folk here who would like to take advantage of the work," Hart declared. "When one considers that as many as three courses may be taken, for as little as $3, the evening school truly is a bargain."

Persons interested in the school should register and pay the enrollment fee next Monday evening, Hart said. The actual class work will get under way on Monday evening, January 15. All classes will meet in the new high school, beginning at 7:30 and continuing until 10 p.m.

Following is the suggested list of courses to be offered, providing that 10 or more persons indicate an interest in each of them:

Bookkeeping, typewriting, stenography, business law, music appreciation, household mechanics, general shop work, shop mathematics, upholstery, public speaking and economics. If there is sufficient interest in courses other than those scheduled, Hart declared, they, too, will be offered.

Miss Josephine Young Funeral Here, Today

Mrs. Josephine E. Young, aged 72 years, died at her home at 211 W. Cummins street, Monday evening, January 1, 1951, at 8 p.m. She had been in failing health for several years.

Born May 13, 1879, in Macon township, Mrs. Young was a daughter of the late Horace and Abigail Green Hand. She was a member of the St. Peter's Episcopal church and had resided in Tecumseh for 20 years.

Her husband, Robert, preceded her in death in February 1935, as did a son, Robert, in 1934. Surviving are three sons, Linnwood of Colroin, Mass., Horace and Alvah Phillips of Tecumseh; two sisters, Mrs. Gertrude Sisson and Mrs. Ellen Aten of Tecumseh, and nine grandchildren, several nieces, nephews and cousins.

Funeral services will be held this afternoon (Thursday) at 2 o'clock at the Collins Funeral Home with the Rev. Edward Escolme officiating. Burial will be at the Holloway cemetery.

HILLSDALE PROFESSOR TO TALK TO ROTARY

Dr. Windsor H. Roberts, professor of history at Hillsdale College, will be the speaker at the regular meeting of the Rotary Club, Tuesday evening, January 9. The club will be the guests of the public schools, and dinner will be served in the cafeteria of the new high school.

Dr. Roberts comes as the guest of Earl Place, superintendent of schools. He will speak on world affairs, of which he is a student.

There was no meeting of the Rotary Club here this week.

TWO ARE INJURED IN HIGHWAY MISHAP

Two men were hurt and a car and truck were wrecked in an accident on Underwood's Hill at about 11 o'clock, Wednesday morning. Sheriff's officers blamed the fog for the crash.

Injured were Ora Lee Hudson, 30, driver of the car, and his passenger, Bill Kennedy, 21, both of Adrian. They were removed to Bixby hospital. George J. Yenner, 35, Adrian, Rt. 4, was the driver of the truck. He was not hurt.

The car and the truck, loaded with pigs, collided about 75 feet west of the bridge at the foot of the hill, officers said.

Dean of Tecumseh Merchants To Observe His 80th Birthday

It was the sound of the school bell rather than Horace Greeley's "go west young man" message that started Robert S. Moore westward from his Dundee township farm home to Tecumseh in the 1880's, but nevertheless he did "go west" and, as a result, he is today the senior partner in one of the largest and most active lumber and builders' supply businesses in Southern Michigan.

And next Sunday, January 7, on his 80th birthday, Mr. Moore will be honored at a reception at the Tecumseh Country Club. The party is being staged by the employees of R. S Moore & Son Co., and between the hours of 3 and 5 o'clock in the afternoon the latch string will be out for all of his friends and tell them about the party, but perhaps some will be overlooked unintentionally," Robert H. Moore, R. S. Moore's son and partner in the business, said today. "The employees of the company desire that no one be overlooked, and for that reason we trust that they will accept this message as an invitation to attend."

Mr. Moore is easily the dean of all of the business men in Tecumseh. So far as is known, not a single business now in operation is functioning under the same management that it was at the time he came to Tecumseh. He has watched the many civic improvements, the coming of the automobile, the abolition of the hitching posts, the paving of the streets, the expansion of the public water system, and the broadening out of a small agricultural village into a busy industrial center.

But despite all of this, Mr. Moore is still a young man. He may be 80 years of age, but he's 80 years young. It is indeed an unusual morning that he isn't the first or one of the first men in his office. And he remains there until most of them have gone home. Until very recently he wasn't content to confine his activities to the office. He was about the lumber yards, the mill and on building projects, checking up on this or that detail. And if there was a man short, he could always fill in, regardless of the task.

Recently, however, Mr. Moore, Jr., has insisted that his father take a more leisurely stride. And now, for the most part, he does confine his activities to the office, but at times his energy gets too great, and he has to get busy on a more strenuous job.

Born on a Dundee township farm January 7, 1871, Mr. Moore is a son of the late Mr. and Mrs. Henry Moore. He attended district school in Dundee but in 1886, when he reached high school age, he came to Tecumseh. He graduated from Tecumseh high school in 1890 in a class that had an enrollment of 26 students, one of them Grace Heck, who later became his wife.

Mr. Moore's first job was in the C. E. Williamson grocery store at Ottawa street and Chicago boulevard, now the site of a gasoline station.

"I remember that job well," Mr. Moore said. "I took it right after I graduated, and I got a salary of $10 a week. Our day started at 6:30 in the morning and we worked every night until 9 or 10 o'clock, and on Saturday it was midnight. I well recall that I was mighty proud when I received my first pay, and in it was a $5 gold piece."

Mr. Moore continued to work in the Williamson store until about 1892 when he purchased the stock of groceries from Mr. Williamson and opened the R. S. Moore Grocery store. Gradually he branched out and handled a line of produce, buying and selling on Detroit markets. About two years later he moved his store to the building now a part of the Palman store, and he continued to expand, dealing in apples, peaches, onions, potatoes, etc., in car load lots for metropolitan markets.

"And I also remember," he said, "that I sold a few bicycles."

About three years later he bought out a competitor in business, located in the store now occupied by the Watkins Shop, and he moved his stock there. The business grew, and one day a man came with an offer to buy him out. He sold his stock and immediately began looking for a new enterprise.

C. H. Williamson, who was in the grocery business, sold his interest to his father and with Mr. Moore they began buying produce in carload lots for sale on the Western Market in Detroit. They opened a store there and operated it for about two years, Mr. Moore doing practically all of the buying.

In about 1910, Harry Moore, Mr. Moore's brother, was in business with Capt. E. D. Chilson in the building that now houses the general offices of the Moore company. They dealt in coal, machinery, hay, grain and seeds. Mr. Chilson wanted to retire, and Harry Moore urged his brother to buy him out. This he did, and the two brothers operated the business until the beginning of the First World War when Harry Moore sold his interest to his brother and entered military service.

In the meantime, however, they had entered the lumber business, and Mr. Moore recalls that the first order he received was for the lumber to build the rectory of St. Peter's church.

In 1923, Robert H. Moore, the son, graduated from the University of Michigan. He decided that he would like to make a trip to Europe with some of his classmates, and this he did, but upon his return he became associated with his father in the business. And today, the father and son are sole owners, as partners.

In 1923 the firm purchased a lumber and coal yard at Britton, in 1945 another yard at Clinton, and in 1947 still another yard at Dundee. Today they operate all of them and, in addition, the Tecum-

W. G. Bryan and Wife Observe Anniversary

The fiftieth wedding anniversary of Mr. and Mrs. W. G. Bryan was celebrated here on New Year's Day with open house in the parlors of the Methodist church, from 2 to 5 p.m. The church was handsomely decorated by Mr. and Mrs. Bryan's three sons and their wives, and a buffet luncheon was served with Mrs. John Wintersteen and Mrs. Fred Davis at the coffee urns, assisted by Mrs. Robert Bryan and Mrs. Oscar Bryan. Mrs. Gertrude Bryan and Mrs. Howard Truesdale cut the wedding cake, and Mrs. Leslie Becker had charge of the guest book.

During a part of the program, Mr. and Mrs. Bryan again repeated their marriage vows before Dr. Norman MacNaughton, pastor of the church.

A large number of friends and relatives attended the reception and extended their congratulations. Mr. and Mrs. Bryan also received many gifts, flowers and cards, and messages from well wishers.

Among those from out of town attending were: Mr. and Mrs. Robert Bryan, Mr. and Mrs. Thomas Gulliford, Mr. and Mrs. Donald Beagle, and Mr. and Mrs. Victor Linden of Jackson; Mrs. Clyde Denis of Clayton, Mrs. Phyllis Haselnyhl of Clayton, Dr. and Mrs. MacNaughton of Adrian, Mrs. W. Quick of Vancouver, B. C., and Mr. and Mrs. Dell Bryan.

Officers Solve Local Robberies

ARREST OF PAUL BURICISAGA, 44, TECUMSEH, ENDS SIX-WEEK INVESTIGATION

When Mrs. Francis Hicks, N. Evans street, reported to police, Sunday, that her apartment had been entered and a purse containing cash and jewelry had been stolen, she started police on a search that solved two other robberies as well.

Mrs. Hicks made the report to officers at 1:45 a.m., and she declared that on the Saturday evening before she saw a man in a local beer garden with a ring that resembled her husband's ring, which had been in the purse. Officers began their check from there, found a man who saw a man with a woman's purse, and later the man in question was identified as Paul Buricisaga, 45, Tecumseh.

Police searched Buricisaga's room and found a radio which they said was stolen on December 10 from Roy Prichard's apartment. They also found, they said, a topcoat stolen from Marvin Rre's apartment, November 18. And they also found Mrs. Hick's pocketbook.

In Justice Lowe's court at Adrian, Buricisaga waived examination on a breaking and entering charge and was bound over to the circuit court. Police said that he had been paroled from Jackson prison in 1949. He was sentenced to the institution from Flint after his conviction on a breaking and entering charge there.

Tecumseh To Get Painting Of Chief

LOCAL ARTIST TO PRESENT PICTURE ON TUESDAY TO BOARD OF EDUCATION

An oil portrait of Chief Tecumseh, this village's namesake, painted by Earl Bryan, local artist, will be presented to the board of education by Mr. Bryan, next Tuesday evening. It is expected that J. K. Touborg, board president, will accept the painting, and that it will be hung in the public library.

Mr. Bryan has spent several months in making the painting, which is a copy of an old copper engraving, the property of The Tecumseh Herald. It is the only painting in oil known to exist in this area of the Pottawatamie chief.

"We are very happy to receive the painting from Mr. Bryan, and Tecumseh is surely indebted to him for his fine public service," Mr. Place said today in making the announcement. "The board of education will see to it that the picture is properly displayed in the library, that it may be seen by the public."

GIBRALTAR FAVORED FOR WINTER HOLIDAY

London—Nearest Mediterranean resort to Great Britain, the Rock of Gibraltar, has become a favorite spot for winter sunshine seekers.

All-inclusive trips to the historic rock with daily departures from London through until March 31 are now being offered by Thos. Cook & Son. Two-week holidays include air transportation to and from Gibraltar and 14 nights, accommodation at the Rock Hotel, with room and all meals. Package trips are priced at approximately $225.

Planes leave London in the morning and reach Gibraltar by afternoon. Visitors to the Rock can make day trips across the Straits to the Moorish city of Tangier, where they enjoy wandering through the Kasbah section similar to that of Algiers, and bargaining in the native bazaars.

ANOTHER TOWN HALL MEETING, JANUARY 16

Another in the series of Town Hall meetings will be held here on Tuesday evening, January 16, in the auditorium of the Central School, Neville Hart, director, said today.

Prof. Carl M. Horn of Michigan State College, will be the speaker. Dr. Horn is the originator of "the flying classroom" and as its director last year took a number of educators on a tour of Europe.

At Lansing, Dr. Horn is in the guidance department, and while he is in Tecumseh he will review that department in the local schools.

Preparation for War Not Pleasant

One week from today, 50 or more citizens of Tecumseh will assemble in the new high school building to discuss ways and means of caring for the residents of this village in the event of an atomic bombing or some other disaster.

The federal government has warned that bombing is not the only thing that Americans have to fear. There is the possibility of a "germ attack" or of "gas attacks" — both equally or more deadly than falling bombs.

In World War I and in World War II Americans were more or less complacent about the things that happened. Most of us here at home were, so to speak, as snug as the proverbial bug in the rug. The war, insofar as actual danger was concerned, was across the ocean. Except for those who served in the Armed Forces, or who had close relatives who did, the horror of war was just something that we read about in the newspapers, or talked about at the dinner tables.

To some folk, the war actually was welcomed. With it came defense work, long profits, high wages, overtime and fat pay checks. Of course, there was rationing, and many resented even that inconvenience. In some quarters, when the end appeared near for World War II, there was concern on the part of certain individuals who feared the loss of their easy jobs.

Hardly had the last gun ceased firing on the front lines before the politicians, here at home, started to play politics with the voters. The wage spiral started upward. Bolstered by subsidies, prices leaped ahead of wages in a mad race that caught many families napping. Taxes advanced, too, as America began to shower its money on the world in an effort to halt the advance of Communism.

Few people worried. What did it matter how high the national debt soared? Weren't we the wealthiest nation on earth? Who would be silly enough to think that there was a bottom in our money bag? Couldn't we make more money to pay more taxes to assure prosperity?

We wonder if, in the past two or three years, residents of the United States have not, by and large, become money mad? Have we not, from the highest office in the land to the lowest, kidded ourselves into believing that with money we could accomplish anything?

Haven't we tried to buy friendship in every part of the world? Have we succeeded?

We may have fooled the folk here at home with our national spending, but certainly we haven't fooled them away from home. Of course, the folk away from home couldn't vote here, and those in high office, it appeared, were first of all concerned with perpetuating themselves in office. In the latter respect, we'd say that they had been rather successful. So successful, in fact, that in the last national election less than 50 per cent of the electors in this country even bothered to cast their ballots.

The result. Poor leadership, lack of planning, inadequate defenses, "a little police job in Korea" that has turned out to be a first class war — in fact the fuse that may touch off World War III with its A-bombs, germs and gases.

We've been terrifically busy here in America making money and searching for security. In fact, we've been so busy that rather than take time off to think and to vote we've let others do it for us.

There's an old proverb that goes something like this: "If you dance, you must pay the fiddler." And now we have received the fiddler's "bill."

No longer are we thinking in terms of security in the form of fat profits and pay checks, subsidies, government grants and easy jobs, we are thinking about the security of our own lives — our very necks.

For the first time in the memory of local residents are we thinking in terms of physical survival should World War III strike at our doorstep. It is not pleasant to plan for these things, but we must be realistic. No longer will wars be fought "across the ocean." The whole world has suddenly become a battle ground.

There's little more reason for alarm today than there was five months ago, or five years ago. The present emergency has been shaping up for years, but we've been so busy planning our lazy security that we refused to take time off to face the facts.

We hope that here in America all of our planning against bombings, gases and germs will be for naught. We hope that never will there be an attack here or anywhere else with such deadly weapons. But who can be sure that there will not be such an attack?

Today, we suspect, people everywhere are looking for leadership that will direct the destiny of the world along the road to peace. By and large, we think, humans are peace-loving. We believe that there are brains enough in these United States to discover the road to peace, provided, of course, they are permitted to function in high office.

Perhaps, when American voters waken up and realize that in all-out war, such as World War III would be, we here at home will be fighting, too, for our very necks, we'll take time off and give some careful thought to the men whom we elect to public office. And when we do that we will have leadership with courage, leadership by men who know that the folk back home are behind them, and are expecting something from them.

Here in America we seem to have the know how for doing everything except the selection of competent leadership in our public offices. And as we see it, there is no one to blame for our present trouble but the American voters, themselves.

Consumers Is Featured In Article In Coronet

The current issue of Coronet Magazine features an article about Consumers Power Company, which serves this community and hundreds of others in outside Michigan.

Called "Courtesy by the Kilowatt, the article relates a good deal of the story of the growth and acceptance of electric power in rural Michigan, and says that the Company serves most of the Lower Peninsula of Michigan on "the principle that each of its more than 900,000 customers is also a friend."

"No service to its consumers is too big, or too small, to warrant the attention of this multi-million dollar power company," Coronet adds.

Kent Sagendorph, author of numerous magazine articles and books, including a history of the University of Michigan, a biography of Stevens Mason, Michigan's first governor, is the author of the story.

Sagendorph details instances of services bordering on the heroic which have been rendered by Consumers employees in emergencies throughout the state.

The Company's program for rural electrification is also outlined and Coronet tells how Consumers worked with Michigan State College in the 'twenties to demonstrate the economic soundness of electricity on the farm. Today the Company serves 99 per cent of all farms in its service area.

KEEP OLD MAN WINTER OUT OF YOUR ENGINE!

There's no more reason for your motor to spit and sputter in the cold winter months than there is for your radiator to freeze up. In either event, the cause would be lack of care.

If you are a Buick or Chevrolet owner, we invite you to bring your car to us for the care that it needs in cold weather. Our mechanics are trained, and we have the tools and the know-how to make your motor purr like a kitten.

For any service that your car might be needing at this season or any other season, you'll find no better place to get it than in our shop.

Miss Lois Theone Purkey Weds William E. Tilton

The altar of the Presbyterian church, banked with Christmas greens, white chrysanthemums and lighted candelabra, was the scene of a lovely wedding last Friday evening at 7 o'clock when Miss Lois Theone Purkey, daughter of Mr. and Mrs. Leno Purkey, became the bride of William E. Tilton, son of Mr. and Mrs. George Tilton, all of Tecumseh. The double ring ceremony was performed by the Rev. Donald C. Wilson.

The bride, given in marriage by her father, was dressed in rose beige wool jersey, with lace trim and she wore a strand of pearls. She carried an arm bouquet of gardenias. Her sister, Mrs. Robert Williamson, her only attendant, wore grey wool and carried an arm bouquet of pink chrysanthemums and pom poms. Pfc. Richard L. Purkey of Oceanside, Calif., brother of the bride, served as Mr. Tilton's best man.

Immediately following the ceremony a reception for 70 guests was held in the Fellowship Center. Miss Joan Johnston was in charge of the guest book; the Misses Florence and Ruth Tilton, the gifts; Mrs. Robert H. Moore, jr., and Mrs. Robert Purkey cut the cake, and Bonnie Purkey and Jean Sisty, poured. The Florence Weld Mission Guild also assisted in serving.

The bride graduated from Tecumseh high school in 1949 and is employed at the Flower and Gift Shop. Mr. Tilton graduated from Tecumseh high school in 1948 and is employed by Tecumseh Products Co. They are residing at 304½ E. Kilbuck street.

MSC RESEARCHERS GET $14,985 GRANT

EAST LANSING — Michigan State College social scientists are going to take a new approach to mental health by studying the healthy instead of the sick.

The Social Research Service of MSC has been awarded a grant-in-aid of $14,985 by the National Institute of Mental Health, U.S. Public Health Service, for the study.

The grant provides for a pilot study of "social strengths in mental health," according to Dr. Charles R. Hoffer, acting head of the Social Research Service. Dr. Hoffer said the study will begin early in 1951 and probably continue into 1952.

"The project differs from most mental health studies because it will examine normal people to determine what it takes in human resources to make successful adjustments to modern living," Dr. Hoffer said.

This is one of the first studies in the U.S. to focus on the mental health of average people, the MSC researcher said.

LOCALS AND PERSONALS

Bernard K. Shaw of Ottawa, Canada, visited his sister, Mrs. Wade L. Jones last week Friday and Saturday.

Mr. and Mrs. C. L. Snedecor and son of Chinook, Montana, are visiting his sisters, the Misses Vi, Marian and Ellen Snedecor and other relatives and friends here.

MSC ASKS COST OF LIVING RAISE

EAST LANSING — The State Board of Agriculture will ask the Legislature for a supplemental appropriation with which to adjust wage and salary rates for employees of Michigan State College.

Under the board's proposal, the cost-of-living adjustment, which would be about 10 per cent, would be effective January 1, but would not be paid until the Legislature voted the necessary funds.

The proposal was voted so that MSC would be in conformity with the action of other state educational institutions and the state Civil Service Commission.

MISS HERRICK TO WED

Mr. and Mrs. Ray W. Herrick of West Chicago Blvd., are announcing the engagement of their daughter, Jean Marie, of New York City, to Pelk VanWaveren, also of New York, son of Mr. and Mrs. Thomas VanWaveren of The Hague, Netherlands. Mr. VanWaveren is in the Army and is stationed at Fort Meads, Maryland.

GUILD TO MEET

The Florence Weld Guild of the Presbyterian church will meet next Monday evening, January 8, at the home of Miss Mary Whitlock. Mrs. E. E. Davis will be the assisting hostess. A book review will be given by Miss Winifred Bates, and Mrs. Ted LaBounty will be in charge of devotions.

DAUGHTER HONORED

Mrs. Ronald Harris entertained in her home on S. Ottawa street, Friday evening, eleven boys and girls in honor of her daughter, Janice's eleventh birthday anniversary. Ice cream and cake were served and there were New Year's favors and decorations in keeping with the season. Janice received many nice gifts. Later the group attended the theatre.

There was a time when workers labored fourteen and fifteen hours a day — does anybody suggest that we go back to the "good old days?"

Dean, Tecumseh

seh Sash & Door Company, which they purchased in 1930.

In the 40 years that Mr. Moore and his son have been in the lumber business here they have been instrumental in the building of several hundred houses in Tecumseh and throughout Lenawee county. Robert H. Moore has been particularly active in the building business during the past 10 or 12 years and only recently the firm won a national award for its aggressiveness in this field. For two years in a row, Tecumseh won the honor of leading the nation, on a per capita basis, for new home building.

Mr. Moore is a member of the Baptist church and a life member of the F. & A. M. and O. E. S., of Tecumseh, as well as the Country Club. He also is a member of the National Lumber Dealers Association, and of the Michigan Retail Lumber Dealers Association. He has served as township clerk and at one time was a director and later president of the Lilley State Savings Bank. He also was a member of the Tecumseh Hospital board, and a charter member of the Rotary Club.

"I never was much of a joiner," Mr. Moore said. "After a day downtown on the job, I was anxious to get home and to stay there."

Mrs. Grace Heck Moore, who married Mr. Moore in 1892, will be with her husband at the reception on Sunday. Mrs. Moore's health has not been good for the past year, and she has been forced to restrict her many social, club and church activities to a minimum.

However, both Mr. and Mrs. Moore are looking forward to a vacation at St. Petersburg, Florida. They will leave here on January 16, accompanied by Mrs. Robert H. Moore. They probably will remain in Florida until April.

But Mr. Moore enjoys his business, too, and after 10 weeks in the South he will be back on the job, and with renewed energy.

W. C. T. U. TO MEET

The W.C.T.U. will meet next Tuesday afternoon, January 9, at 2 o'clock, at the home of Mrs. H. H. Loveland. Mrs. Bertha Roberts will be in charge of the program.

The world's great men have not commonly been great scholars, nor its great scholars great men. —O. W. Holmes.

WINTER PICTURE"

Winter's driving mother dizzy,
From morn till night she's busy busy—
Mom's a girl who does not shirk
Making legging zippers work.
Warning Willie he had better
Wear a shirt beneath his sweater,
Getting snow-soaked mittens dried,
And keeping Mollie's muffler tied.
Mother's one who never balks
At taking baby for his walks,
She knows it's her maternal duty
To wrap him well from head to bootie.
He needs his winter outings—bless him—
Altho' it takes an hour to dress him,
And though he walks a yard, and then
Bellows to go in again.
"Down with winter!" Mommy breathes,
While her temper boils and seethes.
"Down with winter—time of snowsuits!
Viva summer—time of no suits!"
Oh, winter's picturesque romantic
But winter's driving mother frantic.
Yes, Mommy's mind is on the skids
From bundling and un-bundling kids!

TO MEET AT CHURCH

The W.S.C.S. of the Methodist church will meet in the church parlors, next Wednesday, January 10, at 2 p.m. The program leader will be Mrs. Donald Martin and the hostesses will be Mrs. R. J. McCoy, Mrs. Jennie Temple and Mrs. Willis Porter.

In the wilds, mink dens usually are near water, and may be in hollow logs, under stumps or tree roots, or merely burrows in the bank.

RED DOVE OF PEACE WITH HIDDEN PUNCH . . . "The dove goes bang." That is the inscription on this large poster portraying Picasso's famous Communist peace dove, armed and taking the form of a tank. It is one of the posters that are making their appearance in the Paris streets to depict what the Reds think of the world's interpretation of peace. Of course, the rest of the world has a similar view of the Communist interpretation.

Sexy Fish Lure Angler's Latest

CRAZY DOINGS IN OUTDOOR WORLD FURNISH CONVERSATIONAL TOPICS

LANSING,—Crazy doings in the Michigan outdoor world during 1950 should prove ample conversational fodder for sportsmen's hot stove sessions this winter.

The conservation department makes these contributions:

The sexy fish lure devised by angler C. W. Handel which calls for a slim-figured, daintily-scented minnow doing the finny version of the bumps and grinds at the end of the hook;

The Bay City state park rangers who had no difficulty telling when temperatures hit a new high —dashing to the beach to prevent a young lady from taking the plunge in the only bathing suit mother nature ever provided;

The hazards of live-trapping skunks which ended for game workers when they began enticing the odorous little animal into a box trap with another nostril twister, smoking herring, and then offering it a "loaded" ball of ground meat;

The raccoon at the Rose Lake wildlife experiment station with a penchant for joy riding in a jeep;

The "Sir Lancelot" character who conceived the idea of strapping a sharp-edge pole to his car and charging up Oscoda county backtrails in search of a deer.

The Kalkaska county buck deer which began sparking Patrick Dockery's mules, keeping them in a dither and jumping all over the pasture;

The sabotaging woodchuck which chewed a hole in the radiator hose on conservation officer Glen Price's car, causing the alcohol to spurt out over the motor and start a fire;

The reverse-swimming Livingston county muskrat which paddled past the Rose lake dock, backwatered and peered at game biologist Arthur Peterson, shifted gears again and disappeared into the cattails;

The large number of ruffed grouse which took refuge in Young state park during the hunting season;

The pilfering beaver family which cut down small aspen trees within 30 feet of Cheboygan's Main street and floated them down the Cheboygan river paralleling this chief thoroughfare;

The Ishpeming doctor who asked a stranger for a hand in dragging an illegal second deer out of the woods and received conservation officer Alger Luhti's cooperation;

The October warm weather splurge which fooled Dansville area ruffed grouse into starting spring mating season activities;

The Van Buren county flying fisherman who swooped down on North Scott lake for periodic checks of set lines because he was too busy to fish the normal way;

The conservation department's fishing ambassador without portfolio, Harold Olsen of Lansing, who continued to prove big fish exist in several lakes where other anglers swear they are not;

Another wildfire report of a bear in southern Michigan, this time in Lapeer county which caused embarrassment to department authorities as well, when they proved the story unfounded. The alleged report was that a Fostoria area resident might be arrested for killing a bear that had invaded his front porch.

When you see a good looking young woman just remember that she knows it better than you do.

New Fiber Produced For Wide Range Of Uses

New York—A new man-made fiber that can be used for everything from blankets to acid resistant clothing has been introduced by Union Carbide & Chemical Corp.

It is made from basic materials freely obtainable within the United States including salt, air, water, limestone and coke.

It is called dynel. Union Carbide officials stressed dynel is not a substitute for wool, cotton, nylon, or any other fiber, but it can be used alone or in combination with other fibers in a wide range of products.

Dynel is a combination of two chemicals, vinyl chloride and acrylonitrile. Both are inexpensive and already widely produced for use in other products. Dynel is priced at $1.25 a pound at present.

Union Carbide has been producing dynel since July in cut staple and tow for manufacturers who have conducted a wide experimental and development program. It is being used only for industrial applications at present.

Dynel now is available in filter cloths, water softener bags, dye vats, laundry nets, dust fume bags, acid resistant clothing, paint roller fabric, and doll wigs.

Shortly after the first of the year dynel will be sold in bed blankets, crib blanktes, men's golf hose, boot linings and cuffs, and work clothing fabric.

22 YEARS TOO LATE

Los Angeles, Calif. — Roland Clendening, 47, was married in 1924 in Wheeling, W. Va., and eight days later his bride disappeared. Twenty-six years later, he received a letter which informed him that his wife would not contest an annulment suit if he would file it. He went to court only to learn that he had waited twenty-two years too long. He now plans to file suit for divorce on the grounds of desertion.

NATIONAL DEBT

The present national debt stands at $257,218,170,000, as compared with a net of $61,363,868,000 just before Pearl Harbor. It reached a peak of $279,764,369,000 in February, 1946.

Dutch Restore Bells To Carillon Towers

Amsterdam—Holland is the country of carillons. Although many Dutch church towers were stripped of their bells during the war, Holland now has 65 playable carillons. Belgium has 45, while the north of France has only 20. It is a remarkable fact that in the rest of the world together there are only 340 carillons, so it is not surprising that Holland's "singing towers" are the admiration of every foreign guest.

Holland's reputation for bell casting has been maintained throughout the centuries and orders are steadily being received both from home and abroad.

Recently, for example, two complete carillons were shipped to the United States; one intended for Quebec's City Park and the other for the Glenadale Monastery in Ohio. The carillon for Quebec was previously exhibited at the First United States International Fair in Chicago, where it was played by carillon players invited from all parts of the United States and Canada.

Grange Enjoys Xmas Party And Program

The Tecumseh Grange met last week Thursday evening for their regular meeting and Christmas party. A chicken and biscuit supper, served by the first and second degree teams, preceded the meeting.

Harold Rhorback, master, presided at the business session.

The delegates to Pomona Grange, January 10 at Onsted are: Mr. and Mrs. Percy Cadmus, Mr. and Mrs. William Swick, and Mr. and Mrs. Charles Dickerson.

The lecturer, Mrs. Lilah Cadmus, had charge of the Christmas program and party. The program included group singing of Christmas carols, recitations, special music with singing, and a monologue. Santa Claus appeared and distributed gifts and pop corn and candy.

The next regular meeting will be held January 11. The debating team from Tecumseh high school will have charge of the program.

Sick Children Get Special Care

INFANTS AND CHILDREN RECEIVE SPECIAL ATTENTION AT UNIVERSITY OF MICHIGAN

ANN ARBOR—Every mother who ever cared for one sick child would sympathize with the nursing staff of the pediatrics department of University Hospital, which looks after 100 sick children.

This department not only cares for its child patients but also has the assignment of teaching students in the University of Michigan School of Nursing the techniques of taking care of babies and small children. Thirty or more of the patients are infants under two years of age and the rest of the small patients are children between two and thirteen years old.

About a dozen nursing students are assigned to the pediatrics department at one time. Each girl then spends a month working the ward for babies, another month in the wards for older children, and a third month in such specialized jobs as preparing formulas and assisting in the children's playroom.

Nursing students "learn by doing," but all their work in this and other Hospital departments is carried on under supervision. The regular staff for the pediatrics department consists of a supervisor and 25 graduate nurses, working in three eight-hour shifts each day.

Some children are able to spend part of their days up and playing —or studying in the Hospital School. In fact, University Hospital has a higher proportion of "up patients" than is customary in a children's department because of the fact that the children come from all over Michigan. If a child's parents live a long distance from Ann Arbor, it is usually necessary for them to leave the child in the Hospital until his treatment is completed.

All the children, whether able to be out of their beds or not, are helped by the recreational and school programs managed by the Hospital. There is a children's playroom for youngsters able to be up, and a recreation department staff members—or "playlady"—visits children at their bedsides to tell stories or help with games.

The main trouble with the private enterprise system is that it is being burdened with speculators, loafers and inside-men — all supported by workers and producers.

Wage, price and profit control are advisable when the nation goes to war but we are willing to gamble a dime on the inability of government to control war-profits. Money is not patriotic.

Says U. S. Lacks In Foreign News

TOO FEW CORRESPONDENTS "COVER" WORLD HAPPENINGS, EDITOR DECLARES

America's global news coverage is "woefully inadequate," writes a foreign news editor in the current "Quarterly Review" of the University of Michigan.

Foreign correspondents are disappearing because news agencies won't pay the price to maintain them, reports Russell F. Anderson, editor of "World News" published by the McGraw Hill Company.

Only 293 Americans were overseas before the Korean War as full-time correspondents for U. S. newspapers, magazines, press associations and radio networks, according to a survey Anderson conducted.

News of the start of the Korean War caught Americans flatfooted, he says. Hardly any of them had the slightest idea that a major conflict was in the making, much less any understanding of the issues at stake.

"Had Korea been adequately staffed with correspondents, American readers would have understood the tinderbox situation that existed. Chances are, too, that the U. S. military would not have been caught napping had prewar developments been fully covered.

"The Korean example is not the exception. It is the rule. Should war break out today in Greece, Iran, Turkey, Yugoslavia, or any of the other smoldering areas of the world (except Germany), the same lack of pre-event reporting would prevail."

Key figures in government draw heavily from press reports in formulating their judgments, Anderson writes.

"The sometimes unrealistic moves by the U. S. State Department, and foolish policy demands from the floor of Congress, are the telltale tipoffs as to just how important our foreign press coverage is in formulating official government opinion."

Besides the economic cause — financial retrenchment by news agencies, Anderson found that the American public does not demand more complete foreign coverage, so does not get it. Increasing foreign censorship is also partly responsible for the "disappearing foreign correspondent."

In the first global survey of American news gathering, Anderson says that the 293 "pre-Korean" correspondents were fewer than the number of reporters abroad in pre-Munich times. In 1945, the last year of the war, there were 2,700 U. S. correspondents accredited to or registered with the American Armed Forces.

There are reporters, nationals of the countries in which they work, who are able to provide excellant coverage. However, Anderson contends that news intended for the U. S. should come from Americans unfettered by natural native biases and government pressures.

A goodly number of the thinly spread American reporters, he believes, do not have economic background, language fluency, or historical perspective to do a good interpretive job.

One foreign editor interviewed in the survey states that publications keep good men at a few points and fly them to trouble spots if and when a story breaks. A prime reason for the extreme lack of good news. This permits little or no opportunity for interpretive reporting that is essential to give a broad understanding of the less spectacular areas.

Anderson estimates the "less spectacular areas" to be about 80 per cent of the globe. He believes there is poor coverage of Eastern Europe, Latin American, Asia, Scandinavia, and of utmost importance — Russia.

There are only five American correspondents in the U.S.S.R.

"Not enough pressure is brought to bear by newspapers and magazines on the U. S. government to adopt a more aggressive policy, insisting that the Soviet Union accord American newspapermen the same treatment we give Russian correspondents in this country.

"What has me concerned is the total inadequacy of our day-to-day coverage at a time when the United States is in desperate need of experienced eyes and ears in all parts of the globe. The press has a responsibility to fight for its news and to lead rather than to reflect reader interest."

Anderson, an alumnus of the University of Michigan, has been a foreign correspondent for the International News Service and was a combat correspondent in the Pacific during the war.

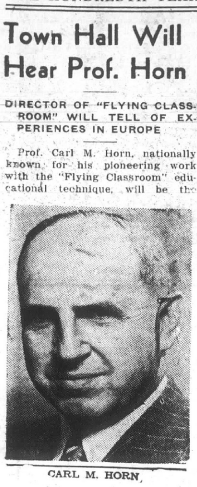
Town Hall Will Hear Prof. Horn

DIRECTOR OF "FLYING CLASSROOM" WILL TELL OF EXPERIENCES IN EUROPE

Prof. Carl M. Horn, nationally known for his pioneering work with the "Flying Classroom" educational technique, will be the



CARL M. HORN

guest speaker at the second in a series of Town Hall meetings here, Tuesday evening, January 16, in the auditorium of the Central School building. Neville Hart, director of Town Hall, emphasized today that admission to the program is without charge, and he urged that there be a large attendance.

Prof. Horn is a member of the staff of Michigan State College and recently he was named to the newly-created position of director of continuing education. Previously he had served as administrative assistant to the dean of students and associate professor in the Institute of Counseling, Testing and Guidance.

In his new capacity, Horn is responsible for all of the college's off-campus educational programs except those in agricultural extension. All conferences, short courses and other non-credit, on-campus organized programs, in-

James Vershum Dies; Buried At Ridgeway

James Vershum, aged 55 years, died at 11:45 a.m., Saturday, in Herrick Memorial Hospital. Mr. Vershum had been in failing health the past six months and had been a patient in the hospital one week. His home was in Macon township where he moved about ten years ago from Blissfield township.

Survivors besides his wife, Adaline, are five sons, Harvey of Toledo, Lewis of Clinton, and James, Russell and Richard at home; six daughters, Mrs. Doris Ditmore of Ottawa Lake, Mrs. Ruth Abner, Mrs. Ellene Schwede and Mrs. Cleo Upell of Tecumseh, and Margie and Colleen at home; nine grandchildren and three brothers and two sisters. He was preceded in death by his parents, a brother and a grandchild.

Funeral services were held Tuesday at 2 p.m., in the Niblack Funeral Home in Britton with the Rev. B. O. Bashore, officiating. Burial was in Ridgeway cemetery.

C. of C. Asks Listings On Community Calendar

Tecumseh organizations are requested by the Chamber of Commerce to report their special activities so that the community calendar will be complete and so that there be as few conflicts as possible on dates for events.

"Our particular concern is for those activities whose success depends upon public support," stated Ronald Harris, Chamber secretary. "In recent weeks there have been a number of such events which might have been better supported had there not been conflicting activities the same evening.

"The Chamber of Commerce is making no attempt to allot time to any group," he continued. "We merely believe that by serving as a clearing house we can assist our local organizations to have more successful affairs."

ROTARIANS ENJOY CAFETERIA DINNER

Members of the Tecumseh Rotary Club were guests of Earl H. Place, superintendent of the public schools, at a cafeteria dinner, served Tuesday evening in the new high school. Regular meetings will be resumed next week in the Legion Memorial Home.

Dr. Windsor H. Roberts, professor of History at Hillsdale College, was the guest speaker, discussing international affairs. Dr. Roberts is a student of international relations, having spent some time at Geneva, studying the League of Nations.

Siena Artist Painting Stations For Tecumseh

Jacques Egan, World War II veteran, of Adrian, and Donald Plumstead of Chicago, will hold an exhibition of paintings at Studio Angelico in Sacred Heart Hall, Siena Heights College, from Saturday, January 13, through January 27, inclusive.

Mr. Egan's paintings will be of special interest to Tecumseh residents. He has been assisting Matthew Boyham, artist-in-residence at Siena, who is doing the Stations of the Cross for the new Catholic church in this village.

An invitation is extended to the public to visit the studio, afternoons from 2 to 5 on Saturday and from 2 to 9 on the days thereafter, except January 13, when the time is 7 to 9 o'clock in the evening, to see the exhibit.

Mrs. Helen Tewes To Address PTA

"ADOLESCENCE" TO BE SUBJECT OF TALK IN NEW SCHOOL STUDY HALL TONIGHT

The regular meeting of the P.T.A. will be held Thursday evening (tonight), January 11, at 8 o'clock in the new high school

Mrs. Helen M. Tewes

study hall. Mrs. Thomas O'Hara, president, announces that Mrs. Helen M. Tewes, lecturer for the University of Michigan Extension Service, will speak and her subject will be "Adolescence."

Mrs. Tewes is a specialist on the young school child, and in addition to her experience teaching in various school systems, she has also taught in teacher-training programs at Plymouth Teachers' College in New Hampshire, at Connecticut State Teachers' College, at Western Michigan College of Education and at the University of Michigan, where she was second grade supervisor in the University elementary school for two years. Though the care of her own young daughter made it necessary for Mrs. Tewes to resign her full-time teaching position on the University faculty in the spring of 1947, she continues to lecture and to conduct workshops in parent education for the University Extension Service.

Mrs. Tewes is a graduate of Kent State University, Kent, Ohio, and also holds her master's degree from Columbia University and is working on her doctorate in education at the University of Michigan. She is very interested in parent education and in the summer of 1946 attended the training course sponsored by the National Congress of Parents and Teachers at Northwestern University.

Mothers of the West Branch school will serve refreshments.

HARRIS IS NAMED TO PUBLICITY GROUP

Ronald Harris, secretary of the Chamber of Commerce, has been appointed to the publicity committee of the Michigan State Safety Conference. The appointment was made by D. D. Knight, Grand Rapids advertising executive, who is chairman of the committee.

In his letter of appointment, Mr. Knight stated that there will be greater emphasis than ever on safety in Michigan this year because of civilian defense and because of costly loss of man-hours in business and industry due to accidents.

The committee will meet in Lansing next week.

LOCAL WOMAN'S SISTER IS BURIED IN ADRIAN

Funeral services were held Wednesday morning from St. Joseph's church in Adrian for Mrs. Leona L. McAuliffe of that city, who died Sunday night in the Tuttle Nursing Home at Hudson, following a 10-day illness. Burial was in St. Joseph's cemetery.

Mrs. McAuliffe was a sister of Mrs. Earl L. Wickwire of Tecumseh. Mr. and Mrs. Wickwire and daughter, Marjorie, and friends from here attended the services.

41 Enrolled In Nite School

FOUR COURSES WILL BE OFFERED; WOMEN SHOW INTEREST IN SHOP TRAINING

Forty-one men and women enrolled on Monday evening in Tecumseh's Evening School, and the registration is about evenly divided between men and women, Neville Hart, director, said today. Actual class work will begin next Monday evening at 7 o'clock, and will continue on Monday evenings for 12 weeks.

The four courses to be offered and the hours are: Beginning typewriting, 7 to 8 o'clock; upholstery, 8 to 10 o'clock; general shop, 8 to 10 o'clock; bookkeeping, 9 to 10 o'clock.

"There still is room for a few more registrations in the courses that are being offered, and we will accept new students next Monday," Mr. Hart said. However, he pointed out that after Monday, registrations would be closed.

The registration fee for the 12-week course is $3, plus the cost of any materials for text books needed.

Interest in the night school for adults is very good this year, Hart said, and the enrollment is about evenly divided between men and women.

"Surprising enough," Hart said, "the women are showing a very keen interest in the upholstery and shop course."

The Evening School is operated by the board of education, purely as a service to the community. The enrollment fee is purposely kept at a minimum in an effort to attract as large a registration as possible.

PTA Announces Benefit Party

FUNDS RAISED IN FEBRUARY 1 EVENT WILL BE USED FOR SCHOOL'S IMPROVEMENT

Another benefit card party, sponsored by the Parent-Teacher Association of Tecumseh, will be held on Thursday evening, February 1, at 8 o'clock at the Central Building, it was announced today. A similar party was held a year ago and met with unusual success.

Funds raised because of the party will be used to purchase needed equipment in the schools.

Plans for this year's party were made last Saturday when mothers of children in the public school met at the library. Mrs. Thos. O'Hara, president, named Mrs. LeRoy Titley as general chairman

FUNERAL FOR EDWIN PASMORE, WEDNESDAY

Funeral services for Edwin S. Pasmore, aged 82 years, who died at his home Saturday, December 30, were held Wednesday afternoon, January 3, at 1:30, at the Green Funeral Home with the Rev. D. C. Wilson officiating. Mr. Pasmore was the former manager of the Tecumseh Hatchery for 16 years instead of owner as previously stated. The bearers were A. B. Harding, John L. Calhoun, R. W. Mead and I. W. Boltz. Burial was in Oak Grove cemetery in Morenci. Friends attended from Clinton and Tecumseh.

Honored On 80th Birthday

Above, Robert S. Moore and Robert H. Moore, father and son, partners in the R. S. Moore & Son Co., lumber and building supply business here, as they were seen at the Country Club, Sunday, when Mr. Moore, sr., observed his 80th birthday anniversary. Nearly 400 of Mr. Moore's friends were on hand to extend congratulations, and the employees of the firm, founded by the senior partner, presented him with a gold watch.

400 FRIENDS GATHER AT COUNTRY CLUB TO WISH HIM WELL ON 80TH BIRTHDAY

Some 400 friends, many of whom had known him for more than half a century, gathered at the Tecumseh Country Club on Sunday to help Robert S. Moore, senior partner and founder of R. S. Moore & Son Co., observe his 80th birthday anniversary. Mr. Moore is dean of the merchants in Tecumseh, having started in business here in 1892.

The reception was staged by the employees of the Moore company, operators of lumber and building supply yards here and in Britton, Dundee and Clinton. During a brief ceremony, the group presented Mr. Moore with a gold watch.

In the long reception line were Mr. and Mrs. Moore and their son and his wife, Mr. and Mrs. Robert H. Moore, their grandson, Robert D. Moore, Mr. and Mrs. Paul Sheldon of Dundee, Mr. and Mrs. Mervil Mattis and Mr. and Mrs. John Cave of Clinton, Mr. and Mrs. Dwight Hodges, Mr. and Mrs. Russell Cooper, Mr. and Mrs. Leland Kaynor, Mr. and Mrs. Don Nettleman, Mr. and Mrs. Herbert Dillon and Mr. and Mrs. William McGeorge of Tecumseh, and Mr. and Mrs. Archie Spohr of Britton.

The honored guest cut the large birthday cake, and ice cream, cake and coffee were served to the guests. Miss Grace Moore presided at the guest book, with Mrs. R. D. Moore and Mrs. Richard Fielder at the cake. Miss Alice McAtee poured.

Civil Defense Study, Tonight

COMMITTEE WILL MEET AT HIGH SCHOOL TO DISCUSS LOCAL EMERGENCY PLANS

A committee composed of some 50 or more interested citizens, including village authorities, school officials and industrialists, will meet at 8 o'clock this evening at the high school to discuss civil defense plans locally, in the event of an atomic bombing or similar emergency. The meeting is called by Neville Hart, disaster chairman here, at the request of Paul Ahleman of Adrian, county chairman.

"We will consider Tecumseh's security from all angles, bombing, gas and germ warfare, etc.," Mr. Hart said in making the announcement. "It may seem a bit difficult to discuss such a serious problem, but nevertheless we are faced with it, and we must be prepared in the event of an emergency.

Plans also are being made for a first aid course for men, the first in the series of five meetings to be held later this month. In order to make the training available locally, 50 men must register. Hart said that already several had signified a desire to enroll, and he asked that others contact him at once for registration. There will be five classes, all in the evening, and lasting for three hours each.

NOTICE

I will be at the United Savings Bank each Saturday until further notice, for the collection of taxes, dog tax and fire insurance. Will also accept payments by check or money order, mailed to my residence, 211 W. Brown St., Lawrence Mohr, Township Treasurer.

RAIN, SNOW OR SUNSHINE, YOU'RE STILL THE MILKMAN

Local Deliveryman Has Been On The Job For 21 Years

Merrill Murphy

You've heard about barbers who have clipped off miles of hair and mailmen who have walked all of the way around the world, but Merrill J. Murphy, who has been a milkman in Tecumseh for 21 years, probably has carried enough of the liquid food to local residents to float the Queen Mary.

Mr. Murphy, who, to his friends, is known as "Murf," started in the milk business on December 28, 1929, delivering for the Jack Smith Dairy. When Mr. Smith sold the business to the Tecumseh Dairy in 1944, "Murf" changed employers and continued with his route. And he's still at it, every day in the week.

When "Murf" started in the delivery business he drove a horse and carried his milk in the old-fashioned covered wagon. His job started at 4 a.m., and after the day's work was done there were bottles to be washed, the horse to be cared for and a few other odd jobs that demanded his attention. Except for six weeks, when he was confined to his home with pneumonia, "Murf" has been on the job every working day during the 21 year period.

Now, of course, the milk business is much easier than it was in 1929. Bottles are washed with automatic equipment, the milk is put into the bottles by machine, and instead of a horse and wagon, a modern milk truck is used. And, of course, the days are not as long as they used to be, and there are days off.

Born in Bridgewater the son of Mr. and Mrs. Joseph Murphy, "Murf" attended the Culbertson school before he moved to Tecumseh with his parents and continued his education. In 1924 he was married to Hazel Beevers and they have six children, four sons and two daughters. The family resides at 206 E. Pottawatamie street.

Senior Class Plans Paper Pickup, January 18

Members of the senior class of Tecumseh High School are sponsoring a wastepaper pickup on the afternoon of Thursday, January 18, and all day on Friday, January 19.

Persons having paper they desire to give to the seniors may contact any member of the class or Neville Hart, their advisor, at phone 97. "And class members will go into attics or basements to collect the papers," it was said at the school.

Lenawee County Jail Built On Welfare Site

The new Lenawee county jail will be built on the welfare site it was voted yesterday morning by the Board of Supervisors. The present jail will be converted to welfare offices and the remaining area will be made into a parking space for court house employees.

The decision of the supervisors concluded an issue which has been hotly debated throughout the county for several weeks, as not only the location of the jail but the traffic problems of the county seat were considerably affected by any decision reached.

Irish Evangelist

Bert Turner

Bert Truner, "Irish Evangelist," will conduct a series of special meetings at the Tecumseh Friends church starting next Sunday, and continuing through Sunday, January 21.

Born in Belfast, northern Ireland, Mr. Turner was converted in the Great Irish Revival, and later came to America, where he has achieved outstanding success as an evangelist. Recently he returned to the British Isles where he conducted a series of meetings.

Many in this community are familiar with the Gospel Cruises on the Detroit river, sponsored by Turner. His Gospel Sky Writing in Detroit, the first in the nation, was recognized in such national publications as Time.

It is expected that Turner will speak on the Quaker Gospel Hour over WABJ next Sunday morning at 8:30. The first service in the Friends church will be at 10 Sunday morning, and the evening service will be at 7:30. The week night meetings will be at 7:45 p.m. Saturday night, January 20, a Youth Rally is being planned.

MRS. EULA GOTTSCHALK PASSES AWAY WEDNESDAY

Mrs. Eula Gottschalk, aged 54 years, wife of Edward Gottschalk, died at 12:15 p.m., Wednesday in Herrick Memorial Hospital. Mrs. Gottschalk had been in failing health for seven weeks.

Surviving besides her husband are three sons, Edward and Fred of Tecumseh and Paul of Ypsilanti; two daughters, Mrs. Dorothy Martin of Clinton, and Mrs. Leona Gomez of Adrian; her parents; two sisters and 11 grandchildren.

She was preceded in death by an infant son, five infant grandchildren and a sister.

Funeral services were held Saturday afternoon at 2 p.m., in the Niblack Funeral Home in Britton with the Rev. William Spencer of Toledo, officiating. Burial was in the Ridgeway cemetery. The bearers were Edward Swartz, James Commodall, Raymond Griffin and Fred, William and George Gottschalk. Friends and relatives attended from Jackson, Saline, Macon, Monroe, Deerfield, Milan, Ypsilanti, Ann Arbor, Blissfield, Hillsdale, Tecumseh, Osseo, Adrian, Britton, Cecil, Saline, Lyons and Toledo, Ohio, and Fort Wayne, Ind.

Mr. office will be closed January 13-21 inclusive.

Telephone Rate Hike Is Likely

PRESS REPORTS FROM LANSING SAY THAT COMMISSION HAS O.K.'d INCREASE

Although the Michigan Associated Telephone Company has not been officially advised locally of approval of a rental rate hike in Tecumseh by the Michigan Public Service Commission, press reports from Lansing, Tuesday, were to the effect that such approval had been given. The company, several months ago, asked for an increase.

Under the rental rate scale sought by the company, these rates would become effective, should the state commission agree: One party business phones, $7 monthly from $4.50; two party business phones, $5.75 from $3.85; rural business phones, $4.75 from $3.15. Extension business phones would advance from $1.25 to $1.50.

Residence phone rates would be: One party, $4.15 from $2.90; two party, $3.65 from $2.50; four party, $3.15 from $2.15; rural residence, $3.15 from $2.15. Residence extension phones would advance from 75 cents to $1.

It is understood that similar advances have been authorized for Blissfield, and that the new rates will become effective, January 15.

Ernest Green, local district manager, said that he had not been advised that the state had approved the rate hike, and that he knew nothing about any advance other than what he had read in the newspapers.

School Accepts Chief's Picture

OIL PAINTING OF FAMOUS INDIAN PRESENTED TO TECUMSEH BY LOCAL ARTIST

A painting of Chief Tecumseh, Pottawatamie Indian chief in whose honor this village was named, was presented to the board of education by Earl Bryan, local artist, Tuesday evening. The ceremony took place in the superintendent's office at the new high school and Jens Touborg, president of the board, accepted the gift.

The portrait, done in oil and suitably framed, required more than six month's of Mr. Bryan's time to complete. It is an exact duplicate of an old engraving, owned by The Tecumseh Herald, and believed to be a copy, probably of an old wood cut, of the famous Indian. Insofar as is known, Mr. Bryan's painting is the only one owned locally of the chief.

Mr. Touborg, in his acceptance remarks, thanked Mr. Bryan for his public spiritness, and declared that the painting, during the school year, would be appropriately displayed at the high school. During summer vacation periods it will be seen in the public library.

SERVICES FOR GLENN L. TINGLEY HELD SUNDAY

Funeral services for Glenn L. Tingley, aged 49 years, who died at 4:30 Wednesday in Ypsilanti after several years' illness, were held Sunday afternoon at 2 o'clock in the Niblack Funeral Home in Britton with the Rev. H. P. Rogers officiating. Mr. Tingley was an active member of the Masonic Lodge and Eagles of Tecumseh.

Surviving are his wife, Pauline; a daughter, Gwendolyn; two brothers, Dale of Tecumseh and Clifford of Detroit; and two sisters, Mrs. Viola Daisher of Britton and Mrs. Bernice Chandler of Midland, and several nieces and nephews.

The bearers were Harold Daisher, Kenneth Johnson, Claire Griffin, Glenn Gripton, Warren Lewis and Wendell Freer. Burial was in Rice cemetery. Friends and relatives attended from Carey, Saline, Midland, Ypsilanti, Milan, Adrian, Dundee, Britton, Deerfield, Blissfield and Toledo.

HONOR 40TH ANNIVERSARY

Mr. and Mrs. Mahlon Reynolds, former residents of Tecumseh, now residing in Durand, Michigan, held open house Sunday afternoon, December 24, in honor of their 40th wedding anniversary. Their five children, Augusta Reynolds, R.N., of Detroit, Mr. and Mrs. Mahlon Reynolds, jr., of Grand Rapids, Mr. and Mrs. Eugene Gurden, of Owosso, Mr. and Mrs. Wilbur Remel and Perry Reynolds of Durand, were home to help their parents celebrate the occasion. More than 100 friends called to offer their congratulations. Thirty years of their married life has been spent in Durand where Mr. Reynolds is now city manager.

A Genuine Test of Faith

For the first time since the American Revolution, with the exception of the Civil War between the states, the people of this country are faced with a genuine test of faith. The conflict with world communism is not to save the world for democracy, but to repel an enemy who is determined to destroy in our own land the Christian ideal of human dignity and individual liberty and the political system which upholds that ideal. Our faith and our strength is this ideal.

As a nation, we came through World War II with little discomfort. Living standards have risen to record levels. So has the public debt which is exacting its toll in depreciating money. However, it is evident that devalued dollars have not yet cramped our style. Last year, according to the Commerce Department, the citizens of the United States spent a staggering $178,832,000,000. The fabulous "American way" is well illustrated in a current joke which defines a pedestrian as a motorist who has found a way to park his car. The list of American "haves" could go on indefinitely. Already there are 8,000,000 television sets in our homes — homes which are equipped with tens of millions of deep freezes, refrigerators, electric stoves, radios, washing machines, dryers and scores of other so-called luxuries and conveniences.

In respect, after nearly two centuries of freedom and the boundless progress that only freedom could have achieved, it would be a wonder if we were not confused when suddenly confronted with the prospect of a fight for actual survival. But the time when we can afford confusion has nearly run out. These words of Lenin, uttered thirty years ago, ring with new significance: "As long as capitalism and socialism remain we cannot live in peace. In the end, one or the other will triumph — a funeral requium will be sung either over the Soviet Republic or over world capitalism . . . We have to use any ruse, dodges, tricks, cunning, unlawful methods, concealment and veiling of the truth."

This is the ruthless concept, backed by vast military force, which is confronting America and the world. To meet it we will need more than arms and men. We will have to lay our sights on primary objectives and keep them there. We must forget the adolescent notion that material security is an unqualified "right." The "rights" embodied in the American ideal are few and elemental. They include equality of opportunity, freedom of speech and religion, and the protection of private property. They are the tools with which the individual may achieve "life, liberty, and the pursuit of happiness."

In a word, it is time we again understood what this country really stands for. John Dos Passos, the distinguished American author, has said, "this country was not founded to furnish glamorous offices for politicians, or to produce goods and services, or handouts of easy money. This country was founded to make men free." In the wealth of material comfort we have enjoyed so long, we have tended to forget that great truth. Now we must return to the simple fundamental — "This country was founded to make men free."

We face a two-fold task. We must fight with all we have against our enemies outside. And, while we are undergoing all the sacrifices and trials that may involve, we must keep our people free. One of the greatest dangers is that we may grant to much unlimited authority to government that the systems of checks and balances which stands between us and tyranny will be permanently destroyed. The problem of economic controls is a perfect example here. They should be imposed only if they are necessary to implement the war effort. Otherwise, we will have control for control's sake — which is the essence of dictatorship. Then our productive capacity will be crippled and, far more important, we will no longer be a free people — we will have lost the battle.

We Americans have come to a climactic phase in the history of the good life in America. It is our duty to hold together for future generations the framework of freedom which made that good life possible.

We don't read the Wall Street Journal but we've seen a quotation from it that's worth passing on: "The world has become so small that almost any nation is within the reach of Uncle Sam's pockets."

F F A NEWS

On December 28th. the annual FFA Christmas - New Years party was held in the agriculture room of the new high school. After games and dancing, refreshments were served. Everyone had an enjoyable time.

Our chapter has received new equipment for ceremonies and meetings. This equipment includes an owl, whose eyes light up; a model ear of corn; the reporter's flag; and a bust of George Washington. We have also received FFA jackets and other clothing that members of our chapter have ordered.

On January 3 the Tecumseh Chapter of the Future Farmers of America attended John Deere Day sponsored by the Whelan Implement Co. It was a very entertaining and educational day.

You can readily see that the Tecumseh Chapter is doing its best to prove that "The successful farmer of tomorrow is the Future Farmer of today."

New Vestrymen Named For St. Peter's Church

At the annual parish meeting on Monday, four new members were elected to the vestry of St. Peter's Episcopal church. Those who will serve for three-year terms are Lawrence Blum, A. Gibbs Barber, W. Hugh Browne and Carl D. Kennel. Annual reports of the parish organizations were given and the rector's report on the state of the parish was presented. L. W. Larsen, retiring senior warden, gave a report for the committee seeking a new rector to succeed the Rev. Allan Ramsay who leaves St. Peter's at the end of January. John Zeigler gave the treasurer's report and presented the budget for 1951.

At a special vestry meeting following the close of the annual meeting the following were elected as officers for 1951: Glenn L. Driscoll, senior warden; A. C. Hamaker, junior warden; Russell J. Cooper, secretary; Carl D. Kennel, assistant secretary; John R. Zeigler, treasurer. Other vestrymen are Philip G. Colgrove, Orville W. Farver, Thomas G. Rodda, and Lester C. Rogers.

A special vestry meeting will be held Thursday, January 11, at 7:30 p.m. in the home of Mr. Larsen, 710 West Pottawatamie, for the appointment of committees.

Farmers Invited To Meeting At Grange

The concluding meeting in a series on swine raising will be held at the Tecumseh Grange Hall next Tuesday evening, January 16, when Ed Offenstein of Danville, Ill., will be the speaker. Mr. Offenstein has had a wide experience in the raising of livestock. The meeting starts at 8 o'clock, and the public is invited to attend.

The problems of swine raising were discussed before a large group of interested farmers at Grange Hall, Thursday evening, by Harold Schneider, a representative of one of the larger feed companies.

Mr. Schneider pointed out that in Michigan, the average litter of pigs numbers five, hardly enough to pay for the care of the sow. He declared that with proper care this number can be increased to eight, and profits considerably increased.

LOCALS AND PERSONALS

Dr. and Mrs. Robert Laidlaw returned Tuesday after a two weeks' tour of Miami, Florida, and the Keys, and other southern states.

Mr. and Mrs. Troy Clawson of Monroe were Saturday evening guests of her brother and family, Mr. and Mrs. Thomas Brooks.

Mr. and Mrs. Harry Faling and son, Michael of Petersburg, were Sunday callers of Mr. and Mrs. Harold Wilson.

Wednesday, January 17, members of the Baptist church will attend the Lenawee Mid-year Association meeting at the Monroe Baptist church from 1:45 to 9 p.m. There will be a fellowship dinner at 6 o'clock.

Mrs. R. Schwede of Detroit is spending a few weeks at the home of her son and family, Mr. and Mrs. Al Schwede.

Morris Cornell fell off the roof of his home southeast of Tecumseh, New Year's Day, while installing an antenna. The bone in his right heel was broken and he sprained his left ankle. Mr. Cornell is confined to his home.

ELECT CLASS OFFICERS

The Tecumseh high school fifth and sixth grade band elected new officers this past week. They are: President, Judy Whiting; vice president, Gordon LaLonde; secretary, Joan Handy, and treasurer, Lee Marsh.

of the event, and the following women volunteered to act on committees:

Chairman of room-mothers, Mrs. Fred Dickinson, jr; refreshments, Mrs. Paul Hadsell and Mrs. Oakley Baxter; tickets, Mrs. Walter Pfaus for grades 7-12 and Mrs. Victor Peterson for grades Kindergarten to 6; publicity posters, Mrs. Ralph Helzerman and Mrs. Ronald Johnston; newspaper publicity, Mrs. Earl Place and Mrs. James McDowell; door prizes, Mrs. George Anderson and Mrs. Ernest Green; table prizes, Mrs. Thomas Gallant; chairs and tables, Mrs. Walter Hizer; cards, Mrs. John Hartley; general hostess, Mrs. Tom O'Hara.

Tickets will go on sale soon with school children acting as salesmen. Because of the enthusiasm with which the younger children sold tickets a year ago, it has been decided to give first and second prizes to the rooms selling the most tickets, from grades kindergarten through the sixth. A first prize will be awarded also to the grade selling the greatest number of tickets from the junior and senior high levels.

cluding the cooperative program with the Kellogg Foundation, fall within his direction.

Horn started his "Flying Classroom" work in 1945 when he took a group of Michigan educators on a tour of Army and Navy schools to study educational techniques developed and used there. Since that time he has directed five "Flying Classroom" studies, two of them national in scope. Objectives of the trips were to study business, industry and education cooperation; public schools; the military program of the United States and its relation to education and training programs; skill needs, industrial and public relations programs, and other educationally significant aspects of business, industry and labor.

It is expected when Horn speaks here that he will dwell largely on his classroom visits to Europe and will show motion pictures of the places he visited.

"Sunshine Day" Is Observed By Club

The Tecumseh Monday Club observed "Sunshine Day" by holding an all day sewing meeting in the home of Mrs. E. J. Aebersold, Monday. Members met at ten o'clock and sewed for the Herrick Memorial Hospital and then made dressings for the Cancer Control Society under the supervision of Mrs. Hilda Will. At twelve-thirty p.m. luncheon was served by Mrs. W. J. Morse, Mrs. Mertie Waring and Mrs. Seaton Dove.

Mrs. George E. Green, sr., was in charge of the arrangements for the day and presented a program in the afternoon placing emphasis on three branches of public health which have reached proportions of national interest and concern. Mrs. Frank K. Smith explained the work of the Lenawee County Cancer Society and Paul Ahleman of Adrian, explained the urgency of the March of Dimes from the local standpoint as well as the national. Members participated in discussions following both talks. Mrs. Lynn Hubbard gave facts about tuberculosis from a pamphlet provided by the Michigan Tuberculosis Association. The president, Mrs. T. Rentschler, presided at the business meeting. Thirty members were present.

JOSEPHINE E. YOUNG BURIED AT HOLLOWAY

Funeral services for Mrs. Josephine E. Young, aged 72 years, who died in her home January 1, at 8 p.m., were held Thursday afternoon at 2 o'clock in the Collins Funeral Home with Rev. Edward Escolme, officiating. The bearers were Darwin Smith, Pete Socks, Ted McConnell, Truman Sisson, Ed. C. Heilman and Lyman Damon. Burial was in Holloway cemetery. Friends and relatives attended from Colrain, Mass., Birmingham, Adrian, Britton, Ridgeway, Ypsilanti, Macon and Tecumseh.

LEAGUE TO MEET

The Baptist Junior League will meet Tuesday evening, January 16, with Mrs. Lwellyn Sisson as hostess and Mrs. Carl Kempf, assisting hostess. Mrs. Clifford Curran will be in charge of the program and Mrs. Ed Furgason the devotions.

SCHOOL BOARD MEETS

The regular monthly meeting of the board of education was held Tuesday evening at the high school. Reports of the superintendent were read, routine business was conducted, and the board adjourned.

ent school in Britton to house the manual arts students, agricultural classes and some others, as well as extensive remodeling of the present building.

A total of 392 voters cast ballots on Proposition No. 1 to increase the tax rate limitation, of which 307 voted "yes" and 85 "no." On Proposition No. 2, to borrow $200,000 and issue bonds therefor, 380 voters cast ballots, 295 voting in favor of the proposal and 85 against. Only a simple majority was needed to carry the proposals.

According to Superintendent of Schools J. E. Wells, work is to start as soon as possible on the remodeling and construction improvements.

Supt. Wells said Wednesday morning that the teachers and students are very appreciative of the support given by the voters and we are going to make every effort to strengthen any weak points in the school system."

Young Farmers Enroll In Mechanics Course

A young farmer class in farm mechanics has been organized by Paul Burns, Techmseh high school agriculture instructor, and classes will meet each Wednesday evening, at 7 o'clock, at the new high school, throughout the winter.

There is considerable interest in the farm classes, Mr. Burns declared, and already several young men have enrolled for the course. However, if there are additional men who desire to do the work, Burns said that there are a few more openings in the classes.

The first class will meet at the high school on Wednesday, January 17, between 7:30 and 10:30 p.m.

NURSES WIN MEET

The January meeting of the Lenawee County District Nurses will be held January 18, in the Lutheran church at Blissfield. It will be the annual guest-dinner meeting to which husbands and friends are invited. Reservations may be made in advance with Mrs. Cecil Williams. The speaker of the evening will be Willard Hendrickson, MD., of the Neurophychiatric Institute of University Hospital, Ann Arbor.

PLAN BAKE SALE

The Ladies Union of the Baptist church met Thursday afternoon with Mrs. Fred Sheldon. Mrs. Floyd Bryan led devotions and Mrs. B. O. Bashore gave a report of the Ladies Leadership Conference, held in Lansing recently. The women voted to hold a bake sale Saturday, January 13, at the Hanna Insurance office. The February meeting will be held with Mrs. Emma Mault. Mrs. Alvin Brazee will be in charge of the program.

CAMERA CLUB MEETS

The Indian Snappers Camera Club met in the Central school building Monday evening for their regular meeting, which included a work hour of printing and enlarging pictures. For the February meeting, Mrs. Walter Nichols will show colored movies of a trip west this past summer. Prizes will be awarded at the March meeting to the winners in the contest of colored "Christmas" prints.

MRS. BRANDT HONORED

Tue Baptist choir met at the home of Mr. and Mrs. Lyle Grigg, Wednesday evening, for a combined choir practice and a stork shower for Mrs. Max Brandt. Games were enjoyed and prizes won were presented to the honored guest. Mrs. Brandt received a shower of pink and blue gifts. Refreshments were served by the hostess.

DAUGHTER TO WED

Mr. and Mrs. Harold Wilson are announcing the approaching marriage of their daughter, Carolyn Louise, to Pvt. David H. Faling of Camp McCoy, Wisconsin, son of Mr. and Mrs. Harry Faling of Petersburg. The wedding will take place February 25, in the Presbyterian church. A reception will be held at the Tecumseh Country Club following the ceremony.

TALKS ON KOREA

A ham dinner was enjoyed by 39 members of the Tecumseh Exchange Club at their regular meeting, Monday evening, in the VFW hall. Arthur Lopshire of Macon, Reserve Army Colonel, was the guest speaker and gave an interesting talk on South Korea, and showed movies of the country. The board of control met for its regular business meeting.

GOOD CHEER CLASS

The Good Cheer class of the Baptist church will hold their regular monthly meeting Thursday evening, January 11, at the home of Mrs. Jessie Mathews with a 6:30 potluck supper. Mrs. Leon VanValkenburg will be in charge of the program.

Polio Drive Is Now Under Way

ROTARY CLUB TO AGAIN DIRECT LOCAL CAMPAIGN; PUBLIC COOPERATION URGED

Complete public cooperation in Tecumseh's March of Dimes campaign to aid the national Polio Fund was urged by directors of the local drive which this year is again under the direction of the Rotary Club, John C. Cameron, township chairman, said today.

Mr. Cameron, who served a year ago as township chairman, has been renamed to the post by Paul Ahleman, Lenawee director. Locally, in making the announcement, Cameron said that he had turned the drive's direction over to the service club entirely, and M. G. Partridge, vice president of Rotary, and Earl H. Place, a member of the program committee, will supervise the activities.

One year ago, when Rotary also directed the drive, Tecumseh subscribed $1,258.59 to the fund. Two years ago, the amount was $459.-13.

"We sincerely hope," Mr. Partridge said today, "that we can equal if not exceed last year's contribution. Polio is something that we know about at first hand. During the past year, six cases of the disease were reported from our own area that required hospital attention."

Mr. Partridge pointed out that the treatment of polio is expensive. At the present time, the Lenawee chapter of the March of Dimes owes to University Hospital, for the treatment of county cases, an amount in excess of $20,-000.

"We must care for future polio victims, and we must also pay the bill which was incurred a year ago," Partridge said. "To do this we must have money, which means that we all must give generously if we are to succeed."

Canisters, especially designed for the drive, were distributed the first of the week in the several stores and business places in the village. About 50 additional ones were distributed throughout the township and in the schools by Mr. Place and Mr. Partridge. It also is expected that other moves means of bringing the drive to the public's attention will be used before the campaign ends on January 31.

Partridge said that no definite quota had been established for Tecumseh. "We need funds, and we need them badly," he said. "All that I can say is that we should give generously for a very worth-while enterprise."

Junior High Cage Games Popular

TECUMSEH'S 7TH AND 8TH GRADE TEAMS HAVE EACH WON TWO AND LOST ONE

Keen interest and good crowds have earmarked the Junior high school basketball games being played by the seventh and eighth grade teams in six of the Lenawee county high schools.

Home-and-home games have been arranged between Junior high teams from Tecumseh, Adrian, Blissfield, Clinton, Summerfield and Addison, making a ten-game schedule for each of the participating schools, the limit set by the Michigan High School Athletic Association.

Tecumseh's teams are coached by Douglas Murdock, and Mr. Murdock says, "The fact that the boys on Tecumseh's teams practice at seven o'clock in the morning, many of them frequently arriving as early at 6:30, will give you some idea of the keen interest being shown by the team members."

Games are played on Monday and Thursday evenings, and thus far Tecumseh's teams have each won two and lost one. The seventh grade has lost to Blissfield while winning from Clinton and Summerfield, and the eighth grade boys have victories over Clinton and Summerfield while losing only to Blissfield.

Plans now are to enter Tecumseh's teams in the Junior high school tournament at Dundee later in the season, providing permission can be secured from the state high school athletic association.

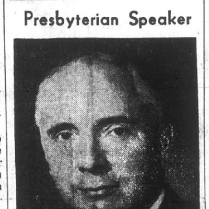
Fred Marsh, 74, Dies; Buried In Brookside

Fred Marsh, aged 74 years, died Sunday evening at 11:55 at Veterans' Hospital in Dearborn, where he was admitted December 16. Mr. Marsh had been ill about two months. He was born, December 17, 1877, in Monroe, the son of the late Peter and Helen Marsh. The family moved to Tecumseh when he was about 12 years old. Mr. Marsh was employed by the Hesen Bros., for 27 years and five years ago retired from the Quaker Oats Company. February 10, 1900, he married Iva Hanna, and last year they observed their 50th wedding anniversary. He was a member of the Palmer-Gray Spanish War Veteran's Camp.

Survivors besides his wife, Iva, are two daughters, Mrs. Rena Hartsell of Tecumseh, and Mrs. Margaret Dernberger of Pontiac; three grandchildren and one brother, Walter of Texas. He was preceded in death by his parents, two sisters, four brothers and two infant children.

Funeral services were held Wednesday afternoon at 2 o'clock at the Green Funeral Home with the Rev. Donald C. Wilson officiating. The V.F.W. was in charge of the services at the grave. The bearers were Earl Updike, Perry Satterthwaite, Thomas Boyd, Walo Mohr, Charles Howe and Lyman Curtiss. Burial was in Brookside cemetery.

Presbyterian Speaker



Dr. Joseph R. Harris

Dr. Harris, vice-president of Alma College, will conduct the worship service at the Presbyterian church here next Sunday morning.

A native of Ohio, Dr. Harris is a graduate of the College of Wooster, O., Princeton Theological Seminary, and Temple University at Philadelphia, where he received his doctor's degree in sacred theology. After pastorates in the east he was a chaplain in the Navy. He is widely known as a public speaker and a preacher.

Julius C. Walker, 64, Clinton Resident, Dies

Funeral services for Julius C. Walker, aged 64 years, who died at midnight Thursday at his home at 304 East Michigan Ave., Clinton, were held Monday afternoon at 1:30 with a prayer service at the House Funeral Home with the Rev. A. Jeschke officiating and the funeral service in Trinity Lutheran church at Saline at 2:30 with the Rev. H. L. Engel officiating. Mr. Walker had been ill several weeks.

Mr. Walker had lived in Clinton 22 years. He was a retired farmer and had been acting chief of police in Clinton. He was a member of Trinity Lutheran church at Saline.

He is survived by his wife, Emma; one son, Erwin E. Walker of Clinton; one daughter, Mrs. Bernice Mahrle of Clinton; two brothers, Fred of Saline, and Robert of Ann Arbor, and five grandchildren.

Burial was in Lodi cemetery.

RED CROSS CANTEEN COURSE BEING OFFERED

A Red Cross canteen course is being offered at Siena Heights college under the direction of Sister M. de Paul, who was director of classes during World War II. The classes will start Thursday, January 25, and will continue from 2 to 4 p.m. on three consecutive Thursdays. Registrations may be made at Red Cross headquarters, Adrian. All canteen workers in World War II are urged to take a refresher course and others who cater often at church, lodge and grange suppers and dinners are also urged to attend the classes.

NOTICE

I will be at the United Savings Bank each Saturday until further notice, for the collection of taxes, dog tax and fire insurance. Will also accept payments by check or money order, mailed to my residence, 211 W. Brown St., Lawrence Mohr, Township Treasurer.

Brownie Scouts Are At Investiture Service

Fifteen little girls, members of the newly organized Brownie Troop No. 17, sponsored by the Presbyterian League, were given their pins at an investiture service, held last Thursday afternoon at the library. Reading left to right, back row, are: Sandra Bartenslager, Helen Hicks, Judith Mangrum, Melody Smith, Vickie Peterson, Karen Butler and Cynthia Poley. Second row, Camilla Grigg, Barbara McKenzie, Linda Griffin, Carol Ann Lowe, Karlene Irelan and Marjorie Van Valkenburg. Front, seated, Ann Wilson and Dianne Fuller. The troop leaders are Mrs. L. H. Titley and Mrs. Lee Irelan. Thirty-five mothers attended the service, after which refreshments were served.

Police Car Is Badly Wrecked

TWO OFFICERS ESCAPE INJURY, BUT DRIVER OF OTHER CAR HOSPITALIZED

Two police officers escaped injury but the driver of another car, rammed by the officers' scout car, was hospitalized, in an accident that happened at the intersection of South Evans street and Russell Road, Saturday at 9:10 p.m.

The injured man is Nelson J. Hyatt, 33, of Reading. He was taken to Herrick Memorial Hospital suffering from five broken ribs and four cracked ribs.

The scout car was driven by Officer Oliver Heberlein. Officer Robert Graff was his companion. Neither was hurt.

According to police, Hyatt's car, traveling at a fast clip, was first observed at the intersection of Chicago boulevard and Evans street. The scout car gave chase, and clocked Hyatt's car at a speed in excess of 50 miles an hour. At the intersection of Russell Road, Hyatt suddenly turned his car to the [illegible] make a left hand turn. It was rammed by the police car. Hyatt was freed from the wreckage by Officer Heberlein and removed to the hospital.

The damage to the police car was said to be around $800. Hyatt's car which turned over and finally stopped on its top, was damaged more extensively.

Police said that they would continue their questioning of Hyatt after his release from the hospital, probably today.

The icy condition of the roads and streets, Saturday night and Sunday, was blamed for two other accidents.

Harry Masten, 66, and his wife, Emma, 55, of Monroe, were cut and bruised in a mishap on M-50 about a mile east of here, Sunday afternoon. Masten's car slid off the highway and overturned in a ditch.

Mrs. H. M. Pixley, 45, Owosso, was injured at 9:30 p.m., Sunday, when the car, driven by her husband, slid off the pavement near Wellsville Road on the Holloway Road. Pixley told officers he lost control of the car due to the ice. Mrs. Pixley was treated at Herrick Memorial Hospital.

Brown Street Property Is Sold To Dr. Dustin

Sale of about 100 feet of village-owned property on Brown street, running north about 40 feet on Mill street, to Dr. Richard Dustin, was approved by the council, in session, Monday evening. The property adjoins a site recently purchased by the Doctor, and on which he plans to erect a modern office building. The zoning code in the area recently was amended to permit construction, which must be approved by the council.

The property sold for $4 per front foot on Brown street, and was appraised for the council by local realtors.

The council also voted $20 to the Chamber of Commerce to help it to further its consideration of the merits of city form of government. The council requested that the Chamber, in the near future, submit a report on the progress of its study.

There was little new business before the official body other than routine reports and the audit and payment of current bills.

School Gets Chief's Picture

Above, left, is Earl Bryan, local artist, who last week presented an oil painting of Chief Tecumseh to the Board of Education. Right, Jens Touborg, president of the board, is shown receiving the picture on behalf of the public. The ceremony took place in the superintendent's office at the high school. Mr. Bryan spent six months to complete the painting which will be displayed in the school and the public library. The Village of Tecumseh was named for the famous Pottawatamie chief.

Duncan Caldwell Dies; Buried Here, Wednesday

Duncan Caldwell, aged 74 years, died suddenly Friday at his home in Clearwater, Florida. He leaves a daughter, Mrs. Luman Williams of Evanston, Ill., a son, Bruce, of Iron Mountain, Mich., and two grandchildren. Glenn VanVleet of Tecumseh is a nephew of the deceased. Mr. Caldwell was preceded in death by his wife, the former Lillian Welliver of Tecumseh, and an infant daughter.

The body arrived at the Green Funeral Home Wednesday morning and burial services were held at 10:30 yesterday at the Brookside cemetery with the Rev. Edward Escolme officiating.

G. H. Fisher Motors Is Now In "Hall of Fame"

Latest dealership to be admitted to Pontiac Motor Division's "Hall of Fame" is the G. H. Fisher Motors, Inc., of Tecumseh, which has been named a "Better Dealer" by Pontiac factory executives.

The G. H. Fisher Pontiac Motors, Inc., has represented Pontiac approximately two years in this locality. The firm is headed by Gale H. Fisher, president, and by Wm. S. Britton, vice president. Mr. Fisher was associated with General Motors in Detroit for 25 years before coming to Tecumseh, and Dr. Britton is the local veterinarian.

With the honor, was presented a reproduction of the famous painting of Pontiac, Chief of the Ottawas, the great tribal leader for whom the car was named. The presentation was made by T. L. Meriwether, assistant manager of the Pontiac Zone Office, Pontiac.

Under the Better Dealer program, each Ponitac Dealer is graded on improvement of his physical property, number of qualified, trained workmen; service facilities and adequate equipment, parts and accessories inventory, used car lot operations and advertising and public relations programs. Service to his community is vitally important, as the Pontiac dealer and his employees are Pontiac Division's only contact with the buying public.

CONCERT POSTPONED

The University Musical Society advised today that the concert by Horowitz, scheduled for January 19, at Hill Auditorium, Ann Arbor, had been postponed because of illness.

40 More Houses O.K.'d In Acres

SUBDIVISION NOW HAS 228 POPULATION; DAILY MAIL SERVICE AVAILABLE

"Tecumseh Acres," the village's newest subdivision, now has more than half a million dollars' worth of dwellings, Glenn H. Kohler, realtor in charge of sales there, said today. Since its inception in February of 1949, some 68 houses have been built, of which number 62 are occupied and six others sold but still under construction. The first house in the subdivision was completed in July of 1949.

As soon as the six houses now under construction have been completed, Mr. Kohler said that another group of 40 houses would be started. G.I. loans are still available in the area, he said, despite credit curbs in many other districts.

The Acres now has a total population of 228 people. Of this number, 90 per cent are employed in Tecumseh.

A new mail route has just been authorized, furnishing the residents of the Acres with daily mail service.

WINS COLLEGE HONOR

Angola, Indiana—Fred C. Aebersold of 205 S. Oneida Street, Tecumseh, has been listed by Dr. J. Glenn Radcliffe, vice-president in charge of instruction at Tri-State College, among the honor roll students for the fall quarter which ended during the latter part of December. To appear on the honor roll list, Mr. Aebersold maintained all grades of B or better. A graduate of Tecumseh High School, he is the son of Mrs. Lois Aebersold. At the college, Mr. Aebersold is enrolled in electrical engineering.

SCHOOL WELL ATTENDED

The Veterans Evening School under the direction of D. G. Locke held the third in a series of meetings before a large number of farmers at the Grange Hall last Tuesday night. Ed Offenstein of Danville, Illinois, gave a discourse on the problems of swine raising.

The next meeting is scheduled for Tuesday, January 23, at the new high school building. The subject is poultry raising. Ladies as well as men are invited to attend.

Night School Grows; Enrollment Now 61

A sharp increase in Tecumseh's Public Night School enrollment was reported today by Neville Hart, director, as the second session of the school came to a close on Monday. A total of 62 persons are enrolled, Mr. Hart said, about 20 more than a week ago.

"It is impossible to accept additional enrollment," the director declared, "because the classes are now too far advanced. The school will continue to meet each Monday evening for the next 10 weeks."

Several students are taking more than one course and classes are now divided as follows: 15 in bookkeeping, 30 in typing, 15 in general shop, and 16 in upholstery.

Summerfield Bows To Indian Cagers

TECUMSEH CHALKS UP FIFTH STRAIGHT WIN — MORENCI HERE FRIDAY

Tecumseh high school's undefeated cagers climbed another step toward the L.C.A.A. basketball crown Friday night when they romped over the Summerfield high school quintet, 58 to 31, in the Summerfield gym. Coach Elven Duvall's charges put on a fine display of ball handling and defensive play in marking up their fifth straight win of the season.

The Indians were a bit slow in starting, but managed to lead 11-6 at the end of the first quarter. In the second period they poured on the heat to chalk up 21 points to Summerfield's six. The halftime count was 32-12.

Summerfield came back after the intermission to hold Tecumseh on even terms in the third stanza, each team adding 11 points to their total, but the final period again saw the Indians pull away to score 15 points while holding Summerfield to eight.

Sisson was forced to leave the game midway in the third quarter when he developed stomach cramps, but after a rest was able to resume play during the fourth period.

Whelan was high scorer for the evening with eight field goals and a charity toss for a total of 17 points. VanWinkle was a close second with 15, while Sisson and Campbell tallied 12 each. Summerfield's Wohlgamuth was high man for his team with nine tallies. Breitenwischer and VanWinkle were outstanding on defense, between them being able to control the ball on rebounds most of the time.

Tecumseh's reserves made it a clean sweep for the evening by defeating the Summerfield reserves in the preliminary, 57-25. Wilson

Scys Marshall Plan Big Help In Eurcpe

The Marshall Plan has benefitted all of Europe, especially Italy and France where, had it not been for such aid, Communism probably would have completely overrun the countries, Prof. Carl M. Horn, director of the "Flying Classroom," told a Town Hall audience here, Tuesday evening. The meeting was held in the auditorium of Central School.

Prof. Horn, professor of education, Michigan State College, and 65 other educators, visited 11 European countries last spring in his most recent "classroom" tour. They studied political and social conditions. Horn observed that in all probability, Switzerland and Belgium had made the greatest economic progress since World War II. Both are free enterprise nations.

Horn made his first "classroom" trip with educators in 1945 and Earl H. Place, superintendent of schools here, was among the group. The 27 schoolmen visited 21 military camps in the United States to observe off-camps educational programs. Since that time, Horn has made many other tours, observing both education and business.

At Tuesday's meeting, Horn showed several hundred feet of colored movies, taken on his tours in the United States and in the 11 European countries and England.

ANN ARBOR BROKER IS ROTARY SPEAKER

W. H. Hobbs, Ann Arbor real estate broker, was the speaker at the regular meeting of the Rotary Club Tuesday evening following dinner at Legion Memorial Home. He was the guest of Glenn H. Kohler, local broker. Mr. Hobbs used as his subject, "Where Do We Go From Here?" declaring that in his opinion real estate is still one of the nation's soundest investments.

Continue Study Of Defense Needs

PERMANENT EMERGENCY ORGANIZATION TO BE SET UP WITHIN 10 DAYS

A permanent organization to take charge of Tecumseh's civil defense needs in the event of atomic bombing or some other emergency will be set up within the next 10 days, Neville Hart, disaster chairman, announced today. Mr. Hart said that directors and chairmen of the tentative organization would meet tonight and again a week from tonight to listen to reports and to appoint men and women who would direct the several divisions of the work.

As the result of a meeting held last week at the high school, and attended by some 50 persons, the tentative group now directing the program is made up of Mr. Hart as chairman, Mrs. L. W. Larsen, Mrs. Vincent Haight, E. C. Heilman and Elmer Burleson. It is this group that will meet this evening to further consider the plan and perhaps effect a permanent overall directing organization as well as chairmen.

"We hope, within another week," Hart said, "to be able to announce to the public a very definite program of defense. In the event of an emergency we must be prepared, and it is for that reason that we are acting at this time."

Mr. Hart, Duane Furbush, Elven Duvall, Lester Runk, Darwin Smith, David Dick and Paul Burns, all members of the Tecumseh public school faculty, were in Ypsilanti on Tuesday attending a meeting on "Community Action in Citizenship Education and Civil Defense," held at the Normal College. W. L. Berkhof of Mt. Clemens, former superintendent of schools here, was the chairman of one of the panel discussions.

Hart pointed out that one of the great needs locally is for auxiliary firemen and policemen. A number of persons already have volunteered for such service but additional help is needed. He urged that persons desiring to serve in such capacities should report either to Chief of Police W. E. Clark or to Archie Porter, a member of the village council. Mr. Porter will accept volunteers for auxiliary firemen.

A first aid class for men, under Red Cross direction, is to be held here as soon as it can be organized.

"We need additional enrollment in this class," Hart said. "It also is necessary that all volunteer firemen and policemen take this course, which will consist of five three hour classes, one class to be held each week. I wish that men who desire the course would call me at once, so that we may get organized. Also, volunteer firemen and policemen should bear in mind that the course should be taken by them. We will announce the actual dates of the classes as soon as the organization is perfected."

Home Nursing Courses Are Offered To Public

A Red Cross Home Nursing Course, under the sponsorship of Herrick Memorial Hospital Auxiliary, is offered to this community. Mrs. Dale Bowen has been appointed chairman of a committee to organize classes, which will start next week. The committee to assist Mrs. Bowen includes: Mrs. J. H. Rohweder, Mrs. Don Wilson, Mrs. Sam Sisson, Mrs. Frank K. Smith, Mrs. Harold Kelso and Mrs. Leo Bishop.

The course will consist of six, two hour lessons and the instructors are to be Mrs. Cecil Williams, Miss Elesa Simonsen, Mrs. Hilda Will and Mrs. Norma Mull. Classes will be available in the morning, afternoon and evening. Anyone wishing to register for the courses may call any member of the committee.

MARTHA ANN COMFORT IN JAPANESE HOSPITAL

Caring for armed forces personnel or hospitalized in the Far East is the job of Lt. Martha Ann Comfort, Nurse Corps, USNR, of 512 West Logan St., Tecumseh, Mich.

She is one of more than 90 members of the Navy's "white task force" now serving with the Staff Allowance at the U. S. Naval Hospital, Yokosuka, Japan.

Together with the staff doctors and hospital corpsmen, the Navy nurses form a mercy team which has made an outstanding life-saving record at the Navy's Far Eastern Hospital.

We Agree With the Juniors

The Herald received a letter the other day, signed by two members of the Junior Class of Tecumseh High School, calling attention to the run-down condition of the Village's Honor Roll of World War II veterans in Adams Park.

The letter says in part:

"As Juniors in Tecumseh High School and as future citizens of Tecumseh, we have noticed that the Honor Roll is in a sorry state. In case you haven't observed it, the paint is pealing off and there are holes in several places; also, there are many names which should be added. This condition should be brought to the attention of every citizen of Tecumseh. The village should be ashamed to have already forgotten her sons who fought so gallantly in the recent world conflict.

"A fund could be set up to establish a more permanent and beatuiful Honor Roll to our servicemen. We sincerely hope that something will be done about it."

The two young women who signed the letter are certainly right. The Honor Roll is in a "sorry state." In places the paint has pealed badly, and it is impossible to read some of the names. The Honor Roll, certainly, in its present condition, is not an asset to the village, and definitely shows neglect on the part of its citizens. The fact that many names are missing is an indication of still further neglect.

We do not know whose duty it is to see to it that needed repairs are made, and that the Roll is properly maintained. Certainly, there are enough clubs and civic organizations in Tecumseh to assume the task.

We agree with the members of the Junior Class, and we are happy that they noticed the need for action. It is a healthy situation within a community when young women and men of high school age observe civic problems and express themselves in their connection. These young folk, in a very few years, will be the fathers and the mothers of another generation, and it will then become their duty to carry on where their mothers and their fathers leave off.

The future of America and everything for which it stands is today in the hands of American youth, and young men and young women with civic pride are the finest assets that any community, state or nation could possess.

It Was A Wise Decision

We sincerely believe that the Lenawee County Board of Supervisors, in session last week, made a wise decision when it changed the location of the county's proposed new $400,000 jail from the site of the present jail to the so-called welfare building lot in Adrian. The supervisors had previously planned to use the old jail site, but public opinion was not in agreement with the board.

The new jail, on which construction will start in the early spring, will be a very modern structure and should serve the county for many years to come. The present outmoded jail is 75 years old. Certainly, to have built the new one on the old jail site would have been a mistake, inasmuch as changes soon to be made in traffic regulations would have placed it in a bottleneck and greatly hampered the easy movement of official cars.

There are other advantages, too. The large lot, on which the present jail is located, can be used for the parking of cars of county employees, taking them off the street, and the old jail building can be converted into welfare offices, relieving the county of the necessity of renting or buying additional property for that purpose. And, in addition, there will be no need to destroy the west courthouse lawn, as was proposed, for parking lot purposes.

All in all, we are in agreement with last week's decision of the Supervisors, and we believe that most of the residents of the county feel the same way, too.

Looking For A Rough Ride?

If you're looking for a rough ride, one that will not do your car or your liver too much good, drive the length of Chicago boulevard, east and west, and observe what heavy traffic and the winter weather has done to the highway. The pavement is full of holes, and the constant patching that is being done by the State Highway Department hardly lasts until the maintenance trucks are out of sight.

All of which makes us wonder. Michigan built the finest roads in the nation under the late Gov. Groesbeck and did it all on a 2-cent gas tax. Today, with a higher gas tax, and with all of the other taxes, we can't even maintain the highways we have built.

Retailers See Profit Slump

DOLLAR SALES WILL BE UP, BUT COSTS ARE LIKELY TO ADVANCE

New York—The retail storekeeper expects an increase in dollar volume during the first quarter of the year but he foresees higher costs and slimmer profits too.

He does not, however, think there will be an advance in unit sales. There's a good chance he'll take in more dollars, he says, but he doubts that he'll sell many more items.

These ideas were presented here by the National Retail Dry Good Association at its 40th annual convention, a meeting that brings 5,000 top retail executives to New York.

The NRDGA surveyed 400 stores and retail organizations throughout the country to obtain the viewpoints of retailers.

Two major problems most frequently mentioned by the answering retailers were personnel and prices.

Fifty-seven per cent of the storekeepers expected a tightening labor market as increased mobilization and defense production drains manpower.

Most of the stores expected to combat the loss of personnel by making greater use of part-time employees.

The report referred to "the possibility of rising prices" and said the subject is directly tied to rising costs.

The report said 64 per cent of the reporting retailers expect increases in advertising costs, 70 per cent higher selling costs and 67 per cent increase in payrolls.

These, the report added, are sufficient reasons for the expectation of 38 per cent of the reporting stores that there will be a drop in net profits.

Running as a common pattern through the comments was an awareness of customer problems—the scarcity of wanted merchandise at the time wanted—and a feeling of uncertainty concerning the future.

Concerning dollar sales, 31 per cent of the stores answering expected increases of between 1 and 5 per cent, 34 per cent expected 6 to 10 per cent and the balance ranged from "none" to 11 per cent.

On unit sales the predictions were: 58 per cent expected none; 23 per cent anticipated gains of 1 to 5 per cent and the small balance predicted gains of up to 11 per cent.

New Officers Installed By Lutheran Church

[illegible] elected officers of the Grace Evangelical Lutheran church were installed Sunday during the morning service. The new officers are: Walter Daily, president; Oscar Bryan, secretary; Rhae Henkel, trustee, and Robert Mohr, deacon. Thursday evening (tonight) family night will be observed in the church basement with a potluck supper at 6:30. Members are asked to bring a dish to pass and rolls for the family. At 7:30 the Rev. Mr. Balleskey of Detroit, will give an illustrated lecture on "Visual Aids for Sunday Schools."

Pre-confirmation instructions will be given Saturday morning at 9:30, with Saturday school at 1:30 in the afternoon. The program includes singing, Bible story of Joseph's Dreams, workbook activities and games. A group of the children have started to play harmonicas.

NEW CARILLON BELLS INSTALLED AT MSC

East Lansing — Michigan State College has installed 14 new soprano bells in Beaumont Tower carillon. The latest addition brings to 37 the total bells in the tower.

Beaumont Tower was given to MSC by the late John W. Beaumont, an alumnus and widely-known Detroit lawyer. He died in 1941.

BRITTON

Mr. and Mrs. Harry Tucker visited relatives in Romulus Sunday.

Charles Lawhead has been confined to his home by illness.

The annual Methodist church donation supper is scheduled for Friday, January 19, with Mrs. Gertie Gittus as chairman.

Mrs. Dora Benedict is host to the Dorcas class women of the Congregational church today in her home. A 1 o'clock luncheon will be served and the program and devotions of the afternoon led by Mrs. Flora Exelby.

Mrs. Earl Smith and son Billy were in Ann Arbor last Wednesday where Billy received a check-up at the University Hospital.

Mr. and Mrs. W. S. Niblack and family were Saturday dinner guests of Mr. and Mrs. Charles Beach in Clarkston. Miss Marcella Niblack of Detroit also joined them for the day.

Mrs. Clyde McCaughey will be host to the North East Britton Extension Club, Friday, January 26, at 7:30 p.m. The last part of the lesson on "Legal Phases" will be presented by the leaders.

The Methodist W.S.C.S. will meet at the home of Mrs. Mary Adams, Wednesday, January 24, for a potluck dinner. The afternoon program will be in charge of Mrs. Delta Croll on "Stewardship."

MRS. MILDRED BAUER WEDS ROGER WILSON

Mrs. Mildred Bauer of Adrian and Roger Wilson of Tecumseh, were married Saturday afternoon at 3 p.m., at the home of Mr. Wilson's daughter, Mr. and Mrs. Peter Knight, W. Pottawatamie street. The Rev. Alvin Brazee performed the double ring ceremony. The couple was attended by Mrs. Bauer's son and daughter, Joyce and Charles Bauer of Adrian and Mr. and Mrs. Cliff Dowling.

A reception was held immediately following the ceremony for the immediate friends and relatives. The traditional wedding cake centered the table. The rooms were decorated with baskets of chrysanthemums. Mrs. Wilson is employed at Hurd Lock factory in Adrian and Mr. Wilson at Tecumseh Products Co. They will reside at 307 N. Democrat street.

Mrs. Paul Keyser Is New Auxiliary President

The annual meeting of Herrick Memorial Hospital Auxiliary was held last week in the Fellowship Center of the Presbyterian church with 37 members present. Mrs. Dale Bowen, retiring president, presided at the meeting and annual reports of the various committees were read. The Auxiliary membership now totals 172. Mrs. Paul Keyser was elected president for the new year, and other officers elected were: Mrs. W. T. Claxton of Britton, first vice-president; Mrs. Vincent Haight, second vice-president; Mrs. R. G. Fuller, secretary; Mrs. Charles Mensing, treasurer; Mrs. Ronald Harris, corresponding secretary.

Mrs. Lena Shermann, area consultant from the Michigan health department, was the guest of Miss Gertrude Spaulding. Progress on the new addition to the hospital was reported. The Auxiliary is sponsoring the Red Cross Home Nursing course, which will consist of six lessons, with Mrs. Vincent Haight as general chairman. Refreshments were served at the close of the meeting by Mrs. Hilda Will, Mrs. A. W. Porter, Mrs. Harold Kelso and Mrs. Robert French.

SPECIAL YOUTH MEET AT FRIENDS CHURCH

The Rev. Bert Turner, "Irish Evangelist" whose meetings have been attracting unusually large crowds at the Tecumseh Friends church this week, will conduct a special Youth Meeting Friday evening at 7:45. Young people will be coming from various parts of the county, and young people of all denominations are invited. The Rev. Mr. Turner will conclude his special series of meetings next Sunday with a morning service at 10 and an evening service at 7:30. There will be a service Saturday evening at 7:45.

TECUMSEH GRANGE MEETS

The regular meeting of the Tecumseh Grange was held Thursday evening, January 11. A potluck supper preceded the meeting at 7 o'clock. The supper committee for the evening was as follows: Mr. and Mrs. Charles Dickerson, Mr. and Mrs. Lenard Daykin, Douglas Daykin, Mr. and Mrs. Keith Bottorff, Mr. and Mrs. Harold Osterhout, Mr. and Mrs. Herbert Murphy and Mr. and Mrs. Charles Branigin, sr.

During the lecturer's hour, the debating team from the Tecumseh high school had charge of the program.

Summerfield Bows

(Continued from page 1)

led the Indians with 16 points, while Blessing scored seven for Summerfield.

Friday night's game with second place Morenci promises to be one of the outstanding games of the season. The Bulldogs have lost but one tilt in L.C.A.A. competition, and that to Pittsford when they were without the services of their star center, Barnes. However, they are expected to be at full strength against the Indians and will bring a big, rangy team here Friday night.

Tickets To Go On Sale For P.T.A. Benefit Party

Tickets for the P.T.A. benefit card party will distribute among the school children of all grades on Monday, January 22, the first day of the second semester.

The card party, as announced before, will be held at the Central School gymnasium on Thursday evening, February 1 at 8 o'clock. The ticket contest, in which first and second prizes will be awarded to rooms collecting the most money from kindergarten through 6th grade, and first prize to the class selling the largest amount of tickets from grades seven through 12, gets under way immediately.

During the business meeting of the P.T.A., held January 11, in the study hall of the new high school building, the president, Mrs. Thomas O'Hara, read a list of needed school supplies and equipment, indicating that the net proceeds from the party will be used to excellant advantage.

Indonesian Missionary Talks To W.S.C.S. Here

At the meeting of the Woman's Society of Christian Service in the Tecumseh Methodist church last Wednesday afternoon, Rev. A. Y. Klause, a missionary to Indonesia, told the women not only of his work there but also of the urgent need of more christian workers throughout the world, if peace is to come to all nations. The Rev. Mr. Klause is in the United States on a short furlough and then he will return to Indonesia for further work.

Mrs. E. A. Collins conducted the devotions on the theme of "Our Responsibility Toward the Giver of All Good Gifts." Mrs. Robert J. McCoy, Mrs. Jennie Temple, and Mrs. Willis Porter were the hostesses of the afternoon.

The Society will have a cafeteria supper for the public on Wednesday evening, January 24, beginning at 5:30 o'clock, at the church.

EAST GATE CLUB

The East Gate Club will meet Thursday evening, January 18, at the Masonic Temple. All officers in the Blue Lodge will practice for the first section at 7 p.m. Business meeting will be held at 8 p.m., followed by practice in the second section. All officers and members are requested to be present.

LOCALS AND PERSONALS

Mrs. Harold Heller of Appleton, Wisconsin, is visiting in the Perry Hayden and Perry Satterthwaite homes this week.

Miss Betty Hayden took her niece, Deborah Wells, to her home in Lexington, Kentucky, Thursday. She spent two weeks here with her grandparents, Mr. and Mrs. Perry Hayden, while her parents, Mr. and Mrs. Ronald Wells, moved from Columbus, Ohio, to Lexington, Ky.

Recruit Ralph E. Peotter, jr., son of Mr. and Mrs. Ralph E. Peotter, sr., of 311 East Shawnee, Tecumseh, has been assigned to a unit of the famous 2nd Armored Division at Ft. Hood, Texas. Prior to his entry into the service, Ralph was employed in the office of the Toledo Museum of Art, Toledo, Ohio.

Miss Marilyn Baaske was the week-end guest of Mr. and Mrs. John Uhr of Grosse Isle.

Mr. and Mrs. Otto Baaske, Mr. and Mrs. Arthur Baaske and daughter, Linda, and Mrs. Bertha Baaske were dinner guests Sunday of Mr. and Mrs. Alvin Preilipp of Deerfield, in honor of Mrs. Otto Baaske's birthday anniversary. Additional guests were Rev. Wm. Weinlander and Mrs. Hermine Stuetzes of North Blissfield and Mr. and Mrs. Louis Prielipp and sons of Blissfield. Mrs. Baaske received several gifts.

Club Luncheon Group Names New Officers

The afternoon luncheons at the Tecumseh Country Club were resumed last Wednesday, January 10, with 38 women attending, and with Mrs. Chester Beach and Mrs. Norris Morehouse as hostesses. Following the luncheon new officers were elected by the group as follows: Mrs. Ray Sluyter, general chairman, assisted by Mrs. Frank K. Smith; Mrs. A. A. Musch, secretary; Mrs. Paul Keyser, treasurer; Mrs. Robert G. Fuller, luncheon and card chairman. Mrs. Dale Bowen was named golf chairman with Mrs. Don Nettleman as co-chairman, and Mrs. Hugh Andrews treasurer.

Hostesses for the January 24th luncheon will be Mrs. F. C. Hanna, phone 247, and Mrs. Russell C. Carey, phone 236R. Reservations must be made by Tuesday noon.

PARISH PARTY

The members of the St. Peter's Episcopal church are giving a tea from 3 to 5 p.m., Sunday afternoon, in the Parish House in honor of the Rev. and Mrs. Allan Ramsay and family, who are leaving January 29, for Trenton, Michigan.

WELFARE MEETING

The Tecumseh Service Club, formerly Tecumseh Welfare Service, will hold a monthly meeting, Thursday evening, January 25, at 7:30 in the basement of the library. This is an open meeting and the public is invited to attend.

When you touch the pocketbook nerve of a profession you can expect the ethics to disappear.

TWO MEN PAY FINES

Two men were arraigned on drunk charges in Justice Robert French's court here last Saturday and each drew fines and costs. Jay Campbell, 31, Tecumseh, drew a fine of $5 and costs of $8.60. Wm. S. Linadury, 34, Clinton, drew a $15 fine and $8.60 costs. Both arrests were made by police on Friday.

We do not care to listen to people with few ideas who always repeat them.

Civil War Program Is Enjoyed By Local Club

An interesting program on Civil War history and a display of relics of that day made up the entertainment at the regular meeting of the Wit and Wisdom Club, Monday evening at the home of Mr. and Mrs. Ellsworth Collins. The assisting hostesses were the Misses Ruth Harding and Gertrude Spaulding.

The program was in charge of C. D. Branigin who read from and spoke interestingly about a diary written by a Civil War veteran of near Manchester, and now owned by Mrs. Hoyt Whelan. Others who participated in the program and showed war relics, most of them at one time owned by their relatives, were: Glen Van Denbergh, Miss Harding, M. W. Partridge, Fay Van Valkenburg, Dr. H. H. Loveland and Mrs. Wilfred Waldron.

At the conclusion of the program, light refreshments were served.

The February 5 meeting will be held at the home of Mr. and Mrs. Leon Van Valkenburg with Earl Place in charge of the program.

CHILD STUDY CLUB ENJOYS FAMILY NIGHT

Family Night was observed by the Child Study Club, Monday evening, and a potluck supper was enjoyed by a large group in the Fellowship Center of the Presbyterian church. Hostesses for the evening were Mrs. Donald Nixon, Mrs. George Green, jr., and Mrs. M. R. Blanden. The business session was omitted at this meeting. Mrs. Virgil Tucker introduced the Rev. Donald Wilson who spoke on "New Thoughts for the New Year." An interesting discussion of the changes made in our country in the last century was enjoyed. Mrs. David Dick entertained the children with movies. The children's favors of small story books marked the places at the tables.

We Invite Comparison
When It Comes To Baked Goods

The next time you want pies, cakes, cookies, rolls, bread or anything else in the baked goods line, call on us.

Take it home, compare it with any other baked goods—home baked included—and you'll find, we think, that the comparison is favorable.

That is because we use nothing but old-fashioned recipes, the kind that made Mother's cooking so delicious. We never scrimp on milk, sugar, eggs or shortenings.

...and the way to convince yourself that we are not kidding is to eat what we bake. The proof is still in the eating.

Good Citizenship Girls To Be Guests Of D.A.R.

The Abi Evans Chapter, D.A.R. met, Friday afternoon at 2:30 with Mrs. A. H. Brown for its regular monthly meeting. Mrs. Louis Schneider, regent, presided at the business meeting. Mrs. Bert Turnbull program leader, introduced Miss Edith Ingersoll, who gave a brief history of composers of early American music. Mrs. Al Merz sang two solos, "O Waly, Waly," an English ballad, and "Down in the Valley," an American folk song. Mrs. Herbert Dillon accompanied Mrs. Merz and Mrs. Dillon also played a piano solo, "The Witches Dance."

The following delegates were elected to the state conference to be held in Ann Arbor in March: Mrs. Schneider, Mrs. Brown, Mrs. Winifred Bates and Mrs. O. W. Laidlaw. The alternates were Mrs. Burtsell Claus, Mrs. Floyd Elliott, Mrs. Hoyt Whelan, Mrs. Nell Pearson and Mrs. Leon Rosacrans. Mrs. Schneider was elected delegate to the Continental Congress meeting in Washington, and Mrs. Brown the alternate.

Refreshments were served from a linen covered table, decorated with yellow and white spring flowers and lighted white candles. Mrs. Floyd Elliott poured. The assisting hostesses were Mrs. Frederick C. Dickinson, Miss Ethel Garlinghouse, Mrs. Donald Smith, Mrs. William Penman and Mrs. Francis Stone.

The February meeting will be held with Mrs. Hoyt Whelan as hostess and the good citizenship girls will be entertained at this time. The girls are Miss Cynthia Spafford of Tecumseh, Miss Eileen Carothers of Britton, and Miss Sally Ann Ashton of Clinton.

CHOIRS TO MEET

The Tecumseh Methodist church choirs will meet tonight (January 18) in the church parlors. The Junior choir will meet from 7-8 p.m., and the Senior choir from 8-9 p.m. All interested in joining are invited to attend the practice.

Value Your Health More Than Riches

Some folks think that fine clothes and fine, big houses are the most important things in life, but these things really don't mean too much if a person doesn't feel well enough to enjoy them. Most folks don't realize this, but Mrs. Lucy Braswell, of Route 2, Stone Mountain, Ga., realizes it very well. Mrs. Braswell takes HADACOL, and by taking HADACOL she found she is helping her system overcome deficiencies of Vitamins B_1, B_2, Niacin and Iron which HADACOL contains.

Here is Mrs. Braswell's own statement: "I have been sick for some time with stomach disturbances. I began taking HADACOL and I have been taking it about six weeks. I am so much better and much stronger. I will continue to take HADACOL. It sure has helped me. I tell my friends about HADACOL. I can't praise HADACOL too much. I am 59 years old."

Do You Have The 12 Habits Of The Expert Driver?

About 1,586 are dead and 43,840 injured as a result of accidents on Michigan streets and highways during 1950.

With this shocking record marked up, Michigan parents will have to carry out New Years resolutions of safe and skillful driving during 1951—or face criticism from their teen-age sons and daughters.

For their own youngsters may be among 32,550 students learning to drive scientifically in AAA Driver-Training courses taught in 305 Michigan high schools, including Tecumseh.

In an effort to avoid parental embarrassment, this newspaper with the assistance of Automobile Club of Michigan, has prepared a series of 10 instructive driving lessons for adults. Condensed from the Driver-Training text, "Sportsmanlike Driving," they are designed to help parents "bone up" for a good behind-the-wheel showing.

The first of the series asks: "Do you have the 12 habits of the expert driver?" follows:

Lady Luck hasn't deserted the highway completely.

But in any group of 1,000 middle-aged drivers who have never had an auto accident, only one is really "just a lucky guy." The remaining 999 auto pilots, if examined, exhibit at least eight of the 12 physical and mental habits of an expert driver.

Michigan teachers instructing in 305 high school AAA Driver-Education courses are impressing this small "luck" ratio in the minds of the 32,550 teen-agers they are teaching to drive this year.

Older drivers, whose highway habits have slipped a bit, can prevent an otherwise inevitable future accident by a serious review of the same 12 habits, says Ernest P. Davis, Automobile Club of Michigan safety and traffic director.

Teachers in the Auto Club-sponsored behind-the-wheel course stress these "keep-healthy" habits:

(1) No drinking before driving; (2) alert observation of all traffic laws, signals and signs; (3) constant anticipation of "what the other guy may do next;" (4) heavy attention to rear view mirror; (5) reduction of speed at potential danger points; (6) signaling intentions;

(7) Using horn only as warning signal; (8) regularly checking safety equipment; (9) staying in one lane of traffic until necessary to move out; (10) refusing to gamble on traffic maneuvers; (11) starting on time to make appointments; and (12) controlling speed to match highway, weather, visibility and traffic conditions.

Road courtesy counts too, say the teachers. Most accident-less motorists are as courteous on the road as they are in their living rooms.

CIVILIAN DECREASE IN WOOL USE SEEN

London—British Commonwealth economic experts foresee a deep slash in world civilian consumption of wool in order to meet defense needs.

They offered the hope, however, that synthetic products might ease the wool shortage somewhat.

Their position was outlined recently in a review for the Commonwealth Economic Committee, made up of representatives of Great Britain and its commonwealth only the year 1949 and did not include 1950.

The committee said that "in recent months, wool has become one of the dearest clothing fibers. The events in Korea have stimulated an already high level of world demand to such an extent that the price of an average quality apparel wool in December was 84 per cent higher than in June and more than nine times the 1934-38 average."

Budget Your Spending
SAVE PART OF YOUR SALARY

If you will budget your spending in 1951, you can save a part of what you earn—and do it easily.

Budgeting does not mean denying yourself of the things that you need. But it does mean "living within your income" so that you can lay aside something for the future.

Try it. Start today. Prove to yourself that budgeting is the easy way—to spend and to save.

V.F.W. District Rally Is Held At Howell

The V.F.W. Sixth District rally was held Sunday, January 14, at Howell. More than 35 V.F.W. posts in six central and southern Michigan counties were represented.

District Commander H. P. English, of Michigan Center, conducted the meeting and Wendell Daniels, post commander, assisted. Host to the gathering was Barnes, Lyons, Roberts Post No. 3681, of Howell.

The program opened at 10:30 a.m. with schools of instruction for post officers. The ladies auxiliary of the Howell post served dinner at noon. E. Edwin Slater, of Detroit, commander of the V.F.W., was the principal guest.

The Sixth V.F.W. District is composed of V.F.W. Posts from Livingston, Ingham, Jackson, Monroe, and Lenawee counties. Due to the bad weather no one attended from the Tecumseh post.

AUXILIARY MEETS

The V.F.W. Auxiliary held its regular meeting last Thursday evening and received Mrs. Roy Dahlke and Mrs. Richard Brighton into membership. The Auxiliary decided to have a bake sale Friday, January 19, at 2 o'clock at the Hanna Insurance office with the entire proceeds going to the Polio Fund. Refreshments were served by Mrs. Harlan Boyes, Mrs. John Braden and Mrs. Jack Curtiss.

LOCALS AND PERSONALS

Mrs. Tillie Tuckey has been notified that her son, Pvt. Gene Tuckey, who was stationed in California, left last week for overseas duty.

Mr. and Mrs. Franklin Barritt of Los Angeles, Calif., are spending a few days with Mrs. Barritt's brothers, Robert and Jack Hanna, and with Mr. Barritt's mother, Mrs. Josephine Barritt.

George Parsons of Lansing was a visitor in town last week.

Mr. and Mrs. Jack W. Smith are vacationing in Mesa, Arizona, for a few months.

Lieut. and Mrs. Richard Williamson visited friends and relatives here Thursday enroute to Washington, D. C., where Lieut Williamson reported Monday to the chief of Naval operations for further instructions. Lieut. Williamson received his call to report to Washington while on duty in the Korean area.

PLAN SOCK HOP

Invitations have been sent out for the Buffet Dinner-Sock Hop, to be held at the Tecumseh Country Club, Friday evening, January 26 at 7:30. Mr. and Mrs. Max Smith are chairmen and will be assisted by Mr. and Mrs. Alfred Pope, Mr. and Mrs. Clark E. Rathbun of Fowlerville, Dr. and Mrs. Wm. Britton, Mr. and Mrs. J. C. Beardsley and Mr. and Mrs. Robert Manchester. A four-piece orchestra from Adrian will furnish music for dancing.

MSC CLIMBS TO 10TH LARGEST IN NATION

East Lansing—Michigan State College jumped from eleventh to tenth largest university in the nation, according to the annual survey of educational institutions' enrollment conducted by Dr. Raymond Walters, president of the University of Cincinnati.

The 31st annual survey placed four Michigan universities in the top 25 schools of their particular type. U. of M. ranked seventh in full-time enrollment, eighth in grand total enrollment; MSC was tenth in full time enrollment, 18th in grand total enrollment; Wayne was 19th in grand total enrollment, and Western Michigan College of Education was largest of 112 independent teachers colleges.

TAFT-HARTLEY REPEAL SEEN DIM IN 1951

Washington—Senator James E. Murray (D) of Montana has little hope for repeal of the Taft-Hartley Law next year. He adds, however, that he believes nothing would contribute more to strengthening the nation than the act's repeal.

Senator Murray is in line for the chairmanship of the Senate Labor Committee and would manage any Senate campaign for repeal if President Truman asked for another try.

The incumbent chairman, Senator Elbert D. Thomas (D) of Utah was beaten in the Nov. 7 election. Coupled with the defeat of other administration supporters, this does not improve the chances of success.

Grange Hall Would Serve As Emergency Center

Tecumseh Grange approved a plan, sponsored by the Village of Tecumseh, for the use of the Grange Hall as an emergency relief center in the event of war emergency, when it met in regular session, Thursday evening. It also was announced that the Grange's walking blood bank had been used three times at Herrick Memorial Hospital during the past week.

Harold Rohrback, master, presided at the meeting which was preceded by a potluck supper.

The lecturer, Mrs. Percy Cadmus, announced the following program for the lecturer's hour. A play, "The Fliver Family," was presented by the children of the Culbertson school directed by their teacher, Miss Bugbee. Songs, "Frosty the Snow Man," and "A Marshmallow World" were by Ruth Böyce, Rose Mary Murphy and Irene Murphy, accompanied at the piano by Julia Boyce. These girls were from the Culbertson school also.

The debating teams from the Tecumseh high school debated the subject, "Resolved, that the American people should reject the welfare state." A vote of the Grange was taken and the affirmative side was the winner. Two piano solos were by Carl Freckleton of Tecumseh.

The first meeting of the farm school is to be held at the Grange hall, January 22, at 8 o'clock. Keith Bottorff is the leader for this year.

The next regular Grange meeting will be held January 25. At this meeting a musical program will be presented by Mr. Wood of Adrian.

The next Grange dance for members and friends will be held January 20.

Changeabul Weather Kondishuns
Affect Yur Iron Hoss Jist Like They Do Peepul
If yuve driven an Iron Hoss very long, you'll agree with us that changeabul weather kondishuns affect 'em like they do peepul. Some folk git rumatism when its damp, others ake all over when its kold, and there's another lot what sweat and puff when its hot.
Peepul reakt to the weather differently 'cause their physikul kondishuns are different. And Iron Hosses have different kondish-uns, too.
If yur karburetor ain't set right, if yur battery's weak, if the distributor's got bad points or yur koil's weak, yuh jist kan't expekt perfect Iron Hoss operashun.
Iron Hosses, like peepul, need checkin up once in a while.
Now, if yur Steed's aktin up, bring him in to our Hoss-pitul. We'll use surgery if it's necessary, or we'll jist use a tonik. But we'll guarantee yuh this, we'll remove the akes and pains, an make him frisky again.

Dance Will Aid March Of Dimes

ROTARY ANNOUNCES DONATION PARTY FOR FEB. 3; NEED FOR FUNDS LISTED

A Polio Dance, all of the proceeds to go to the March of Dimes, was announced today by M. E. Partridge, vice-president of the Rotary Club here and its general chairman of the March of Dimes campaign. The dance will be staged on Saturday evening, February 3, at the American Legion Memorial Home. Tickets, asking for a $2.50 per couple donation to the fund, now are on sale.

"Every cent of the receipts at the dance will be turned over to the Polio Fund," Mr. Partridge said in making the announcement. "The Legion has donated the use of its ballroom, and music is being furnished by the Tecumseh Products Chieftains, also donated. There will, therefore, be no expense."

Mr. Partridge expressed his appreciation to both the Legion and to the Products company for making the facilities for the dancing party available without cost. Both groups a year ago contributed similarly.

One year ago, in the March of Dimes campaign, Tecumseh subscribed $1,258.59 to the fund. Two years ago, the amount was $459.13. A large portion of the subscriptions last year came from the dance donations.

"The March of Dimes fund in Lenawee county this year needs money badly," Earl H. Place, co-chairman with Mr. Partridge, declared today. "I understand that the county unit now owes to the University of Michigan more than $26,000 for the care of last year's polio victims."

Mr. Place pointed out that polio patients in Tecumseh, during the year 1950, cost the county fund more than Tecumseh subscribed in the past two years.

Teachers' Meet In Adrian, Soon

COUNTY INSTITUTE TO BE HELD ON FEBRUARY 9; SCHOOLS WILL RECESS

Approximately 500 public school teachers will attend the Lenawee County Teachers' Institute to be held at the Adrian Senior High school on Friday, February 9, it was announced today by Supt. Earl H. Place, superintendent of schools here, is a member of the program committee which also includes George Little, Adrian superintendent, and Merl C. Porter, county superintendent.

The principal address at the meeting will be delivered by Dr. John Decker, professor of International Relations and chairman of the Social Studies Division at Stephens College. His topic will be, "Korea and World Security."

The afternoon program will include group meetings with elementary teachers dividing into two sections, geography and arithmetic. Junior and senior high teachers will meet under the chairmanship of James McDowell, principal of Tecumseh schools. The speaker at this meeting will be Dr. Luther Gable of Chicago, physicist, author and adventurer. His topic will be, "What Can I Do To Save America?"

The remainder of the afternoon will be given over to panel discussions.

The public schools here and throughout the county will be closed on the day of the institute to permit all teachers to attend he meetings.

TWO CARS COLLIDE

Three persons suffered minor injuries in a two-car accident at the corner of Union and West Logan streets, Saturday at 4:15 p.m. The cars were driven by Norma Seidel and Armenia L. Beevers, both of Tecumseh. Armenia, Shirley and Norma Jean Beevers, in the Beever's car, were treated for minor injuries at Herrick Memorial Hospital and then released. Police said that damage to the cars amounted to about $200.

Good Citizenship Girls To Be Honored

Cynthia Spafford

Sally Ann Ashton

Eileen L. Carothers

Three senior high school girls, one from Tecumseh, another from Clinton and a third from Britton, have been chosen as "Good Citizenship Girls," by the Abi Evans Chapter, Daughters of the American Revolution. The award is made annually by the organization.

The method of selection is as follows: The D. A. R. first notifies the schools that such a selection will be made. The school authorities then advise the senior classes, asking that three girls be chosen from each class. Once this is done, the names are sent to the faculty where the final selection is made. The award, it is explained, is based on leadership, service, patriotism and citizenship.

In Tecumseh, Cynthia Spafford, daughter of Mr. and Mrs. Jerome Spafford, was chosen. She is president of the senior class, was vice president of the junior class, and during her first and second year in high school she sang in the chorus. During her junior year she accompanied the chorus at the piano. She was a member of the junior and the senior plays and won second prize in the Lenawee county-wide essay contest, writing on the theme, "Why Democracy Works."

At Clinton the choice was Sally Ann Ashton. She participated in both the junior and senior plays, accompanied at the piano all high school choruses as well as for two operettas, and was president of her class during her sophomore year. During her junior year she was a reporter for the school paper, and this year is editor of the senior publication.

Eileen Louise Carothers, daughter of Mr. and Mrs. Earnest Carothers, was the choice of Britton. She is co-editor of the high school annual publication, and was a director of the senior play.

The three girls soon will receive their good citizenship pins from the D. A. R., the presentations to be made at the schools. On February 9 they will be guests at the D. A. R. meeting here, and in March they will attend the D. A. R. convention and luncheon at Ann Arbor.

School Benefit Party, Feb. 1st

PARENT - TEACHER ASSOCIATION SPONSORS ENTERTAINMENT FOR THE SCHOOL

The Tecumseh P.T.A. will be hosts at a benefit card party to be held in the Central School gymnasium on Thursday evening, February 1, beginning at 8 o'clock. Tickets are now on sale, at 50 cents per person, and may be purchased from the school children who are conducting a ticket selling contest.

Door prizes and table prizes will be awarded, and players may choose the type of card game they prefer. Tables will be made up at the door for those who do not come in groups of four. While tickets will also be sold at the door, the public is urged to buy from the students in order that their respective classes may receive credit for the sales.

Parents and friends of the schools are reminded that this is their opportunity to help in the purchase of needed and useful equipment for the schools that may not be considered by the board of education as essential, but which could do much to make the learning process more adaptable and more attractive to the students.

A committee composed of the chairmen of the several committees planning the benefit will meet soon with the superintendent of schools, the school principals and representative teachers to determine how best to disburse funds cleared at the party.

BOY, 14, QUESTIONED

A 14-year-old boy was questioned by police on Monday in connection with the theft of a $4 check, issued to another Tecumseh lad and drawn on a Toledo bank. Police said that the youngster had agreed to make good the check, and that disposition of the case would await further investigation.

The Year Books were distributed by Miss Ann Carson. Miss Carson and Mrs. O. W. Laidlaw welcome and his wife found them vation." Guest Night will be observed at the next meeting to be held in the Fellowship Center of the Presbyterian church. Refreshments were served to 30 members by the hostesses, Mrs. Kennard Wise, Mrs. George Wright and Miss Mary McWilliams.

Manchester Boy Rescued From Pond

QUICK ACTION OF FATHER AND STATE POLICE CREDITED FOR SAVING HIS LIFE

The quick action of a father and a Michigan State Trooper saved the life of a 4-year-old Manchester boy, late Tuesday.

Murray Richardson, son of Mr. and Mrs. Ervin Richardson, Rt. 4, Manchester, slipped and fell into the Iron Creek mill pond about 4 p.m., Tuesday. He was with another lad, and was attempting to get the family mail from a rural box near his home when the accident happened.

Murray's companion immediately notified Mr. Richardson. He rushed to the scene and the boy had come to the top of the water in an area where there was a hole in the ice. The water was deep. Richardson snatched his son from the pond.

State Troopers George Catton and Morris Tubbs of the Clinton post responded to the call for help. Trooper Catton immediately started artificial respiration and continued it during the ride to Herrick Memorial Hospital here in an ambulance.

Today, reports from the hospital say, Murray is recovering satisfactorily. He was suffering from shock and exposure but he probably will return to his home this afternoon.

Farewell Sermon By Pastor, Sunday

REV. RAMSAY AND FAMILY TO MOVE NEXT WEEK TO TRENTON, MICHIGAN

At the 11:15 a.m. service of morning prayer on Sunday, January 28, the Rev. Allan L. Ramsay, resigning rector of St. Peter's Episcopal church, will formally relinquish his office.

Glenn L. Driscoll, senior warden, and official head of the parish during the vacancy in the rectorship, will be given the records of the church and the keys to the buildings with a charge of responsibility. It will be his duty to seek supply clergy and lay readers to conduct services until a new rector is installed. The people of the parish having elected him to this office will confer with him in all matters pertaining to the life and work of St. Peter's church.

At a tea, held in the parish house last Sunday afternoon, the people of St. Peter's bid farewell to the Rev. Mr. and Mrs. Ramsay and their children and presented them with a purse in token of their friendship for them.

During the first of next week the Ramsays will move into their new rectory at St. Thomas' church, Trenton, Michigan. The church building of St. Thomas was formerly the Martha Mary Chapel at Macon which many local people know well from former years. It is located on a two and one-half acre site in the new residential area of Trenton and the new rectory has been built nearby.

EVENING SCHOOL

The Veterans' evening school held open house Tuesday evening in the new school and some 60 farmers braved the bad weather to attend the meeting on "Poultry Raising." Mr. Short of Napoleon, Ohio, gave the address on "Development of Hyline Chickens."

I will be at the United Savings Bank each Saturday until further notice, for the collection of taxes, dog tax and fire insurance. Will also accept payments by check or money order, mailed to my residence, 211 W. Brown St., Lawrence Mohr, Township Treasurer.

DO YOU EVER WONDER WHERE YOUR PARKING METER PENNIES GO?

Village Buys Street Equipment With Meter Money

Have you ever wondered what eventually became of that penny or nickel you dropped in the parking meter the other day?

A visit to the village offices, where the question was asked, brought out some rather interesting and gratifying information on the parking meter fund—its receipts, and the expenditure of those receipts.

For instance, in the past year the village has been able to purchase $11,581.65 worth of new equipment, including a power shovel, truck, a small car, and a police radio, as well as extra parts for the power shovel.

Starting on February 21, 1950, with a balance of $4,875.62, a total of $9,197.90 was added to the fund through parking meter receipts, making a grand total of $14,067.52. Expenditures from this amount were the $11,581.65 for the new equipment, $53.95 for repairs and other odd expenses, and $1,500 to the cemetery fund in repayment of a loan made to the meter fund when the meters were first purchased. As of December 31, 1950, the books show a healty balance in the parking meter fund of $931.92.

So, that's where your nickel goes, and it appears to have been spent well and wisely. At times, parking meters seem somewhat of a nuisance, but when it is realized that out-of-town motorists contribute substantially to the fund—a sum that would have to come out of the pockets of Tecumseh citizens if the highway equipment were to be had—it helps to relieve that irked feeling when you dig down in your jeans for a coin for the parking meter.

All meter funds collected are earmarked for local street improvements, it was said.

3 Auto Mishaps In 45 Minutes

POLICE WARN MOTORISTS OF SLIPPERY STREETS; URGE CAUTION BE USED

Slippery pavements and the snow were blamed for three traffic mishaps in 45 minutes, between 11 and 12 o'clock, Tuesday.

The first accident happened at 11 a.m., and involved a car driven by Dr. H. H. Hammel of Tecumseh, and a truck by Alvin A. Fritz, Rt. 2, Holgate, O. Dr. Hammel's car suffered $75 damage. The mishap occurred on N. Evans street, as the Doctor was pulling away from the curb.

A car driven by Roy Smith, Britton, suffered $100 damage when it skidded and rolled over on East Chicago boulevard, shortly after 11 o'clock, Tuesday. Smith told police that the car skidded and he lost control. He was not injured.

Cars driven by Miles E. Runk and Murray Day, both of Tecumseh, were damaged in the amount of $250 shortly before noon, Tuesday, in a collision at the boulevard and Maumee street. Police blamed the ice for this accident, too.

Chief of Police M. E. Clark issued a word of caution to drivers, warning that ice and snow make motoring more dangerous. "Take it easy," was his admonition. "You can't stop as quickly on slippery streets as you can on dry pavements."

Elliott Names Defense Group

DECLARES THAT EMERGENCY EXISTS; ASKS PUBLIC FOR COMPLETE COOPERATION

Declaring that an emergency exists and that there is an immediate local need for defense planning, J. Floyd Elliott, president of the Village of Tecumseh, today issued a statement announcing for complete public cooperation and the naming an over-all committee to organize and establish a "Civilian Defense Committee" in cooperation with the American Red Cross and the State of Michigan.

President Elliott named these members of the committee: Neville Hart, chairman, Elmer Burleson, co-chairman, and Mrs. L. W. Larsen, Darwin C. Smith, Mrs. Vincent Haight, A. G. Leitch, Thomas Neill, Ronald Harris and E. C. Heilman.

It will be the duty of this committee, Mr. Elliott said, to establish locally a Civilian Defense organization, consisting of subchairmen and its several committees. It is understood that the committee named by the president will meet this evening at the high school and effect a larger organization which will begin to function immediately.

Mr. Hart, several weeks ago, was named as Tecumseh's civil defense chairman by Paul Ahleman, Lenawee chairman. The fact that Elliott today named him gives added authority to the appointment.

Hart said that several meetings of the Civilian Defense group already have been held locally, at the request of the state and the Red Cross. He declared that at tonight's meeting efforts will be made to name a dozen or more sub-chairmen of committees, and these persons will be asked to organize their groups immediately.

"There is no doubt but that an emergency exists," Hart declared, "and Tecumseh must be ready to meet the emergency as quickly as possible. We already have a basic organization but it must be expanded. I trust that folk called upon will accept their responsibility seriously, and that they will attend future meetings."

PLEADS NOT GUILTY

Clyde Cook, R. F. D., Tecumseh, pleaded not guilty when he was arraigned in Justice Robert French's court here, Tuesday, charged with operating a car while under the influence of liquor. He was released on $100 cash bond, pending a trial date. Cook was arrested by local police at 2:50 a.m., Sunday morning.

TALKS TO EXCHANGE

Dr. Leo Phillips of Hillsdale College, a professor of philosophy, was the guest speaker at the regular dinner meeting of the Exchange Club here, Monday evening in the V. F. W. Club Rooms. Dr. Phillips, who was the guest of Clarence Beach, used as his subject, "The Philosophy of Communism." Austin Drake was a guest of Otto Meier at the meeting.

14-Year-Old Youth Held In Theft Of Car

A 14-year-old Tecumseh boy is being held at the detention home in Adrian in connection with the theft of a car owned by Dr. Wm. S. Britton of Tecumseh and stolen from the parking lot at the rear of the Strand Theatre, early Friday morning. The car, with the lad at the wheel, was stopped in Ann Arbor by police and returned here, later the same day.

Police said that the car contained about $600 worth of medicines and instruments and that about $150 worth of the medicines had been destroyed.

The youngster was arraigned before Probate Judge M. E. Tripp on Saturday and is now being detained at the home, awaiting sentence by the judge.

Britton Youth Dies In Korea

PFC. DANIEL J. EYLER REPORTED KILLED ON JANUARY 6; EMPLOYED AT PRODUCTS

Pfc. Daniel J. Eyler, jr., of Britton, was officially reported as killed in action in Korea on January 6, according to a telegram to the family from the War Department. Pfc. Eyler is the son of Daniel Eyler and with the family resided on a farm about five miles northeast of Britton. He formerly was employed at Tecumseh Products Company, entering the Army on July 1, 1948. He was 22 years old last November.

Pfc. Daniel J. Eyler, jr.

Mr. Eyler, the father, said that the family only recently received a letter from Daniel saying that he was going on guard patrol the same evening. He said that such an assignment usually meant killing or getting killed. But so far he had been lucky, he said.

Prior to being notified of Daniel's death, the Eylers had been advised by the War Department that he was missing in action.

Daniel attended Dundee high school, and had never had a furlough since entering service. Surviving besides the father are two sisters, Eleanor and Alice, and a brother, Gerald. The father and brother now are employees at the Products company.

Rotary Members Hear Of Youth Achievement

John Haien, a native of Holland and now an executive of the Chrysler Corporation, was the guest speaker at the dinner meeting of the Rotary Club, Tuesday evening at Legion Memorial Home. Mr. Haien discussed American free enterprise and "Youth Achievement."

Declaring that there is nothing wrong with American youth that adults cannot correct, Mr. Haien discussed at length the Youth Achievement movement that is "catching on" nation-wide. This movement permits youth of high school age to actually enter into business and to learn first hand many of the problems faced by business. While the plan heretofore has operated only in metropolitan areas, an attempt now is being made to bring it to the smaller communities.

Louis S. Schneider was named by the club to serve on a civic committee to consider the erection of a memorial to veterans of World War II. Tickets for the March of Dimes dance at Legion Home, February 3, were distributed.

The club's annual Rotary Ann dinner will be held on February 13.

BAPTIST FAMILY NIGHT

The Rev. John E. Sylvester, a missionary from the Russian Church, Erie, Pa., will be the speaker at the Family Night at the Baptist church here, Wednesday evening, January 21, at 7 o'clock. A potluck supper will precede the program, in charge of the Ladies Union of the church.

Tecumseh Trims Morenci, 39-36

HIGH SCHOOL BASKETBALL TEAM RETAINS FIRST PLACE IN COUNTY RACE

Tecumseh Indian cagers won another step in their L. C. A. A. basketball lead, Tuesday evening, by defeating Clinton, there, by a 52-28 score. Friday the Indians play at Hudson and next Tuesday they meet Dundee here.

Tecumseh high school's Indians retained undisputed possession of first place in the L. C. A. A. basketball race and took another stride toward the county crown when they toppled the second place Morenci Bulldogs, 39-36, in the local gym Friday evening. The game was just as close throughout as the score indicates, and kept a packed gym of fans on the edge of their seats throughout the evening.

Morenci started strong and the close of the first period found them leading, 9-8. But in the second quarter the Indians went on the warpath to hang up 15 tallies while Morenci was scoring seven to take a 23-16 lead at the half. The Bulldogs lived up to their nickname, however, and came back after the intermission to again outscore the Indians, 8-4, in the third frame, bringing the score to 27-24, and then tieing up the count at 28-28 early in the final period. Sisson and Campbell quickly put Tecumseh back in the

Fire Damages Newburg School

DEFECTIVE MOTOR IN SPACE HEATER THOUGHT TO HAVE STARTED BLAZE

Fire, thought to have started in the motor of a space oil heater, caused considerable damage to the Newburg school located three miles northwest of Tecumseh on Stah road, Monday evening. The fire was discovered about 7:30 and the Clinton fire department was called. The Tecumseh department was also called to assist the Clinton firemen. Nearly two hours were required to subdue the stubborn flames.

Local firemen said they were handicapped by strong fumes from fire extinguishers in the building which evidently burst from the heat. Breaking a window, they were finally able to get a hose line into the building. The fire ate a large hole in the floor and spread to the ceiling before being put out. There was considerable damage from smoke and water as well as the fire.

Miss Bonnie Baughey of Adrian, the teacher, sent her classes home at 11:30 Monday morning because the oil burner was not working properly and the building was cold. No classes were held at the school Tuesday.

An estimate of the amount of damage was not available at press time.

Tecumseh firemen reported this was the first rural call for the department in 97 days.

Manchester Woman Wins Radio Contest Prizes

That persistence in entering radio contests sometimes pays off was the happy discovery Monday morning of Mrs. Russell Smith, who lives on Henzie Road, southwest of Manchester. Mrs. Smith won the grand prize on what is known as the "Grand Slam" program, broadcast daily on one of the major radio networks.

Mrs. Smith, like many other housewives, has entered a number of radio contests, but never before had come up with a winner. And of all things, for the first time in many a day, she wasn't even listening to the program. It wasn't until neighbors called her on the telephone that she learned of her good fortune.

Her entry in the contest was the song, "It's A Lovely Day," with the studio contestant to name five other songs suggesting things to do on a lovely day. This they were unable to do. Mrs. Smith will receive as prizes a set of luggage, a set of crystal, a set of sheets and pillow cases, a set of aluminum ware, an electric deep-fryer, plus a $100 United States savings bond.

Her husband, Mr. Smith, is employed at Sluyter Electric here in Tecumseh. The Smiths have three children, Millie, 8, Russell, 6, and Vickie, 2.

How Much Can We Pay In Taxes?

Right now there is talk in Lansing of adding a couple of cents to the State's gasoline tax, bringing the total tax on a gallon of gasoline to a nickel. There also is a proposal to increase the tax on trucks, and it is possible that the latter tax might be extended to motor cars.

The reason for this new tax program is simple. The State needs money—and it needs it badly. Like the Federal Government, the State has been spending its money on a wholesale basis, inflation is here and prices have increased on everything that it buys. The sales tax diversion amendment of a few years ago slashed the State's income materially, and returned a large part of the sales tax funds to schools and townships. The result is that Michigan is scraping the bottom of its money barrel, and a new source of revenue must be discovered.

If the average taxpayer is like ourselves, he must get a kick out of reading about programs for the imposition of new taxation. He reads that the Federal Government or the State is running out of cash, and that the taxpayers MUST be forced to "kick in" with more money to keep the wheels turning. To those in authority—the legislators in state and national government—it is as simple as that. But what about Mr. Taxpayer?

Do legislators, state and national, ever think that taxpayers run out of money, too? How much concern for the genuine welfare of taxpayers and their families do legislators have? We sometimes wonder.

Just how much in taxes can the average man or woman, business or corporation pay? Of course, business and industry can pay taxes, if they must, and they can add them to the cost of doing business and pass the expense on to the public. But men and women on fixed incomes, salaried folk and people working for wages do not have such an opportunity. If more taxes are deducted from their pay checks, if they have to pay more taxes on gasoline and other things that they buy, there is only one way for them to survive and that is through wage hikes. And as wages go up, prices go up, in a never-ending race.

And there is another thing that should not be forgotten by the legislators. There is such a thing as pricing goods and services off the market. If prices get too high, so high that people no longer can afford too buy, business and industry soon will be forced to cut back production and then there will be unemployment, welfare and a need for still more taxes.

As much as we dislike OPA with its many and varied controls, it seems to us that such controls are the only alternative to the mess in which we now find ourselves. Prices in every line are advancing sharply. Bread, milk, coffee, meat and the staples of life are fast becoming luxuries. The average working man is handling two and in some instances three times as much money today, in wages, as he did ten or twelve years ago, but what good is the money? What can he buy with it? After federal taxes and hidden taxes are subtracted, there is too little left to go around.

If controls are applied by government—and in all probability they will be—the government must remember that this price and that price cannot be frozen and others allowed to run wild. ALL PRICES MUST BE FROZEN, INCLUDING WAGES. It is the only fair way to meet the situation if we are to maintain a sound national economy.

As we said before, we dislike OPA. We dislike regimentation in any form and in America, particularly in the last 18 years, regimentation has been a creeping paralysis. Little by little, day by day, we have been losing a part of the liberty and freedom that was fought for by our Revolutionary fathers.

Our lawmakers have not been wholly at fault for this condition. The public's demand for a paternal government has been growing and growing. The late FDR taught the masses that the only thing folk had to fear was fear itself. He launched the program of spending the nation into prosperity—on a deficit basis. It never has worked and it never will work.

Where do we go from here? This is the time for clear thinking, the time when we need statesmen to lead us out of not only economic difficulties but actual warfare. National unity is vital to the future of America.

Taking sedatives in the form of tax increases and controls will only correct the trouble temporarily. Our legislators should recognize this fact and make an honest effort to diagnose the real ailment from which we are suffering.

COMMUNICATION

Mr. Earl L. Wickwire, Editor
The Tecumseh Herald
Tecumseh, Michigan
Dear Mr. Wickwire:

The veterans' organizations in Tecumseh have read with interest your editorial in last week's issue of The Herald concerning the condition of the Village's Honor Roll of World War II veterans in Adams Park. We commend you and the High School Juniors who have called its sorry state to the attention of the community.

You will be interested to know that the matter of a worthy and permanent memorial to the veterans of World War II has been the subject of several discussions among veterans' organizations recently. Your editorial came at an excellent time to insure action on this very worthwhile proposition.

We have come to the conclusion that the following course of action will be satisfactory and proper: Since we feel that it should not always be up to the veterans to be responsible for their own memorial, we are recommending that a representative committee should draft suitable plans for a permanent memorial which will reflect the sentiments of the entire community to which it will belong.

We are asking that a committee be formed with one representative from each of the following organizations: The Veterans of Foreign Wars, the American Legion, the Chamber of Commerce, the Village Council, the Rotary Club, and the Exchange Club. The duties of this committee would be to recommend the nature of the memorial, to explore its cost, and suggest the manner in which it would be paid for.

Some of the organizations mentioned have already been spoken to and have signified their approval of such a committee.

Again we wish to thank you and the members of the Junior Class for bringing this important matter to a head.

Very truly yours,
Elmer Burleson, Commander

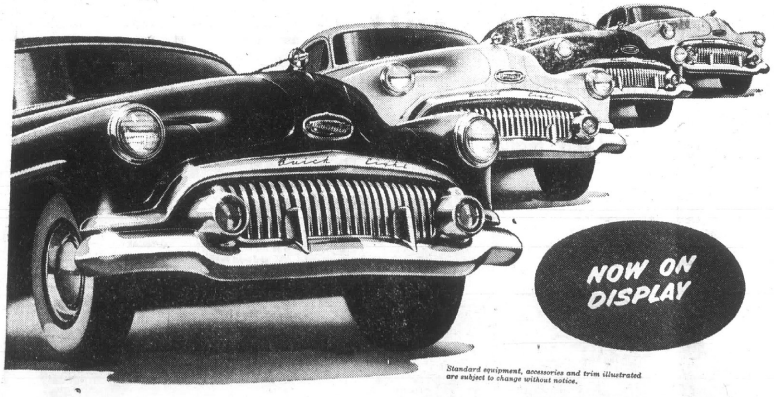
FIREBALL POWERED

ALL-STAR LINE-UP FOR '51!



Standard equipment, accessories and trim illustrated are subject to change without notice.

Your first eye-smacking look at the line of lovelies pictured here tells you that they've got what it takes in visual charm.

But the fellow who said a picture speaks louder than a thousand words wasn't talking about these superbly able 1951 Buicks.

Sure, they're smart to look at—smart in style and smart in dress.

But they're also smartly powered—smartly engineered—smartly priced. And it would take a book to describe in full their deep-down goodness.

What's been done for '51 is to take the best automobiles that ever bore the Buick name—and top them.

Come, look them over, and you'll see what we mean.

There's the SPECIAL which can accurately be titled "the newest car in the world"—new in structure, new in power, new in dimensions, new in thrift—and potent in price appeal.

There's the SUPER—that looks and is a smart new edition of its "best seller" forebear.

Then there's the ROADMASTER—that coddles your anatomy on luxurious new fabrics and cloud-soft cushions—pampers your pride with its lordly bearing—shoots a delicious tingle right up your spine by the exuberance of its power and action.

We could go on and on. This is the car that "breathes through its nose." This is the car that sports a brand-new front-end styling. This is the car with new high-visibility instrument dials, more easily read at night. This is the car with glare-and-heat-reducing glass† and a host of other news-making features you can't afford to miss.

So your No. I date this week end is with your Buick dealer. It won't take you long to conclude that he's offering the smartest buys of the year.

†Optional at extra cost—available on most models. (Not presently available in California or Massachusetts)

Teenager Gets Appetite Back; Thanks Hadacol

HADACOL Supplies Vitamins B1, B2, Niacin and Iron Which Her System Lacked.

According to Sara Loraine Beck, Box 253, Coker, Alabama, when a person is only 15 years old and feels terrible, can't eat or sleep the way they should, it's mighty bad. That is the way Loraine says she used to feel, but that was, of course, before she started taking HADACOL. Loraine found that taking HADACOL helped her system overcome deficiencies in Vitamins B1, B2, Niacin and Iron, which HADACOL contains.

Here is Loraine Beck's own statement: "I was run-down, sick and skinny, and weighed only 90 pounds before I used HADACOL. I would not eat because I had no appetite. Now I weigh 123 pounds and have an appetite. I feel a lot better. I have been taking HADACOL 10 months and am still taking it. I am 15 years old. HADACOL has done me lots of good."

HOLLOWAY

The Ladies Aid of the Holloway Presbyterian church held their monthly meeting with Mr. and Mrs. Howard Swift in their home with a potluck dinner being served to 25 men and women. Election of officers for the coming year was held with Mrs. Roger Richards being elected president, Mrs. Clark Sinclair, first vice-president, Mrs. Bert Klappich, second vice-president, Mrs. Gail Austen, treasurer, Mrs. Rolland Fairbanks, recording secretary, and Mrs. Elwyn Green, correspondence secretary.

Marshall Drouillard, who has been confined to his bed in his home for some time, is reported to be in a satisfactory condition but unable to have visitors.

Mr. and Mrs. Kenneth Marks entertained 35 guests in their home Sunday in honor of their son Jerry Ivan, who was baptized in the North Blissfield Lutheran church on Sunday. The Rev. William Weinlander performed the ceremony and the sponsors were Robert Marks, Lawrence Marks, Mrs. Leslie Marks and Miss Mildred Whiton of Hudson. The baby received many pretty gifts.

Mr. and Mrs. Virgil Lowery, sr., entertained Sunday Mr. and Mrs. Robert Taylor and daughter of Melvindale, Mr. and Mrs. Charles Stutzman and family of Adrian and Mrs. Grace Stutzman of Metamora.

The senior choir of the Holloway Presbyterian church will hold a potluck supper Thursday evening in the home of Mr. and Mrs. Clark Sinclair. Choir practice will follow supper.

Mr. and Mrs. Paul Kopke and sons returned home Sunday evening after spending the week-end with Mr. and Mrs. Allen Blouch and family of Elk Rapids.

Mr. and Mrs. Walter German and Mr. and Mrs. Ken Kopke were Sunday dinner guests of Mr. and Mrs. Joe Glenn and family of Wayne. Sunday evening they all attended the hockey game in Detroit.

Mr. and Mrs. Wilson Sawyer had as their Sunday guests Mr. and Mrs. Ed Hercher of Dearborn and Mr. and Mrs. John Williamson and son of Jackson.

Jane Gritzmaker spent the week-end with her parents Mr. and Mrs. Carl Gritzmaker. Jane is a student at Ypsilanti State Normal.

Janet Gallaway of Lansing will return home Tuesday after spending a week with her parents, Mr. and Mrs. Lawrence Gallaway.

Harry Dorriell who has been a patient in Ford Hospital, Detroit, since January 12, is reported to be improved.

Mr. and Mrs. Don Jaqua attended the funeral of Randolph Jaqua at Napoleon, Ohio, on Saturday. Sunday they were the dinner guests of Mr. and Mrs. J. O. Strong of Melvindale.

Mrs. Warren Enyart was the honored guest Tuesday afternoon at a pink and blue shower held for her by the ladies of the Holloway Presbyterian church. Refreshments were served from a lace covered table with Mrs. Clark Sinclair and Mrs. Roger Richards pouring tea to approximately thirty guests. Mrs. Enyart received many lovely gifts for the baby-to-be.

The South Holloway Extension Club will meet January 30 instead of January 23 as announced. The meeting will be held at 2 p.m. with Mrs. Claude Walters.

The Volunteer Class of the Holloway Presbyterian church will meet Wednesday, January 24 with Mr. and Mrs. Jerry Fairbanks in Clinton. The meeting will be called to order at 8 p.m.

MACON

The Macon W.S.C.S. will meet with Mrs. Melvin Travis at noon Thursday for a potluck dinner.

Miss Carol Priest of Ypsilanti spent the week-end with her parents, Rev. and Mrs. O. E. Priest.

Mr. and Mrs. Edward Pfalz of Detroit were Sunday guests of Mrs. May Morgan and Mr. and Mrs. Darwin Smith.

Darwin Smith in company with several teachers from Tecumseh spent the week-end at Indian River.

Mr. and Mrs. Charles Burleson of Dearborn were in Macon, Sunday, attending the burial of the infant son of Mr. and Mrs. Clyde Burleson.

Mr. and Mrs. Leslie Naugle spent Sunday in Jackson.

Mrs. Lois Jordan spent Friday in Wayne.

Will Bale, son of Mr. and Mrs. Walter Bale, left for the armed service Monday. He will be stationed at Sheridan Field, Ill.

Miss Jennine Craig is spending several days in Detroit attending Kroger school.

Lee Smith, Robert Smith and Harold Kopka spent the week-end in the north, fishing.

What Is Necessary

A sound economy is up to the constituents. The politicians soon will fall in line if the people let them know that further debt is an inflationary threat to all of us.—Minneapolis Star.

Naturally

An award for aggressiveness and ingenuity in the mercantile field goes to the individual who launched the bold style in men's plaid caps and hats. Naturally, an award for courage automatically goes to the wearer. — Christian Science Monitor.

Bah!

Business Women Honor Miss Beth Satterthwaite

The Business and Professional Woman's Club met in the Fellowship Center of the Presbyterian church, Monday evening, with dinner at 6:30 served to 39 members and guests. Mrs. Helen French, president, presided at the business meeting and plans were completed for the card party to be held at Legion Hall, February 8, at 8 p.m., for the benefit of the Herrick Memorial Hospital. Tickets may be purchased at Sluyter's, Porter's, Nation-wide and the Watkins' Shop.

The club will serve as co-hostess with the Tecumseh Monday Club, April 18, for the County Federation meeting. Reola Laskey was taken into membership and Mrs. French, president, was chosen as the "club woman of the year," and will represent the club on the WABJ program in May. Mabel Lockwood introduced Miss Bess Satterthwaite as the guest of honor, who was presented with a gift.

The program theme was "Say It With Music," and Mrs. Ray Sluyter led the group in singing, "Winter Wonderland." Eight little girls from Rhae Nita Larsen's dancing class tap danced; the group was divided in four sections and sang old-time songs; there was a piano duet by Mrs. Sluyter and Mrs. Maynard Mulvaney; Miss Alice B. Hopkins read, "Snow-bound," and Mrs. Lillian Service was the only member able to repeat the poem from memory; Mrs. Al Merz sang two solos, "I Heard a Forest Praying," and "Let It Snow;" a sextette composed of Mrs. Thomas Gallant, Mrs. Mulvaney, Mrs. Joe Rice, Mrs. Ellsworth Collins, Mrs. Harold Green and Mrs. Wilfred Waldron sang, "The Spirit Flower;" two piano selections by Mrs. Edna Staulter, and a vocal number by Mrs. Gallant, Mrs. Herbert Dillon and Mrs. Green, closed the program.

The next meeting will be held February 26, in the Fellowship Center.

Special Revival Service Ends At Friends Church

Special revival meetings, originally scheduled to end last Sunday but continued for three more days because of the unusual interest, were brought to a close at the Tecumseh Friends church, Wednesday evening. The Rev. Bert Turner, Irish evangelist, brought the Bible messages, and the influence of the services reached to practically every family in the church. About 20 persons, on Sunday evening, indicated a desire to unite with the church.

During the 11-day revival, a large choir was under the direction of Mrs. Amos Wilson, organist, and an inspiring song service was directed by the Rev. Edward Escolme, pastor of the church. On the three final evenings of the revival, Monday was known as "Neighbor Night," Tuesday as "Family Night," and on Wednesday, "School Night."

At Sunday evening's service the church was filled to capacity. At the close of the meeting the Rev. Mr. Turner conducted an unusual and interesting "Blessing Service." Bits of fern and common pins were scattered along the altar rail and the audience was challenged to pin a spray of fern on each person present who had been a blessing to them. As a result, the pastor, the Rev. Mr. Escolme and his wife found themselves practically covered with the sprays of fern.

Tecumseh Grange Will Meet This Evening

The regular meeting of the Tecumseh Grange will be held Thursday evening, January 25. A pot-luck supper will precede the meeting at 7 o'clock. The supper committee includes: Mr. and Mrs. Hamilton Moore, Mr. and Mrs. Bert Bruder, Mr. and Mrs. Vining Foley, Mr. and Mrs. Will Fletcher, Mr. and Mrs. Everett Exelby, Mr. and Mrs. Nilwen Bishop, Charles Bishop, and Mr. and Mrs. Duncan Oliphant.

During the lecturer's hour, Mr. Wood of Adrian, will present a musical program with local children taking part.

ROYAL NEIGHBORS INSTALL OFFICERS

The Royal Neighbors met at the home of Mrs. Tillie Tuckey, Monday evening, for installation of officers for 1951. Mrs. Goldie Topps was ceremonial officer and Mrs. Audrey Glancy, installing officer.

The new officers are as follows: Alice Collom, oracle; Lilla Beevers, vice oracle; Alice Frost, past oracle; Joyce Collom, chancellor; Tillie Tuckey, reporter; Eva Beevers, receiver; Mae Sarvey, marshall, and Carrie Green, assistant marshall; the five graces, faith, Edith Nobles; courage, Mabel Duncan; modesty, Iona Dell Ousterhout; unselfishness, Susan Dicks; endurance, Lillie Murdock; staff captain, Opal Brady; outer sentinel, Dorothy Long, and inner sentinel, Minnie Tate.

The oracle presented each past officer with a gift. Refreshments were served and cards were enjoyed by the group.

Dance Will Aid

(Continued from page 1)

"Last year," Mr. Place said, "Tecumseh had six active cases of polio and there are still five of those cases under observation or treatment. To date, one of the cases has cost the fund $914.75, another $219.10, another $345.06 and a fourth $192.41. On the other two cases, $74 and $16.25 were expended. This makes a grand total cost for last year's cases, right here in Tecumseh, of $1,761.57. In the last two years, Tecumseh's contribution to the campaign amounted to $1,717.72, or a few dollars less than we actually received.

Place pointed out that the March of Dimes drive would continue here until after the dance, on February 3. Cannisters have been distributed to all of the stores and business places, in the schools and in the rural areas.

"There is no plan for a house-to-house canvass," Place said. "We feel that everybody is acquainted with the benefits of the March of Dimes, and we feel that they will leave their donations in the cannisters without too much urging. When we realize that our actual benefits of a year ago exceeded the amount that we gave, certainly we should give generously."

J. C. Cameron has been named as township chairman of the drive and as he did a year ago, Mr. Cameron has turned the entire campaign over to the Rotary Club for direction.

lead with field goals but Morenci came right back to knot the count again at 32-all. Jim Brietenwischer broke the tie with a free throw and Tecumseh was never headed after that.

Inability to hit the basket from the free throw line almost cost Tecumseh the game, the Indians missing on 17 of their 28 attempts, while the Bulldogs scored on 18 out of 29 attempts.

Owen Campbell led the Indians in scoring with 10 points, while Bob Packard was high for Morenci with eight. Jim Brientenwischer's steady play was a big contributing factor in the victory.

Tecumseh's reserves made it a double win by handing the Morenci second stringers a 47-33 trimming.

Florence House, Clarke Pearson Wed Thursday

Miss Florence Gail House, daughter of Mr. and Mrs. Elmer C. House, of 6307 Milwaukee Road, and Clarke Riley Pearson, son of Mr. and Mrs. Charles C. Pearson, of 206 W. Pottawatamie Street, Tecumseh, were united in marriage last Thursday evening at 6 o'clock at the Berean Baptist parsonage in Adrian by the Rev. H. E. Amstutz, who performed the double ring ceremony.

The bride, given in marriage by her father, wore a navy suit and wore a corsage of red roses. Mrs. Carson House assisted her sister-in-law at matron of honor. She wore a brown suit with a pink carnation corsage. Mr. House attended Mr. Pearson as best man.

Mrs. Pearson is employed at Parkside Florist and Mr. Pearson at Tecumseh Products Co. After a week-end spent in Detroit they are residing at the home of the bride's mother, Mrs. Abbie House, 6307 Milwaukee Road, where a reception for Mr. and Mrs. Pearson will be held Saturday evening, January 27, at 7 p.m.

Friends who attended the wedding from here were Mr. and Mrs. Elmer House, Mr. and Mrs. Charles Pearson, Mrs. David House, Mrs. Richard Shepherd, Mrs. C. C. Pearson, jr., Jerry Eaton and Miss Truly Ogden.

DINNER MEETING

Earl H. Place, superintendent of Tecumseh schools and president of the Michigan Education Association, presided at the dinner and meeting of the county group, last evening at the Episcopal church in Adrian. J. N. Clifford of Lansing, executive secretary of the Teachers Retirement Fund, was the speaker. Teachers from Lenawee county schools were in attendance.

Explained.

Pete — When I arrived in Washington I didn't have a single cent in my pockets. In fact, I didn't have any pockets.

George — How on earth did that happen?

Pete — Oh, I was born here.

MERRIMAN—ADAMS

Mr. and Mrs. Clifford Adams are announcing the marriage of their daughter, Donna, to Donald H. Merriman, son of Mr. and Mrs. H. C. Merriman of Orland, Indiana. They were married January 19 in the home of the Rev. Raymond F. Hart, in LaGrange, Ind. The bride wore a tan suit, and brown accessories with a white rose corsage. The newlyweds are making their home in Orland, Ind., where Mrs. Merriman will continue teaching near Orland, and Mr. Merriman is engaged in construction work.

Careful.

"The motorist that hits me will certainly be sorry," said the dusty pedestrian.

"Why?" asked his companion.

"Because," said the other, "I'm carrying a stick of dynamite in my pocket."

UNION TO MEET

The Baptist Ladies Union will meet next Thursday afternoon, February 1, at 2 o'clock, at the home of Mrs. Emma Mault. Mrs. Helen Brazee will be in charge of the program and Mrs. Ola Gray the devotions.

A mere scholar, who knows nothing but books, must be ignorant even of them.

—William Hazlitt.

Presidents' Wives Are Basis For Club Program

Forty-five members of the Tecumseh Monday Club enjoyed an unusual program in the home of Mrs. Robert J. McCoy on North Union street, Monday afternoon. The department of education presented in story, pageantry and music "Episodes in the Lives of Our Presidents' Wives."

Miss Gertrude Spaulding introduced the following characters: Martha Washington, Mrs. F.E.N. Thatcher; Mary Todd Lincoln, Mrs. Roscoe Hewlett; Grace Hoover, Mrs. Earl Wickwire; Eleanor Roosevelt, Mrs. Glen Vandenbergh; Bessie Truman, Mrs. Wesley Mast. Mrs. Louis Schneider, sr., as Dolly Madison, Mrs. Seaton Dove as Ann Payne, and Mrs. F.E.N. Thatcher as Martha Washington dramatized an unforgettable day in the life of Dolly Madison. Mrs. R. G. Fuller was the butler in this scene and the footman in the others. Mrs. Mills Swick and Mrs. E. E. Duvall were the narrators and Mrs. Al Merz sang "Battle Hymn of the Republic," "Who Is Sylvia," "Beautiful Dreamer," and the "Missouri Waltz." She was accompanied by Mrs. W. G. Waldron, Mrs. Ed Harper, Mrs. E. J. Aebersold, and Mrs. Claire Beland prepared all of the material which was used. In conclusion the assembly sang "God Bless America." As a special musical number Mrs. Waldron and Mrs. Ray Sluyter played a piano duet from "Tannhauser." Mrs. Louis Schneider and Mrs. Thatcher, both in costume, presided at the tea table which was centered with spring flowers and candles. Mrs. Perry Hayden, chairman of the hostesses, was assisted by Mrs. Jennie Temple, Miss Bess Pulver, Mrs. Lulu Ruthruff, Miss Edith Ingersoll, Mrs. Kenton Hunt, Mrs. John Snow, and Mrs. Seaton Dove.

Appropriate costumes were worn for the character parts while several in the audience were in costume of yester-year.

BRITTON

The condition of Smith Pocklington, who is ill with pneumonia, remains about the same. His daughter, Mrs. Roy Carothers of Detroit, is here helping to care for him. Calling at the Pocklington home over the week-end were Mrs. Mary Rice of Grand Rapids, Mr. and Mrs. Fred Passow of Ann Arbor, Mr. and Mrs. George Wilson, Mack Wilson and Roy Carothers and daughter, all of Detroit.

Funeral services for W. C. Eldred of Ann Arbor were held Monday in Ann Arbor. He will be remembered here as a lumber and coal dealer of thirty-one years ago. He is survived by the widow and three daughters.

Sunday dinner guests of Mr. and Mrs. Andrew Crutchfield were Mr. and Mrs. Edgar Smith and children of Alma, Ill., and Claude Crutchfield of Ridgeway.

Mr. and Mrs. Ivan McCarbery and children of Dearborn spent the week-end with their respective parents here.

Presbyterian Women Elect New Officers

The Presbyterian Woman's Association met last week in the Fellowship Center with 48 members in attendance. Mrs. Lynn Harris led the devotions and Mrs. H. W. Truesdale presided at the business meeting. The annual reports were received from the retiring officers.

An impressive installation service for the new officers were conducted by Mrs. Truesdale and the retiring officers were presented with flowers. The new officers are Mrs. Frank Smith, president; Mrs. Ray Shuyter, first vice president, and Mrs. M. R. Blanden, second vice president; Mrs. Wellington Wotring, recording secretary; Mrs. Frederick Dickinson, corresponding secretary; Mrs. E. E. Davis, treasurer.

Mrs. Shuyter was the program leader and presented a program on the "Origin of Hymns," with solo numbers by Mrs. Wilbur Boyce and Mrs. Bartlett Aiuto and a vocal duet by Mrs. Al Helzerman and Miss Ruby Preston, accompanied by Mrs. Davis. After the program refreshments were served by Mrs. Norris Morehouse, Mrs. Virgil Tucker, Mrs. Charles Stephenson, Mrs. Frank Purcell, Mrs. J. W. Spafford and Mrs. Harris.

BRITTON

The Britton I.O.O.F. lodge meeting night is now on Thursday.

At the regular Rebekah meeting the new officers presided. Mrs. Ann Fairbanks, noble grand, appointed committees for the year. A $5 donation was voted to the March of Dimes. Mrs. Virginia Crutchfield will act as chairman for the next meeting. Refreshments were served and a social hour enjoyed.

Mrs. Fred Bryan entertained Thursday evening honoring her daughter, Ruth Ann, who was celebrating her tenth birthday. Ten little girls enjoyed a theatre party and later had refreshments at the Bryan home. Ruth Ann received many lovely gifts.

Miss Jean Marie Herrick Weds Peik van Waveren

St. Peter's Episcopal church was the scene of a lovely wedding, Saturday morning at 10 o'clock when Miss Jean Marie Herrick of New York City, daughter of Mr. and Mrs. Ray W. Herrick of Tecumseh, and Peik Johan van Waveren of Ft. Meade, Md., son of Mr. and Mrs. Tom Marie Henerik van Waveren, of Bennebroek, The Netherlands, were united in marriage. The double ring ceremony was read by the Rev. Allan L. Ramsay, rector, before a bower of white roses and snapdragons. The pews were marked with white gladioli and white satin bows centered with roses. Dr. James Spencer, organist of the church, played nuptial music during the ceremony.

Mrs. van Waveren

The bride, given in marriage by her father, wore a white silk taffeta gown, made off-shoulder style and trimmed with French pleating. A long train and a long Venetian lace veil, purchased by the bride while visiting in Italy, completed her ensemble. The bride's bouquet was a spray of lilies-of-the valley and stephanotis. The lilies were sent from Germany especially for the wedding.

Mrs. Donald Cobb served as her sister's matron of honor. She wore a gown of sea green nylon tulle with a bouquet of purple stephanotis, yellow roses and bebe narcissus. The bridesmaids were Mrs. Robert Wilson of Tecumseh, Mrs. Warren H. Steurer of Tarrytown, N. Y., Mrs. Peter McGee of Detroit, and Mrs. William Kiefer of Rockford, Ill. The attendants were in pale yellow gowns, all made identical in bouffant style, ballet length with shirred bodice. They carried bouquets of yellow roses, purple stephanotis and ivy. All wore matching satin slippers and white gloves. Little Toni Lynn Herrick, niece of the bride, was the flower girl and she wore white.

Mr. van Waveren attended his son as best man. The ushers were Donald A. Cobb and Kenneth G. Herrick of Tecumseh, brother-in-law and brother of the bride, and Martin van Hengel, and Charles de la Porte, both of New York.

Mrs. Herrick, the bride's mother, wore a grey blue dress with matching tulle hat and accessories. Her corsage was a purple orchid. Mrs. van Waveren, the groom's mother, wore a navy blue crepe dress with matching tulle hat and accessories and she wore a white orchid.

Immediately following the ceremony a reception and breakfast were held for 200 guests at the Tecumseh Country Club. The guests were met at the door by Judge and Mrs. G. Arthur Rathbun, Mr. and Mrs. J. Paul Ammer and Mr. and Mrs. Herbert Farver. Mrs. Woodrow Green was in charge of the guest book, and Dr. and Mrs. Robert Laidlaw presided at the punch bowl. The bride's table was centered with the traditional wedding cake and with lighted yellow tapers. Large baskets of white gladioli, snapdragons and mixed garden flowers were used to decorate the rooms. Fred Northrup of Jackson played organ music during the reception.

Due to Mr. van Waveren's short leave from Ft. Meade, the couple left Saturday afternoon for New York City, the bride changing to a dark wine wool suit with dark violet accessories. She wore a purple orchid.

The bride is a graduate of Tecumseh high school and of Harcum Junior College at Bryn Mawr, Pa., and was formerly employed by the Containers Corporation of America, in New York.

Mr. van Waveren received his education in The Netherlands and previous to entering U. S. Army service was associated with his father in the New York offices of van Waveren & Company, Importers.

Mr. and Mrs. van Waveren will make their home at 5 East 73rd Street in New York City.

Last Thursday evening Miss Herrick was the guest of honor at a "spinster dinner" at the Country Club. Twelve were present and presented Miss Herrick with gifts of linen.

The rehearsal dinner was held last Friday evening at the Country Club with 20 guests present. At that time Miss Herrick presented gifts to her attendants.

Out of town guests at the wedding and reception included Mr. and Mrs. van Waveren, who flew from The Netherlands for their son's wedding; Mr. and Mrs. V. C. Forney and Mr. and Mrs. O. M. Aldrich of Grand Rapids; Mr. and Mrs. Emmet Eagan of Detroit; Mr. and Mrs. E. N. Paul and daughters of Parma, also friends from Cincinnati, Adrian, Detroit, Hungington Woods, and Jackson.

SON HONORED

Mrs. Charles Mensing entertained eight children Monday afternoon in honor of her son, Barney, for his fifth birthday anniversary. Ice cream and cake were served and each child received a favor. The guests included, Dorothy Jean Nettleman, Sue Fuller, Toni Herrick, Diane Duffin, David Dustin, Barry Hall, Charles Faling, Terry Morden and Jeffrey Osburn. They also helped Charles Faling to celebrate his birthday. Barney received many nice gifts and Charles was presented with a gift.

Copper Deposits Seen Insufficient

COMMUNIST - DOMINATED AREAS HAVE GREATEST DEPOSITS, REPORT SAYS

Washington—Known copper denated areas are insufficient to posits outside Communist-domimeet the United States' estimated defense and civilian requirements, a government official says.

In making this disclosure Jan. 7, James Boyd, the defense minerals administrator, said United States copper producers have been under pressure to expand existing facilities for the last nine to 12 months.

Also more than 250 civilian uses of copper already have been limited or banned by the government, effective March 1.

Mr. Boyd conceded in an interview that estimates of requirements may be too high—"but we take the attitude that it's better to have too much too soon than too little too late."

Presumably the indicated deficiency would be offset primarily out of civilian uses, along with some substitutions of other materials in making military items.

About 900,000 tons of copper are being produced annually in the United States. But some of the deposits now being worked are running out or getting into lower grade ore.

Mr. Boyd said the government knows of additional ore deposits which could produce about 250,000 tons a year. However, he added that it takes five to 10 years to develop a copper deposit.

Mr. Boyd confirmed congressional reports that the government is preparing to help the Copper Range Mining Company obtain a loan to develop the white pine property in Michigan. This is the largest known undeveloped copper deposit in the country.

SERVICE MEET TONIGHT

The Tecumseh Service Club, formerly the Tecumseh Welfare Service, will hold its monthly meeting, January 25 (tonight) at 7:30 in the basement of the library. The meeting is open to the public and anyone is invited to attend.

Awards Given To Cub Scouts

LOCAL GROUP ALSO INVITED TO ATTEND BAPTIST SERVICES, FEBRUARY 11

Cub Scouts Pack 4 held their January meeting Monday evening at 7:30 at the Baptist church with their Cub Master, Chester Beach, as master of ceremonies. Den No. 2 opened the meeting with the Pledge of Allegiance to the Flag. The story of the Great Lakes, condensed from the book, "Paddle to the Sea," was narrated by Don Martin. Richard Stephensen indicated the progress on a large colorful map prepared by Den No. 2. Boys from the dens presented large colored pictures of various scenes on the trip. The pictures were made by all of the Cubs during the past month in their Den meetings. Richard French conducted the induction ceremony as Jimmy Bashore became a bobcat.

The following cubs were presented with awards: Richard Solarski, wolf; Roger Mead, wolf and gold arrow; Gary Mueller, wolf; Richard French, wolf; Robert Dick, wolf; James Nighswander, wolf, gold and two silver arrows; James Curth, wolf, gold and silver arrows; Gary Hall, wolf, gold and silver arrows; James Beach, wolf, gold and two silver arrows; Gordon Greiman, gold and two silver arrows; Billy Neal, wolf; Bobby Neal, wolf; Sheldon Nichols, wolf; John Dewey, bear, gold and silver arrows; Jerry Robinette, bear and lion; Gary Hanna, lion; Larry Anderson, lion and gold and two silver arrows; Jerry Munger, silver arrow; Billy Fielder, silver arrow; Bobby Place, silver arrow; Charles Hand, silver arrow, and Don Martin was presented his webelos badge in a ceremony by Max Smith, Gary Elliott and Charles Hartsell.

The February pack meeting will be a potluck dinner at the high school in celebration of the 41st Anniversary of the Boy Scouts. The Cubs and their parents are invited to attend. It is also hoped to attend the Baptist church in a group, Sunday, February 11, at 11 o'clock.

Teenager Gets Appetite Back; Thanks Hadacol

HADACOL Supplies Vitamins B₁, B₂, Niacin and Iron Which Her System Lacked.

According to Sara Loraine Beck, Box 253, Coker, Alabama, when a person is only 15 years old and feels terrible, can't eat or sleep the way they should, it's mighty bad. That is the way Loraine says she used to feel, but that was, of course, before she started taking HADACOL. Loraine found that taking HADACOL helped her system overcome deficiencies in Vitamins B_1, B_2, Niacin and Iron, which HADACOL contains.

Here is Loraine Beck's own statement: "I was run-down, sick and skinny, and weighed only 90 pounds before I used HADACOL. I would not eat because I had no appetite. Now I weigh 123 pounds and have an appetite. I feel a lot better. I have been taking HADACOL 10 months and am still taking it. I am 15 years old. HADACOL has done me lots of good."

Baldwin's To 'Carry On' After $250,000 Fire

The Baldwin Hardware Company will continue to carry on in Tecumseh, Ned Baldwin, owner of the business, said today after he had surveyed the ruins of last Friday morning's fire that swept his three-store property on East Chicago boulevard, doing damage estimated in excess of $250,000.

"It is very difficult for me to make any statement at this time," Mr. Baldwin said. "We are busy with the insurance adjusters, and in determining just what our loss amounts to. However," he continued, "you may be assured of this. The Baldwin company will continue to carry on, and we hope, within a week or so, to make an announcement of where and when we will reopen."

Mr. Baldwin, with Mrs. Baldwin and Mr. and Mrs. John C. Truesdale, was vacationing in the south when the fire occurred. It was not until last week-end, when he called home from New Mexico, that he learned of the disaster. Mr. and Mrs. Baldwin returned to Tecumseh by plane, arriving on Sunday.

The fire that swept through and gutted the hardware store was discovered at 1:45 a.m., Friday, by Tom Rice, a second shift foreman at Tecumseh Products Co., who was returning to his home from work. He turned in the alarm at the fire station and then assisted firemen with their work until about 5 a.m.

How the fire started remains a mystery. The store was closed, as usual, at about 6 p.m., by Earl Baldwin, son of the owner, who said that everything was in order at that hour. Police Chief M. E. Clark said today that their investigation shows that there apparently was no fire inside the building up to a matter of minutes before the discovery was made by Mr. Rice. He saw the fire in the middle store of the property, and in a matter of four or five minutes flames were bursting through the front first floor windows and shooting skyward.

Firemen from Tecumseh battled the flames until help arrived from Clinton, Adrian and Palmyra. The Adrian department sent two rural trucks and one large pumper truck. Clinton sent one of its fire trucks, and eight firemen from the rural fire station at Palmyra assisted in fighting the flames. In all, a total of seven fire trucks were on the job, including three from Tecumseh.

There were many times that the firemen believed that they had the blaze under control, only to see the flames break out in a new section of the large, heavily stocked store.

The west store was stocked with general hardware, the middle store with appliances, and the third store, to the east, with china, glassware and gift items and toys.

The Baldwin store was one of the largest hardware stores in

3-Store Hardware Swept By Flames

Fire of unknown origin that started at 1:45 a.m., Friday, completely destroyed the three-store building of the Baldwin Hardware Company on East Chicago Boulevard, causing damage estimated in excess of $250,000. The Brandt 5 & 10c Store, adjoining on the east, also suffered $3,000 loss from smoke and water. Photo shows the front walls of the gutted hardware buildings. Ned Baldwin, owner of the business, announced to day that his firm would continue to carry on in Tecumseh.

Ice Is Blamed In 4 Accidents

SEVERAL CARS ARE DAMAGED, BUT NO PERSONAL INJURIES, POLICE SAY

Four automobile accidents, most of them due to the slippery condition of the pavements, were reported to police here during the past week.

Three cars suffered $150 damage in a mishap at Ottawa and Pottawatamie streets, Monday evening. They were driven by William Rader, Edward Golat and Dan Williamson, all of Tecumseh.

Two cars suffered $400 damage in a collision at E. Chicago boulevard and Ottawa street, last week Wednesday at 4 p.m. They were driven by Keith DesErmia of Tecumseh and Riva Lee Hare, Palmyra.

There was only slight damage in a two-car collision on East Chicago boulevard, Friday. The cars were driven by Thelma J. Braden, Rt. 1, Tecumseh, and John Kopka, Tecumseh.

Monday, two cars suffered minor damage in a collision on Ottawa street. They were driven by Archibold Sauers, Manchester, and S. G. Reeves, Rt. 2, Tecumseh.

DAV Commander Rotary Speaker

BONIFACE MAILE, DETROIT, ADDRESSES ROTARY CLUB HERE, TUESDAY EVENING

Boniface Maile, national commander of the Disabled American Veterans of Detroit, was the guest speaker at the regular dinner meeting of the Tecumseh Rotary Club, Tuesday evening in the American Legion Memorial Home. Mr. Maile was the guest of A. C. Hanmaker, a personal friend and member of the club.

The D. A. V. commander discussed world affairs, declaring that it now is time for a moratorium on politics, and the use of the best talent in the nation, regardless of party affiliation. He pointed out that America is at the cross roads, in an all-out conflict with inter national communism.

Other guests at the meeting included Todd Brisbin, commander of the Legion here, and Jerry Du Four, service officer; Elmer Burleson, commander, and Ben Hammack, service officer, of the Veterans of Foreign Wars; Ivan Stutsman, commander, Bert Robinson, service officer, John Young, vice commander, and Roy Peavy, state executive, of the Lenawee Chapter, Disabled American Veterans, all of Adrian.

NANKING MISSIONARY TO SPEAK HERE SUNDAY

Mrs. Charles Matti, Nanking, China, missionary and who, two weeks ago, returned to the United States from Red China, will speak Sunday evening at 7:30 at the Tecumseh Friends church. The public is invited to hear her.

MEETING PLACE CHANGED

The Sunday evening services of the Assembly of God will be held in the Baptist church at 7:30, it was announced today, through the courtesy of the Rev. B. O. Bashore, Baptist pastor. The Rev. Wm. A. Hines, evangelist, will speak. Other Assembly meetings throughout the week will be held in the Assembly church.

Watch The Herald for an announcement. Things are going to happen, March 1 and 2. adv. Feb 15

Boys Detained In Fire Thefts

LADS OF 15 AND 16 YEARS OLD SAID TO HAVE TAKEN GUNS FROM BALDWIN RUINS

Two local boys, one 16 and the other 15 years of age, are being investigated by police in connection with the theft of guns and ammunition from the ruins of the Baldwin Hardware Company's stores, destroyed by fire here last Friday morning.

According to Chief of Police M. E. Clark, the boys took two .22 caliber rifles, a hatchet, five hunting knives, a pair of rubber gloves and about 1,100 rounds of ammunition from the Baldwin store. He said that police are still investigating the robbery.

"On Tuesday," Chief Clark said, "other thefts were reported from the ruins of the store. We dislike this attitude very much on the part of the public, and we want everyone to know that such thefts must be stopped."

The Baldwin stores have been boarded up, temporarily, and guards have been posted.

TWO NEW TEACHERS

Earl H. Place, superintendent, announced today that two new public school teachers had been hired to replace two others who had resigned. Mrs. Reta Lakin is the new third grade teacher, and Mrs. Roberta Nixon the new second grade teacher. They replace Mrs. Janet Whitney and Mrs. Betty Miller, who have resigned.

Keep March 1 and 2 open dates. That's when things are going to happen in Tecumseh. adv. Feb. 15

Joseph M. Hiens, 78, Dies; Was Former Resident

Joseph M. Hiens, who moved from Tecumseh to Grand Rapids in 1914, died unexpectedly in his home, 252 Orchard Hill St., SE, recently. He was 78 years of age.

Born in Adrian in 1872, Mr. Hiens was at one time in business in Tecumseh. When he moved to Grand Rapids he served as manager of the YMCA cafeteria, a position which he held for eight years. He was a steward at the Ionia Reformatory from 1924 to 1943, when he retired.

Mr. Hiens was a member of Westminster Presbyterian church and a life member of the Ionia Masonic Lodge, No. 36.

Survivors besides his wife, Ethel May, are two daughters, Mrs. Janette DeBoer and Michalene Hiens; a son, Percy L. Hiens; a grandson, James DeBoer; a great-grandson, Russell DeBoer, all of Grand Rapids; a sister, Mrs. Mary Krais, and a brother, Fred Hiens of Adrian.

Funeral services were held Tuesday at 3 p.m. in the Metcalf Mortuary with the Rev. Frederick Wyngarden, pastor of Westminster Presbyterian church officiating. Burial was in Woodlawn cemetery.

TWO MEN ARRAIGNED

Two men were arraigned in Justice Robert French's court last week, charged with drunkenness, and each was ordered to pay fines and costs amounting to $23.60. The men gave their names as William Walker, R. F. D., Tecumseh, and Ted Wells of Tecumseh.

I will be at the United Savings Bank each Saturday until further notice, for the collection of taxes dog tax and fire insurance. Will also accept payments by check or money order, mailed to my residence, 211 W. Brown St., Lawrence Mohr, Township Treasurer

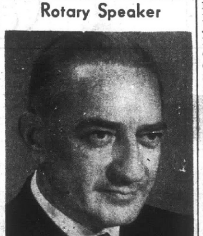
Rotary Speaker



A. D. MOORE, a member of the staff of the Engineering School, University of Michigan, will be the principal speaker at the Rotary Club's Rotary-Ann Banquet, Tuesday evening, February 13, at the American Legion Memorial Home. The banquet is an annual affair, and probably will be attended by about 200 persons.

WHO OWNS THE BIKE?

Police have a whizzer bike at the station, but they can't find the owner. The vehicle has been at the station for several days and, according to Chief Clark, someone should be claiming it.

FOUR BELOW WEATHER

The mercury in thermometers here dropped to four below zero, Tuesday morning and the cold wave from the west moved across Michigan, Wednesday's temperature was not as low, although zero readings were reported.

NOTICE

Dr. Arthur H. Brown's office will be closed from 4th to 8th of February, inclusive, while attending Oral Surgery Clinics in Chicago. adv. Feb. 1

MAYBE THERE IS SOMETHING TO FEAR BESIDES FEAR, ITSELF

There's Sometimes Danger in Playing the Part of a Good Neighbor

Sometimes, under the strain of an emergency, unusual things happen.

The Baldwin Hardware Company fire here last Friday morning which, for a brief period, threatened Tecumseh's business district, produced an unusual situation—one that turned a well-intentioned resident into a technical violator of the law—and all within a few hours.

Tom Rice, 23-year-old foreman on the second shift at Tecumseh Products Co., discovered the fire in the Baldwin store. He was on his way home from work at 1:45 a.m., when he noticed the blaze. He drove his car to the fire station, attempted to notify police, (the police offices are in the same building, but they were locked), and no one was around. Mr. Rice then entered the fire station, and soon he discovered the alarm box. He touched off the siren, waited a moment and then touched it off again.

Charles Manley, fire truck driver, lives on the second floor of the fire building. He heard the alarm, but it takes a man a few minutes to get his clothes on. Rice, of course, was excited. Seconds seemed like minutes. He ran the short distance from the fire house to the intersection of Chicago Boulevard and Evans street. The flames now were coming out of the front of the Baldwin store. Dashing back to the fire house he again sounded the siren. The telephone rang, Rice answered. It was the telephone operator, asking where the fire was. He told her, then mounted one truck and then a second one, and started the motors. He waited momentarily, then opened the doors of the fire barn, thinking that he would have everything ready when firemen arrived.

The suspense was too great for Rice. The town was on fire, and he was determined to do something about it. He mounted the first truck and drove it out of the building, and to the fire hydrant near the Baldwin store. Someone else, about that time, mounted the second truck and started to drive it out of the station, just as Cecil Alderdyce, chief of the department, arrived.

Rice remained with the firemen until nearly 5 o'clock in the morning fighting the blaze. He helped to make hose connections, and he helped in every other way that he could.

It was early on Friday forenoon that word reached the village council that Rice had driven the truck from the fire station which, in itself, is an offense. Fire apparatus cannot be driven or ridden upon by anyone except firemen, unless under specific direction.

J. Floyd Elliott, president of the village, learned about Rice's action. He ordered police to arrest him and he was arraigned before Justice Robert French, charged with a violation of the village ordinance. He entered a plea of not guilty.

"I was only trying to help," Rice declared. "The fire was burning, and I wanted action."

"I would like to commend Mr. Rice for his quick action in turning in the alarm," President Elliott said. "He is to be congratulated for that, and he also is to be congratulated for helping the firemen fight the blaze at the store.

"However," Elliott continued, "Rice did violate the law when he drove the truck out of the fire barn and it is for that reason that the arrest was made. Such a practice must stop. Suppose the truck had been wrecked, enroute to the fire, what would have happened then? Rice, so far as I know, knows nothing about driving fire apparatus, and neither has he been trained to operate it, once it arrives at the fire scene."

Elliott said that he had no desire to punish Rice for what he did, but rather to set an example to be followed in the future.

"We just can't have everyone running to the fire station and taking over the trucks," the president said. "That must stop now. We have trained firemen, and the operation of the trucks is under the chief's direction. In this instance, everything worked out all right, but it could have been disastrous."

So, to establish a precedent, Elliott directed that Rice be permitted to enter a plea of guilty to the charge, and that the sentence be suspended. This Rice did, Wednesday afternoon.

"In the future," Elliott said, "we may not be as lenient with folk who take over the village's fire trucks. I realize, full well, that Rice was well intentioned, and I commend him for the good work that he did. I'm afraid that he was just excited."

And here's the irony of it all. Rice, before he saw the fire, was playing the part of the "good neighbor." It was a cold morning and his buddie's car wouldn't start at the parking lot at Products. He pushed the car down Ottawa street to the boulevard, and then east on the boulevard for a considerable distance until the motor took off. Then Rice turned around and came through town discovering the blaze.

Had he gone directly home from Products he would not have seen the fire at all. He lives in the 200 block on West Pottawatamie street.

. . . and everything happened just because twice, within an hour, Rice attempted to be the kind of a neighbor you'd like to have live next door to you.

Lenawee Band To Play Adrian Concert, Feb. 5

The Lenawee County Band, composed of outstanding instrumental students in the Lenawee county school bands, will give a concert on Monday evening, February 5, at Adrian College Auditorium. The band is composed of some 80 members and the several band directors will have charge of the concert. Students from the Tecumseh band taking part in the concert are: Robert Francouer, clarinet; Allleen Kimmerer, clarinet; Howard Powel, clarinet; Lois Lawson, clarinet; Sally Rentschler, flute, and Greta Porter, base.

Polio Fund Dance

The Rotary Club's annual Polio Fund Dance, all of the proceeds going to the National Foundation for Infantile Paralysis, will be staged on Saturday evening, February 3, at the Legion Memorial Home. The Polio drive locally is again this year in charge of the Rotary Club.

M. G. Partridge, chairman of the party, said that every cent contributed to the dance fund will go to the March of Dimes. The use of the ballroom has been donated by the Legion, and music is being furnished by the Products Chieftains, also donated.

"Contributions to the Polio Fund here this year are lagging," Mr. Partridge said. "This is a worthy cause, and I trust that the public will get behind it."

Can You Vote Here In March?

VILLAGE CLERK WARNS THAT ELECTORS MUST BE REGISTERED TO CAST BALLOTS

Are you a registered voter in the Village of Tecumseh? Will you be able to cast your ballot in the March election?

Robert Kroner, village clerk, warned today that under Michigan law voters must be registered with his office in order to ballot, and he urged that persons interested in voting check up immediately to determine whether or not they are eligible to go to the polls.

"If a voter has any doubt about his status, he should immediately contact the village clerk's office by phone or personally," Mr. Kroner said. "Anyone who has moved recently should also notify us, giving his new address so that his registration can be moved to the proper precinct."

In the past, Kroner said, there has sometimes been a question as to a voter's eligibility on the day of election. Because residents have moved, their names sometimes are in the wrong precinct book. All of this confusion can be avoided if voters, themselves, will check with the clerk's office in ad-

Indians Score 44-32 Win Over Hudson

TIGERS GIVE TECUMSEH TOUGH BATTLE BEFORE BOWING—BLISSFIELD HERE FRIDAY

Tecumseh defeated Dundee on the local high school court here Tuesday evening by a score of 41 to 26. Whelan was the high score man for the Indians with 15 points, Knabusch for Dundee with 13 points.

Although winning by a 12-point margin, 44-32, Tecumseh high school's basketball team found they had their hands full in subduing a much improved Hudson team on the latter's floor last Friday evening. The win maintains Tecumseh's two-game lead in the Lenawee County Athletic Association race, as Morenci held onto second place by winning from Clinton 60-51.

Tecumseh opened the scoring on a free throw by Dick Whelan and then went on to build up a 11-5 margin at the end of the first quarter. The Tigers rallied in the second frame to hold Tecumseh on almost even terms, scoring eight markers to the Indian's nine. Half time found Tecumseh still out in front, 20-13.

It was in the third frame that the Indians put on their biggest scoring splurge in chalking up 15 tallies, but the Tigers kept up their persistent attack and managed to drop 11 points through the hoop. The final period was a repetition of the second insofar as scoring was concerned, with Tecumseh again tallying nine times to Hudson's eight.

Sisson and Whelan were high point men for the Indians with 13

Red Cross Home Nursing Courses Are All Filled

The Red Cross Home Nursing Courses, sponsored by the Herrick Memorial Hospital Auxiliary has met with considerable success. The courses were started last week in the basement of the library. There are three classes: the Tuesday morning class with Miss Elesa Simonson as instructor; Tuesday and Thursday evening, with Mrs. Alice Williams as instructor, and the Thursday afternoon class with Mrs. Hilda Will as instructor.

There are fifteen in each class and all classes are filled. If enough people are interested there will be another series of classes started as soon as this course is completed. Anyone desiring more information may call Mrs. Dale Bowen, phone 23J, the chairman.

School Is Resumed At Newburg After Fire

Pupils in the Newburg school returned to their classes on Monday of this week after a brief vacation as the result of a fire that did slight damage to the schoolhouse, last week Monday evening. The repairs have been completed sufficiently to permit the meeting of classes, it was said.

It was that the schoolhouse was equipped with fire extinguishers of a type that "explode" under heat was credited by an official of the district as saving the building from destruction. A hole about 2½ by 3½ was burned in the floor, and there was a small hole in the ceiling of the room, which contains about 8,000 cubic feet of space. The extinguishers apparently went into action and smothered the fire before it could do greater damage. It was about half an hour after the blaze was discovered that firemen from Clinton were notified and arrived. Tecumseh firemen also assisted the Clinton department.

The blaze is believed to have started in or near a space heater in the building. Classes at the school were recessed at noon on Monday prior to the fire, because the building was cold, and the burner was not working properly. The fire was discovered by someone passing by, who had to go considerable distance to a telephone.

The Business and Professional Women's Club will have a dessert-card party Thursday, February 8, 1951, at 8 p.m., in Legion Hall, benefit Herrick Memorial Hospital.

Tickets may be purchased at Porter's Printing, Sluyter's, Watkins Shop and at Nation-wide, 50c. adv. Feb. 1

The Program Seems Sound

The program outlined by the commanders of Tecumseh's two Veterans' organizations, Elmer Burleson of the Veterans of Foreign Wars, and LeRoy Brisbin of the American Legion, for the establishment of a permanent memorial to the Veterans of World War II, seems to us to be sound and worthy of consideration.

While the establishment of such a memorial has, it seems, been under consideration for some time by veterans' groups, attention was focused on its need in an editorial in the January 18 issue of The Herald. This newspaper quoted from a communication it had received from two girl members of the Junior Class of the high school, calling attention to the run-down condition of the present Honor Roll of World War II veterans in Adams Park. The Honor Roll is badly in need of repair and paint, and several of the names no longer are legible. Also, it appears that several names are missing from the roster.

The commanders of Tecumseh's two Veterans organizations, in a communication to The Herald, a week ago, declared that their group had, for some time, been considering the establishment of a permanent memorial. They pointed out that it should not always be necessary for Veterans to build their own memorial, and they urged that a civic committee be formed with representatives from Tecumseh's two service clubs, the Chamber of Commerce and the Village Council to act with them in drafting a suitable program. The duties of this group would be to recommend the nature of the memorial, to explore its cost and determine the manner in which it should be paid for.

In our opinion, the suggestion of the two commanders is sound, and one that should merit community-wide consideration. Certainly, veterans should not be expected to build their own memorial. Such a task is a community enterprise, and we believe that Tecumseh will accept it in that spirit and carry on. The cost of a memorial need not be great, a suitable boulder can be obtained and a bronze plaque, with inscription, attached. Such a memorial would be ever-lasting and dignified.

We would suggest that the committee go one step farther than the commanders suggested. In our opinion the location of the memorial is important and we believe that the committee should consider and suggest where it be placed.

We understand that the service clubs, the Chamber of Commerce and the Village Council already have been asked to name representatives to the Memorial Committee. In all probability a meeting will be held very soon, and that some constructive suggestion will be made to the community. Perhaps, in the early Spring, the new memorial can be dedicated with suitable ceremonies.

Tecumseh never overlooks an obligation. In our opinion, a suitable memorial to World War II veterans is a community obligation.

Highway Maintenance A Problem

A week or two ago, The Herald mentioned, editorially, that the repairs to M-50-52, (Chicago Boulevard), inside the village, by the State Highway Department are, at best, only temporary and hardly last until the maintenance trucks are out of sight. Anyone who drives the street, either east or west, certainly knows the truth of the statement.

We don't know how much money the state has spent on the maintenance of the Chicago Boulevard pavement since last fall, but it seems to us that almost every week we see men making repairs. And it also seems to us that each time we drive over the pavement there are new holes that need to be filled.

Generally speaking, the same condition exists on M-50-52 between Tecumseh and Billington's Corners, and south on M-52 to Adrian. We realize full well that the state has spent considerable money on this stretch of road, but the repairs that have been made do not last, it would seem, long enough to justify their cost.

Heavy truck and passenger car traffic over this section of the highway is, of course, responsible for the pavement's destruction. M-52 between Tecumseh and Adrian is one of the heaviest traveled routes in this area, not excepting US-112.

Whether or not the state is considering the laying of new pavement on M-50-52 we do not know. However, we do know that prolonged repairs soon will amount to as much as a new pavement would cost, and we dislike seeing the taxpayers' money wasted in such a manner.

Give To A Worthy Cause

Perhaps, before Saturday evening, you will be approached by someone and asked to donate to the March of Dimes campaign for which contribution, if it amounts to $2.50, you will be given a ticket to the Polio Fund Dance at Legion Memorial Home, Saturday evening.

Please bear in mind that you are not paying $2.50 for a dance ticket. The dance is free. Every penny of the $2.50 that you give goes to the March of Dimes and may, next year, be spent to save the life of a relative or a friend, stricken with paralysis.

Last year, Tecumseh's contribution to the Polio Fund amounted to $1,258.59. Six active cases of the disease here last year cost the Fund $1,761.57 or about $500 more than was subscribed. County-wide, it cost $20,000 more to care for Lenawee cases in 1950 than there was in the Fund.

If you don't dance, you can contribute to the fund and give the ticket to someone, if you so desire. Please remember, you are not buying a dance ticket. You are making a donation that may save the life of some child or adult who is near and dear to you.

St. Peter's Church Seeks Rev. Ramsay's Successor

The regular service of morning prayer will be held at St. Peter's Episcopal church next Sunday at 11:15 o'clock, with Kenneth W. Hildenbrand of Monroe, a lay reader of the church, officiating.

On the following Sunday, February 11, there will be a celebration of the holy communion and sermon at 11:15, with Rev. Harvey Markle of St. John's Church, Detroit, officiating. Services on subsequent Sundays will be announced shortly. The vestry of the church, headed by Glenn L. Driscoll, senior warden, expects to make an announcement regarding a successor to the Rev. Allan Ramsay, who resigned, during the coming month.

NEW TWO-TONE FURNITURE

Brightens Up Your Home

Are you thinking about brightening up your home with new furniture — new davenports and chairs?

If you are, we invite you to visit our showrooms and to see the new TWO-TONE furniture that we are showing in sectional design. It's something different, something that will brighten up your home, and still it is very, very practical.

Of course, we have the standard two-piece living room suites in many styles and fabrics, and every piece of our furniture is priced to save you money.

WHEN YOU DEAL WITH US THERE'S NO MIDDLEMAN

When you buy furniture from us, there's no middleman's profit to pay. You buy direct from the factory — and at factory prices. You may choose the style of furniture you want, and select the fabrics to harmonize with your other furniture.

SEEN OUR ROCK-O-LOCK CHAIRS? They're new and different, too. We're now building them in Coront Luxertone, a new fabric. They're mighty attractive — and attractively priced.

State Plans To Install Alert Warning Signals

Plans for installing a private line telephone circuit between air defense control centers and key point warning centers have been announced by Eastern Air Defense headquarters in a communication received by the state civil defense office.

There are 11 key point warning centers in Michigan.

The new system will enable the control center to disseminate a warning of an air attack to key point warning centers within two minutes and receive an acknowledgment from each within five minutes.

To disseminate a warning the control center operator will operate a key placing an audible tone on the circuit which will be received simultaneously over loudspeakers at the key point warning centers. This will notify key center personnel that a warning is to follow.

After an appropriate signaling interval the control center operator will announce the warning. This will also be received simultaneously at the key point warning centers through the loudspeakers. A roll call of all the key point warning centers will then be made and attendants will respond over push button telephones.

It is anticipated the new system will be in operation in 30 days.

Long-term Investment
that pays daily dividends

THESE days thoughtful people turn their minds to the durability of things they purchase.

But it's rare when doing your duty turns out to be the best way to satisfy your heart's desire.

That's what's so marvelous about this '51 Buick.

If you picked a car just for the lift it gives you—your pride in its power—or its generous comfort—you couldn't make a better choice.

But make note of this:

That gleaming new push-bar forefront, which greets your eye with flashing beauty, contains 25 grille bars made of stamped steel, individually mounted to "give" and come back unharmed. Combined with a massive, wrap-around bumper, fortressed by two stalwart "bumper bombs" and two added uprights, it gives unsurpassed protection.

Springs of stout spiraled steel on all four wheels let your wheels curtsey over bumps, while you ride level as a lance. But they also need no servicing, and breakage is virtually unknown.

Buick's great-powered engine is a Fireball, wondrously lively and eager at the mere touch of your toe—but it also wrings extra power from every drop of fuel, and has the mechanical perfection that comes only from years of experience with this basic design.

Dynaflow Drive gives you effortless smoothness of control—but it also eliminates clutch repair bills, saves tires, eases strain on the whole driving mechanism, from engine to differential.

The road-steady gait of a Buick assures relaxed security — and is also evidence that you have a durable, deep-silled, X-braced frame beneath you.

However you check it, you'll discover this: *The things that make you yearn for a Buick on first acquaintance, are the very same things that make Buick such a smart long-time buy.*

Better see your Buick dealer—soon.

Standard equipment, accessories and trim illustrated are subject to change without notice.

KROGER STORES ARE OPEN ALL DAY MONDAY

THANK YOU

GOOD FRIENDS, Everywhere

On Friday morning, January 26, fire, of undetermined origin, destroyed the Baldwin Hardware Company's stores in Tecumseh. Efficient work on the part of Tecumseh firemen, and the co-operation extended by firemen and fire departments from Adrian, Clinton and Palmyra, can be credited with confining the flames to our buildings, and the saving of other stores in the same business block.

We would like to express our appreciation for the fine work that the firemen did.

We would also like to express our gratitude to our many friends who have, since the fire, offered their services and their facilities in our behalf.

For these kindnesses we will always be grateful.
It is a bit too soon to announce definite plans for the future. Of this, however, you may be assured. The Baldwin Hardware Company will continue to carry on and, within a week, we hope to tell you where and when.

Until we can make a more definite announcement we'd like to say, "Thanks a Million for Everything." Everybody, everywhere, has been grand to us, and we are deeply grateful.

and 11 points each, respectively. In addition to adding eight counts to the score sheet, Campbell played a bang-up floor game, following the ball like a hawk and seeming to usually be in the right place at the right time. Tomer, Hudson guard, was high scorer for the losers with 10 points.

In the reserve game the Tecumseh second stringers were outpointed by Hudson, 35-29. Binns and Benham were high scorers with nine and seven points each.

Tomorrow night (Friday) Blissfield comes here to engage the local squad in what promises to be an interesting league game. Tecumseh edged out a 39-33 win earlier in the season, but with the Sugar Boys smarting from their 53-35 defeat by Addison last week, they will undoubtedly attempt to redeem themselves at the expense of the Indians.

County Federation To Meet In Adrian, Feb. 7

Mrs. T. Rentschler, president of the Lenawee County Federation of Women's Clubs, was in Adrian on Monday afternoon for the purpose of completing plans for an all-day meeting of the federation to be held on Wednesday, February 7, in the Tower Room of the Adrian Library.

The business meeting will open at 10:15 with reports from committees and will also include special features. At 12:30 a potluck luncheon will be served by the Clayton Woman's Club and the Walworth Woman's Club. At 1:30 the music committee will present Mrs. Floyd Gibbs, pianist, and the Adrian Woman's Club Chorus. Mrs. W. C. Taylor of Toledo will give character portrayals of "Women of the Scripture" which will be the story of Christ's Life from Birth to Death. She will portray Mary, the mother of Jesus; Mary of Magdala; Martha; and Claudia, the wife of Jontius Pilate.

All women who are interested are invited to attend the program.

LEAGUE TO MEET

The Presbyterian League will meet at the home of Mrs. Walter Pfaus on E. Shawnee street, Tuesday evening, February 6. Mrs. Earl Place will be in charge of the program and Mrs. John Lott the devotions. The assisting hostesses will be Mrs. Hubert VanCamp, Mrs. Harold Treby and Mrs. James Elliott.

Methodist Church Will Reopen Sanctuary, Sunday

The Methodist church expects to reopen its sanctuary on Sunday morning for the worship service at eleven o'clock with Dr. Norman MacNaughton, pastor, in charge. Mrs. Herbert Dillon will preside at the organ and Glen Gould, who directs the choir, announces that Mrs. Maynard Mulvaney will sing the soprano solo, "O Lord Most Holy" by Franck.

The sanctuary has undergone repairs, remodeling, and redecorating in recent weeks. The members of the official board who served on the committee in charge of the changes are William Yeagle, chairman, Willis Porter, Herbert Dillon, Earl Updike, and Edward Beal.

The world of literature is crammed with wonderful ideas but none of them will jump into your brain unless you hunt them up.

Pfc. Harold Anderson Wins General's Praise

WITH X CORPS IN KOREA — (Delayed)—Pfc. Harold B. Anderson, USMC, Tecumseh, Mich., has been awarded a letter of commendation by Major General Edward M. Almond, commanding general, X Corps.

The letter praised Pfc. Anderson for the important part he played as a member of Mobile Training Team Able, Troop Training Command, Pacific Fleet, while it was attached to X Corps.

The Marine team was with X Corps at Inchon and Seoul, in South Korea and later went with it to North Korea. The training unit did an outstanding job during the epic withdrawal from Hungnam, North Korea, last UN foothold above the 38th parallel.

After successful reverse amphibious operations at Hungnam, the mobile marine group was detached from X Corps and returned to its parent unit.

(Pfc. Anderson is the son of Mr. and Mrs. Harold Anderson of 515 W. Chicago boulevard. Mr. Anderson is the owner of Anderson Grocery).

HAPPY HOME BUILDERS

The Happy Home Builders Class of the Baptist church will meet at the home of Mr. and Mrs. C. O Bally of Holloway, Monday, February 5, for a potluck supper at 7 o'clock. Mr. and Mrs. Harold Black will be in charge of the program and Mrs. Luella Honeycut will lead the devotions.

TO PUBLISH DIRECTORY

A canvass of Tecumseh township for the purpose of compiling a new directory for the area will be started soon by the Robinson Directory Co., of Hillsdale, it was announced today by the Chamber of Commerce. Publication of the directory will probably be made sometime in March.

SOCK-HOP A SUCCESS

The Buffet-Dinner Sock-Hop, held at the Tecumseh Country Club last Friday evening, was largely attended. Prizes were awarded for the most original socks, the longest pair, ones with the most holes and the brightest. Honors were awarded to Mr. and Mrs. Paul Dunham and Mrs. Lavern Socks of Clinton, Leland Hubbard of Onsted, Dr. and Mrs. R. W. Laidlaw, Kenneth Herrick, C. O. Butler and Percy Bowen. Mr. and Mrs. Max Smith were chairmen of the dance and were assisted by Mr. and Mrs. Al Pope, Mr. and Mrs. Robert Manchester, Mr. and Mrs. James C. Beardsley, Mr. and Mrs. Clark Rathbun, and Dr. and Mrs. William S. Britton.

Baldwin's

(Continued from page 1)

southern Michigan. It was owned by Ned Baldwin, who has operated the business here for 26 years. Local residents, farmers, and rural residents for miles and miles around depended upon its well-stocked departments for their needs, as did many industrial plants. It was an old saying and a true one, "If you can't find it anywhere else, you'll find it at Baldwin's."

Although the fire itself was confined to the Baldwin stores, nearby business houses suffered some from smoke and water, especially Brandt's 5 & 10c Store, immediately east of Baldwin's. Heavy fire walls on both sides of the Baldwin store, however, held the flames back, and firemen played several streams of water on nearby roofs to make sure that they did not ignite. It was a bitter cold night, and heavy ice formations hampered firemen in their work.

The Brandt store remained closed after the fire until Wednesday of this week, checking its losses against inventory. E. C. Brandt, who owns the business, said today that he estimated his loss to be about $3,000. The greatest loss, he indicated, was from water, particularly in the basement where a large stock of merchandise was stored. The interior of the store, he said, would have to be redecorated, and there was some damage to fixtures.

The Western Auto Associate Store, adjoining Baldwin's on the west, also suffered some damage from smoke. Apartments and offices above the Western Auto and over the Brandt store, also suffered from smoke and water. Mr. and Mrs. Carl Glancy and their roomer, Wilbur Wilson, were forced to vacate their apartment over Brandt's for a brief time. However, they now have returned.

The Eagles lodge and club rooms, located on the second floor of one of the Baldwin buildings, suffered heavy losses, also. The club rooms had been completely redecorated, and the formal opening of the rooms had been planned for Saturday evening. The Eagles loss, it was said, will amount to several thousands of dollars, including fixtures, etc., and a stock of liquor and beer in the bar.

The firemen battled the flames until about six o'clock on Friday morning, and then left a skelton crew to watch for fresh breakouts. These occurred spontaneously throughout the day, and pumps used to bring the water out of the basement of the Baldwin store worked in vain when a fresh supply of water had to be used to subdue new fires. In some places, three and four feet of water filled the Baldwin basements.

The first floors of the three stores did not break or burn through as a result of the fire, and there was no fire in the basement of the Baldwin buildings. The basements were heavily stocked with paint, ammunition and other hardware merchandise. A semi-truckload of paint was stored in one of the store basements on Monday, prior to the blaze.

"I really dont know whether there is anything in the store that can be salvaged," Mr. Baldwin said in discussing the fire. We've boarded up the windows, and now our job will be to check and determine our losses. The buildings, it seems, are a total loss."

Mr. Baldwin expressed his appreciation to the firemen, locally and from other points, who assisted in halting the fire. "It was a good job, I would say, and we certainly appreciate it." He also expressed appreciation to friends who had offered assistance. Everybody has been wonderful," he said.

J. Floyd Elliott, president of the village, also expressed appreciation to firemen here and from neighboring towns, for their excellent work. It was the largest fire, it was said, in Tecumseh's history, and, according to Mr. Elliott, the firemen went about their jobs in "team work" and brought the flames under control. He expressed his thanks to Adrian, Clinton and Palmyra for their assistance.

Mr. Elliott and Chief of Police Clark said that residents, attracted to the fire, also were orderly and did not hamper the work of the fire fighters.

"Often," Clark said, "people get so close to the hose that the trucks that they delay the firemen in their work. That didn't happen, and we're grateful to everyone that it didn't."

Elliott also said that Tecumseh's water supply was adequate to fight the fire, despite the heavy demands, especially by the large pumper truck, sent from Adrian. At no time, he said, did the water pressure from the wells drop to a point that caused any alarm.

DAY OF PRAYER

The World Day of Prayer will be observed Friday, February 9, in the Tecumseh Friends church.

vance.

"Residents should bear in mind that it is wise to notify the clerk's office when they move," Kroner said, "not only for registration purposes, but also to keep an accurate account of water rentals and other services offered by the village."

Kroner said that Mrs. Florence Howe, at Bancroft Cleaners, has been named as an acting deputy village clerk for the registration of voters for the approaching March election. Voters may register with her or at the clerk's office for the March election up to and including February 20, he said.

Former Britton Man Is Honored In New York

A former Britton man has been awarded second prize by the Society of Plastic Engineers for a paper he wrote on "Classification of Thermoplastic Resins From Their Plasticity Curves."

William H. Willert, a graduate of Dundee high school in 1936, received the $150 prize at a banquet at the New York Hotel Statler last Saturday. His article will be printed in the Journal of the Society of Plastic Engineers.

Mr. Willert has been active in the plastics field since his graduation from Michigan State College in 1942. He worked with the Firestone Rubber Co., for four years and later with Reeves Brothers, Inc., of New York City. He is currently employed in sales work and machinery designing at Hartig Engine and Machine Co., of Hillside, N. J.

He is also a possessor of several government patents in plastic. Mr. Willert's parents live at 20629 Day Road, Britton.

$3,000 Damage

door of the house, smelled smoke and opened the front door to find out where it was coming from. The McKenzies have one child.

The fire started in the second floor of the house, but the cause is not known.

McKenzie, yesterday estimated that the loss on the building, and damage done to furnishings by smoke and water, would amount to about $3,000. Firemen brought the flames under control in a short time.

The house is owned by Harry Morris and the McKenzies will move on Monday into an apartment owned by Mr. Morris.

The department responded to an alarm at 4:50 on Tuesday afternoon to the W. T. Partridge house charge.

Miss Betty Miller Weds William Lickfeld, Jr.

Miss Betty Miller, daughter of Mr. and Mrs. Vern Miller of Occidental Road, Tecumseh, and Charles William Lickfelt, jr., son of Mr. and Mrs. Charles Lickfelt, sr., of Tipton, were married Saturday afternoon, January 27, at one o'clock in Angola, Ind. Miss Joyce Miller attended her sister as maid of honor, and Thad Lickfelt of Manchester attended his brother as best man.

The bride wore a pink satin dress, a double strand of pearls with matching earrings, and a red rose corsage. Her sister wore a royal blue suit with a yellow daffodil corsage.

The bride is a graduate of Tecumseh high school and was formerly employed at the Quaker Oats Co. Mr. Lickfelt is employed at Tecumseh Products Company. They are making their home on Russell Road.

Nothing Better Than Good Food, Says Ohio Man

If a man isn't able to eat the foods he likes he's in mighty sorry shape — imagine going through life without being able to enjoy a fine big platter of bacon and eggs. That is the way Joseph N. Damillot, 3414 E. 5th Street, Dayton, Ohio, used to be, but since he has been taking HADACOL, he says he feels just fine and is able to enjoy lots and lots of fine foods. Mr. Damillot found that taking HADACOL helped his system overcome a deficiency of Vitamins B$_1$, B$_2$, Niacin and Iron.

Here is Mr. Damillot's statement: "My first bottle of HADACOL convinced me that HADACOL was what I needed for the gas on my stomach at nights. I could not keep food on my stomache, but after the first bottle I was going great. Now I eat bacon and eggs, and other foods that never would stay with me. I also can sleep well at nights. Thanks to HADACOL. I will never be without it, and can recommend it to all who suffer with the above ailments that I had, as I know because I have suffered for quite some time."

the Railroads RESPECT... What is the TRUTH?

the Labor Unions seek to REPUDIATE this agreement!

At various states in the present dispute with the brotherhoods of railroad operating employees

. . . the railroads agreed to arbitrate. The union leaders refused.

. . . the railroads accepted the recommendations of President Truman's Emergency Board. The union leaders refused.

. . . the railroads accepted the White House proposal of August 19, 1950. The union leaders refused.

Finally an Agreement was signed at the White House on December 21, 1950. Now the union leaders seek to repudiate the Agreement.

The railroads stand ready to put the terms of this Agreement into effect immediately, with back pay at the rates and date indicated.

The Agreement is given in full below.

MEMORANDUM OF AGREEMENT

Washington, D. C.
December 21, 1950

1. Establish 40 hour week for yardmen with increase of 23 cents effective October 1, 1950, and additional 2 cents effective January 1, 1951.

2. Set aside 40 hour week agreement until January 1, 1952, and establish 6 day work week for yardmen. Effective with the first pay roll period after 30 days from the date of execution of the formal agreement, yardmen required by the carrier to work on the 7th day to be paid overtime rates except engineers who shall receive straight time rates for the 7th day. This does not create guarantees where they do not now exist. On and after October 1, 1951, three months' notice to be given of desire to go on 40 hour week. Provide for consideration of availability of manpower and 4 cents per hour if and when the 40 hour week actually becomes effective.

3. Settle rules for 40 hour week and 6 day week.

4. Grant yard conductors and brakemen other rules such as daily earnings minimum, car retarder operators and footboard yardmasters as recommended by Emergency Board No. 81.

Settle following rules:
Initial Terminal Delay (Conductors and Trainmen)
Interdivisional Runs
Pooling Cabooses (Conductors and Trainmen)
Reporting for Duty
More than One Class of Service
Switching Limits
Air Hose (Conductors and Trainmen)
Western Differential and Double Header and Tonnage Limitation (Conductors and Trainmen, all Territories)

6. Road men to receive 5 cents per hour increase effective October 1, 1950 and additional 5 cents per hour increase effective January 1, 1951.

7. Quarterly adjustment of wages on basis of cost of living index (1 point to equal 1¢ per hour. First adjustment April 1, 1951. Base to be 176).

8. Agreement embodying principles applicable to yardmasters to be entered into for benefit of yardmasters.

9. Effective October 1, 1950, the basic hours of dining car stewards shall be reduced from 225 to 205 hours per month; no penalty overtime to accrue until 240 hours have been worked, the hours between 205 and 240 to be paid for at the pro rata rate.

Effective February 1, 1951, overtime at time and one-half shall accrue after 220 hours have been worked. The basic monthly salary to be paid for the 205-hour month shall be the same as that now paid for the 225-hour month. Except that four dollars and ten cents ($4.10) shall be added to the present monthly rate effective January 1, 1951.

10. In consideration of above, this agreement to be effective until October 1, 1953, and thereafter until changed or modified under provisions of Railway Labor Act. Moratorium on proposals for changes in wages or rules until October 1, 1953, as follows:

No proposals for changes in rates of pay, rules or working conditions will be initiated or progressed by the employees against any carrier or by any carrier against its employees, parties hereto, within a period of three years from October 1, 1950, except such proposals for changes in rules or working conditions which may have been initiated prior to June 1, 1950. Provided, however, that if as the result of government wage stabilization policy, workers generally have been permitted to receive so-called annual improvement increases, the parties may meet with Doctor Steelman on or after July 1, 1952, to discuss whether or not further wage adjustments for employees covered by this agreement are justified, in addition to increases received under the cost of living formula. At the request of either party for such a meeting Doctor Steelman shall fix the time and place for such meeting. Doctor Steelman and the parties may secure information from the wage stabilization authorities or other government agencies. If the parties are unable to agree at such conferences whether or not further wage adjustments are justified they shall ask the President of the United States to appoint a referee who shall sit with them and consider all pertinent information, and decide promptly whether further wage increases are justified and, if so, what such increases should be, and the effective date thereof. The carrier representatives shall have one vote, the employee representatives shall have one vote and the referee shall have one vote. **

11. If the parties cannot agree on details of agreement or rules they shall be submitted to John R. Steelman for final decision.

The usual protections for arbitraries, miscellaneous rates, special allowances, and existing money differentials above existing standard daily rates will be included in the formal agreement.

** The foregoing will not debar management and committees on individual railroads from mutually agreeing upon changes in rates, rules and working conditions of employees covered by this agreement.

VILLAGE CAUCUS

TAKE NOTICE, That a Progressive Party Village Caucus will be held at Council Building on 13th day of February, 1951, at 8 o'clock p.m., for the purpose of Nominating Candidates for the several Village Offices to be filled at the Annual Village Election, March 12, 1951 viz.:

Village President
Village Clerk
Village Treasurer
Three Trustees for Two-Year Term
Assessor

Signed: Robert L. Kroner,
Clerk of Village of Tecumseh, Mich.

Dated: 1-29-51. Feb. 8

REGISTRATION NOTICE
—For—
VILLAGE ELECTION
MONDAY, MAR. 12th, 1951

Village of Tecumseh, County of Lenawee, State of Michigan.

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Village Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Village not already registered who may apply to me personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the TWENTIETH DAY before any regular, special, or official primary election and the day of such election.

Notice is hereby further given that I will be at Village Offices

TUESDAY, FEBRUARY 20th, 1951

The Twentieth Day Preceding Said Election as provided by Section 151.10, Michigan Election Laws from 8 o'clock a.m. until 8 o'clock p.m. on each said day for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said VILLAGE as SHALL PROPERLY apply therefor:

In any village in which the clerk does not maintain regular daily office hours, the village council of such village may require that the clerk of such village shall be at his office or other designated place for the purpose of receiving applications for registration, on such other days as it shall designate prior to the last day for registration, not exceeding five days in all.

Notice is hereby given that I will be at VILLAGE OFFICES 20th day, February, 1951, from 8 o'clock a.m., to 8 o'clock p.m.

NOTE—Tuesday, February 20th, is the Last Day for General Registration by Personal Application for Said Election.

The name of no person but an ACTUAL Resident of the village at the time of said registration and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration records.

Registration of Absentee By Oath

PART II-A, CHAP. 1, SEC. 16—Any elector who is unable to make personal application for registration because of physical disability or absence from the township, city or village in which his legal residence is located, may be registered prior to the close of registration before any election or primary election by securing from the clerk of the township, city or village in which is located his legal residence, duplicate registration cards and executing in duplicate the registration affidavit before a notary public or other officer legally authorized to administer oaths and returning such registration cards to the clerk of the township, city or village before the close of office hours on the last day of registration prior to any election or primary election. The notary public or other officer administering the oath shall sign his name on the line for the signature of the registration officer and designate his title.

NOTE — Sec. 151.36 provides that in townships, cities, or villages having a population of 5,000 or less the duplicate "master" registrations may be dispensed with.

All the provisions relative to registration in Townships and cities shall apply and be in force as to registration in Villages.

Robert L. Kroner,
Village Clerk

Dated: January 27, 1951. Feb. 15

BRITTON

The 16 students on the first semester honor roll in Britton high school as announced by Principal Aarne Koljonew, are: Donald Bush, Eileen Carothers, Ardis Moore, Russell Sancho, Billy Bortel, Polly Eberhardt, Norris Kopka, Shirley Bailey, Lowell Bush, Fred Cross, Virginia Crutchfield, Melvin Sanch, Marjorie Bruce, Frank Korican, Shirley Lohr and Jack Patterson.

The Congregational church will serve their annual donation supper February 13 with Mrs. Lillian Rogers as chairman.

Mr. and Mrs. Charles Benedict entertained last Wednesday evening at dinner, Mr. and Mrs. Raynor Benedict, Mr. and Mrs. Gerald Benedict and sons, and Mr. and Mrs. George Price. The occasion marked the fifth birthday of Philip Benedict.

Ed Hintz who has been ill with pneumonia is now able to be up and about his home.

The Britton Kiwanis Club plans to observe ladies night Feb. 13. Fred Fisher as chairman is arranging for a girls' quartet from Jackson for this evening.

The Britton high school junior class is sponsoring a public supper for Feb. 13, to be held in the Congregational church.

Mrs. Mary Adams was host to the Methodist W.S.C.S. Wednesday with a potluck dinner served at noon. The devotions opened the program of the afternoon led by Mrs. Jessie Crutchfield. The program, led by Mrs. Delta Croll, was on stewardship of personality, health, government, Christian family and our society. Mrs. Alice Maschino and Mrs. Kathryn Thornberry assisted Mrs. Croll. The business session was conducted by Mrs. Thornberry in the absence of the president. Five dollars was voted to the March of Dimes. Members were reminded of the World Day of Prayer to be held at the Dundee Congregational church, Feb. 9. Plans were discussed for the Father and Son banquet, Feb. 21. The next meeting will be held at the home of Mrs. Eloise Judkins.

The Michigan Tourist Council reports that a nation-wide survey placed Michigan in third place in the number of tourists in 1948. California and New York were tied for first with Florida in fourth place.

Factory-Designed Tools Speed Up Repair Work

Buick and Chevrolet owners appreciate the fast repair service that we give them because it holds down their costs.

And the reason that we can give fast repair service is: Our mechanics are factory trained. The tools they use are factory designed. The replacement parts they install are precision built-to-fit at the factory.

If you are a Buick or Chevrolet owner, we invite you to bring your car to us for the service that it needs. We'll hold down your repair bill, too.

The GARDSMAN may save YOUR life by eliminating the danger of being trapped by fire while asleep.

Modern, scientific engineering has made it possible to place a FIRE DETECTOR and ALARM in your home to help protect you against loss of life by fire.

This outstanding invention, known as the GUARDSMAN will ring out a loud warning for you and your family to leave the premises before it is too late.

The GUARDSMAN is on-electrical, has no batteries, chemicals or fusible links, does not require any installation — just hang it on a nail.

You carry fire insurance to protect you against loss of property, but what protection have you against the loss of your LIFE and the LIVES of your loved ones in that very same fire?

The GUARDSMAN operates automatically. It does not depend on outside elements. With its 7-inch fire gong it will clang out a loud warning before the actual fire reaches it. Heat itself sets it off.

The GUARDSMAN protects you 24 hours each and every day. It never sleeps — it never forgets. Its first cost is its last cost. There is no maintenance expense — it does not require any attention and does not wear out.

To be safe from fire you should know when it starts — not when windows are the only means of escape.

This sensational life saving device is now available at a nominal cost. Don't delay — don't wait — call on us — RIGHT NOW — for a demonstration.

Baldwin Store To Reopen Soon

TEMPORARY QUARTERS WILL BE IN THE WHELAN BUILDING, W. LOGAN STREET

The Baldwin Hardware Company will reopen in temporary quarters in one of the Whelan Implement Company's buildings on West Logan street, just west of Evans street, Ned Baldwin, owner of the business announced today. The Baldwin company's three-store building on W. Chicago Boulevard was swept by fire, January 26, causing damage estimated at $250,000.

"I don't know just how quickly we can reopen and get under way," Mr. Baldwin said, "but we hope that it can be done within three or four weeks. Our entire force is busy preparing our new quarters, and we are salvaging from the ruins of the fire a considerable amount of hardware."

Mr. Baldwin and his force of helpers face a terrific task in remodeling the temporary store to suit their needs, and at the same time salvage as much hardware as they can from the burned-out buildings. Men are constantly going through the ruins of the old stores, removing merchandise to the Whelan store, where it is checked and either salvaged or discarded. Hundreds and thousands of dollars worth of high priced tools, bench and shelf

Auto Accidents Reach New High

AVERAGE WAS 590 DAILY DURING DECEMBER; 156 PER SONS KILLED

The State Police report that the highest number of traffic accidents ever recorded in a single month in Michigan occurred in December with a total of 18,529, an average of 590 a day.

It was the third consecutive month that accidents reached a new peak, with 14,830 being reported in October and 16,594 in November. The previous all time high was 14,154 in December of 1949.

The 1950 December toll also included 156 persons killed and 4,166 injured. In comparison with the same month of 1949 deaths increased 20, or 15 per cent, and injuries gained 410, or 11 per cent. Accidents increased 4,375, or 31 per cent.

On the basis of provisional figures for the entire year of 1950, both injuries and accidents reached new highs and the death toll was the worst since 1941, when 2,133 were killed.

TWO ARE INJURED IN BIRDSALL ACCIDENT

Two persons were injured at 8:10, Tuesday evening, in a two car and a truck accident at Birdsall, just south of the Valley Road on M-50. Removed to Bixby hospital were Donald Ruffer of Adrian, and Marlyn Barron, 16, of Jasper.

The accident happened when the cars skidded on the slippery pavement and became involved with the truck. The cars were owned by Ernest Travis of Adrian, Donald Ruffer of Adrian, and the truck by Howard Eisenhauer of Bellevue, O. The cars were damaged, according to a sheriff's report.

Local Folk To Attend Canadian Church, Tonight

Members of the Friends church and friends of the Rev. Bert Turner, Irish evangelist, who recently closed a series of meetings here, will go tonight to Essex, Ontario, where the Rev. Mr. Turner is conducting meetings in the Baptist church. The invitation locally was extended through Mr. Turner.

Seventy or more persons interested in again hearing the evangelist will make the journey to Ontario tonight. Two buses have been chartered.

The Friends church choir will sing at the Essex service, as will the Girls' Chorus.

The Canadians will serve a luncheon after the church service and have expressed a desire for at least 100 people from here to attend.

I will be at the United Savings Bank each Saturday until March 1, the deadline without penalty, for the collection of taxes, dog tax and fire insurance. Will also accept payments by check or money order, mailed to my residence, 211 W. Brown St., Lawrence Mohr, Township Treasurer. March 1

Local Cub Scouts To Be Guests of Baptists

On Sunday morning, February 11, at 11 o'clock, the Tecumseh Cub Scouts of Pack No. 4, the largest pack in Wolverine Council, will be guests of the Baptist church, in observance of Boy Scout Week. The Scouts have been asked to meet in front of the church about 10 minutes early and in uniform.

Den No. 3, with Mrs. Robert French, den mother, will be in charge of the Pledge Allegiance, and Den No. 2, with Mrs. Earl Place, den mother, will give the law of the Cub pack.

Mail Embargo Is Felt Here

LOCAL OFFICE RESTRICTS MAIL SERVICE DURING SWITCHMEN'S STRIKE

The squeeze of the railroad switchmen's strike was felt in Tecumseh this week because of restrictions extended to mail service, according to F. E. N. Thatcher, acting postmaster. Mr. Thatcher received this order on Monday from the Postoffice Department:

"In view of the widespread disruption of train service, due to the switching tie-up which has spread to so many railroads and cities, it has become necessary to extend mail service restrictions.

"Restricted categories of mail will consist of second class (except daily newspapers), all third class and fourth class matter, matter of first class exceeding eight ounces in weight, and air parcel post exceeding two pounds in weight. Restrictions will not apply to medicine, drugs, serums, labratory specimens, surgical dressings or to money shipments by banks.

"Effective immediately, all post offices will discontinue acceptance of any mail matter of the restricted categories except that no restrictions apply to mail for local delivery (including rural routes, star routes and highway post-offices) or to mail originating at and destined for delivery at nearby points on local lines between which it is known that no interference with transportation exists."

The local office like all others, followed the terms of the order, Thatcher said, and as a result there has been an interruption in both outgoing and incoming services offered by the postoffice.

24-Hour Parking Law May Be Enforced Here

HIGHWAY DEPARTMENT SAYS CARS LEFT FOR DAYS ON STREET ARE NUISANCE

Residents who are using the public streets in the residential section for parking purposes, instead of their yards or garages, are asked to cooperate with the highway department, particularly during the season of snow and ice.

The highway department is attempting to keep all streets open to traffic, but they are finding that cars left at the curb hinder their work materially. They are forced to turn scrapers to avoid them and, as a result, there are piles of snow that are hazardous.

Some folk, according to the department, leave their cars at the curb during the night time and others for as long as three and four days at a time.

There is an ordinance on the books that holds that a car, parked on the street for longer than 24 hours, may be declared a nuisance and towed away. The owner is then liable for the cost of such towing and storage.

The department warns that it does not desire to enforce the ordinance unless it is necessary, and points out that with proper cooperation, enforcement will not be necessary.

CARS ARE DAMAGED IN HIGHWAY MISHAPS

Four automobiles were damaged here during the past week in two automobile accidents, according to police.

February 1, on Shawnee street, cars driven by James McKenzie and Reuben VanWinkle, both of Tecumseh, suffered $100 damage. On February 2, cars driven by Robert Hart, Tecumseh, and W. G. Davenport, Tecumseh, R. F. D., were damaged in the amount of $500. The latter mishap occurred on Maumee street.

Monument Works Damaged By Fire

The John C. Truesdale Monument Works, West Chicago Boulevard, suffered $3,500 damage in a fire, last Sunday morning, that started from an over-heated stove. Photo shows firemen at work and Fire Chief Cecil Alderdyce may be seen in the doorway of the building. Photo was taken by Albert Schumm.

$3,500 Damage In Sunday Fire

TRUESDALE MONUMENT WORKS SCENE OF BLAZE; TO BE REOPENED IN MONTH

Fire, believed to have started from an overheated stove and chimney, Sunday, shortly before noon, damaged the John C. Truesdale Monument Works at 607 W. Chicago boulevard. Mr. Truesdale has estimated his loss at between $3,500 and $5,000.

The fire was discovered by a youth on a bicycle who saw smoke coming from the doors and windows in the front of the one-story building at the rear of the Truesdale home. He immediately notified the owner and local firemen fought the flames for nearly an hour.

The interior of the monument shop was extensively damaged, as were tools and other equipment. The amount of damage done to a quantity of stone inside the plant was problematical, Mr. Truesdale said.

"Until we make a careful check of tools and the stone," Truesdale said, "it will be difficult to estimate just what the loss amounts to. Also, we must first get an estimate of what it will cost to repair the damage to the building."

Truesdale said that he hoped to have the building repaired and the tools replaced in time to resume operations within a month.

$25 FOR POLIO

The Westminster Junior League of the Presbyterian church held its regular meeting Tuesday evening, February 6, at the home of Mrs. Albert Williams with 25 present. Mrs. Gerald Baker was cohostess. Mrs. John Curth was in charge of devotions. During the business meeting the league voted $25 to the Polio Fund and plans were completed for the annual Valentine tea. Plans were also discussed for the dinner for the Business and Professional Woman's Club, February 26. A social time was enjoyed and refreshments were served by the hostesses.

VALENTINE TEA

The Annual Westminster Junior Valentine Tea will be held Thursday, February 15, from 2-4 o'clock in the Fellowship Center of the Presbyterian church.

Directors Are Renamed At Country Club Meet

The annual stockholders' dinner-meeting was held at the Tecumseh Country Club, Thursday evening, February 1, with more than 100 members in attendance. During the business meeting the annual reports were read, and R. G. Fuller, J. P. Ammer and Frank Purcell were re-elected to the board of control. Other members of the board are R. W. Herrick, chairman; Frank K. Smith, vice chairman; R. H. Moore, C. W. Gilman, C. O. Butler, J. H. Rohweder, Phillip Colgrove and Paul Breitenwischer. Officers will be elected at the regular board meeting.

A social time and dancing were enjoyed following the business meeting.

Indians Win Over Blissfield Five

JOHN SISSON SUBMITS TO OPERATION NIGHT OF GAME —PLAY AT PITTSFORD, FRIDAY

Playing without the services of their star center, John Sisson, the Tecumseh high school basketball team eked out a slim 46-35 win over a stubborn Blissfield quintet in the local gym Friday evening. The victory kept the Indians in first place in the L.C.A.A. title race, two games ahead of the second place Morenci Bulldogs.

Sisson was taken to Herrick Memorial Hospital Friday afternoon and underwent an appendectomy that evening. At last report he had returned home from the hospital and was recovering nicely. It was feared at first that John would be lost for the remainder of the season, but his physician indicated the first of the week that should he continue to improve as rapidly as at present he might be ready to play in the Morenci game (the last of the season) and the state tournaments in March.

Ruhl replaced Sisson and gave a fine account of himself in his first starting assignment. George scored nine points for second place in the scoring column and gave a good all-around account of himself. Campbell was high scorer

Fire Destroys $1,800 In Grain

ELEVATOR AT BRITTON DAMAGED BY BLAZE ON SATURDAY AFTERNOON

About $1,800 worth of corn was destroyed and considerable damage was done to the Walper Grain Elevator at Britton, by fire that started in one of the dryers about 12:30 last Saturday afternoon. Fire departments from Britton, Tecumseh and Dundee fought the blaze and brought it under control.

The Britton firemen were called back to the elevator at 8:30 Sunday morning to subdue outbreaks of fire.

The fire is believed to have been caused by an over-heated dryer in the corn storage elevator.

Dalton Walper said today that it was impossible for him to estimate the damage, aside from the grain loss. He said that insurance adjusters are now on the job, and that repairs will be made immediately. Other departments of the elevator are functioning as usual, he said. The outside structure of the elevator was not damaged.

ROUTINE MATTERS BEFORE THE COUNCIL

Only routine affairs were presented to the Village Council, in regular session on Monday evening. Reports of committees and department heads were read and placed on file and current bills were audited and ordered paid.

MALE QUARTETTE COMING

A male quartette from Michigan State College, East Lansing, will sing during the Quaker Gospel Hour at 8:30, Sunday morning, over station WABJ, and also will have charge of the Sunday services at the Tecumseh Friends church, with morning worship at 10 a.m., Sunday school at 11:15 a.m. They also will be in charge of the evening service at 7:30 p.m.

LOCAL ARTIST PRESENTS SECOND PORTRAIT FOR CIVIC DISPLAY

Tecumseh, Ontario, to Get Painting of Indian Chief

That a casual word may sometimes bear fruit was again demonstrated this week when Earl Bryan, local painter, presented the Chamber of Commerce with a color portrait in oils of the Shawnee chieftain, Tecumseh.

When Mr. Bryan presented the public schools with such a picture a few weeks ago, Ronald Harris, Chamber secretary was present at the ceremony. Someone mentioned that a similar picture might be a suitable gift to the people of Tecumseh, Ontario. Mr. Bryan said he thought it probably might. Harris was startled the other day, when Mr. Bryan brought a picture in to be hung in the Chamber of Commerce office until a suitable time occurred for a presentation.

The picture, like the one given the schools, is a copy from an old woodcut in the possession of The Herald, and is said to be the only likeness of Tecumseh. Mr. Bryan made no attempt to "glamorize" the portrait.

Chief Tecumseh does not wear a Sioux war bonnet as so many persons think all Indians should. Mr. Bryan secured a book on Indian culture and check for the authenticity of the headdress and the war paint worn in the picture. Even the peace pipes which decorate the corners of the picture are authentic Shawnee pipes, according to the best authority that could be found.

A group from Tecumseh, Ontario, is to visit the Michigan town on February 16 to see the Tecumseh-Summerfield game. The Canadians would like to schedule a Tecumseh - Tecumseh basketball game, but wish to see our team play first to see if the teams would be evenly enough matched to make an interesting contest.

Dr. Frank L. Huntley To Talk To Town Hall, Feb. 27

Dr. Frank L. Huntley who, for 23 years, lived in China and Japan as a boy and as a teacher, will be the speaker at the Town Hall meeting at Central school here, Tuesday evening, February 27. Dr. Huntley will discuss "The Korean Situation."

Dr. Huntley became a member of the University of Michigan staff as an instructor in Japanese, and as an associate professor of English. In 1946 he was appointed secretary of the committee for the Barbour Scholarships for Oriental Women. In this capacity, Huntley administers these scholarships which are drawn from a fund of $600,000 given to the U. of M. in 1917.

Dr. Huntley is a capable speaker, and will draw upon his wealth of knowledge of both China and Japan in discussing his Town Hall subject here.

Start Work On New Directory

WILL LIST NAMES AND ADDRESSES OF PERSONS IN VILLAGE AND TOWNSHIP

A house to house canvass in the village of Tecumseh and Tecumseh township will be started in a few days it was announced today by the Robinson Directory Company of Hillsdale and the Tecumseh Chamber of Commerce. The enumeration will be for the purpose of producing a directory of the residents of the area and to survey the buying habits of the people in the trading territory.

The directory which will be published will be the first one to be issued of the Tecumseh territory in about a quarter of a century. The great population changes in and around Tecumseh of recent years have made such a directory an indespensible business tool, and will be a source of much valuable information to every person residing here or doing business in the area.

The most important part of the new directory will be an alphabetical listing of all of the residents in the village and township. The directory which will be listed for Tecumseh will go further than many such directories, in that it will list every person in each fam-

Gifts To Polio Lag In Tecumseh

TOTAL SUBSCRIPTION MAY REACH $600; CHANGE IN METHOD FAVORED

Tecumseh's subscription this year to the March of Dimes is lagging, Earl H. Place, co-chairman with M. E. Partridge, announced today. The total receipts thus far, he said, amount to less than $450 and he indicated that a grand total of around $600 might be expected.

Mr. Place, who is Lenawee chairman of the United Fund Campaign, said today that he favored making the March of Dimes a part of the United Fund and in that way permit it to share in the Community Chest. He declared that many people had suggested such a plan to him, expressing a desire to "give once and for all."

"I have felt from the first year that the polio drive should become a part of the United effort but because this was the first year of the combined drive I also felt that we should go along with the 1951 campaign. However, another year I would favor combining the March of Dimes with the Chest

Dr. Hammel To Speak On Civilian Defense

The American Legion Auxiliary met in the Legion Home, Monday evening at 8 o'clock for the regular meeting. During the business meeting, $35 was voted to the Polio Fund; $25 to the Michigan Facilities at Grand Rapids, and 5,000 popples were ordered for the annual Poppy Day. Mrs. Robert French was in charge of the program on Americanism. Mrs. Harold Green read a short message from the national president. Mrs. Truman Rentschler gave a very interesting talk on "Ways to Combat Communism." Refreshments were served by Mrs. Hilda Will, Mrs. Louis Schneider and Mrs. Percy Bowen.

The March meeting will be on "Community Service."

February 15, at 6:30 p.m. the Legion and the Auxiliary will have a joint meeting with an all potluck supper. Coffee only is being furnished. Each family is asked to bring their own dishes. Dr. H. H. Hammel will talk on "Civilian Defense."

Registration Law Explained

YOU MUST MAKE SURE YOU ARE REGISTERED PRIOR TO FEBRUARY 20, LAW SAYS

If you would vote in the village election on Monday, March 12, you must make sure that you are registered not later than Tuesday, February 20, according to Michigan law.

Should there be any doubt in your mind about your registration status, James C. Beardsley, village attorney, today called attention to these sections of the Michigan law governing voting and registration:

1. The clerk is ordered to suspend registration for all voters who have not voted within a period of four years, and the inspectors of election shall not receive the vote of any person whose name is not registered in the registration precinct in which he offers to vote.

2. Every person who has the following qualifications shall be entitled to register, in the voting precinct in which he resides. First, he must be a citizen of the United States, at least 21 years of age, and a resident of the state for at least six months and a resident of the village for at least 20 days prior to the election. If he is not now registered he may make application to the clerk for registration at any time, except on a holiday or Sunday, prior to and including February 20. After Febru-

First Aid Class To Meet Tonight

NEARLY 100 MEN ARE ENROLLED FOR SIX-WEEK COURSE, DIRECTOR SAYS

Nearly 100 men have been enrolled in the First Aid Class that will begin a six-week course of instruction tonight, February 8, in the K. of P. Hall, Neville Hart, director of Civilian Defense in Tecumseh, announced today. The class meets for three hours nightly, once each week.

"The First Aid Class is being organized at the request of the County Defense Unit and the State Unit, and it is a part of our Civilian Defense program in Tecumseh," Mr. Hart pointed out. He said that the training will be given by a qualified Red Cross instructor, probably from Adrian.

Hart declared that Tecumseh's Civilian Defense program is rapidly taking shape, and that there would be another "report meeting" of chairman of several of the

ROTARIANS HEAR OF VISUAL EDUCATION

Visual education on the vocational level was discussed by Delmar Crisp, high school instructor here, when he spoke to members of the Rotary Club, Tuesday evening, following dinner at the Legion Memorial Home. Crisp, a member of the club, also showed pictures prepared particularly for school use. His talk was interesting as well as educational.

The club accepted two men into membership. They are Ted Piel of Tecumseh Products Co., and Geo. E. Green, jr., of the Green Funeral Home.

Next Tuesday evening, at the Legion Home, the club will hold its annual Rotary Ann dinner. A. D. Moore of Ann Arbor, will be the speaker.

SENT TO STATE SCHOOL

A 15-year-old Tecumseh boy, arrested by police in Ann Arbor in connection with the theft of a car owned by Dr. William Britton here, January 18, has been sentenced by the probate court to the State Vocational School for Boys at Lansing, police here have been advised. The Doctor's car was recovered, but a quantity of medicine and surgical instruments had been destroyed.

DAY OF PRAYER

The World Day of Prayer service will be held Friday afternoon, February 9, at 1:30 at the Tecumseh Friends church. This service will be in charge of the various churches in the community and the theme will be, "Perfect Love Casteth Our Fear." The program to be used was composed by christian women in Germany, and will be used in over 90 countries throughout the world. All women of the community are invited to attend this World of Peace service.

Will Our Enemies Become Allies?

"It is a mad world, my masters," says a character in one of Shakespeare's plays. The Bard of Avon died centuries ago, but that particular observation is 100 per cent timely now.

We are engaged in a conflict with a nation which was our ally a few short years ago, the Soviet Union. At the same time, there is more and more consideration of the possibility of rearming and enlisting as new allies the principal nations against which we fought the greatest war in history, Germany and Japan.

So far, Germany has shown small enthusiasm for this idea. A joke which has been making the rounds in that torn and battered country goes like this, "In another war, the United States will furnish the air force, Britain will furnish the fleet, France will furnish the ground troops and Germany will furnish the war criminals." Every evidence indicates that the majority of Germans hate and fear the Russians. But, at the same time, they have little love for the Western occupying powers. They are a proud people and it is probable they would willingly rearm and take up martial ways again only if their country was freed and given full standing in the company of nations.

Japan presents a different situation and a different problem. There the occupation has undoubtedly been more successful than anywhere else. One may not like MacArthur and his policies and attitudes, but it cannot be denied that he has obtained results. He has been greatly aided by the cooperation of the Emperor. In Japan, emperor-worship has existed for thousands of years, and it exists today in almost as pure a form as ever.

Where do the people of Japan stand in the current world conflict? There is a militant communist party in Japan, but it seems to have made small headway. The age-old Japanese tradition is authoritarian, but it represents an entirely different philosophy of authoritarianism than does communism. If the present Japanese Prime Minister Shigeru Yoshida is correct, Japan is "definitely and irrevocably" on the side of the free world.

Mr. Yoshida writes in the January issue of Foreign Affairs, "We are ready and anxious to join, do our full share and make sacrifices, if necessary, in any arrangement for international cooperation under United Nations' auspices to ensure the security of the Pacific as well as Japan." He writes further that the differences in aim between democracy and communism are "absolutely irreconcilable" and that "any attempt at appeasement or compromise on the part of the free nations is unthinkable."

Japan, of course, wishes a peace treaty — a technical state of war still exists between her and 49 other countries. Mr. Yoshida points out that the Soviet Union has refused consent to a treaty, and urges a separate peace with the 44 nations outside the present Russian orbit. And here he makes this observation: "We do not know what will be the conditions of the peace. This is a treaty Japan will conclude as a defeated nation for the first time in her history, and it is likely to prove a bitter pill to swallow. We are prepared to take our punishment."

Japan has been 100 per cent disarmed. But Japan is the key to the Pacific, and it is very possible that she will again be made into a military power. And there is one interesting fact in this connection; Japan is the only modern nation which has defeated Russia in war, even though that war was a small one by today's standards and was concluded with a single great naval engagement.

Spending Our Way Into Socialism

James E. Shelton, president of the American Bankers Association, has warned that government deficits which lead to an immense public debt, devaluation of the dollar and inflation, only result in robbing the people of the capital accumulated by their work. He said, in addition, that it is the task of every American to "see that the young people of this country are not unknowingly and unwittingly drawn into the whirlpool of socialism."

These are strong words, but they come at a time when strong words are needed. They apply directly to everyone who has a savings account, a life insurance policy, some government bonds, or any other form of fixed dollar savings. It is not just the "rich" who are the victims of financially irresponsible government, indeed the rich are better able to stand it than the rest of us. It is the average man, with a salary which buys less and less in the market place, who takes the real beating, along with those whose savings become less and less valuable in terms of purchasing power and security.

It has long been the frankly expressed Russian belief that this country would collapse economically from within. Then the communists, the theory goes, could pick up the pieces and organize the world. We are playing the enemy's game when we go blindly on piling billions of appropriations for domestic government spending on pet political projects which are not necessary, and which makes the fires of inflation burn hotter and hotter on top of the tens of billions now needed for defense purposes. How long will it take our people to see that our gigantic bureauceratic federal machine will spend us into socialism and oblivion unless it is curbed in its orgy of waste which today knows no bounds?

Benefit Card Party Shows Profit of $272

Sixty-five tables were filled for the Parent-Teachers Benefit Card Party, last Thursday evening, in the Central school gymnasium. The proceeds, amounting to $272, will be used to purchase necessary school supplies and equipment. Following the games, home-made cookies and cakes were sold at auction with Wallace Whiting as auctioneer. He was assisted by James McDowell and the Rev. D. C. Wilson. A large number of the prizes donated by merchants and members also were awarded by Mr. Whiting.

The prizes for the sale of tickets was announced by Mrs. Thomas O'Hara, president of the association with $5 given to the 11th grade in the high school division; $5 to Mrs. C. O. Bailey's fifth grade, and $3 to Miss Alice Hopkins' sixth grade. The sixth grade won by only two tickets over the kindergarten.

Mrs. L. H. Tidley was general chairman of the party and was assisted by a committee of room mothers.

New in Style—New in Structure—New in Power—New in Thrift—Potent in Price Appeal—It's the 1951 BUICK SPECIAL!

HERE is good news for folks with a shrewd eye for what their dollars will buy.

Here is a tidy traveler that defies the upward trend of costs—proudly wears a 1951 price tag like that which zoomed last year's SPECIAL into popularity so great that it put a crimp in "the low-priced three."

Take our word for it, this is every inch and ounce a Buick—Buick-featured, Buick-designed, Buick-built from the ground up—but literally the newest thing on wheels.

The sturdy and ample body is new. The high-strength frame is new. The power is new to the SPECIAL, which now has the thrifty F-263 engine that first made its name in the SUPER, and here delivers 120 horsepower with standard transmission—128 with Dynaflow Drive.*

It's a Buick with less weight and more power—and that spells a pair of *new thrills for you*. There's a performance thrill such as you've never enjoyed in the SPECIAL—plus a handsome gas-saving into the bargain.

We'll make a prediction now as to what title folks will give it, once they get it out on the road. That title in three words, will be: "Thriftiest Buick Yet!"

Better hurry around to your Buick dealer's and look this marvel over. We'll give you another prediction—which is: Once this one's discovered, the demand will be terrific.

*Standard on ROADMASTER, optional at extra cost on other Series.

Standard equipment, accessories and trim illustrated are subject to change without notice.

When better automobiles are built BUICK will build them

Miss Margaret S. Hart Weds Melvin A. Murphy

St. Elizabeth Catholic Church, Tecumseh, was the scene of a lovely wedding Saturday, February 3, at twelve o'clock, when Miss Margaret Sue Hart, daughter of Mr. and Mrs. Robert J. MacLean, and Melvin A. Murphy, son of Mr. and Mrs. Melvin R. Murphy, all of Tecumseh, were united in marriage. The Rev. Father Michael G. Collins performed the double ring ceremony before an altar decorated with bouquets of snapdragons and calla lillies. The pews were marked with white satin bows.

Mrs. Marian Spafford played nuptial music and accompanied Wallace Whiting, soloist, as he sang "Ava Marie" and "On This Day O' Beautiful Mother."

The bride, given in marriage by her father, wore a white slipper satin gown with a net yoke edged with Alencon lace, with long sleeves ending in points over her hands. Her fingertip illusion veil fell from a cap of rolled satin and the cathedral length train was edged with Alencon lace. Her only jewelry was a single strand of pearls, a gift of the bridegroom. The bride carried a white orchid and stephanotis bouquet, tied with satin streamers, and her prayer book.

Mrs. Harold Butler, of Adrian, aunt of the bride, was matron of honor. She wore a blue taffeta floor length gown, with matching headdress and carried a bouquet of daffodils and ivy. Miss Beverly Murphy, sister of the groom, was bride's maid. She wore a gown of antique gold, in the identical style of the matron of honor's, with matching headdress, and she carried a bouquet of deep rose carnations and ivy. Theresa Butler of Adrian, cousin of the bride, was flower girl. She wore a floor length gown of pink taffeta similar to the other attendants. Her tiara was of azaleas, and she carried a nosegay of purple iris, pink mums and roses.

Bert Douglas Tate, jr., assisted Mr. Murphy as best man.

The bride's mother wore a two-piece navy blue crepe dress with navy and white accessories and a corsage of red carnations. The bridegroom's mother wore a green silk print dress with black accessories and her corsage was of red carnations. The bride's grandmother, Mrs. Fred E. Bournes, wore a black silk print with black and white accessories and a white gardenia corsage. Mrs. Verdi Skinner, grandmother of the bridegroom, wore a black silk print dress with black accessories and a gardenia corsage.

Mr. and Mrs. Murphy left on a short wedding trip, the bride changing to a navy blue print dress with a navy jacket and matching accessories. She wore the white orchid from her bridal bouquet.

Immediately following the ceremony a reception was held at the home of the bride's parents on W. Brown street for about 100 guests. A four-tiered wedding cake, topped with a miniature bride and groom, baked by Frank Craver, uncle of the groom, a gift of Mr. and Mrs. Frank Craver, of Milan, centered the bride's table. Spring flowers were used for decorating the tables. Mrs. James R. MacLean, of Mt. Pleasant, sister-in-law of the bride, cut the cake and was assisted by Mrs. Walter Dodd of Adrian, at the coffee urn, Mrs. George Willenberg of Dearborn at the punch bowl, Mrs. Carl Griewahn of Adrian and Mrs. Patrick Campbell of Mt. Pleasant. Gerald Bakewell of Adrian was in charge of the guest book. Guests were registered from Dearborn, Detroit, Jackson, Toledo, Milan, Mt. Pleasant, Adrian, Hudson, Clayton, Clinton, Holloway, Macon, Deerfield and Onsted.

The bride is a graduate of Tecumseh high school in 1949 and attended Cleary Business College at Ypsilanti and is now empoyed in the office at Clinton Machine Company. Mr. Murphy graduated from Tecumseh in 1949 and is now employed in the engineering department of the Clinton Machine Co.

After a short wedding trip, the couple will reside in the Luce Apartment at Tipton.

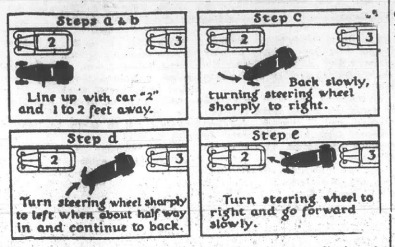
Farm records are management tools and can do as much to make the farm profitable as any machine or tool you possess, say MSC agricultural economists.

Today's Driving Lesson



Parking parallel, long the "waterloo" of otherwise capable adult drivers, really isn't hard, say teachers in 305 AAA Driver-Training courses in as many Michigan high schools.

Any motorist who can remember five simple rules can kiss his parallel parking jitters goodbye. Michigan teen-agers taking the behind-the-wheel course sponsored by Automobile Club of Michigan are learning to park parallel this way:

(a) Make sure the road is clear and signal intention to stop by extending the left arm from the window.

(b) Drive alongside the car you are going to park behind (car No. 2), and stop when the rear bumper of your car is even with the rear bumper of car No. 2. Your position should be about one to two feet from car No. 2. This beginning position is the whole key to parallel parking.

(c) Back slowly—slipping the clutch — while turning the steering wheel sharply to the right until your car is nearly at a 45-degree angle with the curb. Then straighten the front wheels and continue backing into the parking space.

(d) When the right end of your front bumper is opposite the left end of the rear bumper of the car ahead, hesitate an instant, then turn the steering wheel rapidly to the left as far as it will go while continuing your slow backward movement.

(e) Cramping the steering wheel as far as it will go to the right, move front of the car to within six inches of the curb. Leave an equal distance between your car and the cars in front and in back.

Executed correctly several times, this maneuver becomes easy.

(Next: Can You Stop?).

LOCALS AND PERSONALS

Mr. and Mrs. E. C. Boss have as their guest this week, J. Z. S. Hunt and Mrs. James Hunt, cousin and aunt of Mrs. Boss, from Willimantic, Conn. Miss Margaret S. Hart Weds Melvin A. Murphy

St. Elizabeth Catholic Church, Tecumseh, was the scene of a lovely wedding Saturday, February 3, at twelve o'clock, when Miss Margaret Sue Hart, daughter of Mr. and Mrs. Robert J. MacLean, and Melvin A. Murphy, son of Mr. and Mrs. Melvin R. Murphy, all of Tecumseh, were united in marriage. The Rev. Father Michael G. Collins performed the double ring ceremony before an altar decorated with bouquets of snapdragons and calla lillies. The pews were marked with white satin bows.

Mrs. Marian Spafford played nuptial music and accompanied Wallace Whiting, soloist, as he sang "Ava Marie" and "On This Day O' Beautiful Mother."

The bride, given in marriage by her father, wore a white slipper satin gown with a net yoke edged with Alencon lace, with long sleeves ending in points over her hands. Her fingertip illusion veil fell from a cap of rolled satin and the cathedral length train was edged with Alencon lace. Her only jewelry was a single strand of pearls, a gift of the bridegroom. The bride carried a white orchid and stephanotis bouquet, tied with satin streamers, and her prayer book.

Mrs. Harold Butler, of Adrian, aunt of the bride, was matron of honor. She wore a blue taffeta floor length gown, with matching headdress and carried a bouquet of daffodils and ivy. Miss Beverly Murphy, sister of the groom, was bride's maid. She wore a gown of antique gold, in the identical style of the matron of honor's, with matching headdress, and she carried a bouquet of deep rose carnations and ivy. Theresa Butler of Adrian, cousin of the bride, was flower girl. She wore a floor length gown of pink taffeta similar to the other attendants. Her tiara was of azaleas, and she carried a nosegay of purple iris, pink mums and roses.

Bert Douglas Tate, jr., assisted Mr. Murphy as best man.

The bride's mother wore a two-piece navy blue crepe dress with navy and white accessories and a corsage of red carnations. The bridegroom's mother wore a green silk print dress with black accessories and her corsage was of red carnations. The bride's grandmother, Mrs. Fred E. Bournes, wore a black silk print with black and white accessories and a white gardenia corsage. Mrs. Verdi Skinner, grandmother of the bridegroom, wore a black silk print dress with black accessories and a gardenia corsage.

Mr. and Mrs. Murphy left on a short wedding trip, the bride changing to a navy blue print dress with a navy jacket and matching accessories. She wore the white orchid from her bridal bouquet.

Immediately following the ceremony a reception was held at the home of the bride's parents on W. Brown street for about 100 guests. A four-tiered wedding cake, topped with a miniature bride and groom, baked by Frank Craver, uncle of the groom, a gift of Mr. and Mrs. Frank Craver, of Milan, centered the bride's table. Spring flowers were used for decorating the tables. Mrs. James R. MacLean, of Mt. Pleasant, sister-in-law of the bride, cut the cake and was assisted by Mrs. Walter Dodd of Adrian, at the coffee urn, Mrs. George Willenberg of Dearborn at the punch bowl, Mrs. Carl Griewahn of Adrian and Mrs. Patrick Campbell of Mt. Pleasant. Gerald Bakewell of Adrian was in charge of the guest book. Guests were registered from Dearborn, Detroit, Jackson, Toledo, Milan, Mt. Pleasant, Adrian, Hudson, Clayton, Clinton, Holloway, Macon, Deerfield and Onsted.

The bride is a graduate of Tecumseh high school in 1949 and attended Cleary Business College at Ypsilanti and is now empoyed in the office at Clinton Machine Company. Mr. Murphy graduated from Tecumseh in 1949 and is now employed in the engineering department of the Clinton Machine Co.

After a short wedding trip, the couple will reside in the Luce Apartment at Tipton.

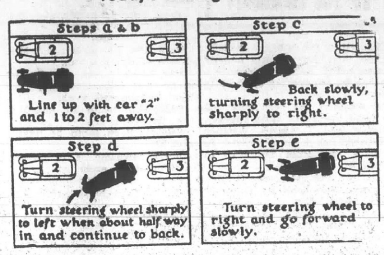
Farm records are management tools and can do as much to make the farm profitable as any machine or tool you possess, say MSC agricultural economists.

Today's Driving Lesson



Parking parallel, long the "waterloo" of otherwise capable adult drivers, really isn't hard, say teachers in 305 AAA Driver-Training courses in as many Michigan high schools.

Any motorist who can remember five simple rules can kiss his parallel parking jitters goodbye. Michigan teen-agers taking the behind-the-wheel course sponsored by Automobile Club of Michigan are learning to park parallel this way:

(a) Make sure the road is clear and signal intention to stop by extending the left arm from the window.

(b) Drive alongside the car you are going to park behind (car No. 2), and stop when the rear bumper of your car is even with the rear bumper of car No. 2. Your position should be about one to two feet from car No. 2. This beginning position is the whole key to parallel parking.

(c) Back slowly—slipping the clutch — while turning the steering wheel sharply to the right until your car is nearly at a 45-degree angle with the curb. Then straighten the front wheels and continue backing into the parking space.

(d) When the right end of your front bumper is opposite the left end of the rear bumper of the car ahead, hesitate an instant, then turn the steering wheel rapidly to the left as far as it will go while continuing your slow backward movement.

(e) Cramping the steering wheel as far as it will go to the right, move front of the car to within six inches of the curb. Leave an equal distance between your car and the cars in front and in back.

Executed correctly several times, this maneuver becomes easy.

(Next: Can You Stop?).

LOCALS AND PERSONALS

Mr. and Mrs. E. C. Boss have as their guest this week, J. Z. S. Hunt and Mrs. James Hunt, cousin and aunt of Mrs. Boss, from Willimantic, Conn. Mr. Hunt, as grand commander of the Knight Templars of the state of Connecticut, was invited to come to Detroit for the celebration last weekend of the hundredth anniversary of Detroit Commandery No. 1, of which Mr. Boss is a member. The Hunts are now visiting relatives in Birmingham, Huntington Woods and Tecumseh before returning to their home.

Mr. and Mrs. Robert H. Moore and Mrs. Richard Fielder arrived home last Wednesday night from St. Petersburg, Florida.

Mr. and Mrs. M. H. Thielan and Mr. and Mrs. Russell Garno returned Sunday night from a two week's vacation to Florida.

GUILD TO MEET

The Florence Weld Mission Guild of the Presbyterian church will meet February 12, at 8 o'clock with Mrs. Ted LaBounty on East Logan street with Mrs. Jennie Satterlee assisting hostess. Mrs. Fred Rector will be in charge of devotions and Mrs. Winifred Bates the program. "Now in Iran and the Philippines."

Officers Named By Monday Club

MRS. E. J. AEBERSOLD SUCCEEDS MRS. RENTSCHLER AS PRESIDENT

The annual election of officers was held by the Tecumseh Monday Club during its meeting in the Methodist church last Monday afternoon. The following officers will serve the club next year; President, Mrs. E. J. Aebersold; first vice president, Mrs. Earl Wood; second vice president, Mrs. Robert McCoy; recording secretary, Mrs. Lynn Hubbard; treasurer, Mrs. Neil Pearson; corresponding secretary, Mrs. Mertle Waring; directors to serve for two years, Mrs. Truman Rentschler, Mrs. Mabel Beardsley, and Mrs. Earl Place. Mrs. Perry Hayden, Mrs. Wilfred Waldron, and Mrs. Ernest Brandt served as the committee on nominations.

The Department of International Relations presented Mrs. Don Wilson who talked interestingly of her visits to England and Scotland. Mrs. Glen VanDenbergh introduced the speaker and also Mrs. Wilfred Waldron who played "Drink To Me Only With Thine Eyes." TWA's film, "Flight Into Time" was not shown due to non-delivery of express because of the railroad strikes.

Mrs. Earl Wood and Mrs. T. Rentschler, president, presided at the tea table which was decorated with flowers and candles and other suggestions of Valentine Day. The hostesses were Mrs. E. J. Aebersold, Mrs. Lynn Hubbard, Mrs. Thomas Hamilton, and Mrs. Roscoe Hewlett.

On February 19, the Monday Club will meet in the home of Mrs. Earl Wickwire and at that time the members will be entertained with a book review by Mrs. Ray Sluyter.

Baldwin Store

(Continued from Page 1)

hardware and appliances must be checked.

Baldwin indicated that as soon as it was possible to do so, he would open the doors of the new store to the public, probably with a fire sale.

"I would appreciate it," Baldwin said, "if our customers would bear with us for two or three more weeks and permit us to get reorganized. There are some people who are already seeking to buy this or that from us, at fire sale prices. This we cannot do. When the salvaged merchandise goes on sale, everyone will be given an equal chance to buy."

Baldwin said that his company would continue to operate in the Whelan building until the old store ruins can be cleaned up and new buildings constructed. This task will take several months, he said, but he declared that the work would be rushed as much as possible. He also said that he would add to his line of merchandise at the temporary store, as fast as possible, and that it would be only a matter of a few weeks before he would again give Tecumseh a "going hardware business."

The new building that will replace the one that was destroyed will be two stories in height, with modern front and interior, Baldwin said.

"We have a big job ahead of us, but everyone is kind and cooperative, and that makes the burden lighter. I want to again express my appreciation for the many, many kindnesses that have been extended," the hardware man concluded.

Registration

(Continued from page 1)

ary 20 he may not register to vote in the March 12 election.

3. Registered electors may, upon change of residence within the village, cause their registration to be changed by sending to the clerk a signed request, stating his present address, the date he moved, and the address from which he was last registered or, he may, if he desires, make the transfer by personal application. This change should also be made not later than February 20.

Folk who observe the above rules, Mr. Beardsley said, will have no difficulty in voting in the March 12 election.

According to Robert Kroner, clerk, there are many unregistered voters in Tecumseh and many others who should change their registration from one voting precinct to another because they have moved.

"The rules are very simple," Mr. Kroner said, "and there is no reason why anyone over the age of 21 should not be an eligible voter next month."

GOOD CHEER CLASS

The Good Cheer Class of the Baptist church will meet Friday evening at the home of Mr. and Mrs. Faye VanValkenburg for a 6:30 potluck supper. Rev. A. C. Brazee will be the guest speaker.

Sportsmen's Club To Be Organized Here, Feb. 15

Thursday evening, February 15, at 8 o'clock in the V.F.W. Club rooms, Russell Patterson, regional education supervisor of the Michigan Conservation Department, will show movies on hunting and fishing and discuss the organization of a conservation club here. Mr. Patterson consented to come here at the request of a small group of fellow sportsmen interested in the conservation of wildlife in Michigan.

It has been the thought of this group for some time to organize a club to which the average man could belong and enjoy the knowledge and experience of expert sportsmen as well as keeping up on the changes in conservation laws.

The meeting is open to the public and there is no charge. Anyone interested in joining the club may remain after the program to elect officers. During the business meeting, Mr. Patterson will instruct the group as to what must be done, ways of doing it and how to benefit by belonging to such a club. The fee for membership will be $1.25 per year and all proceeds will go into the local club.

Refreshments will be served after the business meeting.

Indians Win

(Continued from page 1)

for the Indians with ten tallies.

Grabbing a 9-6 lead in the first quarter, it looked for a time as though the Sugar Boys were out to upset the strongly favored Indians. It wasn't until midway in the second period that Tecumseh was able to overcome the lead and then forge ahead to a 19-16 margin at halftime.

Tecumseh flashed some of their usual form in the third stanza to practically put the game on ice, scoring 17 tallies to the visitors' ten. Blissfield came right back in the fourth quarter to add nine points to their total while holding the local lads to five, but their rally fell short and the Indians walked off the floor with their ninth straight league win.

The Tecumseh reserves won their game, 55-21.

Tomorrow night (Friday) Tecumseh journeys to Pittsford for another league game. The Hillsdale county member of the league stands in sixth place and should not be too difficult for the Indians.

groups, this evening at the Council Building.

"We hope to have our complete organization effected within a very short time, so that Tecumseh will be able to cope with an emergency, should one arise. Locally, we are following a pattern that has been state approved, and we sincerely hope that those who have been named to direct its many phases will accept their responsibility seriously."

Charles O. Butler has been named as chief air raid warden in Tecumseh, Hart announced. The Exchange and Rotary Clubs are cooperating in the program, and representatives from those clubs will select block air raid wardens for the entire village, Louis S. Schneider was named as Rotary's representative to the committee a week ago.

"Every air raid warden in Tecumseh should take the First Aid Course," Hart declared. "That is the suggestion of both the county and the state units. In all probability it will be necessary to organize another class, and training of the second group can start as soon as the first class has finished with its instruction, or late in March. Men not now registered, and who desire to take the course, should contact us at once, so that we will be organized and ready to start the second period of training promptly."

DRAWS FINES OF $1

Two Tecumseh youths, Ronald Henkel, 18, and William Morris, 18, drew fines of $1 each and court costs of $8.60 when they pleaded guilty on Monday in Justice Robert French's court to disorderly conduct charges. The lads were arrested by local police, who charged that they were fighting.

PYTHIAN SISTERS TO OBSERVE ANNIVERSARY

The 50th anniversary of Josephine H. Hall Temple of Pythian Sisters will be observed Wednesday evening, February 14 with an appropriate program in the K. of P. hall. Charter members will be honored and 25 and 50 year certificates will be presented to those eligible. An interesting program has been planned by Mrs. M. W. Mathews, most excellent chief, and the meeting will be open to the public. Lunch will be served.

ily regardless of age. Many directories in larger cities do not list the children of a family. In addition to listing the names, the directory will list also addresses and occupations.

Included in the directory will be a numerical telephone listing and an important classified business section.

The buying habits survey which will be conducted by the same enumerators is the outgrowth of the retail conferences conducted by the Chamber of Commerce several weeks ago. The purpose of the survey is to get the candid opinions of the people in the area as to where they shop and why. Tecumseh merchants are eager to serve their customers and wish to know where and how they can serve them better. The questions to be answered will guide them in their research to make the town a more adequate shopping center.

All families are asked to cooperate wholeheartedly with the enumerators, it is explained that the information sought is most general and in no way attempts to pry into the private affairs of any individual or group. The enumerators will bear credentials from the local Chamber of Commerce so that persons being interviewed will know that they are talking to authorized and approved canvassers.

campaign, eliminating a duplication of effort."

The March of Dimes drive here this year was again sponsored by the Rotary Club. The Polio Dance, staged at the American Legion Home, Saturday evening, showed a profit of $341.50. Everything for the dance was donated, the ballroom by the Legion, the music by the Products Chieftains.

Other receipts thus far, Place said, total $82.55, the gift of school students. That makes a grand total to date of $423.55.

The cannisters in the stores, offices and other places still are to be opened but it is unlikely that there is more than $200 in these, Place said. He also said that he knew of contributions by clubs and organizations still to be received.

Last year, Tecumseh subscribed over $1,200 to the March of Dimes. Place estimated that this year's receipts probably would not exceed $600 or $700.

Care of local polio cases last year cost the March of Dimes about $600 more than was subscribed in Tecumseh in 1950.

3,500 Damage

(Continued from page 1)

Stored in the building were several hundred dollars worth of paint, removed from the ruins of the $250,000 Baldwin Hardware Company fire on January 26. Ned Baldwin, owner, had stored the paint there after it had been removed from the flooded hardware basement.

"I doubt that the paint was seriously damaged in the Sunday fire," Truesdale said. "Some of the boxes were scorched, and some labels were burned and blackened."

Mr. and Mrs. Baldwin and Mr. and Mrs. Truesdale were vacationing in New Mexico when Mr. Baldwin learned of the disastrous fire in his store. With Mrs. Baldwin, he flew home and the Truesdales drove the Baldwin car back to Tecumseh, arriving the first of the week. Within less than a week after their return, Truesdale's shop also was visited by fire.

Auto Accidents

(Continued from page 1)

Totals include 1,581 deaths as compared with 1,441 the previous year, a gain of 10 per cent, and 45,238 persons injured as compared with 40,745, an increase of 11 per cent. There were 160,745 accidents as against 141,437, an increase of 13 per cent.

Delayed reports are likely to increase the fatality total to an estimated 1,600.

Estimated travel in November, the latest month for which figures are available, was 1.8 billion miles, a nine per cent increase over the same month in 1949. Total mileage for the first 11 months of 1950 was 20.3 billion miles, a nine per cent increase over the 18.5 billion miles for the same period in 1949. The death rate per 100 million miles of travel was 7.06 as compared with 7.03.

We Enjoy Selling Foods That We Can Guarantee

In the more than 100 years that this store has been serving its customers in Tecumseh, we have learned that quality foods not only satisfy, they are actually more economical.

And that is the reason why, when we purchase merchandise, we do so with the thought of quality in mind. We enjoy guaranteeing the foods that we sell. We know, if the customer is satisfied, he will be back for more.

If you are interested in "good foods" at the "right prices" we'd enjoy seeing your name on our customer list.

Everybody likes to eat — and everybody likes good food.

Librarian Says County "Mentally" Undernourished

Mrs. Loleta D. Fyan, state librarian and president-elect of the American Library Association, said today that Lenawee county is on a mental starvation diet. She went on to explain that her statement is based on a recent study conducted by the Michigan Library as to the number of books per resident for each of Michigan's 83 counties. Of the 83 counties surveyed, 76 have inadequate food for the mind. Five counties—Arenac, Keweenaw, Lake, Luce and Montmorency—are without any mental nourishment, they have no libraries at all.

"According to the American Library Association's minimum standards for counties of Lenawee's size, there should be 2 books per capita. Lenawee county has only 1 1/5 books per capita," said Mrs. Fyan. "An inadequacy in books is certainly mental starvation. A solution to Lenawee county's diet problem is an adjustment in the present State Grants to Public Libraries. These state allotments have been based on 1940 population figures. Since then the state has increased by almost 1,000,000 new residents. Also, the dollar has shrunk to 50% of its value."

"In these days of uncertainty," Mrs. Fyan went on to say, "It is necessary for libraries to furnish food for the mind, good books that serve the need of all residents; practical books of how to do and what to do, as well as books of faith and hope. Unless an adjustment is made of the present State Grants to Public Libraries, Lenawee county will continue on its starvation diet."

The Michigan State Board for Libraries is asking the State Legislature for $699,421 in order that more regional and county libraries may be established and local libraries better supported. This sum is merely an adjustment to new population figures and decrease in the dollar value.

Poll Reveals Kids' Problems

THERE ARE MANY FEARS, MANY DISLIKES AMONG THE TEEN-AGES, SURVEY SHOWS

Fourteen is the most difficult age in a youngster's life, and the problems of being fourteen in our age of sophistication and insecurity need special understanding. To find out what teen-agers fear, desire, and enjoy, McCall's editors questioned 454 ninth-grade students in Houston, Texas, about —among other things—the "facts of life," their tastes in food, movies, television, their smoking and drinking habits and their ambitions. The results appear in the February issue. Among these are:

"Whom they fear most

"Boys: About a third claim they fear no one. Their fathers (17%) are first, then such assorted choices as the assistant principal, football coach, mother, God (4%), Stalin, grandparents, girl friends and the police.

"Girls: Again a third fear no one, and Father tops the list (26%). They're afraid too of God (5%), crazy people, sexy boys, drunks, Communists, the swimming teacher.

"Know 'the facts of life'

"Boys: 90%; Girls 97%

"From whom they learned 'the facts of life'

"Boys: The largest percentage of boys (43%) learned about sex from a friend; 27% learned the facts from their fathers, and the same percentage from their mothers.

"Girls: An overwhelming number (88%) from their mothers, 1% from their fathers, 2% from their sisters, and 9% outside the family.

"Weekly allowance

"Boys: Range from nothing to $20 weekly. Most get $3 or less.

"Girls: Range from nothing to $15 weekly. Most get $2 or less.

"Favorite food

"Boys: Steak leads, followed by ice cream and chicken.

"Girls: Steak and chicken are tied, with 'vegetables' third.

"Have television sets at home

"Boys: 32%; Girls 31%.

"Smoke occasionally or regularly

"Boys: 16%; Girls: 13%.

"Drink occasionally or regularly

"Boys: 13%; Girls: 3%.

"What they want to do when they grow up

"Boys: Engineers lead lawyers and doctors two to one.

"Girls: A third want to be housewives. Secretaries and models are the next choices.

"Bedtime

"Boys: Range from 8:00 p.m. to 1:00 a.m., but the largest number go to bed at 10:00, 9:30 and 9:00 p.m. in that order. Saturday nights, 11:00 is the popular hour.

"Girls: They range from 8:00 p.m. to midnight, with 48% retiring at 10:00. On Saturday it's 11:00 too."

Now You Can Have Flowers In Winter

SPRING INDOORS IN WINTER TIME POSSIBLE BY FORCING BLOOMS

With spring still a long way off you can have many of the April and May flowers in your home now by forcing blossoms.

There are a number of bushes and trees whose branches can be made to flower in a few days with just a little care, according to Dr. Elzada Clover, assistant professor of botany at the University of Michigan.

Branches can be cut now and taken indoors, Dr. Clover says. Place them in lukewarm water and keep them in a rather cool place —temperature of about 72 degrees during the day and 68 degrees at night. Sprinkle the branches often and in a few days (sometimes 10 days to two weeks) they will bloom. Flowers may be retarded by placing branches in temperatures of 40 degrees; warm water in a container will force buds into bloom faster.

Among the shrubs and trees that will blossom if handled this way are Forsythia, cherry, Japanese quince, paw paw, alder, red bud, pussy willow, Cornelia cherry, plum and apricot. Branches of apple trees will blossom, but usually require more time in a cool place than other branches, Dr. Clover points out. Magnolia will also bloom, but the petals fall off almost immediately if forced too long before the normal flowering period.

Dr. Clover suggests experimenting with branches of any flowering or foliage shrubs as many will come out beautifully.

However, be careful of the plants when cutting branches for forcing, cautions the Michigan professor. Don't spoil the appearance of trees or bushes; take low branches and select them from different sides.

Other plants can also be forced into early blooming. Many bulbs planted in pots and kept in a cold place indoors for about a month will produce blooms; particularly the grape hyacinth, Iris reticulata and hyacinth.

Loose scales and dried roots around watering area of hyacinth bulbs should be rubbed off before planting. The botanist says they will then be less likely to be attacked by fungi.

Tulip and hyacinth bulbs need at least an eight week cold period for forced blooming. The reason for keeping bulbs in a cold place is to allow a root system to develop before the green tops start, Dr. Clover explains. Some bulbs on the market have been treated and do not require the cold period.

Lily of the Valley plants dug up now and brought inside will bloom in a few weeks.

Tuberous Begonias can be started indoors now for later transplanting. But, Dr. Clover says, they should be set out in a shady place in the spring.

According to legend, the town of White Pigeon, Michigan, was named after an Indian who ran 140 miles from Detroit to this village to warn its inhabitants of an impending attack by an enemy tribe.

West of Iron River lies Ottawa National Forest, Michigan's largest. Its 1,700,000 acres encompass some of the state's wildest country, unexcelled for game, recreation and rugged beauty.

BRITTON

The vocational agricultural students at Britton-Macon Rural agricultural high school, under the direction of their teacher, George Wald have formed a Junior Dairy Herd Improvement Association. All boys now taking agriculture, or former students are eligible to join.

It is hoped that the formation of his association will lead to improvement of the dairy herds in the program. Not only will the students test cows for efficiency of milk production and butterfat, but they will also conduct regular tests to detect mastitis. With the knowledge gained in this program eventual broadening will become possible so that new students or former students may participate. At this time however, due to lack of equipment and trained personnel the program will be limited to students and former students.

The agricultural boys, however, are planning to conduct another community mastitis program this year, as was done last year. Further information relative to this program will be made at a later date.

Two Things Are Necessary To Make Pies
REALLY GOOD!

How true, you just can't make good pies—and we don't care what kind of pies they are—unless two fundamentals are observed—good crust and good filling.

We pride ourselves, here in our bake shop, in the quality of pies we build. To make good crust, you must have plenty of good ingredients, and the same holds true as to the filling.

When it comes to eggs, sugar and shortening, we never scrimp. And we demand quality fruits for our pie fillings.

If you have any doubt about the quality of our pies, we'd like to have you eat one and find out for yourself.

PERPETUAL MOTION? ALMOST — NOT QUITE

Schenectady, N. Y.—"Can you use an electric motor to drive a generator and then use the current produced to run the motor?"

That was the curve ball someone thought he was tossing at researchers heading a recent General Electric forum. If it were possible it would usher in that longsought era of perpetual motion. But it isn't.

The reason is that motors and generators are never 100 per cent efficient. There are electrical losses, resistance in the wires, atmospheric friction, friction in the bearings, etc. Such machinery will never deliver in useful form as much energy as is put into it.

REGISTRATION NOTICE
—For—
VILLAGE ELECTION
MONDAY, MAR. 12th, 1951

Village of Tecumseh, County of Lenawee, State of Michigan.

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Village Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Village not already registered who may apply to me personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the TWENTIETH DAY before any regular, special, or official primary election and the day of such election.

Notice is hereby further given that I will be at Village Offices

TUESDAY, FEBRUARY 20th, 1951

The Twentieth Day Preceding Said Election as provided by Section 151.10, Michigan Election Laws from 8 o'clock a.m. until 8 o'clock p.m. on each said day for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said VILLAGE as SHALL PROPERLY apply therefor.

In any village in which the clerk does not maintain regular daily office hours, the village council of such village may require that the clerk of such village shall be at his office or other designated place for the purpose of receiving applications for registration, on such other days as it shall designate prior to the last day for registration, not exceeding five days in all.

Notice is hereby given that I will be at VILLAGE OFFICES 20th day, February, 1951, from 8 o'clock a.m., to 8 o'clock p.m.

NOTE—Tuesday, February 20th, is the Last Day for General Registration by Personal Application for Said Election.

The name of no person but an ACTUAL Resident of the village at the time of said registration and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration records.

Registration of Absentee By Oath

PART II-A, CHAP. I, SEC. 16—Any elector who is unable to make personal application for registration because of physical disability or absence from the township, city or village in which his legal residence is located, may be registered prior to the close of registration before any election or primary election by securing from the clerk of the township, city or village in which is located his legal residence, duplicate registration cards and executing in duplicate the registration affidavit before a notary public or other officer legally authorized to administer oaths and returning such registration cards to the clerk of the township, city or village before the close of office hours on the last day of registration prior to any election or primary election. The notary public or other officer administering the oath shall sign his name on the line for the signature of the registration officer and designate his title.

NOTE — Sec. 151.36 provides that in townships, cities, or villages having a population of 5,000 or less the duplicate "master" registrations may be dispensed with.

All the provisions relative to registration in Townships and cities shall apply and be in force as to registration in Villages.

LEGAL NOTICE

1:58 MILES OF GRADING AND DRAINAGE STRUCTURES, BASE REPAIR, AND 20' BITUMINOUS AGGREGATE SURFACE ON COUNTY ROAD (WARNER ROAD) FROM RIVER RAISIN — EAST, LENAWEE COUNTY.

PROJECT: CS 46-51, C1 (8-682 (1)).

Net classification required for this project is 2-Cc.

Sealed proposals for the construction of this project located in Madison Twp., Lenawee, County, will be received from contractors having 1950 Michigan State Highway Department prequalifications, in the Veterans' Memorial Bldg., 213 South Capital Avenue, Lansing, Michigan, until 11:00 A.M., Eastern Standard Time on Thursday, February 15, 1951, and will then and there be publicly opened and read. Proposals may be mailed to Room 424, State Office Building, Lansing, Michigan.

The work will consist of grading and drainage structures, base repair and placing 20' bituminous aggregate surface.

Completion date for entire project August 1, 1951.

The Department's Standard Specifications (1950 Edition), its current Soils Manual, the plans for this project, the special provisions governing subletting and assigning the contract and the employment and use of labor, and the proposal blanks (all of which are essential parts of the contract) may be examined at the district office of the Department at Redford, Michigan; at the County Road Commission, Adrian, Michigan, and at the Michigan Road Builders Association, Lansing, Michigan, but may be obtained only at the office of the Contract Estimate Engineer, Room 424, State Office Building, Lansing, Michigan, up to 5 P.M. of the day preceding the opening of bids. A fee of three dollars will be charged for furnishing plans or proposal blanks, which will not be refunded.

Full cooperation in carrying out the special provisions will be required. Minimum wage paid to labor employed on this contract shall be as follows: Skilled labor $0.95 per hour. Intermediate labor $0.85 per hour. Unskilled labor $0.75 per hour.

A certified or cashier's check on an open, solvent bank, in the sum of $1,000.00, payable to Charles M. Ziegler, State Highway Commissioner, must accompany each proposal. All such checks will be returned promptly after the bidding, except that of the lowest bidder will not be returned until execution and delivery of the contract to the State Highway Department.

The right is reserved to reject any or all proposals.

Rheumatic Fever Is Serious In Children

Rheumatic fever is a comparatively common and extremely dangerous disease among Michigan school children. Each year it takes the lives of more youngsters of school age than any other disease, and in addition cripples many others for life.

Rheumatic fever is a baffling disease. Its cause is not known. It is not contagious, but it flourishes in cold damp weather, under crowded living conditions and among children who do not eat proper food and get proper rest. It often follows a "strep" throat, or a "bad cold."

Symptoms which may indicate rheumatic fever, especially in children under 14 years, are these: low unexplained persistent fever, pain in muscles and joints, rapid heart beat, repeated nosebleeds without apparent cause, pallor, poor appetite, loss of weight or failure to gain, jerky nervous movements and frequent sore throats.

These symptoms may be so slight that the physician may have to study them for weeks and then consult specialists. To aid the physician, the Michigan State Medical Society has established Rheumatic Fever Diagnostic and Consultation Centers throughout the state.

Early diagnosis, complete bed rest, proper diet, prevention of recurrence and avoidance of respiratory illnesses are of the utmost importance to the child with rheumatic fever. The child who has had rheumatic fever must be taught how to maintain good health and the reasons for doing so. Parents should see that he rests as his physician advises, eats the foods he needs, is properly and dryly clothed, follows medical advice and stays away from other children who are ill.

Next to accidents, rheumatic fever is the greatest cause of death among Michigan school age children. More than 60,000 Michigan adults are now suffering crippling heart defects as a result of childhood rheumatic fever.
